¹ Accounts are coded "active" when a person achieves "member" status and member contributions are received by the DB Program. Active accounts without DBS contributions are generally the result of these individuals achieving DB member status late in the fiscal year and their initial DBS contributions not being received until the following fiscal year.

² Excess Service Credit contributions are paid at the rate of 6% of earnings by the member and 8% of earnings by the employer.

³ All balances represent contributions and associated interest credited on those contributions.

⁴ The DBS Program is effective from January 1, 2001 through December 31, 2010.
