Independent Auditor’s Report on Internal Control Over Financial Reporting and on Compliance and Other Matters

CalSTRS management is responsible for the design, implementation, and internal control maintenance relevant to the preparation and fair presentation of the Schedule of Proportionate Share of Contributions for Employers and Nonemployer Contributing Entity of the State Teachers’ Retirement Plan for the year ended June 30, 2024, and the related notes that are free from material misstatement. Crowe LLP considers CalSTRS’ internal control over financial reporting to determine the extent of audit procedures necessary to express an opinion.

During the audit, the auditor may identify a deficiency in internal control. A deficiency in internal control exists when a control’s design or operation does not allow management or staff, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. Any material weaknesses and significant deficiencies in internal control are included in this Report (Attachment 3). Crowe LLP did not identify any material weaknesses or significant deficiencies in internal controls over the Schedule of Proportionate Share of Contributions for Employers and Nonemployer Contributing Entity of the State Teachers’ Retirement Plan for the year ended June 30, 2024, and the related notes.

Representatives of Crowe LLP will provide an overview of each report listed above to the Committee.
