The Enterprise Program Investment Council (EPIC) is responsible for governance of all enterprise technology projects which includes prioritizing, allocating resources and providing oversight of the $18.5 million annual EPIC technology projects budget.

The Project Management Office (PMO) monitors and reports on the EPIC Technology Projects Budget and enterprise technology projects on a monthly basis to EPIC and a quarterly basis to the Teachers’ Retirement Board.

¹ Project Total – amount represents the sum of the projects’ prior years’ actual expended amount and the current and future years budgeted amounts.

² BusinessRenew BusinessDirect (previously known as Corporate Accounting & Resource Management) – $15.5 million funded through Board and contingency funds and is excluded from the Enterprise Projects’ stated Total Budget, Allocated and Expended information. Received EPIC funds of $1,774,680 for fiscal year 2011/2012 and $3,718,505 for fiscal year 2012/2013.

³ BusinessRenew Pension Solution – amount includes initial funds for project phases beyond the defined discovery and requirements.

⁴ Enterprise Technology Projects Budget – Beginning with fiscal year 2012/13 a new appropriation in the amount of $18.5 million was created for the EPIC enterprise technology projects. The funds not expended during fiscal year 2012/13 will continue to be available for use for two additional years. The maximum 2012/13 amount approved for carry over through the budget act is $6.7 million. A portion of the remaining $1.5 million is used to support the Project Management Office and the remaining amount will remain available for use as needed.

**Fiscal Year End 2012/2013**
AB 340 Pension Reform

The Pension Reform Project will implement Assembly Bill 340 (Furtani), enacted as Chapter 296, Statutes of 2012, an extensive revision to California public pension plans.

Fiscal Year 2012/2013:
- Implemented Phase 1 – Identify member retirement formula as 2% @60 or 2% @ 62; display retirement formula on limited screens; prevent special compensation; updates to myCalSTRS and CalSTRS.com.
- Updated publications and directives and held Employer Advisory Committee meetings.
- Identified and drafted bill cleanup language and urgency bill.
- Implemented Phase 2, the functionality to limit post-retirement benefits; display the new retirement formula on additional screens and add the new formula to the accounting system interface.
- Completed Discovery efforts for remaining nine (9) identified items affected by AB 340.
- Identified and compiled high-level requirements for future phases.
- Commenced Phase 2.1, the functionality to prevent a benefit stream from authorizing if under the new retirement formula, unless a specific override has been applied.
- Received Enterprise Program Investment Council (EPIC) approval to extend the Discovery schedule by two months.
- Received Enterprise Program Investment Council (EPIC) approval to reserve funding for the BusinessDirect enhancements needed to support AB 340.
- Developed recommended solution and plan for implementation project.

Planned Deliverables for Fiscal Year 2013/2014:
- Request Enterprise Program Investment Council (EPIC) approval of the Discovery results recommendation for a three-phase implementation project over 13 months.
- Continue updates to publications and directives.
- Implement all remaining AB 340 Pension Reform functionality.

**BusinessRenew BusinessDirect**

The BusinessRenew BusinessDirect project—previously known as Corporate Accounting and Resource Management (CARM) project—improves financial reporting, corporate accounting, budgeting, procurement and contract management by implementing policies and technology systems that include automated internal controls to reduce financial and operational risks.

**Fiscal Year 2012/2013:**
- Completed Realization (build and test) phase of Release 1.0 for the core functionality of accounting, budgeting and procurement.
- Completed implementation activities of Release 1.0 with deployment of BusinessDirect into production in January 2013.
- Initiated Phase1.5 activities to include year-end closing reports and other remaining functionality.
- Initiated activities to migrate the Development, Test and Training systems to a separate network for increased security.
- Amended implementation vendor contract to include application maintenance and support.
- Performed change management and end-user stakeholder readiness activities.
- Received $843,505 in Enterprise Program Investment Council (EPIC) funding for additional contract resources to support changes to BusinessDirect for the implementation of AB340 and GASB 67/68 and to establish a project risk reserve for any additional unplanned tasks.

**Planned Deliverables in FY 2013/2014:**
- Complete close-out activities for Release 1.0 for the core functionality of accounting, budgeting and procurement.
- Complete Release 1.5 activities to include year-end closing reports and other remaining functionality.
- Complete activities to migrate the Development, Test and Training systems to a separate network for increased security.
- Continue Change Management and Training activities.
- Request Enterprise Program Investment Council (EPIC) approval to extend schedule for the remainder of Phase 1.5, network migration and close-out activities and Release 2.0 (cost accounting) activities.

The Renew Data Preparation project acquired the services of a Data Analysis Services vendor to assist in analyzing CalSTRS pension data and developing a plan for preparing the data for conversion to a new pension solution.

**Fiscal Year 2012/2013:**
- Re-released the Request for Proposal for a data analysis services vendor and awarded contract to SoftSol Technologies Inc.
- Received Enterprise Program Investment Council (EPIC) approval to remove the Enterprise Information Management scope from the Data Preparation project and initiated as a separate discovery effort.
- Received EPIC approval to extend the schedule to June 2014.
- Developed data analysis approach.
- Commenced data profiling and analysis activities.
- Continued the Complete Account Review and Evaluation (CARE) team’s work on reviewing and correcting cases and producing a quarterly progress report for presentation to the Enterprise Program Investment Council (EPIC).

**Planned Deliverables for Fiscal Year 2013/2014:**
- Complete Data Analysis and Profiling with the support of the Data Analysis vendor.
- Deliver Data Analysis Report.
- Request Enterprise Program Investment Council (EPIC) approval of data analysis recommendations.

The BusinessRenew Pension Solution project will replace our existing pension administration system in order to strengthen automated internal controls and bring consistent and sustainable business processes for member data. The project is currently approved through the procurement phase.

**Fiscal Year 2012/2013:**
- Hosted fifteen (15) vendor presentations to learn about the companies and their solutions and published a market research summary document.
- Finalized the strategy for engaging the Technology Services branch in the Pension Solution project and conducted small group discussions.
- Completed the Request for Information process and gained feedback from nine (9) vendors on items that will be published in the upcoming Request for Proposal (i.e. business requirements, contract terms and conditions).
- Completed the Business Requirements documentation.
- Completed a draft of the non-functional requirements documentation for the Pension Solution Request for Proposal.
- Completed the Readiness Assessments for Service Retirement, Client Outreach and Guidance, and Disability and Survivor Benefits staff.
- Completed a draft of the Pension Solution Selection Criteria and Evaluation Methodology document.

**Planned Deliverables for Fiscal Year 2013/2014:**
- Publish the Pension Solution Request for Proposal.
- Complete the Pension Solution Request for Proposal response evaluations and select the successful proposer.

### Penalties and Interest

**Purpose**

The Penalties and Interest project implemented SAP, a commercial off-the-shelf (COTS) solution, to automate the calculation, billing, monitoring, collection and dispute process of penalties and interest assessed to Employers for late remittances, late reporting and late adjustments of contributions.

**Accomplishments**

**Fiscal Year 2012/2013:**
- Began calculating and invoicing penalties and interest on late submissions.
- Activated the dispute resolution functionality and managed employer disputes of penalties and interests charged.
- Completed remaining system integration and user acceptance testing for Direct Reporting functionality and implemented into production.
- Completed employer training and readiness activities.
- Completed lessons-learned and project close-out activities and related report.

**Planned Deliverables for Fiscal Year 2013/2014:**
- Project complete.
