OPENING:

My name is Jack Ehnes. I am the CEO of the California State Teachers' Retirement Board. It is now a few minutes after 10:00 a.m., September 22, 2011. We are here today to receive public comments on the proposed regulations regarding an INTERNAL INFORMAL APPEAL OF A DETERMINATION BY CALSTRS STAFF OF A RIGHT TO A BENEFIT OR OBLIGATION. The public hearing is scheduled to conclude at 11:00 a.m. pursuant to the public notice.

The function of this hearing is solely to receive comments. We will not question, clarify, cross-examine, respond to, or discuss anyone's comments. The duration of each comment may not exceed five (5) minutes.

If you wish to be notified of the final adoption or subsequent changes to the proposed regulations, please provide your complete name and mailing address on the Hearing Registration attendance sheet located at the sign-in table. The final notice or notice of change to the proposed regulations will be sent to everyone who requests such information.

This hearing is being recorded and streamed live to the CalSTRS.com website. Minutes are also being taken. In order for your comments to be accurately recorded, please identify yourself, if you are here today, and any organization you may represent and speak clearly into the microphone. If you have a written version of your comments, you may leave them with me to ensure the accuracy of your comment.

As I am looking at the audience at this point, we do not have anyone that has come to the microphone to provide comments. This record will be kept open for a full hour. For those of you who are listening on the dot com site through the streaming we will show a banner that the hearing is in progress and remove that if during this hour someone does come and is prepared to provide testimony. We will leave the record open until 11 a.m. Thank you.
