TEACHERS' RETIREMENT LAW

As of January 1, 2022

FOREWORD

The Legislature, at the special session of June 1944, revised the State Teachers' Retirement Act. Benefits and contributions were increased and the system was placed on a better financial basis. Amendments to the law were made in 1945, 1947, 1951, 1953, 1954, 1955, 1956, 1957, 1958, 1959, 1961, 1963, 1965 and annually starting in 1967. The 1959 and 1976 sessions renumbered sections of the code. The 1969 and 1994 sessions recodified the law. The E. Richard Barnes Act was enacted in 1972 to provide for long-range reserve funding (pre-funding) of the system for the first time. In 1995, the Legislature established the Cash Balance Benefit Program, which is contained in Part 14. In 1999, the Legislature added Part 13.5, which provides for a Health Benefits Program. In 2000, the Defined Benefit Supplement Program was established. In 2013, the Legislature amended the law to conform with the California Public Employees' Pension Reform Act of 2013. In 2014, the Legislature provided the Teachers' Retirement Board with limited contribution rate-setting authority for the first time for purposes of fully funding of the Defined Benefit Program by 2046.

Volume 1 of the Teachers' Retirement Law contains all of the provisions set forth in Parts 13, 13.5 and 14 of Division 1 of the California Education Code along with the rules and regulations of the Teachers' Retirement Board, which are in the California Code of Regulations. Volume 2, which is available online only at www.calstrs.com/information-about-calstrs, contains pertinent code sections from California statute. The Teachers' Retirement Law is issued for the convenience of all persons interested in the California State Teachers' Retirement System who have a need to reference or work with the up-to-date provisions of the law. It is intended particularly to assist school administrators and public officials who have duties to perform in connection with the system. In the event that this publication conflicts with actual statute, the statute takes precedence.

EXTRACTS FROM THE CODE OF CIVIL PROCEDURE**§ 473. Amendment of pleadings**

(a) (1) The court may, in furtherance of justice, and on any terms as may be proper, allow a party to amend any pleading or proceeding by adding or striking out the name of any party, or by correcting a mistake in the name of a party, or a mistake in any other respect; and may, upon like terms, enlarge the time for answer or demurrer. The court may likewise, in its discretion, after notice to the adverse party, allow, upon any terms as may be just, an amendment to any pleading or proceeding in other particulars; and may upon like terms allow an answer to be made after the time limited by this code.

(2) When it appears to the satisfaction of the court that the amendment renders it necessary, the court may postpone the trial, and may, when the postponement will by the amendment be rendered necessary, require, as a condition to the amendment, the payment to the adverse party of any costs as may be just.

(b) The court may, upon any terms as may be just, relieve a party or his or her legal representative from a judgment, dismissal, order, or other proceeding taken against him or her through his or her mistake, inadvertence, surprise, or excusable neglect. Application for this relief shall be accompanied by a copy of the answer or other pleading proposed to be filed therein, otherwise the application shall not be granted, and shall be made within a reasonable time, in no case exceeding six months, after the judgment, dismissal, order, or proceeding was taken. However, in the case of a judgment, dismissal, order, or other proceeding determining the ownership or right to possession of real or personal property, without extending the six-month period, when a notice in writing is personally served within the State of California both upon the party against whom the judgment, dismissal, order, or other proceeding has been taken, and upon his or her attorney of record, if any, notifying that party and his or her attorney of record, if any, that the order, judgment, dismissal, or other proceeding was taken against him or her and that any rights the party has to apply for relief under the provisions of Section 473 of the Code of Civil Procedure shall expire 90 days after service of the notice, then the application shall be made within 90 days after service of the notice upon the defaulting party or his or her attorney of record, if any, whichever service shall be later. No affidavit or declaration of merits shall be required of the moving party. Notwithstanding any other requirements of this section, the court shall, whenever an application for relief is made no more than six months after entry of judgment, is in proper form, and is accompanied by an attorney's sworn affidavit attesting to his or her mistake, inadvertence, surprise, or neglect, vacate any (1) resulting default entered by the clerk against his or her client, and which will result in entry of a default judgment, or (2) resulting default judgment or dismissal entered against his or her client, unless the court finds that the default or dismissal was not in fact caused by the attorney's mistake, inadvertence, surprise, or neglect. The court shall, whenever relief is granted based on an attorney's affidavit of fault, direct the attorney to pay reasonable compensatory legal fees and costs to opposing counsel or parties. However, this section shall not lengthen the time within which an action shall be brought to trial pursuant to Section 583.310.

(c) (1) Whenever the court grants relief from a default, default judgment, or dismissal based on any of the provisions of this section, the court may do any of the following:

(A) Impose a penalty of no greater than one thousand dollars (\$1,000) upon an offending attorney or party.

(B) Direct that an offending attorney pay an amount no greater than one thousand dollars (\$1,000) to the State Bar Client Security Fund.

(C) Grant other relief as is appropriate.

(2) However, where the court grants relief from a default or default judgment pursuant to this section based upon the affidavit of the defaulting party's attorney attesting to the attorney's mistake, inadvertence, surprise, or neglect, the relief shall not be made conditional upon the attorney's payment of compensatory legal fees or costs or monetary penalties imposed by the court or upon compliance with other sanctions ordered by the court.

(d) The court may, upon motion of the injured party, or its own motion, correct clerical mistakes in its judgment or orders as entered, so as to conform to the judgment or order directed, and may, on motion of either party after notice to the other party, set aside any void judgment or order.

Amendments

1873–74 Amendment: Prior to 1873–74 the section read: “The court may, in furtherance of justice, and on such terms as may be proper, amend any pleading or proceedings, by adding or striking out the name of any party, or by correcting a mistake in the name of a party, or a mistake in any other respect; and may, upon like terms, enlarge the time for answer or demurrer. The court may likewise, upon affidavit showing good cause therefor, after notice to the adverse party, allow, upon such terms as may be just, an amendment to any pleading or proceeding in other particulars; and may, upon like terms, allow an answer to be made after the time limited by this code; and may, upon such terms as may be just, and upon payment of costs, relieve a party, or his legal representatives, from a judgment, order, or other proceeding taken against him through his mistake, inadvertence, surprise, or excusable neglect; and when, for any cause satisfactory to the court, or the judge at chambers, the party aggrieved has been unable to apply for the relief sought during the term at which such judgment, order, or proceeding complained of was taken, the court, or the judge at chambers, in vacation, may grant the relief upon application made within a reasonable time, not exceeding five months after the adjournment of the term. When, from any cause, the summons and a copy of the complaint in an action have not been personally served on the defendant, the court may allow, on such terms as may be just, such defendant, or his legal representative, at any time within six months after the rendition of any judgment in such action, to answer to the merits of the original action.”1873–74 Amendment amended the section to read: “The court may, in furtherance of justice, and on such terms as may be proper, allow a party to amend any pleading or proceeding, by adding or striking out the name of any party, or by correcting a mistake in the name of a party, or a mistake in any other respect; and may, upon like terms enlarge the time for answer or demurrer. The court may likewise, in its discretion, after notice to the adverse party, allow, upon such terms as may be just, an amendment to any pleading or proceeding in other particulars; and may, upon like terms, allow an answer to be made after the time limited by this Code, and also relieve a party, or his legal representative, from a judgment, order, or other proceeding taken against him through his mistake, inadvertence, surprise, or excusable neglect; and when, for any reason satisfactory to the court or the judge thereof, the party aggrieved has failed to apply for the relief sought during the term at which such judgment, order, or proceeding complained of was taken, the court, or the judge thereof, in vacation, may grant the relief upon application made within a reasonable time, not exceeding six months after the adjournment of the term. When, from any cause, the summons in an action has not been personally served on the defendant, the court may allow, on such terms as may be just, such defendant, or his legal representative, at any time within one year after the rendition of any judgment in such action, to answer to the merits of the original action. When, in an action to recover the possession of personal property, the person making any affidavit did not truly state the value of the property, and the officer taking the property, or the sureties on any bond is sued for taking the same, the officer or sureties may, in their answer, set up the true value of the property, and that the person in whose behalf said affidavit was made was entitled to the possession of the same when said affidavit was made, or that the value in the affidavit stated was inserted by mistake, the court shall disregard the value as stated in the affidavit, and give judgment according to the right of possession of said property at the time the affidavit was made.”

1880 Amendment: Amended the section to read: “The court may in furtherance of justice, and on such terms as may be proper, allow a party to amend any pleading or proceeding by adding or striking out the name of any party, or by correcting a mistake in the name of a party, or a mistake in any other respect; and may, upon like terms, enlarge the time for answer or demurrer. The court may likewise, in its discretion, after notice to the adverse party, allow, upon such terms as may be just, an amendment to any pleading or proceeding in other particulars; and may upon like terms allow an answer to be made after the time limited by this code; and may, also upon such terms as may be just, relieve a party or his legal representative from a judgment, order, or other proceeding

taken against him though his mistake, inadvertence, surprise, or excusable neglect; provided, that application therefor be made within a reasonable time, but in no case exceeding six months after such judgment, order, or proceeding was taken. When from any cause the summons in an action has not been personally served on the defendant, the court may allow, on such terms as may be just, such defendant or his legal representative, at any time within one year after the rendition of any judgment in such action, to answer to the merits of the original action. Application for such relief must be accompanied by a copy of the answer or other pleading proposed to be filed therein, otherwise the application shall not be granted, and must be made within a reasonable time, in no case exceeding six months, after such judgment, order or proceeding was taken.”The court may, upon motion of the injured party, or its own motion, correct clerical mistakes in its judgment or orders as entered, so as to conform to the judgment or order directed, and may, on motion of either party after notice to the other party, set aside any void judgment or order.”

(a) Notwithstanding Article 1 (commencing with Section 53200) of Chapter 2 of Part 1 of Division 2 of Title 5 of the Government Code, a county superintendent of schools, a school district, or a community college district, which provides health and welfare benefits or dental care benefits for the benefit of its certificated employees, shall permit enrollment in, respectively, the health and welfare benefit plan or dental care benefit plan currently provided for its current certificated employees by any former certificated employee thereof who retired therefrom under any public retirement system and his or her spouse and by any surviving spouse of a former certificated employee thereof who either retired therefrom under any public retirement system or was, at the time of death, both employed thereby in a position requiring contributions to the State Teachers’ Retirement System and a member of the State Teachers’ Retirement System.

This subdivision does not apply to either the new spouse upon the remarriage of a surviving spouse of a former certificated employee or the children of a certificated or former certificated employee.

(b) A county superintendent of schools or district may develop an experience claims rating for the persons specified in subdivision (a) and may, if appropriate, require those persons to pay different rates as a class. Any plan pursuant to this article shall provide separate single and two-party rates for at least the following classes: for those under 65, for those over 65 who have Medicare A and B, and for those over 65 who do not have Medicare A.

(c) The county superintendent of schools, school district, or community college district shall annually select a one-month period during which persons described by subdivision (a) may elect to enroll in, respectively, the health and welfare benefit plan or the dental care benefit plan or change their enrollment from one to another health and welfare plan or dental care benefit plan, respectively.

(d) A certificated school employee who retired on or before August 24, 1986, the effective date of Chapter 561 of the Statutes of 1986, or the surviving spouse of a certificated employee retired as of

The enrollment period for retirees under this subdivision shall correspond to that provided to active employees, unless a district chooses to offer an additional enrollment period.

(f) This article shall permit enrollment into any district health and dental care plan only once. A retiree or spouse or surviving spouse of a certificated employee who has been previously covered under this article and who has voluntarily terminated that coverage, thereafter may be excluded from obtaining coverage under this article. This subdivision does not apply to a person who is changing plans within a district during an open enrollment period.

(g) Retirees or surviving spouses of certificated employees may be enrolled in a medical care plan pursuant to this section during periods other than those specified therein if they lose their coverage. With documentation of prior coverage, they may be allowed to enroll in a medical care plan, if they do so within 31 days of losing their other coverage.

However, the purchase of Medicare B may be required for enrollment if the participant qualifies to purchase it. In addition, a district health plan may be restructured to pay benefits as if each participant is enrolled in Medicare B as soon as the participant qualifies to purchase Medicare B.

§ 14502.1. Review and report on financial and compliance audits; Contents of audit reports; Audit guide

(a) The Controller, in consultation with the Department of Finance and the State Department of Education, shall develop a plan to review and report on financial and compliance audits. The plan shall commence with the 2003-04 fiscal year for audits of school districts, other local educational agencies, and the offices of county superintendents of schools. The Controller, in consultation with the Department of Finance, the State Department of Education, and representatives of the California School Boards Association, the California Association of School Business Officials, the California County Superintendents Educational Service Association, the California Teachers Association, the California Society of Certified Public Accountants, shall recommend the statements and other information to be included in the audit reports filed with the state, and shall propose the content of an audit guide to carry out the purposes of this chapter. A supplement to the audit guide may be suggested in the audit year, following the above process, to address issues resulting from new legislation in that year that changes the conditions of apportionment. The proposed content of the audit guide and any supplement to the audit guide shall be submitted by the Controller to the Education Audits Appeal Panel for review and possible amendment.

(b) The audit guide and any supplement shall be adopted by the Education Audits Appeal Panel pursuant to the rulemaking procedures of the Administrative Procedure Act as set forth in Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code. It is the intent of the Legislature that, for the 2003-04 fiscal year, the audit guide be adopted by July 1 of the fiscal year to be audited. A supplemental audit guide may be adopted to address legislative changes to the conditions of apportionment. It is the intent of the Legislature that supplements be adopted before March 1 of the audit year. Commencing with the 2004-05 fiscal year, and each fiscal year thereafter, the audit guide shall be adopted by July 1 of the fiscal year to be audited. A supplemental audit guide may be adopted to address legislative changes to the conditions of apportionment. The supplements shall be adopted before March 1 of the audit year. To meet these goals and to ensure the accuracy of the audit guide, the process for adopting emergency regulations set forth in Section 11346.1 of the Government Code may be followed to adopt the audit guide and supplemental audit guide. It is the intent of the Legislature that once the audit guide has been adopted for a fiscal year, as well as any supplement for that year, thereafter only suggested changes to the audit guide and any additional supplements need be adopted pursuant to the rulemaking procedures of the Administrative Procedure Act. The audit guide and any supplement shall be issued in booklet form and may be made available by any means deemed appropriate. The Controller and consultants in the development of the suggested audit guide and any supplement shall work cooperatively on a timeline that will allow the Education Audits Appeal Panel to meet the July 1 and March 1 issuance dates. Consistent with current practices for development of the audit guide before the 2003-04 fiscal year, the Controller shall provide for the adoption of procedures and timetables for the development of the suggested audit guide, any supplement, and the format for additions, deletions, and revisions.

(c) For the audit of school districts or county offices of education electing to take formal action pursuant to Sections 22714 and 44929, the audit guide content proposed by the Controller shall include, but not be limited to, the following:

- (1) The number and type of positions vacated.
- (2) The age and service credit of the retirees receiving the additional service credit provided by Sections 22714 and 44929.
- (3) A comparison of the salary and benefits of each retiree receiving the additional service credit with the salary and benefits of the replacement employee, if any.

(4) The resulting retirement cost, including interest, if any, and postretirement health care benefits costs, incurred by the employer.

(d) The Controller shall annually prepare a cost analysis, based on the information included in the audit reports for the prior fiscal year, to determine the net savings or costs resulting from formal actions taken by school districts and county offices of education pursuant to Sections 22714 and 44929, and shall report the results of the cost analysis to the Governor and the Legislature by April 1 of each year.

(e) All costs incurred by the Controller to implement subdivision (c) shall be absorbed by the Controller.

(f) On or before January 1, 2015, the Controller, in consultation with the State Allocation Board, the Department of Finance, and the State Department of Education, shall submit content to the Education Audits Appeal Panel to be included in the audit guide, Standards and Procedures for Audits of California K-12 Local Educational Agencies beginning in the 2015–16 fiscal year, that is related to the financial and performance audits required for school facility projects, as described in Section 15286.

Amendments

2003 Amendment: Substituted “Sections 22714, 22714.5, 44929, and 44929.1” for “Section 22714 and 44929” in subds (c), (c)(2), and (d).

§ 37200. School year

The school year begins on the first day of July and ends on the last day of June.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

Notes of Decisions

There are no constitutional or statutory provisions making the operation of summer school classes or programs a mandatory requirement for a California school district. Under the Education Code the establishment and maintenance of summer school classes and programs is only permissive, rather than mandatory, and provisions of that code make summer school a discretionary matter with the governing board of education for each school district. The mere fact that there has been a traditional offering of summer school, without fee, by a public school district, does not transform the permissive nature of summer school under the statutes permitting the offering of summer school by a school district to a mandatory requirement that summer school be offered by that school district. *California Teachers Assn. v. Board of Education* (1980, Cal App 2d Dist) 109 Cal App 3d 738, 167 Cal Rptr 429, 1980 Cal App LEXIS 2197.

The trial court properly denied the petition of a teacher’s association and students in a school district for a writ of mandate and their motion for a preliminary injunction to compel a school board to operate free summer school classes and programs in lieu of the operation of such classes and programs by a private organization on public school premises, in exchange for tuitional fees, pursuant to the board’s agreement granting the use of the school district facilities for that purpose. The writ and preliminary injunction were sought in connection with the association’s and students’ complaint alleging four causes of action for the compelling of the board’s operation of the summer school classes and programs. In support of the first cause of action for a writ of mandamus and the second cause of action for injunctive relief, the complaint alleged students in the board’s district were being deprived of their constitutional and statutory right to a district-operated free summer school. In support of the third cause of

action for a writ of mandate, the complaint alleged the board's grant of the use of its facilities for a privately operated summer school violated its collective bargaining agreement with the association. In support of the fourth cause of action for declaration relief the complaint alleged as a basis therefor essentially the same facts as alleged in support of the other causes. Implicit in the trial court's denial of a writ of mandate and injunctive relief was its conclusion that the operation of the summer school by the private organization was a completely separate and distinct operation from that of the school district. In the absence of findings, on appeal every intendment is in favor of the judgment, as it is presumed that every act or inference essential to support of the judgment and warranted by the evidence was found by the trial court. *California Teachers Assn. v. Board of Education* (1980, Cal App 2d Dist) 109 Cal App 3d 738, 167 Cal Rptr 429, 1980 Cal App LEXIS 2197.

In serving a teacher with written notice of charges of incompetency on the 87th of 176 student class days scheduled for that school year, a school district whose school year was not divided into terms or semesters fully complied with the requirement of Ed. Code, § 44938 (formerly § 13407) that the teacher be given written notice "during the preceding term of half school year." Under § 44938, which is part of a scheme that contemplates that a school district will have the opportunity to observe a teacher instructing classes prior to a determination to send her a notice of incompetency, the educational year is the appropriate period of time in which to calculate the "preceding half school year", for the notice preliminary to a dismissal proceeding, rather than the defined "school year" in Ed. Code, § 37200, beginning in July and ending in June, which is intended to deal with fiscal considerations. *McKee v. Commission on Professional Competence* (1981, Cal App 2d Dist) 114 Cal App 3d 718, 171 Cal Rptr 81, 1981 Cal App LEXIS 1354.

Teachers were hired for less than a "full school year," as defined in Ed C § 37200, where the agreement stated that the start date was July 28, 2008, and that the service would be deemed terminated no later than May 29, 2009. *Stockton Teachers Assn. § 37201. School month

(a) A school month is 20 days or four weeks of five days each, including legal holidays but excluding weekend makeup classes. For the purposes of counting attendance only in providing for a school calendar the winter vacation period, or any portion thereof, may be excluded by the school district in the definition of a school month.

(b) The provisions of subdivision (a) of this section are limited to defining a school month for attendance-counting purposes only.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 1983 ch 915 § 1; Stats 1987 ch 1452 § 244.

Amendments

1983 Amendment: Divided former subd (a) into the first and second sentences by substituting "but excluding weekend makeup classes pursuant to Section 37228." for "; provided, however, that".

1987 Amendment: (1) Amended subd (a) by (a) deleting "pursuant to Section 37228" at the end of the first sentence; and (b) substituting "winter" for "Christmas" before "vacation" in the second sentence; and (2) deleted the former second sentence of subd (b) which read: "A school month for employee pay purposes may be designated by the governing board to begin on any day of the week."

§ 41320.1. Acceptance by school district as agreement to specified conditions; Monitoring and review of school district by trustee

Acceptance by the school district of the apportionments made pursuant to Section 41320 constitutes the agreement by the school district to all of the following conditions:

(a) The county superintendent of schools, the Superintendent, and the president of the state board or his or her designee shall, by majority vote, appoint a trustee from a pool of candidates identified and vetted by the County Office Fiscal Crisis and Management Assistance Team pursuant to subdivision (b)

who has recognized expertise in management and finance and may employ, on a short-term basis, staff necessary to assist the trustee, including, but not limited to, certified public accountants, as follows:

(1) The expenses incurred by the trustee and necessary staff shall be borne by the school district.

(2) The county superintendent of schools, with concurrence from both the Superintendent and the president of the state board or his or her designee, shall establish the terms and conditions of the employment, including the remuneration of the trustee. The trustee shall report directly to the county superintendent of schools. The county superintendent of schools shall provide regular updates to the Superintendent and the president of the state board or his or her designee regarding the work of the trustee.

(3) The trustee, and necessary staff, shall serve until the school district has adequate fiscal systems and controls in place, the Superintendent has determined that the school district's future compliance with the fiscal plan approved for the school district pursuant to Section 41320 is probable, and the county superintendent of schools, the Superintendent, and the president of the state board or his or her designee decide to terminate the trustee's appointment, but in no event for less than three years. The county superintendent of schools shall notify the Legislature, the Department of Finance, and the Controller no less than 60 days before the time that the county superintendent of schools expects these conditions to be met.

(4) Before the school district repays the loan, including interest, the recipient of the loan shall select an auditor from a list established by the Superintendent and the Controller to conduct an audit of its fiscal systems. If the fiscal systems are deemed to be inadequate, the county superintendent of schools, with concurrence from both the Superintendent and the president of the state board or his or her designee, may retain the trustee until the deficiencies are corrected. The cost of this audit and any additional cost of the trustee shall be borne by the school district.

(5) Notwithstanding any other law, all reports submitted to the trustee are public records.

(6) To facilitate the appointment of the trustee and the employment of necessary staff, this section is exempt from the requirements of Article 6 (commencing with Section 999) of Chapter 6 of Division 4 of the Military and Veterans Code and Part 2 (commencing with Section 10100) of Division 2 of the Public Contract Code.

(7) If the trustee appointed pursuant to this section is an employee of the department, the salary and benefits of that employee shall be established by the Superintendent and paid by the school district. During the time of appointment, the employee is an employee of the school district, but shall remain in the same retirement system under the same plan as if the employee had remained in the department. Upon the expiration or termination of the appointment, the employee shall have the right to return to his or her former position, or to a position at substantially the same level as that position, with the department. The time served in the appointment shall be counted for all purposes as if the employee had served that time in his or her former position with the department.

(b) The County Office Fiscal Crisis and Management Assistance Team, when selecting the pool of candidates for trustee, shall consider candidates' expertise in management and finance, previous experience mitigating fiscal distress in school districts, and ability to meaningfully engage with the community that the school district serves, and shall provide an opportunity for public input on the selection of the pool of candidates for trustee.

(c) (1) The trustee appointed pursuant to this section shall monitor and review the operation of the school district. During the period of his or her service, the trustee may stay or rescind an action of the governing board of the school district that, in the judgment of the trustee, may affect the financial condition of the school district.

(2) After the trustee's period of service, and until the loan is repaid, the county superintendent of schools that has jurisdiction over the school district may stay or rescind an action of the governing board of the school district that, in his or her judgment, may affect the financial condition of the school district. The county superintendent of schools shall notify the Superintendent and the president of the state board or his or her designee, within five business days, if he or she stays or rescinds an action of the governing board of the school district. The notice shall include, but not be limited to, both of the following:

(A) A description of the governing board of the school district's intended action and its financial implications.

(B) The rationale and findings that support the county superintendent of school's decision to stay or rescind the action of the governing board of the school district.

(3) If the county superintendent of schools notifies the Superintendent and the president of the state board or his or her designee pursuant to paragraph (2), the county superintendent of schools shall report to the Legislature, pursuant to Section 9795 of the Government Code, on or before December 30 of every year, whether the school district is complying with the fiscal plan approved for the school district.

(4) The county superintendent of schools, with concurrence from the Superintendent, may establish timelines and prescribe formats for reports and other materials to be used by the trustee to monitor and review the operations of the school district. The trustee shall approve or reject all reports and other materials required from the school district as a condition of receiving the apportionment. The Superintendent, upon the recommendation of the trustee, may reduce an apportionment to the school district in an amount up to two hundred dollars (\$200) per day for each late or unacceptable report or other material required under this part, and shall report to the Legislature a failure of the school district to comply with the requirements of this section. If the county superintendent of schools determines, at any time, that the fiscal plan approved for the school district under Section 41320 is unsatisfactory, he or she may modify the plan as necessary, with concurrence from the Superintendent, and the school district shall comply with the plan as modified.

(d) At the request of the county superintendent of schools, with approval from the Superintendent, the Controller shall transfer to the department, from an apportionment to which the school district would otherwise have been entitled pursuant to Section 42238.02, as implemented by Section 42238.03, the amount necessary to pay the expenses incurred by the trustee and associated costs incurred by the county superintendent of schools.

(e) For the fiscal year in which the apportionments are disbursed and every year thereafter, the Controller, or an auditor that is designated by the Controller as both active and able to perform K-12 local education agency audits, shall cause an audit to be conducted of the books and accounts of the school district, in lieu of the audit required by Section 41020. At the Controller's discretion, the audit may be conducted by the Controller, his or her designee, an auditor that is designated by the Controller as both active and able to perform K-12 local education agency audits, or an auditor selected by the school district and approved by the Controller. The costs of these audits shall be borne by the school district. These audits shall be required until the Controller determines, in consultation with the county superintendent of schools and the Superintendent, that the school district is financially solvent, but in no event earlier than one year following the implementation of the plan or later than the time the apportionment made is repaid, including interest. The auditor selected pursuant to this subdivision, if any, the county superintendent of schools, a County Office Fiscal Crisis and Management Assistance Team representative, the Superintendent, and the school district superintendent, or their respective designees, shall meet before the audit to discuss the terms of the audit and the timeline under which it will proceed. In addition, the Controller shall conduct quality control reviews pursuant to subdivision (c) of Section 14504.2.

(f) For purposes of errors and omissions liability insurance policies, the trustee appointed pursuant to this section is an employee of the local educational agency to which he or she is assigned. For purposes of workers' compensation benefits, the trustee is an employee of the local educational agency to which he or she is assigned, except that a trustee appointed pursuant to paragraph (7) of subdivision (a) is an employee of the department for those purposes.

(g) Except for an individual appointed by the vote pursuant to subdivision (a) as a trustee described in paragraph (7) of subdivision (a), the trustee appointed pursuant to this section is a member of the State Teachers' Retirement System, if qualified, for the period of service as trustee, unless the trustee elects in writing not to become a member. A person who is a member or retirant of the State Teachers' Retirement System at the time of appointment shall continue to be a member or retirant of the system for the duration of the appointment. If the trustee chooses to become a member or is already a member, the trustee shall be placed on the payroll of the school district for the purpose of providing appropriate

contributions to the system. The Superintendent may also require that an individual appointed as a trustee described in paragraph (7) of subdivision (a) be placed on the payroll of the school district for purposes of remuneration, other benefits, and payroll deductions. For purposes of workers' compensation benefits, the state-appointed trustee is deemed an employee of the local educational agency to which he or she is assigned, except that a trustee who is described in paragraph (7) of subdivision (a) is an employee of the department for those purposes.

Notes of Decisions

The record did not indicate that a budget filed by a community college district was inadequate where the parties, in mandate proceedings questioning the power of the county board of supervisors to levy tax at a lower rate than requested by a community college district, stipulated that the record on appeal be augmented to include a copy of a document entitled “California Community Colleges Annual Financial and Budget Report,” which report met the statutory requirements as a school district’s final budget, where the board of supervisors admitted having received a copy of the report, and where it was stipulated at trial that the community college district’s budget was prepared and filed within the time and in the manner prescribed by law. *San Francisco Community College Dist. v. City and County of San Francisco* (1976, Cal App 1st Dist) 58 Cal App 3d 387, 129 Cal Rptr 918, 1976 Cal App LEXIS 1524.

§ 42123. Itemization of revenues and expenditures

Each budget shall be itemized to set forth the necessary revenues and expenditures in each fund to operate the public schools of the district as authorized by law and on forms prescribed by the Superintendent of Public Instruction.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 1980 ch 1354 § 37.9, effective September 30, 1980; Stats 1986 ch 1150 § 11.

Amendments

1980 Amendment: Added the second paragraph.

1986 Amendment: Deleted **(1)** “, by program,” after “expenditures” in the first paragraph; and **(2)** the former second paragraph which read: “In the case of continuation education schools and classes conducted pursuant to Article 3 (commencing with Section 48430) of Chapter 3 of Part 27, the estimated revenue shall include any allowances authorized pursuant to subdivision (a) of Section 41711 and adjustments pursuant to Section 42241.3 which were ultimately subsumed in the districtwide revenue limit. The information shall be separately identified for any public hearing on the school district budget required by Section 42103.”

§ 42124. General reserve

The budget may also contain an amount to be known as the general reserve in such sum as the governing board may deem sufficient, for the next succeeding fiscal year, to meet the cash requirements to which the district's credit may be legally extended for that portion of said next succeeding fiscal year until adequate proceeds of the taxes levied for, or apportionment of state funds made to, the district during such succeeding fiscal year are available to the district.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

§ 42125. Designated fund balance

The budget may contain amounts to be known as the designated fund balance, which may be designated for any specific purpose as determined by the governing board of the school district, and the unappropriated fund balance. These funds shall be available for appropriation by a majority vote of the members of the governing board, to cover expenditures that have not been provided for or that may have been insufficiently provided for, or for unforeseen requirements as they may arise.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 1987 ch 917 § 17.

Amendments

1987 Amendment: Substituted **(1)** the first sentence for the former first sentence which read "The budget may also contain an amount to be known as the undistributed reserve."; and **(2)** "These funds shall be available for appropriation by a majority" for "The funds in the undistributed reserve shall be available for appropriation by a two-thirds" in the second sentence.

Notes of Decisions

In an action by a school district and its superintendent for declaratory and injunctive relief, the record contained substantial evidence to support the trial court's finding that an item in the school district's budget called an "appropriation for contingencies" was an "appropriation" and not a "reserve" within the meaning of § 5 of the "bailout bill" (Stats. 1978, ch. 332, § 3), which provides state aid to school districts in the aftermath of Proposition 13, providing also for reduction in such aid if the district's general fund and special reserve fund ending balances exceed 5 percent of the district's general fund total revenue, and defining general fund and special reserves as not including "reserves established by law or a governing board policy" adopted prior to passage of Proposition 13. Although there was a conflict in the opinion testimony concerning whether under proper accounting principles funds not designated for a specific purpose in a subsequent year may be held as a reserve, that conflict was resolved in favor of the state's position that such funds may not be held as a reserve. The testimony of one of the state's witnesses alone was sufficient to establish that the funds designated as an appropriation for contingencies were not restricted for a specific purpose in a subsequent fiscal year but were held as an expenditure account for the existing budget year—the balance of which lost its identity at the end of the fiscal year at issue. *Edison School Dist. v. Ross* (1982, Cal App 3d Dist) 131 Cal App 3d 362, 182 Cal Rptr 312, 1982 Cal App LEXIS 1564.

"Reserve" is not defined in the "bailout bill." (Stats. 1978, ch. 292 as amended, ch. 332.) However, the bill, enacted as an urgency measure in the immediate aftermath of the passage of Proposition 13, was designed to alleviate the harsh fiscal stringencies imposed upon school districts and local governmental entities by the newly enacted constitutional amendment. The "bailout bill" addressed the immediate fiscal needs of school districts and undertook fairly to apportion available state funds on the basis of the disparate needs of the respective districts in the 1978-1979 fiscal year. To that end the reduction formula of § 5 (Stats. 1978, ch. 332, § 3) was devised to take account of carryover funds available to districts in fiscal year 1978-1979 in the form of unexpended, unallocated appropriations from the preceding year; funds restricted for specific purposes were not counted among those so available for the fiscal year if they were reserved by law or by board policy prior to the passage of Proposition 13. Thus funding for current operations would be state supplemented on the basis of relative need determined without disrupting long-term fiscal planning undertaken in good faith. In light of the evident purposes of the "bailout bill," the "reserve" excepted by § 5 from the reduction formula consists of restricted year-end balances unavailable for

appropriation to other budgetary accounts in a succeeding fiscal year. Edison School Dist. v. Ross (1982, Cal App 3d Dist) 131 Cal App 3d 362, 182 Cal Rptr 312, 1982 Cal App LEXIS 1564.

§ 42126. Form of budget

Effective July 1, 1988, each budget shall be made on the number of forms and upon the blanks or in the format prescribed by the Superintendent of Public Instruction. It shall be the duty of the Superintendent of Public Instruction to prepare standard forms or a format necessary to show the budgeting items and comparisons required by this article. The required forms or format shall be furnished to the school districts by the county superintendent of schools.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 1987 ch 917 § 18.

Amendments

1987 Amendment: Substituted **(1)** the first sentence for the former first sentence which read: "Each budget shall be made in quintuplicate in the form and upon the blanks prescribed by the superintendent of Public Instruction."; **(2)** "or a format" for "and blanks" in the second sentence; and **(3)** "The required forms or format" for "Blanks" in the third sentence.

§ 42127. Procedure for formulation and adoption of budget; Computation of tax rates; Public review

(a) On or before July 1 of each year, the governing board of each school district shall accomplish the following:

(a) On or before July 1 of each year, the governing board of each school district shall accomplish the following:

(1) Hold a public hearing conducted in accordance with Section 42103 on the budget to be adopted for the subsequent fiscal year. The budget to be adopted shall be prepared in accordance with Section 42126. The agenda for that hearing shall be posted at least 72 hours before the public hearing and shall include the location where the budget will be available for public inspection.

(2) (A) Adopt a budget. Not later than five days after that adoption or by July 1, whichever occurs first, the governing board of the school district shall file that budget with the county superintendent of schools. The budget and supporting data shall be maintained and made available for public review. If the governing board of the school district does not want all or a portion of the property tax requirement levied for the purpose of making payments for the interest and redemption charges on indebtedness as described in paragraph (1) or (2) of subdivision (b) of Section 1 of Article XIII A of the California Constitution, the budget shall include a statement of the amount or portion for which a levy shall not be made. For the 2014-15 fiscal year and each fiscal year thereafter, the governing board of the school district shall not adopt a budget before the governing board of the school district adopts a local control and accountability plan, if an existing local control and accountability plan or annual update to a local control and accountability plan is not effective for the budget year. The governing board of a school district shall not adopt a budget that does not include the expenditures necessary to implement the local control and accountability plan or the annual update to a local control and accountability plan that is effective for the budget year.

(B) Commencing with budgets adopted for the 2015-16 fiscal year, the governing board of a school district that proposes to adopt a budget that includes a combined assigned and unassigned ending fund balance in excess of the minimum recommended reserve for economic uncertainties adopted by the state board pursuant to subdivision (a) of Section 33128, shall, at the public hearing held pursuant to paragraph (1), provide all of the following for public review and discussion:

(i) The minimum recommended reserve for economic uncertainties for each fiscal year identified in the budget.

(ii) The combined assigned and unassigned ending fund balances that are in excess of the minimum recommended reserve for economic uncertainties for each fiscal year identified in the budget.

(iii) A statement of reasons that substantiates the need for an assigned and unassigned ending fund balance that is in excess of the minimum recommended reserve for economic uncertainties for each fiscal year that the school district identifies an assigned and unassigned ending fund balance that is in excess of the minimum recommended reserve for economic uncertainties, as identified pursuant to clause (ii).

(C) The governing board of a school district shall include the information required pursuant to subparagraph (B) in its budgetary submission each time it files an adopted or revised budget with the county superintendent of schools. The information required pursuant to subparagraph (B) shall be maintained and made available for public review.

(b) The county superintendent of schools may accept changes in any statement included in the budget, pursuant to subdivision (a), of the amount or portion for which a property tax levy shall not be made. The county superintendent of schools or the county auditor shall compute the actual amounts to be levied on the property tax rolls of the school district for purposes that exceed apportionments to the school district pursuant to Chapter 6 (commencing with Section 95) of Part 0.5 of Division 1 of the Revenue and Taxation Code. Each school district shall provide all data needed by the county superintendent of schools or the county auditor to compute the amounts. On or before August 15, the county superintendent of schools shall transmit the amounts computed to the county auditor who shall compute the tax rates necessary to produce the amounts. On or before September 1, the county auditor shall submit the rate computed to the board of supervisors for adoption.

(c) The county superintendent of schools shall do all of the following:

(1) Examine the adopted budget to determine whether it complies with the standards and criteria adopted by the state board pursuant to Section 33127 for application to final local educational agency budgets. The county superintendent of schools shall identify, if necessary, technical corrections that are required to be made to bring the budget into compliance with those standards and criteria.

(2) Determine whether the adopted budget will allow the school district to meet its financial obligations during the fiscal year and is consistent with a financial plan that will enable the school district to satisfy its multiyear financial commitments. In addition to the county superintendent of schools' own analysis of the budget of each school district, the county superintendent of schools shall review and consider studies, reports, evaluations, or audits of the school district that were commissioned by the school district, the county superintendent of schools, the Superintendent, and state control agencies and that contain evidence that the school district is showing fiscal distress under the standards and criteria adopted in Section 33127 or that contain a finding by an external reviewer that the school district is at moderate or high risk of intervention based on the most common indicators of a school district needing intervention, as determined by the County Office Fiscal Crisis and Management Assistance Team. The county superintendent of schools shall either conditionally approve or disapprove a budget that does not provide adequate assurance that the school district will meet its current and future obligations and resolve any problems identified in studies, reports, evaluations, or audits described in this paragraph.

(3) Determine whether the adopted budget includes the expenditures necessary to implement the local control and accountability plan or annual update to the local control and accountability plan approved by the county superintendent of schools.

(4) Determine whether the adopted budget includes a combined assigned and unassigned ending fund balance that exceeds the minimum recommended reserve for economic uncertainties. If the adopted budget includes a combined assigned and unassigned ending fund balance that exceeds the minimum recommended reserve for economic uncertainties, the county superintendent of schools shall verify that the school district complied with the requirements of subparagraphs (B) and (C) of paragraph (2) of subdivision (a).

(d) (1) On or before September 15, the county superintendent of schools shall approve, conditionally approve, or disapprove the adopted budget for each school district. For the 2014-15 fiscal year and each fiscal year thereafter, the county superintendent of schools shall disapprove a budget if the county

superintendent of schools determines that the budget does not include the expenditures necessary to implement a local control and accountability plan or an annual update to the local control and accountability plan approved by the county superintendent of schools. If the governing board of a school district does not submit a budget to the county superintendent of schools, the county superintendent of schools shall develop, at school district expense, a budget for that school district by September 15 and transmit that budget to the governing board of the school district. The budget prepared by the county superintendent of schools shall be deemed adopted, unless the county superintendent of schools approves any modifications made by the governing board of the school district. The budget prepared by the county superintendent of schools shall also comply with the requirements of subparagraph (B) of paragraph (2) of subdivision (a). The approved budget shall be used as a guide for the school district's priorities. The Superintendent shall review and certify the budget approved by the county. If, pursuant to the review conducted pursuant to subdivision (c), the county superintendent of schools determines that the adopted budget for a school district does not satisfy that subdivision, the county superintendent of schools shall conditionally approve or disapprove the budget and, not later than September 15, transmit to the governing board of the school district, in writing, the county superintendent of schools' recommendations regarding revision of the budget and the reasons for those recommendations, including, but not limited to, the amounts of any budget adjustments needed before the county superintendent of schools can approve that budget. The county superintendent of schools may assign a fiscal adviser to assist the school district to develop a budget in compliance with those revisions. In addition, the county superintendent of schools may appoint a committee to examine and comment on the county superintendent's review and recommendations, subject to the requirement that the committee report its findings to the county superintendent of schools no later than September 20.

(2) Notwithstanding any other provision of this article, for the 2014-15 fiscal year and each fiscal year thereafter, the budget shall not be adopted or approved by the county superintendent of schools before a local control and accountability plan or update to an existing local control and accountability plan for the budget year is approved.

(3) If the adopted budget of a school district is conditionally approved or disapproved pursuant to paragraph (1), on or before October 8, the governing board of the school district, in conjunction with the county superintendent of schools, shall review and respond to the recommendations of the county superintendent of schools at a regular meeting of the governing board of the school district. The response shall include any revisions to the adopted budget and other proposed actions to be taken, if any, as a result of those recommendations.

(e) On or before October 22, the county superintendent of schools shall provide a list to the Superintendent identifying all school districts for which budgets may be disapproved.

(f) (1) The county superintendent of schools shall examine the revised budget as provided in paragraph (3) of subdivision (d) to determine whether it (A) complies with the standards and criteria adopted by the state board pursuant to Section 33127 for application to final local educational agency budgets, (B) allows the school district to meet its financial obligations during the fiscal year, (C) satisfies all conditions established by the county superintendent of schools in the case of a conditionally approved budget, (D) is consistent with a financial plan that will enable the school district to satisfy its multiyear financial commitments, and, not later than November 8, shall approve or disapprove the revised budget, and (E) whether the revised budget complies with the requirements of subparagraph (B) of paragraph (2) of subdivision (a). If the county superintendent of schools disapproves the budget, the county superintendent of schools shall call for the formation of a budget review committee pursuant to Section 42127.1, unless the governing board of the school district and the county superintendent of schools agree to waive the requirement that a budget review committee be formed and the department approves the waiver after determining that a budget review committee is not necessary. Upon the grant of a waiver, the county superintendent of schools immediately has the authority and responsibility provided in Section 42127.3. Upon approving a waiver of the budget review committee, the department shall ensure that a balanced budget is adopted for the school district by December 31. If no budget is adopted by December 31, the Superintendent may adopt a budget for the school district. The Superintendent shall

report to the Legislature and the Director of Finance by January 10 if any school district, including a school district that has received a waiver of the budget review committee process, does not have an adopted budget by December 31. This report shall include the reasons why a budget has not been adopted by the deadline, the steps being taken to finalize budget adoption, the date the adopted budget is anticipated, and whether the Superintendent has or will exercise the Superintendent's authority to adopt a budget for the school district.

(2) Notwithstanding any other law, for the 2014-15 fiscal year and each fiscal year thereafter, if the county superintendent of schools disapproves the budget for the sole reason that the county superintendent of schools has not approved a local control and accountability plan or an annual update to the local control and accountability plan filed by the governing board of the school district pursuant to Section 52070, the county superintendent of schools shall not call for the formation of a budget review committee pursuant to Section 42127.1.

(g) Not later than November 8, the county superintendent of schools shall submit a report to the Superintendent identifying all school districts for which budgets have been disapproved, and whether a budget review committee will be formed or waived. The report shall include a copy of the written response transmitted to each of those school districts pursuant to paragraph (1) of subdivision (d).

(h) Not later than 45 days after the Governor signs the annual Budget Act, the school district shall make available for public review any revisions in revenues and expenditures that it has made to its budget to reflect the funding made available by that Budget Act.

(i) Any school district for which the county board of education serves as the governing board of the school district is not subject to subdivisions (c) to (h), inclusive, but is governed instead by the budget procedures set forth in Section 1622.

§ 42127.6. Determination and notice of fiscal distress of district; Report and proposed remedial actions; Appeal; Reorganized school districts; Authority of Superintendent

(a) (1) A school district shall provide the county superintendent of schools with a copy of a study, report, evaluation, or audit that was commissioned by the school district, the county superintendent, the Superintendent, and state control agencies and that contains evidence that the school district is showing fiscal distress under the standards and criteria adopted in Section 33127, or a report on the school district by the County Office Fiscal Crisis and Management Assistance Team. The county superintendent shall review and consider studies, reports, evaluations, or audits of the school district that contain evidence that the school district is demonstrating fiscal distress under the standards and criteria adopted in Section 33127 or that contain a finding by an external reviewer that the school district is at moderate or high risk of intervention based on the most common indicators of a school district needing intervention, as determined by the County Office Fiscal Crisis and Management Assistance Team. If these findings are made, the county superintendent of schools shall investigate the financial condition of the school district and determine if the school district may be unable to meet its financial obligations for the current or two subsequent fiscal years, or should receive a qualified or negative interim financial certification pursuant to Section 42131. If at any time during the fiscal year the county superintendent of schools determines that a school district may be unable to meet its financial obligations for the current or two subsequent fiscal years or if a school district has a qualified or negative certification pursuant to Section 42131, the county superintendent of schools shall provide a written notice of going concern determination to the governing board of the school district and the Superintendent and the basis for the determination. The notification shall include the assumptions used in making the determination and shall be available to the public. The county superintendent of schools shall report to the Superintendent on the financial condition of the school district and the county superintendent's proposed remedial actions and shall do at least one of the following and all actions that are necessary to ensure that the school district meets its financial obligations:

(A) Assign a fiscal expert, paid for by the county superintendent of schools, to advise the school district on its financial problems.

(B) Conduct a study of the financial and budgetary conditions of the school district that includes, but is not limited to, a review of internal controls. If, in the course of this review, the county superintendent of schools determines that the county superintendent's office requires analytical assistance or expertise that is not available through the school district, the county superintendent of schools may employ, on a short-term basis, with the approval of the Superintendent, staff, including certified public accountants, to provide the assistance and expertise. The school district shall pay 75 percent and the county office of education shall pay 25 percent of these staff costs.

(C) Direct the school district to submit a financial projection of all fund and cash balances of the district as of June 30 of the current year and subsequent fiscal years as the county superintendent of schools requires.

(D) Require the district to encumber all contracts and other obligations, to prepare appropriate cash-flow analyses and monthly or quarterly budget revisions, and to appropriately record all receivables and payables.

(E) Direct the school district to submit a proposal for addressing the fiscal conditions that resulted in the determination that the school district may not be able to meet its financial obligations.

(F) Withhold compensation of the members of the governing board of the school district and the school district superintendent for failure to provide requested financial information. This action may be appealed to the Superintendent pursuant to subdivision (b).

(G) Assign the County Office Fiscal Crisis and Management Assistance Team to review teacher hiring practices, teacher retention rate, percentage of provision of highly qualified teachers, and the extent of teacher misassignment in the school district, to provide the school district with recommendations to streamline and improve the teacher hiring process, teacher retention rate, extent of teacher

misassignment, and provision of highly qualified teachers, and to perform any or all of the duties prescribed in subparagraphs (A) to (C), inclusive, or to further review the causes that led to a finding of moderate or high risk of intervention pursuant to subdivision (a) and recommend corrective action. If a review team is assigned to a school district, the school district shall follow the recommendations of the team, unless the school district shows good cause for failure to do so. The County Office Fiscal Crisis and Management Assistance Team may not recommend an action that would abrogate a contract that governs employment.

(2) Any contract entered into by a county superintendent of schools for the purposes of this subdivision is subject to the approval of the Superintendent.

(3) An employee of a school district who provides information regarding improper governmental activity, as defined in Section 44112, is entitled to the protection provided pursuant to Article 5 (commencing with Section 44110) of Chapter 1 of Part 25.

(b) Within five days of the county superintendent of schools making the determination specified in subdivision (a), a school district may appeal the basis of the determination and any of the proposed actions that the county superintendent of schools has indicated that the county superintendent of schools will take to further examine the financial condition of the school district. The Superintendent shall sustain or deny any or all parts of the appeal within 10 days.

(c) If, after taking the actions identified in subdivision (a), the county superintendent of schools determines that a school district will be unable to meet its financial obligations for the current or subsequent fiscal year, the county superintendent of schools shall notify the governing board of the school district, the superintendent of the school district, each recognized employee organization of the school district, each recognized parent organization of the school district, the Superintendent of Public Instruction, and the president of the state board or the president's designee in writing of that determination and the basis for that determination. The notification shall include the assumptions used in making the determination.

(d) Within five days of the county superintendent of schools making the determination specified in subdivision (c), a school district may appeal that determination to the Superintendent. The Superintendent shall sustain or deny the appeal within 10 days. If the governing board of the school district appeals the determination, the county superintendent of schools may stay any action of the governing board of the school district that the county superintendent of schools determines is inconsistent with the ability of the school district to meet its financial obligations for the current or subsequent fiscal year until resolution of the appeal by the Superintendent.

(e) If the appeal described in subdivision (d) is denied or not filed, or if the school district has a negative certification pursuant to Section 42131, the county superintendent of schools, in consultation with the Superintendent, shall take at least one of the actions described in paragraphs (1) to (5), inclusive, and all actions that are necessary to ensure that the school district meets its financial obligations and shall make a report to the Superintendent and the president of the state board or the president's designee about the financial condition of the school district and remedial actions proposed by the county superintendent of schools.

(1) Develop and impose, in consultation with the Superintendent and the governing board of the school district, a budget revision that will enable the school district to meet its financial obligations in the current fiscal year.

(2) Stay or rescind any action that is determined to be inconsistent with the ability of the school district to meet its obligations for the current or subsequent fiscal year. This includes any actions up to the point that the subsequent year's budget is approved by the county superintendent of schools. The county superintendent of schools shall inform the governing board of the school district in writing of the county superintendent's justification for any exercise of authority under this paragraph.

(3) Assist in developing, in consultation with the governing board of the school district, a multiyear financial recovery plan that will enable the school district to meet its future obligations.

(4) Assist in developing, in consultation with the governing board of the school district, a budget for the subsequent fiscal year. If necessary, the county superintendent of schools shall continue to work

with the governing board of the school district until the budget for the subsequent year is adopted by the governing board of the school district and approved by the county superintendent of schools.

(5) As necessary, appoint a fiscal adviser to perform any or all of the duties prescribed by this section on behalf of the county superintendent of schools.

(f) Any action taken by the county superintendent of schools pursuant to paragraph (1) or (2) of subdivision (e) shall be accompanied by a notification that shall include the actions to be taken, the reasons for the actions, and the assumptions used to support the necessity for these actions.

(g) This section does not authorize the county superintendent of schools to abrogate any provision of a collective bargaining agreement that was entered into by a school district before the date that the county superintendent of schools assumed authority pursuant to subdivision (e).

(h) The school district shall pay 75 percent and the county office of education shall pay 25 percent of the administrative expenses incurred pursuant to subdivision (e) or costs associated with improving the school district's financial management practices. The Superintendent shall develop and distribute to affected school districts and county offices of education advisory guidelines regarding the appropriate amount of administrative expenses charged pursuant to this subdivision.

(i) Notwithstanding Section 42647 or 42650 or any other law, a county treasurer shall not honor any warrant if, pursuant to Sections 42127 to 42127.5, inclusive, or pursuant to this section, the county superintendent of schools or the Superintendent, as appropriate, has disapproved that warrant or the order on school district funds for which a warrant was prepared.

(j) Effective upon the certification of the election results for a newly organized school district pursuant to Section 35763, the county superintendent of schools may exercise any of the powers and duties of this section regarding the reorganized school district and the other affected school districts until the reorganized school district becomes effective for all purposes in accordance with Article 4 (commencing with Section 35530) of Chapter 3 of Part 21.

(k) The Superintendent shall monitor the efforts of a county office of education in exercising its authority under this section and may exercise any of that authority if the Superintendent finds that the actions of the county superintendent of schools are not effective in resolving the financial problems of the school district. Upon a decision to exercise the powers of the county superintendent of schools, the county superintendent of schools is relieved of those powers assumed by the Superintendent, and shall provide support and assistance to the Superintendent in the exercise of those powers. The Superintendent shall also request that the County Office Fiscal Crisis and Management Assistance Team identify the circumstances that led to the ineffectiveness of the county superintendent of schools in resolving the financial problems of the school district, and shall require the county office of education to demonstrate, in a manner determined by the Superintendent, remediation of those deficiencies. In addition to the actions taken by the county superintendent of schools, the Superintendent shall take further actions to ensure the long-term fiscal stability of the school district. The county office of education shall reimburse the Superintendent for all of the Superintendent's costs in exercising the Superintendent's authority under this subdivision. The Superintendent shall promptly notify the county superintendent of schools, the county board of education, the superintendent of the school district, the governing board of the school district, the appropriate policy and fiscal committees of each house of the Legislature, and the Department of Finance of the Superintendent's decision to exercise the authority of the county superintendent of schools.

Notes of Decisions

Ed C § 42127.6(j) permits a county superintendent of schools to exercise his or her fiscal watchdog powers to protect the fiscal solvency of a reorganized district without making fiscal distress findings or going through the investigative and reporting requirements found elsewhere in § 42127.6. Hence, the superintendent has authority to utilize any of the powers set forth in § 42127.6(e), including the power to rescind any action that might jeopardize the solvency of the new district. *Polster v. Sacramento County Office of Education* (2009, 3d Dist) 180 Cal App 4th 649, 103 Cal Rptr 3d 291, 2009 Cal App LEXIS 2048, review denied, *Polster (Joan) v. Sacramento County Office of Education (Twin Rivers Unified School District)* (2010, Cal.) 2010 Cal. LEXIS 2718.

Because Ed C § 42127.6(j) gives a county superintendent of schools the express authority to rescind any action by the board that he or she deems harmful to the fiscal integrity of a newly formed district, it circumscribes the residual authority granted to an outgoing board under Ed C § 35533. *Polster v. Sacramento County Office of Education* (2009, 3d Dist) 180 Cal App 4th 649, 103 Cal Rptr 3d 291, 2009 Cal App LEXIS 2048, review denied, *Polster (Joan) v. Sacramento County Office of Education (Twin Rivers Unified School District)* (2010, Cal.) 2010 Cal. LEXIS 2718.

Trial court erred in granting a writ of mandate commanding a county superintendent of schools to process payroll requests pursuant to a transition plan adopted by the outgoing board of a high school district, a plan that awarded severance buyout packages to several high school district administrative employees, where it could not be said that the superintendent’s refusal to process the payroll requests was arbitrary, capricious, or entirely without evidentiary support, and plaintiffs thus did not show that the superintendent had a clear, present, and ministerial duty to approve the payroll requests. Letters written by responsible education administrators of the reorganized unified school district itself provided an unimpeachable basis for the superintendent’s decision to halt implementation of the buyout packages on the ground that the “golden parachute” deals were inconsistent with the ability of the school district to meet its financial obligations. *Polster v. Sacramento County Office of Education* (2009, 3d Dist) 180 Cal App 4th 649, 103 Cal Rptr 3d 291, 2009 Cal App LEXIS 2048, review denied, *Polster (Joan) v. The revenues collected pursuant to that assessment shall be applied to the expenses of the unit.

(g) The governing board established under subdivision (b) may pay to the department, from any available funds, a reasonable amount to reimburse the department for actual administrative expenses incurred in the review of the budgets and fiscal conditions of school districts, charter schools, and county superintendents of schools.

(h) When employed as a fiscal adviser by the department pursuant to Section 1630, employees of the unit established pursuant to subdivision (a) shall be considered employees of the department for purposes of errors and omissions liability insurance.

(b) For purposes of a deferred compensation plan authorized by Section 403(b) or 457 of the Internal Revenue Code or an annuity program authorized by Section 403(b) of the Internal Revenue Code that is offered by the school district which provides for investments in corporate stocks, bonds, securities, mutual funds, or annuities, except as prohibited by the California Constitution, the governing board of each school district when drawing an order for the salary payment due to an employee of the district shall, with or without charge, reduce the order by the amount which it has been requested in a revocable written authorization by the employee to deduct for participating in a deferred compensation plan or annuity program offered by the school district. The governing board shall determine the cost of performing the requested deduction and may collect that cost from the organization, entity, or employee requesting or authorizing the deduction. For purposes of this subdivision, the governing board of a school district is entitled to include in the amounts reducing the order the costs of any compliance or administrative services that are required to perform the requested deduction in compliance with federal or state law, and may collect these costs from the participating employee, the employee’s participant account, or the organization or entity authorizing the deduction.

(c) The governing board of the district shall, beginning with the month designated by the employee and each month thereafter until authorization for the deduction is revoked, draw its order upon the funds of the district in favor of the insurer which has issued the policies or certificates or in favor of the nonprofit hospital service corporation which has issued hospital service contracts, or in favor of the nonprofit corporation which has issued medical and hospital service or legal service agreements or contracts, for an amount equal to the total of the respective deductions therefor made during the month. The governing board may require that the employee submit his or her authorization for the deduction up to one month in advance of the effective date of coverage.

(d) “Group insurance” as used in this section shall mean only a bona fide group program of life or disability or life and disability insurance where a master contract is held by the school district or an employee organization but it shall, nevertheless, include annuity programs authorized by Section 403(b) of the Internal Revenue Code when approved by the governing board.

§ 44043. Temporary disability

Any school employee of a school district who is absent because of injury or illness which arose out of and in the course of the person's employment, and for which the person is receiving temporary disability benefits under the workers' compensation laws of this state, shall not be entitled to receive wages or salary from the district which, when added to the temporary disability benefits, will exceed a full day's wages or salary.

During such periods of temporary disability so long as the employee has available for the employee's use sick leave, vacation, compensating time off or other paid leave of absence, the district shall require that temporary disability checks be endorsed payable to the district. The district shall then cause the employee to receive the person's normal wage or salary less appropriate deductions including but not limited to employee retirement contributions.

When sick leave, vacation, compensating time off or other available paid leave is used in conjunction with temporary disability benefits derived from workers' compensation, as provided in this section, it shall be reduced only in that amount necessary to provide a full day's wage or salary when added to the temporary disability benefits.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

Notes of Decisions

1. Generally

Given that Ed C § 44043 payments are in part temporary disability benefits under workers' compensation laws, temporary disability payments commence when a school district pays an injured employee his or her normal wages under § 44043; accordingly, where a school district sought to terminate further liability for an employee's temporary disability indemnity based on Lab C § 4656(c)(1), the employee had received exactly what she was entitled to under Ed C § 44043, and although the district admitted that it did not precisely follow the procedure outlined in

§ 44043, or the alternate procedure set forth in Ed C § 44044, the legislature would likely not have been concerned with a slight administrative deviation that was mutually beneficial to the parties and achieved the same end result. *Mt. Diablo Unified School Dist. v. Workers' Comp. Appeals Bd.* (2008, 1st Dist) 165 Cal App 4th 1154, 2008 Cal App LEXIS 1222.

Ed C § 44043 provides a different and inferior benefit than Lab C § 4850. *Mt. Diablo Unified School Dist. v. Workers' Comp. Appeals Bd.* (2008, 1st Dist) 165 Cal App 4th 1154, 2008 Cal App LEXIS 1222.

§ 44044. Retention of temporary disability checks

Notwithstanding the provisions of Sections 44043, 44984 and 45192, a school district may waive the requirement that temporary disability checks be endorsed payable to the district, and may in lieu thereof, permit the employee to retain his temporary disability check, providing that notice be given to the district that such check has been delivered to the employee. In such cases, the district shall then cause the employee to receive his normal wage or salary less appropriate deductions, including, but not limited to, employee retirement contributions, and an amount equivalent to the face amount of the temporary disability check, which the employee has been permitted to retain. In all cases, employee benefits are to be computed on the basis of the employee's regular wage or salary prior to the deduction of any amounts for temporary disability payments.

Nothing contained herein shall be deemed to in any way diminish those rights and benefits which are granted to a school employee pursuant to the provisions of Sections 44043, 44984 and 45192.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

The governing board of a school district shall make special efforts to encourage individuals who are known to be qualified in other respects as substitutes to take the state basic skills proficiency test at its earliest administration.

Notes to Decisions

Decisions Under Current Law

1. Generally

Narrow exceptions in Ed C § 44911 for sister-state teachers, specifically Ed C §§ 44252(b), 44830(m), did not permit a teacher credentialed out of state without demonstrated competence to teach, as such a teacher must have passed equivalent examinations, and had a one year window in which to pass the California Basic Educational Skills Test; thus, such a case would involve a teacher with a foreign credential serving under an emergency credential only until the teacher either obtained a California credential or ran out of time to do so. *Smith v. Governing Bd. of Elk Grove Unified School Dist.* (Cal. App. 3d Dist. June 9, 2004), 120 Cal. App. 4th 563, 16 Cal. Rptr. 3d 1, 2004 Cal. App. LEXIS 1095.

That employment decisions are subject to approval by a school district’s governing board under Ed C §§ 44830-44834, 44932-44945, does not necessarily absolve district administrators and supervisors of liability for negligence in initiating or failing to initiate those decisions, as permitted by Ed C § 44934. *C.A. v. William S. Hart Union High School Dist.* (Cal. Mar. 8, 2012), 53 Cal. 4th 861, 138 Cal. Rptr. 3d 1, 270 P.3d 699, 2012 Cal. LEXIS 2185.

Decisions Under Former Law

1. Generally

Teacher does not hold public office, but serves as employee of school district under employment contract. *Main v. Claremont Unified School Dist.* (Cal. App. 2d Dist. June 9, 1958), 161 Cal. App. 2d 189, 326 P.2d 573, 1958 Cal. App. LEXIS 1718, overruled, *Barthuli v. Board of Trustees* (Cal. July 22, 1977), 19 Cal. 3d 717, 139 Cal. Rptr. 627, 566 P.2d 261, 1977 Cal. LEXIS 159.

Provisions restricting employment by local boards of education to teachers holding credentials from State Board of Education do not automatically deprive teachers of tenure or of status as permanent employees, but implement statewide system of certification by requirement that only teachers so qualified shall be eligible for employment by local boards; such provisions do not condition tenure rights or status on certification. *Mass v. Board of Education* (Cal. Aug. 11, 1964), 61 Cal. 2d 612, 39 Cal. Rptr. 739, 394 P.2d 579, 1964 Cal. LEXIS 241.

If a teacher meets the Educational Code provisions for permanent status, the attainment of such status is automatic, and requires no application by the teacher or affirmative action on the part of the school board. *Vittal v. Long Beach Unified Sch. Dist.* (Cal. App. 2d Dist. May 26, 1970), 8 Cal. App. 3d 112, 87 Cal. Rptr. 319, 1970 Cal. App. LEXIS 2026.

§ 44830.3. Employment of district interns; Requirements; Assistance and guidance; Professional development plan; Compensation; Credentialing of district interns

(a) The governing board of any school district that maintains prekindergarten, kindergarten, or any of grades 1 to 12, inclusive, classes in bilingual education, or special education programs, may, in consultation with a regionally accredited institution of higher education offering an approved program of pedagogical teacher preparation, employ persons authorized by the Commission on Teacher Credentialing to provide service as district interns to provide instruction to pupils in those grades or classes as a classroom teacher. The governing board shall require that each district intern be assisted and guided by a certificated employee selected through a competitive process adopted by the governing board after consultation with the exclusive teacher representative unit or by personnel employed by institutions of higher education to supervise student teachers. These certificated employees shall possess valid certification at the same level, or of the same type of credential, as the district interns they serve.

(b) The governing board of each school district employing district interns shall develop and implement a professional development plan for district interns in consultation with a regionally accredited institution of higher education offering an approved program of pedagogical preparation. The professional development plan shall include all of the following:

(1) Provisions for an annual evaluation of the district intern.

(2) As the governing board determines necessary, a description of courses to be completed by the district intern, if any, and a plan for the completion of preservice or other clinical training, if any, including student teaching.

(3) Mandatory preservice training for district interns tailored to the grade level or class to be taught, through either of the following options:

(A) One hundred twenty clock hours of preservice training and orientation in the aspects of child development, classroom organization and management, pedagogy, and methods of teaching the subject field or fields in which the district intern will be assigned, which training and orientation period shall be under the direct supervision of an experienced permanent teacher. In addition, persons holding district intern certificates issued by the commission pursuant to Section 44325 shall receive orientation in methods of teaching pupils with disabilities. At the conclusion of the preservice training period, the permanent teacher shall provide the district with information regarding the area that should be emphasized in the future training of the district intern.

(B) The successful completion, before service by the intern in any classroom, of six semester units of coursework from a regionally accredited institution of higher education designed in cooperation with the school district to provide instruction and orientation in the aspects of child development and the methods of teaching the subject matter or matters in which the district intern will be assigned.

(4) Instruction in child development and the methods of teaching during the first semester of service for district interns teaching in prekindergarten, kindergarten, or any of grades 1 to 6, inclusive, including bilingual education classes and special education programs.

(5) Instruction in the culture and methods of teaching bilingual pupils during the first year of service for district interns teaching pupils in bilingual classes and, for persons holding district intern certificates issued by the commission pursuant to Section 44325, instruction in the etiology and methods of teaching pupils with disabilities.

(6) Any other criteria that may be required by the governing board.

(7) In addition to the requirements set forth in paragraphs (1) to (6), inclusive, the professional development plan for district interns teaching in special education programs shall also include 120 clock hours of mandatory training and supervised fieldwork that shall include, but not be limited to, instructional practices, and the procedures and pedagogy of both general education programs and special education programs that teach pupils with disabilities.

(8) In addition to the requirements set forth in paragraphs (1) to (6), inclusive, the professional development plan for district interns teaching bilingual classes shall also include 120 clock hours of mandatory training and orientation, which shall include, but not be limited to, instruction in subject matter relating to bilingual-crosscultural language and academic development.

(9) The professional development plan for district interns teaching in special education programs shall be based on the standards adopted by the commission as provided in subdivision (a) of Section 44327.

(c) Each district intern and each district teacher assigned to supervise the district intern during the preservice period shall be compensated for the preservice period required pursuant to subparagraph (A) or (B) of paragraph (3) of subdivision (b). The compensation shall be that which is normally provided by each district for staff development or in-service activity.

(d) Upon completion of service sufficient to meet program standards and performance assessments, the governing board may recommend to the Commission on Teacher Credentialing that the district intern be credentialed in the manner prescribed by Section 44328.

Notes to Decisions

1. Construction

A school district was precluded from asserting that a teacher was an “intern” not entitled to probationary status, rather than a “district intern” under Ed C § 44830.3 who was entitled to 30 days’ prior written notice of dismissal, where the district had accepted funds on the condition that the teacher was a “district intern.” Nor was probationary status defeated by Ed C § 44885.5, since a district intern was not required to satisfy all three of the criteria set forth in subdivision (a); rather, it contemplated two categories of district interns. In addition, Ed C § 44920 specified that temporary employees were only to be hired if there were long-term vacancies due to a teacher’s leave of absence. *Welch v. Oakland Unified School Dist.* (Cal. App. 1st Dist. Aug. 3, 2001), 91 Cal. App. 4th 1421, 111 Cal. Rptr. 2d 374, 2001 Cal. App. LEXIS 700.

2. Federal Law

Students and other appellants had standing to challenge 34 C.F.R. § 200.56(a)(2)(ii) as invalid under 20 U.S.C.S. § 7801(23) of the No Child Left Behind Act (NCLB); the students attended public schools at which significant numbers of intern credential holders taught, and there was a causal connection between the federal regulation and California regulations that effectively permitted a disproportionate number of interns to teach in minority and low-income areas. The redressability requirement was met because California would likely be out of compliance with NCLB if § 200.56(a)(2)(ii) were invalidated. *Renee v. Duncan* (9th Cir. Cal. Sept. 27, 2010), 623 F.3d 787, 2010 U.S. App. LEXIS 19933.

§ 44856. “Sojourn certificated employees”

(a) The governing board of a school district, for the purposes of providing bilingual instruction, world language instruction, or cultural enrichment, in the schools of the school district, subject to the rules and regulations of the state board, may conclude arrangements with the proper authorities of a foreign country, or of a state, territory, or possession of the United States, for the hiring of bilingual teachers employed in public or private schools of a foreign country, state, territory, or possession. To be eligible for

employment, the teacher must speak English fluently. Any persons employed pursuant to this section shall be known as a “sojourn certificated employee.”

(b) A person shall not be hired as a sojourn certificated employee by a school district unless he or she holds the necessary valid credential or credentials issued by the commission authorizing the person to serve in a position requiring certification qualifications in the school district proposing to employ him or her. The person may be employed for a period not to exceed two years, except that thereafter the period of employment may be extended from year to year for a total period of not more than five years upon verification by the employing school district that termination of the employment would adversely affect an existing bilingual or world language program or program of cultural enrichment, and that attempts to secure the employment of a certificated California teacher qualified to fill the position have been unsuccessful. The commission shall establish minimum standards for the credentials for sojourn certificated employees.

§ 44907. Effect of retirement

The retirement of any employee of a school district under the provisions of any retirement law, except for employees retiring for disability under the Teachers’ Retirement Law, shall automatically effect the dismissal of the employee from the employ of the district at the end of the current school year.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 1992 ch 1165 § 8 (SB 1884), effective September 29, 1992.

Amendments

1992 Amendment: Added “, except for employees retiring for disability under the Teachers’ Retirement Law,”.

§ 44917. Classification of substitute employees; Temporary employment deemed probationary employment

Except as provided in Sections 44888 and 44920, governing boards of school districts shall classify as substitute employees those persons employed in positions requiring certification qualifications, to fill positions of regularly employed persons absent from service.

After September 1 of any school year, the governing board of any school district may employ, for the remainder of the school year, in substitute status any otherwise qualified person who consents to be employed in a position for which no regular employee is available, including persons retired for service under the State Teachers' Retirement System. Inability to acquire the services of a qualified regular employee shall be demonstrated to the satisfaction of the Commission on Teacher Credentialing.

Any person employed for one complete school year as a temporary employee shall, if reemployed for the following school year in a position requiring certification qualifications, be classified by the governing board as a probationary employee and the previous year's employment as a temporary employee shall be deemed one year's employment as a probationary employee for purposes of acquiring permanent status.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 2009 ch 53 § 13 (SB 512), effective January 1, 2010.

Amendments

2009 Amendment (1) Deleted “so” after “person who consents to be”; and **(2)** substituting “Commission on Teacher Credentialing” for “Commission on Teacher Preparation and Licensing”.

Notes of Decisions

Substitute teacher is employed from day to day to serve at option of school district in absence of regular teacher. *Wood v. Los Angeles City School Dist.* (1935, Cal App) 6 Cal App 2d 400, 44 P2d 644, 1935 Cal App LEXIS 915.

Teaching as substitute does not qualify one to become permanent teacher. *Wood v. Los Angeles City School Dist.* (1935, Cal App) 6 Cal App 2d 400, 44 P2d 644, 1935 Cal App LEXIS 915.

Substitute teachers may be dismissed at the pleasure of the board. *Hogsett v. Beverly Hills School Dist.* (1936, Cal App) 11 Cal App 2d 328, 53 P2d 1009, 1936 Cal App LEXIS 345.

No statute requires classification of substitute teacher as probationary. *Matthews v. Board of Education* (1962, Cal App 4th Dist) 198 Cal App 2d 748, 18 Cal Rptr 101, 1962 Cal App LEXIS 1463.

The status of a teacher employed as a substitute, who was assigned to classes formerly taught by a resigned permanently-certificated teacher, was determined by her employment contract classifying her as a substitute teacher. The statute relating to classification of substitute employees, is completely silent with regard to the status of those who replace permanently-certificated employees. *Rutley v. Belmont Elementary Sch. Dist.* (1973, Cal App 1st Dist) 31 Cal App 3d 702, 107 Cal Rptr 671, 1973 Cal App LEXIS 1102.

The employment of temporary teachers for two consecutive years did not compel their classification as probationary teachers by virtue of former Ed. Code, § 13336, where conflicting and inconsistent sections of the Education Code bearing on the same subject matter were enacted later by the Legislature and thus abrogated any contrary language in the earlier statute compelling automatic probationary status for a rehired temporary teacher. *Santa Barbara Federation of Teachers v. Santa Barbara High Sch. Dist.* (1977, Cal App 2d Dist) 76 Cal App 3d 223, 142 Cal Rptr 749, 1977 Cal App LEXIS 2103.

Under former Ed. Code, § 13336, (now § 44917), permitting treatment of those persons employed to fill positions of regular employees absent from service as substitute employees, employees absent from service include employees who have been removed from the position they normally hold in order to temporarily fill another school district position as well as employees on leave of absence from the district. Thus, a school district properly classified a teacher as a substitute teacher, rather than as a probationary employee, where she was assigned as a teacher for four months in place of a teacher who had been designated as acting dean. *Levy v. San Francisco Unified School Dist.* (1978, Cal App 1st Dist) 79 Cal App 3d 953, 145 Cal Rptr 292, 1978 Cal App LEXIS 1385.

Employee was not entitled to classification as a temporary employee, and its attendant ramifications, because there was no evidence suggesting that she was ever employed to teach temporary classes or because another teacher was on leave or experiencing long term illness. *Fine v. Los Angeles Unified School Dist.* (2004, Cal App 2d Dist) 116 Cal App 4th 1070, 10 Cal Rptr 3d 876, 2004 Cal App LEXIS 330, rehearing denied (2004, Cal App 2d Dist) 2004 Cal App LEXIS 594.

School district's policy for classifying teachers and counselors as temporary employees, insofar as it was based on the fact they held something less than a preliminary or professional (clear) credential, such as preintern certificates, university internship credentials, emergency teaching permits, and credential waivers, was invalid because the district could classify as temporary employees only those persons who, by virtue of the position they occupied or the manner of service they performed, were defined or described as temporary employees in the California Education Code. All certificated employees who were not so classified as temporary employees, and who were not properly classified under the Code as permanent or substitute employees, had to be classified as probationary employees and had to be accorded the rights of probationary employees as provided in the Code, including the right to accrue seniority and the rights to notice and a hearing in the event of a workforce reduction. *Bakersfield Elementary Teachers Assn. v. Bakersfield City School Dist.* (2006, Cal App 5th Dist) 145 Cal App 4th 1260, 52 Cal Rptr 3d 486, 2006 Cal App LEXIS 1994, rehearing denied (2007, Cal App 5th Dist) 2007 Cal App LEXIS 70, review denied (2007, Cal) 2007 Cal LEXIS 3622.

Although Ed C § 44915 does not mention temporary employees, other provisions of the California Education Code, including Ed C §§ 44917, 44919, 44920, authorize that classification in certain narrowly defined situations, and Ed C § 44915 therefore establishes probationary status as the default classification for teachers whom the Education Code does not require to be classified otherwise. *California Teachers Assn. v. Vallejo City Unified School Dist.* (2007, Cal App 1st Dist) 149 Cal App 4th 135, 56 Cal Rptr 3d 712, 2007 Cal App LEXIS 469.

Although the legislature intended Ed C § 45030 to authorize school districts to hire substitute teachers as defined in Ed C § 44917, as the district deems necessary, it does not mean a district may classify any teacher as a substitute no matter what duties the teacher has performed. *Vasquez v. Happy Valley Union School Dist.* (2008, 3d Dist) 159 Cal App 4th 969, 72 Cal Rptr 3d 15, 2008 Cal App LEXIS 166.

Because a school district that employed a long-term temporary teacher in three consecutive years to replace a certificated employee on leave gave the teacher proper notice of her status and timely released her in the first two years under Ed C § 44954(b), she was not automatically reclassified as probationary in her second year under Ed C §§ 44917, 44918, 44920. Moreover, although the district changed her status during the third year from temporary to second-year probationary employment, the district timely notified her pursuant to Ed C § 44929.21 (b) that her employment would not be continued; thus, she was not entitled to reclassification and employment in permanent status. *McIntyre v. Sonoma Valley Unified School Dist.* (2012, 1st Dist) 206 Cal App 4th 170, 141 Cal Rptr 3d 540, 2012 Cal App LEXIS 608.

§ 44922. Regulations allowing reduction of workload to part-time duties

Notwithstanding any other provision, the governing board of a school district or a county superintendent of schools may establish regulations which allow their certificated employees to reduce their workload from full-time to part-time duties.

The regulations shall include, but shall not be limited to, the following, if the employees wish to reduce their workload and maintain retirement benefits pursuant to Section 22713 of this code or Section 20900 of the Government Code:

(a) For employees subject to coverage under the Defined Benefit Program under the State Teachers' Retirement Plan, the regulations shall include all requirements for participation in the reduced workload program pursuant to Section 22713.

(b) For employees subject to coverage under the Public Employees' Retirement System:

(1) The employee shall have reached the age of 55 years of age prior to reduction in workload.

(2) The employee shall have been employed full time in a position requiring certification for at least 10 years of which the immediately preceding five years were full-time employment.

(3) During the period immediately preceding a request for a reduction in workload, the employee shall have been employed full time in a position requiring certification for a total of at least five years without a break in service. For purposes of this subdivision, sabbaticals and other approved leaves of absence shall not constitute a break in service.

(4) The option of part-time employment shall be exercised at the request of the employee and can be revoked only with the mutual consent of the employer and the employee.

(5) The minimum part-time employment shall be the equivalent of one-half of the number of days of service required by the employee's contract of employment during his or her final year of service in a full-time position.

(6) This option is limited in prekindergarten through grade 12 to certificated employees who do not hold positions with salaries above that of a school principal.

(7) The period of this part-time employment shall include a period of time, as specified in the regulations, which shall be up to and include five years.

(8) The period of part-time employment shall not extend beyond the end of the school year during which the employee reaches his or her 70th birthday.

(c) (1) The employee shall be paid a salary that is the pro rata share of the salary he or she would be earning had he or she not elected to exercise the option of part-time employment but shall retain all other rights and benefits for which he or she makes the payments that would be required if he or she remained in full-time employment

(2) The employee shall receive health benefits as provided in Section 53201 of the Government Code in the same manner as a full-time employee.

Amended by Stats 1979 ch 630 § 2; Stats 1981 ch 1023 § 2; Stats 1982 ch 1428 § 6; Stats 1987 ch 330 § 21; Stats 2000 ch 1025 § 39 (AB 816); Stats 2006 ch 655 § 84 (SB 1466), effective January 1, 2007; Stats 2017 ch 298 § 29 (AB 1325), effective January 1, 2018.

Notes of Decisions

The trial court erred in denying a teachers’ union’s petition for a writ of mandate to compel the city’s unified school district and district officials to grant part-time status to eligible employees pursuant to regulations adopted by respondents and incorporated into the parties’ collective bargaining agreement. Even though the agreement

failed to comply with Ed. Code, §§ 22724 and 44922, concerning mandatory regulation of part-time employment, once the parties had agreed to have a program for part-time employees, the mandatory statutory provisions were incorporated by operation of law into the agreement, and those provisions prevailed over any noncomplying terms in the agreement. Accordingly, pursuant to Ed. Code, § 44922, respondents had a clear and present duty to grant requests from eligible employees who desired to participate in the part-time leave program, and the writ should have issued. *United Teachers-L.A. v. Los Angeles Unified School Dist.* (1994, Cal App 2d Dist) 24 Cal App 4th 1510, 29 Cal Rptr 2d 897, 1994 Cal App LEXIS 461, review denied (1994, Cal) 1994 Cal LEXIS 4362.

A teachers' union did not waive the more favorable statutory provisions concerning part-time employment by agreeing to less favorable terms in a collective bargaining agreement with a school district. Ed. Code, § 44922, mandates that part-time status may continue for a period of up to 10 years, and the contract provided for a period of 5 years. Although a part-time employment program is discretionary, once the district had agreed to a such a program, it was bound by the statutory provisions. Ed. Code, § 44924, does not permit waiver of the benefits conferred by Ed. Code, § 44922. *United Teachers-L.A. v. Los Angeles Unified School Dist.* (1994, Cal App 2d Dist) 24 Cal App 4th 1510, 29 Cal Rptr 2d 897, 1994 Cal App LEXIS 461, review denied (1994, Cal) 1994 Cal LEXIS 4362.

Under Ed C § 44922, which allows school districts to establish part-time schedules for certain certificated employees, such employees, while paid the prorated share of their full-time salaries, retain the insurance benefits accorded to full-time employees, as long as they make the benefit payments that would be required if they remained in full-time employment. Gov C § 53201's relevance in the § 44922 scheme is simply that if a particular school district chooses to offer its employees health benefits, the § 44922 part-time employees will receive health benefits in the same manner as full-time employees, as long as the part-time employees make the health benefit payments that would be required had they remained full-time employees. If no such payments would be required as a full-time employee, no such payments are required as a § 44922 part-time employee. In this way, § 44922 part-time employees receive health benefits in the same manner as full-time employees. *Praiser v. Biggs Unified School Dist.* (2001, Cal App 3d Dist) 87 Cal App 4th 398, 104 Cal Rptr 2d 551, 2001 Cal App LEXIS 134, review denied (2001, Cal) 2001 Cal LEXIS 3567.

In an employee's action against a school district and associated individuals for wrongful discharge in violation of public policy, the trial court properly granted judgment on the pleadings in favor of the district and the individuals. The district's inability to offer a part-time administrative position as allowed by Ed C § 44922 did not constitute a violation of fundamental policy; although § 44922 enabled the district to bestow a valuable right on a select segment of their employees, § 44922 did not embody the kind of universal and important right recognized as fundamental to the public good. *Sinatra v. Chico Unified School Dist.* (2004, Cal App 3d Dist) 119 Cal App 4th 701, 14 Cal Rptr 3d 661, 2004 Cal App LEXIS 943, review denied (2004, Cal) 2004 Cal LEXIS 8387.

§ 44929. Credit for additional years to encourage retirement of certificated employees

Whenever the governing board of a school district or a county office of education, by formal action, determines that because of impending curtailment of or changes in the manner of performing services, the best interests of the district or county office of education would be served by encouraging the retirement of certificated employees and that the retirement will result in a net savings to the district or county office of education, an additional two years of service shall be credited under the Defined Benefit Program of the State Teachers' Retirement Plan to a certificated employee pursuant to Section 22714 if all of the conditions set forth in that section are satisfied.

“(2) The district or county office of education transmits to the retirement fund an amount determined by the Teachers’ Retirement Board that equals the actuarial equivalent of the difference between the allowance the member receives after the receipt of service credit under this section and Section 22714 and the amount the member would have received without the service credit and an amount determined by the Teachers’ Retirement Board that equals the actuarial equivalent of the difference between the purchasing power protection supplemental payment the member receives after receipt of additional service credit pursuant to this section and the amount the member would have received without the additional service credit. The payment for purchasing power shall be deposited in the Supplemental Benefit Maintenance Account established by Section 22400 and shall be subject to Sections 24414 and 24415. The transfer to the retirement fund shall be made in a manner, and time period that shall not exceed four years, that is acceptable to the Teachers’ Retirement Board. The school district or county office of education shall make the payment with respect to all eligible employees who retired pursuant to this section and Section 22714.

“(2) The county superintendent shall certify to the Teachers’ Retirement Board that a result specified in paragraph (1) can be demonstrated. The certification shall include, but not be limited to, the information specified in subdivision (b) of Section 14502. A district that qualifies under clause (B) of paragraph (1) shall also certify that it qualifies as a declining enrollment district as computed pursuant to Section 42238.5.

“(3) The school district shall reimburse the county superintendent for all the costs of the county superintendent that result from the certification.

“(c)(1) The county office of education shall demonstrate and certify to the Superintendent of Public Instruction that the formal action taken would result in either:

“(g) This section shall not be applicable to any employee otherwise eligible if the employee receives any unemployment insurance payments arising out of employment with an employer subject to Part 13 (commencing with Section 22000) during a period extending one year beyond the effective date of the formal action, or if the employee is not otherwise eligible to retire for service under the State Teachers’ Retirement Defined Benefit Program.”

§ 44929.1. [Section repealed 2005.]

Added by Stats 2003 ch 313 § 15 (AB 1207), operative January 3, 2004. Repealed, January 1, 2005, by its own terms. The repealed section related to additional service and age credit.

Former Sections: Former § 44929.1, relating to legislative findings and declarations, was added by Stats 1986 ch 148 § 1 and repealed, operative June 30, 1990, by the terms of former Ed C § 44929.16.

§ 44957. Rights of probationary employee terminated due to reduction in employees

Any probationary employee whose services have been terminated as provided in Section 44955 shall have the following rights:

(a) For the period of 24 months from the date of such termination, any employee who in the meantime has not attained the age of 65 years shall have the preferred right to reappointment, subject to the prior rights to reappointment by all permanent employees as set forth in Section 44956, in the order of original employment as determined by the governing board in accordance with the provisions of Sections 44831 to 44855, inclusive, if the number of employees is increased or the discontinued service is reestablished, with no requirements that were not imposed upon other employees who continued in service. Except as otherwise provided, no probationary or temporary employee with less seniority shall be employed to render a service which such employee is certificated and competent to render and provided that such an employee shall be given a priority over employees whose right to a position is derived pursuant to Section 44918. However, prior to reappointing any employee to teach a subject which he or she has not previously taught, and for which he or she does not have a teaching credential or which is not within the employee’s major area of postsecondary study or the equivalent thereof, the governing board shall require the employee to pass a subject matter competency test in the appropriate subject.

(b) Notwithstanding subdivision (a), a school district may deviate from reappointing a probationary employee in order of seniority for either of the following reasons:

(1) The district demonstrates a specific need for personnel to teach a specific course or course of study, or to provide services authorized by a services credential with a specialization in either pupil personnel services or health for a school nurse, and that the employee has special training and experience necessary to teach that course or course of study, or to provide those services, which others with more seniority do not possess.

(2) For purposes of maintaining or achieving compliance with constitutional requirements related to equal protection of the laws.

(c) As to any such employee who is reappointed, the period of his absence shall be treated as a leave of absence and shall not be considered as a break in the continuity of his service, he shall retain the classification and order of employment he had when his services were terminated, and credit for prior service under any state or district retirement system shall not be affected by such termination; provided, however, that the period of his absence shall not be counted as a part of the service required for attaining permanent status in the district or, except as provided in subdivision (e), for retirement purposes.

(d) During the period of his preferred right to reappointment, any such employee shall, in the order of original employment, and subject to the rights of permanent employees as set forth in Section 44956, be offered prior opportunity for substitute service during the absence of any other employee who has been granted leave of absence or who is temporarily absent from duty; provided, that his services may be terminated upon a return to duty of such other employee, that such substitute service shall not affect

the retention of his previous classification and rights, and that such an employee shall be given a priority over employees whose right to a substitute position is derived pursuant to Section 44918.

(e) At any time prior to the completion of one year after his return to service, an employee reappointed under the provisions of this section may elect to continue or to reinstate his membership and interest in any state or district retirement system and to receive retirement benefits as if no absence from service had occurred. In the event of such election the employee shall pay into the retirement system the amount of his share of contribution and the district's share of contribution attributable to the period of absence and the amount of any contributions withdrawn, plus interest.

Amendments

1983 Amendment: Substituted the section for the former section which read:

“Any probationary employee whose services have been terminated as provided in Section 44955 shall have the following rights:

“(a) For the period of 24 months from the date of such termination, any employee who in the meantime has not attained the age of 65 years shall have the preferred right to reappointment, subject to the prior rights to reappointment by all permanent employees as set forth in Section 44956, in the order of original employment as determined by the governing board in accordance with the provisions of Sections 44831 to 44855, inclusive, if the number of employees is increased or the discontinued service is reestablished, with no requirements that were not imposed upon other employees who continued in service; provided, that no probationary or temporary employee with less seniority shall be employed to render a service which such employee is certificated and competent to render and provided that such an employee shall be given a priority over employees whose right to a position is derived pursuant to Section 44918.

“(b) As to any such employee who is reappointed, the period of his absence shall be treated as a leave of absence and shall not be considered as a break in the continuity of his service, he shall retain the classification and order of employment he had when his services were terminated, and credit for prior service under any state or district retirement system shall not be affected by such termination; provided, however, that the period of his absence shall not be counted as a part of the service required for attaining permanent status in the district or, except as provided in subdivision (c), for retirement purposes.

“(c) During the period of his preferred right to reappointment, any such employee shall, in the order of original employment, and subject to the rights of permanent employees as set forth in Section 44956, be offered prior opportunity for substitute service during the absence of any other employee who has been granted leave of absence or who is temporarily absent from duty; provided, that his services may be terminated upon a return to duty of such other employee, that such substitute service shall not affect the retention of his previous classification and rights, and that such an employee shall be given a priority over employees whose right to a substitute position is derived pursuant to Section 44918.

“(d) At any time prior to the completion of one year after his return to service, an employee reappointed under the provisions of this section may elect to continue or to reinstate his membership and interest in any state or district retirement system and to receive retirement benefits as if no absence from service has occurred. In the event of such election the employee shall pay into the retirement system the amount of his share of contribution and the district's share of contribution attributable to the period of absence and the amount of any contributions withdrawn, plus interest.” (As amended by Stats 1983, ch 1302, compared to the section as it read prior to 1983. This section was also amended by an earlier chapter, ch 498. See Gov C § 9605.)

Notes of Decisions

1. Statutory Construction, Application, and Effect Because the legislature has sharply limited school districts' ability to hire temporary teachers, and there was no evidence that 43 provisionally credentialed teachers who were dismissed by a school district for economic reasons fell within the narrow categories of temporary employment defined in the California Education Code, the teachers fell within the default classification of “probationary” in Ed C § 44915. Because the Education Code gives probationary teachers a number of rights and protections, including certain protections in the event of a layoff under Ed C §§ 44949, 44955, 44957, and the

statutes in question do not distinguish between probationary teachers based on the status of their credentials, the dismissed teachers were denied their statutory rights as probationary employees of the district when the district released them from employment without following the layoff procedures. *California Teachers Assn. v. Vallejo City Unified School Dist.* (2007, Cal App 1st Dist) 149 Cal App 4th 135, 56 Cal Rptr 3d 712, 2007 Cal App LEXIS 469.

§ 44965. Granting of leaves of absence after pregnancy and childbirth

The governing board of any school district shall provide for leave of absence from duty for any certificated employee of the district who is required to be absent from duties because of pregnancy, miscarriage, childbirth, and recovery therefrom. The length of the leave of absence, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the employee and the employee's physician.

Disabilities caused or contributed to by pregnancy, miscarriage, childbirth, and recovery therefrom are, for all job-related purposes, temporary disabilities and shall be treated as such under any health or temporary disability insurance or sick leave plan available in connection with employment by any school district.

Except as provided herein, written and unwritten employment policies and practices of any school district shall be applied to disability due to pregnancy or childbirth on the same terms and conditions applied to other temporary disabilities.

This section shall be construed as requiring the governing board of a school district to grant leave with pay only when it is necessary to do so in order that leaves of absence for disabilities caused or contributed to by pregnancy, miscarriage, or childbirth be treated the same as leaves for illness, injury, or disability.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

Notes of Decisions

Where pregnancy is the cause of a teacher's leave of absence, she is not entitled to compensation during the period of her absence. *Axelrod v. Board of Education* (1940, Cal App) 37 Cal App 2d 367, 99 P2d 571, 1940 Cal App LEXIS 537.

In view of a recent United States Supreme Court decision laying down due process guidelines as to school teacher maternity leave requirements properly impossible, and suggesting that it might be permissible for a district to require that a pregnant teacher go on maternity leave during the last few weeks of pregnancy, a school district rule that a teacher go on maternity leave three months prior to be expected birth of her child, and precluding her from resuming her employment within three months after the birth of the child was unconstitutional, and a further requirement of the same rule that a teacher give advance notice of her pregnant condition was not severable from those invalid requirements; breach of the notice requirement therefore could not constitute a valid basis for the district's refusal to reemploy the teacher for the next school year. *Kornblum v. LaFleur* (1974) 414 US 632, 39 L Ed 2d 52, 94 S Ct 791, 1974 US LEXIS 44.

§ 44966. Leaves of absence for study and travel

The governing board of any school district may grant any employee of the district employed in a position requiring certification qualifications, a leave of absence for not to exceed one year for the purpose of permitting study or travel by the employee which will benefit the schools and pupils of the district. The governing board may provide that the leave of absence be taken in separate six-month

periods or separate quarters rather than for a continuous one-year period, provided that the leave of absence for both of the separate six-month periods or any or all quarters shall be commenced and completed within a three-year period. Any period of service by the individual intervening between the two separate six-month periods or separate quarters of the leave of absence shall comprise a part of the service required for a subsequent leave of absence.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 1994 ch 922 § 96 (AB 2587).

Amendments

1994 Amendment (1) Substituted “the” for “such a” after “may provide that” near the beginning of the second sentence; **(2)** deleted “such” before “leave of absence” near the end; and **(3)** deleted the former second paragraph which read: “If any leave of absence commenced upon within three years prior to November 8, 1967, was taken in one or more separate periods of less than one year, the period of service intervening between such separate periods shall comprise a part of the service required for a subsequent such leave of absence.”

Notes of Decisions

The study or travel for which leave may be granted is limited to study or travel “which will benefit the schools and pupils of the district.” *Standard Elementary School Dist. v. Healy* (1938, Cal App) 26 Cal App 2d 172, 79 P2d 123, 1938 Cal App LEXIS 1014.

A leave for the purpose of travel or study could hardly be said to be a leave asked solely for the convenience of the applicant. *Standard Elementary School Dist. v. Healy* (1938, Cal App) 26 Cal App 2d 172, 79 P2d 123, 1938 Cal App LEXIS 1014.

School teacher who was granted sabbatical leave to obtain advanced academic degree under agreement requiring submission of transcript of record or of study on special problem on completion of leave and who pursued with some diligence and accomplishment purposes for which leave was granted but could produce only transcript indicating attendance at university before leave period and showing that he was not registered there during such period failed to show, in mandamus suit to compel payment of his compensation for leave period, that contract violated public policy and was incapable of performance by him where he did not make any reasonable attempt, during period specified by agreement for furnishing proof of accomplishment, to supply anything relative to his leave activities that might have been accepted by board of education in place of transcript, even though portion of agreement of his own making stated that evidence of progress would be completion of required dissertation and any related projects. *Berry v. Coronado Board of Education* (1965, Cal App 4th Dist) 238 Cal App 2d 391, 47 Cal Rptr 727, 1965 Cal App LEXIS 1151.

Fact that state legislature, by adopting statutory provisions respecting leaves of absence for travel and study, and officers of school district, by adopting regulations in that regard, have determined that type of travel that teacher undertakes does in fact make him more valuable teacher does not require conclusion, for federal income tax purposes, that expenses for such travel are deductible for federal income tax purposes as ordinary and necessary business expenses. *Adelson v. United States* (1965, 9th Cir Cal) 342 F2d 332, 1965 US App LEXIS 6884.

A school district’s requirement for annual increment of salary of 75 percent attendance upon teaching duties did not deny equal protection of the laws in providing exceptions for employees granted military or sabbatical leave but not for an employee whose absence was caused by illness; strong public policy favors the granting of credit to employees on military leave, and sabbatical leave is distinguishable because it is granted only for the purpose of travel or study which will benefit the schools and pupils of the school district. *Hunt v. Alum Rock Union Elementary Sch. Dist.* (1970, Cal App 1st Dist) 7 Cal App 3d 612, 86 Cal Rptr 663, 1970 Cal App LEXIS 2196.

§ 44967. Time qualifications for leaves of absence for travel and study

No leave of absence shall be granted to any employee under Section 44966 who has not rendered service to the district for at least seven consecutive years preceding the granting of the leave, and not more than one such leave of absence shall be granted in each seven-year period. The governing board granting the leave of absence may, subject to the rules and regulations of the State Board of Education,

prescribe the standards of service which shall entitle the employee to the leave of absence. No absence from the service of the district under a leave of absence, other than a leave of absence granted pursuant to Section 44966, granted by the governing board of the district shall be deemed a break in the continuity of service required by this section, and the period of such absence shall not be included as service in computing the seven consecutive years of service required by this section. Service under a national recognized fellowship or foundation approved by the State Board of Education, for a period of not more than one year, for research, teaching or lecturing shall not be deemed a break in continuity of service, and the period of such absence shall be included in computing the seven consecutive years of service required by this section.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

§ 44968. Service and compensation during leaves of absence for travel and study

Every employee granted a leave of absence pursuant to Section 44966 may be required to perform such services during the leave as the governing board of the district and the employee may agree upon in writing, and the employee shall receive such compensation during the period of the leave as the governing board and the employee may agree upon in writing, which compensation shall be not less than the difference between the salary of the employee on leave and the salary of a substitute employee in the position which the employee held prior to the granting of the leave. However, in lieu of such difference, the board may pay one-half of the salary of the employee on leave or any additional amount up to and including the full salary of the employee on leave.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

Notes of Decisions

A leave granted for one year was an unusual privilege and if the grant of such leave was to be accompanied by payment of compensation during the period covered by the leave, it must clearly appear that the leave was asked and granted for the express purpose stated in the statute. *Standard Elementary School Dist. v. Healy* (1938, Cal App) 26 Cal App 2d 172, 79 P2d 123, 1938 Cal App LEXIS 1014.

§ 44968.5. Agreement not to receive compensation during leave of absence

An employee granted a leave of absence pursuant to Section 44966 or 44967 may agree in writing with the governing board of the school district not to receive compensation during the period of the leave.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

§ 44969. Manner of payment for leave of absence time

Every employee, as a condition to being granted a leave of absence pursuant to Section 44966, shall agree in writing to render a period of service in the employ of the governing board of the district following his return from the leave of absence which is equal to twice the period of the leave. Compensation granted by the governing board to the employee on leave for less than one year may be paid during the first year of service rendered in the employ of the governing board following the return of the employee from the leave of absence or, in the event that the leave is for a period of one year, such compensation may be paid in two equal annual installments during the first two years of such service following the return of the employee. The compensation shall be paid the employee while on the leave of absence in the same manner as if the employee were teaching in the district, upon the furnishing by the employee of a suitable bond indemnifying the governing board of the district against loss in the event that the employee fails to render the agreed upon period of service in the employ of the governing board following the return of the employee from the leave of absence. The bond shall be exonerated in event the

failure of the employee to return and render the agreed upon period of service is caused by the death or physical or mental disability of the employee. If the governing board finds and by resolution declares that the interests of the district will be protected by the written agreement of the employee to return to the service of the district and render the agreed upon period of service therein following his return from the leave, the governing board in its discretion may waive the furnishing of the bond and pay the employee on leave in the same manner as though a bond is furnished.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

§ 44970. Pro rata reduction of payment and division of bond proceeds upon partial default

If the employee does not serve for the entire period of service agreed upon under Section 44969, the amount of compensation paid for the leave of absence shall be reduced by an amount which bears the same proportion to the total compensation as the amount of time which was not served bears to the total amount of time agreed upon. If the employee furnished an indemnity bond, upon default, the proceeds of the bond shall be divided between the employee and the school district in the same proportion as the actual amount of time served bears to the amount of time agreed upon.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

§ 44984. Required rules for industrial accident and illness leaves of absence

(a) The governing board of a school district shall provide by rules and regulations for industrial accident and illness leaves of absence for all certificated employees. The governing board of a school district that is created or whose boundaries or status is changed by an action to organize or reorganize school districts completed after the effective date of this section shall provide by rules and regulations for these leaves of absence on or before the date on which the organization or reorganization of the school district becomes effective for all purposes.

(b) The rules or regulations shall include the following provisions:

(1) Allowable leave shall be for not less than 60 days during which the schools of the school district are required to be in session or when the employee would otherwise have been performing work for the school district in any one fiscal year for the same accident.

(2) Allowable leave shall not be accumulated from year to year.

(3) Industrial accident or illness leave shall commence on the first day of absence.

(4) (A) If a certificated employee is absent from his or her duties on account of an industrial accident or illness, he or she shall be paid the portion of the salary due him or her for any month in which the absence occurs as, when added to his or her temporary disability indemnity under Division 4 or Division 4.5 of the Labor Code, will result in a payment to him or her of not more than his or her full salary.

(B) The phrase "full salary" as used in this subdivision shall be computed so that it shall not be less than the employee's "average weekly earnings" as that phrase is used in Section 4453 of the Labor Code. For purposes of this section, however, the maximum and minimum average weekly earnings set forth in Section 4453 of the Labor Code shall otherwise not be deemed applicable.

(5) Industrial accident or illness leave shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award.

(6) When an industrial accident or illness leave overlaps into the next fiscal year, the employee shall be entitled to only the amount of unused leave due him or her for the same illness or injury.

(c) Upon termination of the industrial accident or illness leave, the employee shall be entitled to the benefits provided in Sections 44977, 44978, and 44983, and for purposes of each of these sections, the employee's absence shall be deemed to have commenced on the date of termination of the industrial accident or illness leave, provided that if the employee continues to receive temporary disability indemnity, the employee may elect to take as much of his or her accumulated sick leave as, when added to his

or her temporary disability indemnity, will result in a payment to him or her of not more than his or her full salary.

(d) The governing board of a school district may, by rule or regulation, provide for an additional leave of absence for industrial accident or illness as it deems appropriate.

(e) During a paid leave of absence, the employee may endorse to the school district the temporary disability indemnity checks received on account of the employee's industrial accident or illness. The school district, in turn, shall issue the employee appropriate salary warrants for payment of the employee's salary and shall deduct normal retirement, other authorized contributions, and the temporary disability indemnity, if any, actually paid to and retained by the employee for periods covered by the salary warrants.

(f) In the absence of rules and regulations adopted by the governing board of a school district pursuant to this section, an employee shall be entitled to industrial accident or illness leave as provided in this section but without limitation as to the number of days of that leave.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 2015 ch 58 § 1 (AB 915), effective January 1, 2016; Stats 2016 ch 86 § 62 (SB 1171), effective January 1, 2017.

Notes of Decisions

In an action against a school district, members of its board, and high school principals by a former probationary teacher who had voluntarily resigned and had been assaulted and injured by a student in his classroom three days before his resignation became effective, the trial court erred in granting defendants' motion for summary judgment as to a cause of action for special disability pay pursuant to Ed C § 44984, and school board rules implementing the statute. Such disability pay constitutes an "allowance" within the meaning of Gov C § 905 subd (c), which excepts from the claim presentation requirements, "claims by public employees for fees, salaries, wages, mileage or other expenses and allowances." Furthermore, receipt of a workers' compensation award did not prevent payment of plaintiff's full salary (made up in part of workers' compensation benefits) for a limited period pursuant to the statute and the board rules. A board rule adopted pursuant to Gov C § 935, subd. (a), which authorizes a public entity to impose a claims procedure in such cases, was inapplicable since it was adopted almost three months after plaintiff's cause of action accrued and contained no retroactivity provision. *Adler v. Los Angeles Unified School Dist.* (1979, Cal App 2d Dist) 98 Cal App 3d 280, 159 Cal Rptr 528, 1979 Cal App LEXIS 2272.

§ 44987. Leave of absence for service as elected officer of public employee organization

(a) (1) The governing board of a school district shall grant to any employee, upon request, a leave of absence without loss of compensation for the purpose of enabling the employee to serve as an elected officer of any local school district public employee organization, or any statewide or national public employee organization with which the local organization is affiliated.

(2) The leave shall include, but is not limited to, absence for purposes of attendance by the employee at periodic, stated, special, or regular meetings of the body of the organization on which the employee serves as an officer. Compensation during the leave shall include retirement fund contributions required of the school district as employer. The required employer contribution rate shall be the rate adopted by the Teachers' Retirement Board as a plan amendment with respect to the Defined Benefit Program as provided in Section 22711. The employee shall earn full service credit during the leave of absence and shall pay member contributions as prescribed by Section 22711. Any employee who serves as a full-time officer of a public employee organization is not eligible for disability benefits under the State Teachers' Retirement Plan while on the leave of absence.

(3) Following the school district's payment of the employee for the leave of absence, the school district shall be reimbursed by the employee organization of which the employee is an elected officer for all compensation paid the employee on account of the leave. Reimbursement by the employee organization shall be made within 10 days after its receipt of the school district's certification of payment of compensation to the employee.

(4) The leave of absence without loss of compensation provided for by this section is in addition to the released time without loss of compensation granted to representatives of an exclusive representative by subdivision (c) of Section 3543.1 of the Government Code. The leave provided under this section shall be in addition to any leave to which public employees may be entitled by other laws or by a memorandum of understanding or collective bargaining agreement.

(5) For purposes of this section, "school district" also means "county superintendent of schools."

(b) (1) An employee who after August 31, 1978, was absent on account of elected-officer service, shall receive full service credit in the State Teachers' Retirement Plan, provided that both of the following conditions are met:

(A) The employee makes a written request to the employer for a leave of absence for the period of the elected-officer service.

(B) The employee organization of which the member is an elected officer pays to the member's employer an amount equal to the required State Teachers' Retirement Plan member and employer retirement contributions, including regular interest on the balance of contributions due to the State Teachers' Retirement System, calculated from the date the contributions would have been due when the elected-officer service was performed to the date payment is received by the State Teachers' Retirement System, compounded daily based on the regular interest rate in effect the day the payment is received by the State Teachers' Retirement System, as prescribed by this section.

(2) The school district, following this written request and payment, shall transmit the amount received to the State Teachers' Retirement System, informing it of the period of the employee's leave of absence. The State Teachers' Retirement System shall credit the employee with all service credit earned for the period of the elected-officer leave of absence.

(3) If the employee has been compensated by the school district for the period of the service, then, as a condition to the employee's entitlement to service credit for this period, the school district shall be reimbursed by the employee organization for the amount of the compensation.

(c) Notwithstanding any other provisions of law, this section shall apply retroactively to all service as an elected officer in a public employee organization occurring after August 31, 1978.

1987 Amendment: (1) Generally eliminated “such”; and (2) amended subd (a) by (a) substituting “local school district public employee organization, or any statewide or national public employee organization with which the local organization is affiliated” for “statewide public employee organization, national organization with which such statewide organization is affiliated, or local school district public employee organization which is affiliated with such state and national organizations” at the end of the first paragraph; and (b) deleting “a” before “leave of absence” at the end of the second paragraph.

1988 Amendment: Substituted “twelve” for “eight” in the fifth sentence of the second paragraph of subd (a).

2004 Amendment: Substituted (1) “State Teachers’ Retirement Plan” for “State Teachers’ Retirement System” in the second paragraph of subd (a), the introductory clause of subd (b), and in subd (b)(1); (2) Amended the second paragraph in subd (a) by substituting (a) “rate adopted by the Teachers’ Retirement Board as a plan amendment with respect to the Defined Benefit Program as provided in Section 22711” for “contribution rate for additional service credit less the member contribution rate prescribed by Section 22804” at the end of the third sentence; (b) “Section 22711” for “Section 22804” at the end of the fourth sentence; (c) “may not” for “shall not” in the fifth sentence; and (d) “is not” for “shall not be” in the sixth sentence; and (3) “If” for “In the event that” at the beginning of the third paragraph in subd (b).

2015 Amendment: Substituted “twelve years” for “twelve calendar years” in the next to last sentence of the second paragraph of subd (a).

2021 Amendment: (1) Added designation (a)(1)-(a)(5); (2) deleted the former second to the last sentence of (a)(2) which read: “The maximum amount of the service credit earned may not exceed twelve years.”; (3) added the second sentence of (a)(4); (4) rewrote former (b) which read: “An employee who after August 31, 1978, was absent on account of elected-officer service, shall receive full service credit in the State Teachers’ Retirement Plan; provided that, not later than April 30, 1981: (1) the employee makes a written request to the employer for a leave of absence for the period of the elected-officer service, and (2) the employee organization of which the employee is an elected officer pays to the employee’s school district an amount equal to the required State Teachers’ Retirement Plan member and employer retirement contributions, as prescribed by this section.”; (5) added designation (b)(2), (b)(3), and (c); and (6) in (c), substituted “Notwithstanding any other provisions of law, this section” for “The provisions of this subdivision ” and “elected” for “elective”.

Notes of Decisions

If an employee organization determined its purposes required its elected officer to take a leave of absence 50 percent of the work week, Ed C § 44987(a) required the school district employer to grant the leave request, so long as the employee organization reimbursed the school district for all compensation paid to the employee during the leave of absence. The Legislature intended to allow an elected officer of a local school district employee organization to take a leave of absence for any period of time for which the organization was willing to reimburse the school district. The phrase “leave of absence” could not reasonably be interpreted to refer solely to an extended period of absence. *Tracy Educators Assn. v. Superior Court* (Cal. App. 3d Dist. Feb. 27, 2002), 96 Cal. App. 4th 530, 116 Cal. Rptr. 2d 916, 2002 Cal. App. LEXIS 2016.

§ 44987.3. Leave of absence to serve on certain boards or committees

(a) The governing board of a school district shall grant to any employee, upon request, a leave of absence without loss of any compensation for the purpose of enabling the employee to serve on any of

the following boards, commissions, committees, or groups, so long as the requirements of subdivision (b) are satisfied:

- (1) Advisory Commission on Special Education, as provided for by Section 33590.
 - (2) Advisory committee for child care and development services, as provided in Section 8286.
 - (3) Curriculum Development and Supplemental Materials Commission, as provided for by Section 33530.
 - (4) Educational Innovation and Planning Commission, as provided for by Section 33502.
 - (5) Educational Management and Evaluation Commission, as provided for by Section 33550.
 - (6) Any other group, commission, or board authorized by statute; or commission or board, any of whose members are appointed by the Governor or the state board; whose purposes and activities are to further public education, exclusive of the Commission on Teacher Credentialing.
- (b) A leave of absence shall not be granted unless all the following requirements are satisfied:
- (1) Service is performed in the State of California.
 - (2) The board, commission, committee, or group, in writing, informs the employee's district of the service.
 - (3) The board, commission, committee, or group agrees, prior to service, to reimburse the school district pursuant to subdivision (d).
 - (c) The leave of absence shall be limited to 20 schooldays per school year.
 - (d) Following the school district's payment of the employee for the leave of absence, the school district shall be reimbursed by the board, commission, committee, or group that the employee serves for the compensation paid to the employee's substitute and for actual administrative costs related to the leave of absence granted to the employee under this section, upon written request for reimbursement by the school district. Reimbursement by the board, commission, committee, or group shall be made within 10 days after its receipt of the school district's certification of payment of compensation to the employee and of payment of compensation to the employee's substitute.
 - (e) The leave of absence without loss of compensation provided for by this section is in addition to the release time without loss of compensation granted to representatives of an exclusive representative by subdivision (c) of Section 3543.1 of the Government Code and the leave of absence granted employees by Section 44987.
 - (f) As used in this section, "school district" also means a county superintendent of schools.

Added by Stats 1980 ch 1121 § 1. Amended by Stats 2009 ch 53 § 15 (SB 512), effective January 1, 2010.

Amendments

2009 Amendment: In addition to making technical changes, (1) substituted "the" for "such" after "purpose of enabling" in the introductory clause of subd (a); (2) substituted subd (a)(2) for former subd (a)(2) which read: "(2) Advisory Committee for Child Care, as provided for by Chapter 2 (commencing with Section 8200) of Part 6."; (3) deleted former subds (a)(3) and (a)(4) which read: "(3) California Advisory Council on Vocational Education, as provided for by Section 8000."(4) California Commission on Crime Control and Violence Prevention, as provided for by Section 14101 of the Penal Code."; (4) redesignated former subds (a)(5)–(a)(7) to be subds (a)(3)–(a)(5); (5) deleted former subds (a)(8)–(a)(10) which read: "(8) Equal Educational Opportunities Commission, as provided for by Section 33570."(9) Instructional Television Advisory Commission, as provided for by Sections 51872 and 51873."(10) State Council of Educational Planning and Coordination, as provided for by Section 21000."; (6) redesignated former subd (a)(11) to be subd (a)(6); and (7) amended subd (a)(6) by substituting (a) "state board" for "State Board of Education"; and (b) "on Teacher Credentialing" for "for Teacher Preparation and Licensing".

Notes of Decisions

The trial court erred in denying a teacher's petition for writ of mandate to compel a school district to grant a paid leave of absence to enable the teacher to serve on an advisory panel created by the state Commission on Teaching Credentialing. The panel was to develop standards for future teachers and to develop methods for

evaluating prospective teachers. Educ. Code, § 44987.3, subd. (a)(11), provides that school districts shall grant a leave of absence for teachers serving on “any other group, commission, or board authorized by statute”; and Educ. Code, § 44288, provides that the commission shall create subject matter advisory panels, such as the one to which the teacher was selected. This serves the legislative purpose of facilitating active teachers’ participation in statutorily authorized groups that act to further public education. Thus, the advisory panel fell under the broad ambit of § 44987.3, subd. (a)(11), and the teacher was entitled to a paid leave of absence to serve on the panel. *Wiman v. Vallejo City Unified School Dist.* (1990, Cal App 1st Dist) 221 Cal App 3d 1486, 271 Cal Rptr 142, 1990 Cal App LEXIS 730.

§ 45025. Part-time employees

Any person employed by a district in a position requiring certification qualifications who serves less than the minimum schoolday as defined in Sections 46112 to 46116, inclusive, or 46141 may specifically contract to serve as a part-time employee. In fixing the compensation of part-time employees, governing boards shall provide an amount which bears the same ratio to the amount provided full-time employees as the time actually served by such part-time employees bears to the time actually served by full-time employees of the same grade or assignment. This section shall not apply to any person classified as a temporary employee under Sections 44919 and 44888, or any person employed as a part-time employee above and beyond his employment as a full-time employee in the same school district.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977.

Editor’s Notes—Ed C § 46116, referred to in this section, was repealed in 1987. Ed C § 44888, referred to in this section, was reserved.

Notes of Decisions

Temporary community college teachers hired pursuant to the provisions of former Ed C § 13337.5 (see now Ed C § 44929.25), providing for the temporary classification of teachers of community college or adult classes who teach not more than 60 percent of full time, were not entitled to the benefits of former Ed C § 13503.1, providing for compensation for part-time work proportionate to the amounts paid full-time employees. Former Ed C § 13503.1, contains an express exclusion of “any person classified as a temporary employee under former Ed C §§ 13337 and 13337.5 (see now Ed C §§ 44919 and 44929.25)” *Peralta Federation of Teachers, etc. v. Peralta Federation of Teachers, etc. v. Peralta Community College Dist.* (1979) 24 Cal 3d 369, 155 Cal Rptr 679, 595 P2d 113, 1979 Cal LEXIS 263, cert. denied (1979) 444 US 966, 62 L Ed 2d 379, 100 S Ct 455, 1979 US LEXIS 3844.

The phrase “time actually served” as used in former Ed C § 13503.1, which provides that in fixing the compensation of persons employed by a school district as part-time employees the governing board shall provide an amount which bears the same ratio to the amount provided full-time employees as the time actually served by such part-time employee bears to the time actually served by full-time employees, means the time actually spent on the job both inside and outside the classroom, and requires consideration of the total amount of time spent by part- and full-time teachers in connection with their teaching. However, the phrase did not mean that the required number of hours for full-time instructors set by the district could be used as the measure, as that was the very measure that was deleted from the statute when it was amended to include the “time actually served” language. *California Teachers Assn. v. San Diego Community College Dist.* (1981) 28 Cal 3d 692, 170 Cal Rptr 817, 621 P2d 856, 1981 Cal LEXIS 110.

Part-time teachers hired by a community college district prior to November 8, 1967 (the date former Ed C § 13337.5, see now Ed C § 44929.25, which authorized temporary status for part-timers, became effective), and classified by the district as temporary employees, were entitled to reclassification as part-time regular employees pursuant to former Ed C § 13346.25, and to receive additional prorated back pay, pursuant to former Ed C § 13503.1, insofar as their causes of action were not barred by the applicable three-year statute of limitations, or by failure to present a claim if required by any applicable district regulation in effect at the time of accrual of the causes of action, such additional back pay to be apportioned according to the time actually spent on the job both inside and outside of the classroom. *California Teachers Assn. v. Los Angeles Community College Dist.* (1981, Cal App 2d Dist) 123 Cal App 3d 947, 177 Cal Rptr 168, 1981 Cal App LEXIS 2176.

Ed C § 45025, which is a recodification of former Ed C § 13503.1, and provides that part-time employees are to be paid in the same ratio as full-time employees, applies only to instructors in grades one through eight and high school. This conclusion is compelled by the language of § 45025, if not by its singular placement, i.e., as part of title 2, division 3, of the Education Code, which applies to elementary and secondary education. Although former § 13503.1 used terms which applied to employees of both community college districts and elementary and high school districts, and referred to sections which embraced community college instructors, § 45025, while reenacting the equal pay provisions, changed these references to limit its application to elementary and high school instructors. Furthermore, Ed C § 3, which states: “[t]he provisions of this Code, insofar as they are substantially the same as existing statutory provisions relating to the same subject matter, shall be construed as restatements and continuations, not as new enactments,” does not change this result, since § 45025 is not “substantially the same” as former Ed C § 13503.1 on the crucial point of its applicability to community college instructors. *Ferris v. Los Rios Community College Dist.* (1983, Cal App 3d Dist) 146 Cal App 3d 1, 194 Cal Rptr 16, 1983 Cal App LEXIS 2045.

§ 45028. Teachers; Technical assistance and planning grant funding

(a)(1) Effective July 1, 1970, each person employed by a school district in a position requiring certification qualifications, except a person employed in a position requiring administrative or supervisory credentials, shall be classified on the salary schedule on the basis of uniform allowance for years of training and years of experience, except if a public school employer and the exclusive representative negotiate and mutually agree to a salary schedule based on criteria other than a uniform allowance for years of training and years of experience pursuant to Chapter 10.7 (commencing with Section 3540) of the Government Code. Employees shall not be placed in different classifications on the schedule, nor paid different salaries, solely on the basis of the respective grade levels in which such employees serve.

(2) In no case shall the governing board of a school district draw orders for the salary of any teacher in violation of this section, nor shall any superintendent draw any requisition for the salary of any teacher in violation thereof.

(3) This section shall not apply to teachers of special day and evening classes in elementary schools, teachers of special classes for elementary pupils, teachers of special day and evening high school classes and substitute teachers.

(b)(1) It is not a violation of the uniformity requirement of this section for a school district, with the agreement of the exclusive representative of certificated employees, if any, to grant any employee hired after a locally specified date differential credit for prior years of experience or prior units of credit for purposes of initial placement on the salary schedule of the district.

(2) This subdivision is declaratory of existing law.

(c) A public school employer and the exclusive representative of credentialed teachers may jointly apply to the Superintendent for technical assistance and planning grant funding to facilitate the planning of a salary schedule for teachers based on criteria in addition to years of training and years of experience, as described in subdivision (a). The Superintendent may make planning grants from funds appropriated for this purpose in the annual Budget Act or other legislation.

(d) To be eligible for grant funding pursuant to subdivision (c), the public school employer and the exclusive representative of credentialed teachers should consider a salary schedule designed to compensate teachers for the additional responsibilities, time, and effort required to serve in challenging school settings, and reward teachers for professional growth tied to their particular assignments.

(e) Public school employers and exclusive representatives of credentialed teachers are encouraged to recognize teacher contributions to improving pupil achievement, provide incentives to teachers to accept teaching assignments in areas of highest need, and recognize relevant professional experience on the salary schedule in lieu of units and degrees or in lieu of teaching experience.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 1988 ch 1461 § 19.7; Stats 1996 ch 959 § 1 (SB 98); Stats 2006 ch 517 § 29 (SB 1209), effective January 1, 2007.

Amendments

1988 Amendment: (1) Designated the former section to be subd (a); (2) added the comma after “qualifications” in the first sentence of the first paragraph of subd (a); and (3) added subd (b).

1996 Amendment: Amended subd (a) by adding (1) “school” after “employed by a”; and (2) “, except if a public school employer and the exclusive representative negotiate and mutually agree to a salary schedule based on criteria other than a uniform allowance for years of training and years of experience pursuant to Chapter 10.7 (commencing with Section 3540) of the Government Code”.

2006 Amendment: (1) Added subd designations (a)(1)-(a)(3) in subd (a); (2) added subd designations (b)(1) and (b)(3) in subd (b); and (3) added subds (c)-(e).

Notes of Decisions

The contract of a teacher is contained in the statutes, the rules and regulations of the board, and it cannot be contended that the board can fix the status of a teacher by its rules and regulations, and by resolution, and then by a letter from an employee improperly interpreting the resolutions, claim that the status is different from that fixed by the rules and regulations and by the resolution. *Fry v. Board of Education* (1941) 17 Cal 2d 753, 112 P2d 229, 1941 Cal LEXIS 310.

Uniformity is required by the statute, but the uniformity which the law contemplates is not violated by a “reasonable” classification. *Rible v. Hughes* (1944) 24 Cal 2d 437, 150 P2d 455, 1944 Cal LEXIS 247, 154 ALR 137.

A board of education may not decide that its previous teacher experience ratings had departed from the rule of uniformity and reduce them, notwithstanding the contracts resulting from the original ratings had become executed, where its action in so doing results in attempting retroactively to make new contracts. *Aebli v. Board of Education* (1944, Cal App) 62 Cal App 2d 706, 145 P2d 601, 1944 Cal App LEXIS 869.

Classification of teachers for salary purposes based on training is not arbitrary, discriminatory, or unreasonable, may form basis for differences in salary payments to permanent teachers performing same duties, does not violate uniformity required in schedule making allowances for years of training and service, and may be used in composing acceptable salary schedule. *San Diego Federation of Teachers v. Board of Education* (1963, Cal App 4th Dist) 216 Cal App 2d 758, 31 Cal Rptr 146, 1963 Cal App LEXIS 2078.

It is within the province of the governing board of a school district to determine the extent to which salary credit is to be given for teaching experience outside the district and a court is not free to interfere with such determination if the policy is reasonable in nature and is applied fairly and without discrimination. *Lawe v. El Monte School Dist.* (1968, Cal App 2d Dist) 267 Cal App 2d 20, 72 Cal Rptr 554, 1968 Cal App LEXIS 1355, superseded by statute as stated in *California Teachers’ Assn. v. Livingston Union School Dist.* (1990, Cal App 5th Dist) 219 Cal App 3d 1503, 269 Cal Rptr 160, 1990 Cal App LEXIS 428.

In fixing compensation of teachers, a school board is empowered to adopt a salary schedule provided it is not arbitrary, discriminatory, or unreasonable, and provided further than any allowance for years of training and experience is uniform and based on reasonable classifications. *Shoban v. Board of Trustees* (1969, Cal App 4th Dist) 276 Cal App 2d 534, 81 Cal Rptr 112, 1969 Cal App LEXIS 1837.

There was a rational basis for classifying intermediate teachers differently than primary or secondary teachers, and the salary schedule thus violated neither the provisions prohibiting salary differences solely on the basis of respective grade levels, nor the principle of uniformity of treatment limiting a school’s discretionary control over the salary of teachers. *Lompoc Federation of Teachers v. Lompoc Unified Sch. Dist.* (1976, Cal App 2d Dist) 58 Cal App 3d 701, 130 Cal Rptr 70, 1976 Cal App LEXIS 1579, overruled *Palos Verdes Faculty Assn. v. The prohibition against salary discrimination cannot be circumvented by the establishment of artificially low normal assignments for preferred grade levels, with extra compensation for additional service. *Lompoc Federation of Teachers v. Lompoc Unified Sch. Dist.* (1976, Cal App 2d Dist) 58 Cal App 3d 701, 130 Cal Rptr 70, 1976 Cal App LEXIS 1579, overruled *Palos Verdes Faculty Assn. v. One of the Legislature’s aims in enacting Ed. Code, § 45028, formerly § 13506, providing that each teacher shall be classified on the salary schedule on the basis of uniform allowance for years of training and experience and that teachers shall not be placed in different salary classifications solely on the basis of the grade levels which they taught, was to break away from the past reliance on judicial assessments of reasonableness in the salary classification of teachers and establish a more certain standard of its own. Thus the new statute has the twofold

purpose of requiring that teachers be classified for salary purposes and that such classification proceed wholly on a uniform basis of years of training and experience. One effect of this action is to eliminate the possibility of instances in which a district, while granting a given maximum of credit for outside teaching experience, makes such credit available on a less than uniform basis to all teachers. Also, it was not the sole legislative purpose in amending the statute to remove the previous practice of classifying teachers for salary purposes according to grade level taught. (Disapproving, to the extent they are inconsistent herewith, *Lompoc Federation of Teachers v. Lompoc Unified Sch. Dist.* (1976) 58 Cal App 3d 701, 130 Cal Rptr 70, 1976 Cal App LEXIS 1579 and *California Sch. Employees Assn. v. Coachella Valley Unified Sch. Dist.* (1977) 65 Cal App 3d 913, 135 Cal Rptr 630, 1977 Cal App LEXIS 1100.) *Palos Verdes Faculty Assn. v. Palos Verdes Peninsula Unified School Dist.* (1978) 21 Cal 3d 650, 147 Cal Rptr 359, 580 P2d 1155, 1978 Cal LEXIS 254.

Ed. Code, § 45028, formerly § 13506, providing that each teacher shall be classified on the salary schedule on the basis of uniform allowance for years of training and years of experience, would not forbid a rule providing for credit for outside teaching experience up to five years, although such a rule may have the effect of depriving a teacher with six years of outside experience of a year of credit. Such a rule would constitute a uniform allowance for years of experience within the meaning of the statute, since under it teachers would receive credit for prior experience up to the stated maximum. Similarly, the statute would not preclude a school district from making reasonable determinations as to the level and quality of training or experience which is necessary to qualify for a particular level of credit within its boundaries. *Palos Verdes Faculty Assn. v. Palos Verdes Peninsula Unified School Dist.* (1978) 21 Cal 3d 650, 147 Cal Rptr 359, 580 P2d 1155, 1978 Cal LEXIS 254.

Under Ed. Code, § 45028 (former § 13506), providing that each teacher shall be classified on the salary schedule on the basis of a uniform allowance for years of training and years of experience, a school district is free to define "experience" for purposes of its salary schedule provided that what is so defined applies uniformly to all teachers employed by the district. Accordingly, a provision in a collective bargaining agreement providing that a teacher shall be advanced to the next step on the salary schedule provided he or she has received a satisfactory performance rating, and defining a year of experience within the district's employment as one for which the teacher has received a satisfactory evaluation, applicable to all teachers alike, did not violate Ed. Code, § 45028. Thus, teachers who challenged the incentive provision after being denied an advancement on the basis of unsatisfactory performance were not entitled to relief, where, on the record and in terms of the issue posed by the petition, it must be accepted as true that the teachers' unsatisfactory ratings were justified on the basis of their own behavior, and where there was nothing in the record to demonstrate that there was or was not a probability of abuse inherent in the subjective evaluation process. *Mayer v. Board of Trustees* (1980, Cal App 4th Dist) 106 Cal App 3d 476, 165 Cal Rptr 655, 1980 Cal App LEXIS 1893.

A school district rule governing salary advancement of certificated teachers violated Ed. Code, § 45028, which provides, in pertinent part, that "... each person employed by a district in a position requiring certification qualifications ... shall be classified on the salary schedule on the basis of uniform allowance for years of training and years of experience," where the salary rule limited a teacher who advanced on the salary schedule from one column to the next, upon attainment of a higher educational level, to a one-step increase for experience, even though the teacher had additional years of experience and the new column had steps for those additional years of experience. The rule precluded teachers from receiving credit for experience solely due to their seniority within the system. *California Teachers Assn. v. Board of Education* (1982, Cal App 2d Dist) 129 Cal App 3d 826, 181 Cal Rptr 432, 1982 Cal App LEXIS 1374.

A school district's professional growth program, which required that certified personnel receiving salary step advancement for experience complete a specified number of professional growth units for each four years, violated Ed. Code, § 45028. On its face, the policy denied credit for years of experience as a teacher based on the teacher's failure to obtain professional growth units that had little or nothing to do with the teacher's experience in performing teaching duties; and, because it did not treat years of training and years of experience uniformly, the policy did not qualify as a legitimate pay incentive program. The policy was unlawful as applied because it permanently deprived teachers in a deficient status under the professional growth policy credit for years of experience. *Wygant v. Victor Valley Joint Union High School Dist.* (1985, Cal App 4th Dist) 168 Cal App 3d 319, 214 Cal Rptr 205, 1985 Cal App LEXIS 2097.

For the purposes of Ed. Code, § 45028, which requires that certified teachers be "classified on the salary schedule on the basis of uniform allowance for years of training and years of experience," "experience," given its normal and ordinary import and construed in context, means the performance of a teacher's duties, which normally include lesson preparation, classroom instruction, grading, parental counseling, and supervision of extracurricular

activities of students. *Wygant v. Victor Valley Joint Union High School Dist.* (1985, Cal App 4th Dist) 168 Cal App 3d 319, 214 Cal Rptr 205, 1985 Cal App LEXIS 2097.

In a mandamus proceeding challenging a school district's salary placement policy for teachers that was in effect during a collective bargaining agreement, the trial court erred in holding that Gov. Code, § 3543.2, subd. (d) (requirement of collective bargaining regarding payment of additional compensation of teachers based upon criteria other than years of training and years of experience), superseded Ed. Code, § 45028 (teacher shall be classified on salary schedule on basis of uniform allowance for years of training and experience). The policy, which provided that a teacher could advance to the next column in the schedule upon acquiring additional educational credits and attaining specified step levels in the preceding column, satisfied neither the "additional compensation" nor the "other criteria" prong of § 3543.2, subd. (d), and thus was governed by § 45028. *San Francisco Classroom Teachers Assn. v. San Francisco Unified School Dist.* (1987, Cal App 1st Dist) 196 Cal App 3d 627, 242 Cal Rptr 352, 1987 Cal App LEXIS 2358.

A school district's placement policy of advancing certified teachers to the next column of its salary schedule based on the teacher's acquisition of additional educational credits and the reaching of designated steps of a prior column violated Ed. Code, § 45028 (certified teachers must be classified on salary schedule on the basis of uniform allowance for years of training and experience). Under the policy, a teacher's failure to take the additional credits by the time the teacher reached a certain level of seniority within the system resulted in a denial of credit for experience to which the teacher otherwise would have been entitled, and it was not logical to define "experience" under the statute in terms of experience in a certain column of a salary schedule, since a teacher's duties did not vary in accordance with placement on the schedule. *San Francisco Classroom Teachers Assn. v. San Francisco Unified School Dist.* (1987, Cal App 1st Dist) 196 Cal App 3d 627, 242 Cal Rptr 352, 1987 Cal App LEXIS 2358.

In a proceeding by state and local teachers' associations for a writ of mandate against a school district governing board and the district superintendent, alleging that the district teachers were not being paid on a uniform basis for their years of training and experience as required by Ed. Code, § 45028, the trial court erred in denying the petition on the ground that the school district could "grandfather" certain teachers by using a classification system under which certain teachers were paid differently from others because they were hired and their salaries fixed before the statute was enacted. Ed. Code, § 45028, applies to all certificated teachers employed within a school district, and exceptions cannot be made for employees hired before its effective date. *California Teachers Assn. v. Governing Bd.* (1991, Cal App 2d Dist) 229 Cal App 3d 695, 280 Cal Rptr 286, 1991 Cal App LEXIS 379, review denied (1991, Cal) 1991 Cal LEXIS 3250.

A school district salary structure that punishes teachers who do not take advanced course work by denying them advancement for their additional years of teaching experience violates Ed. Code, § 45028, which requires formulation of a salary schedule based on a uniform allowance for years of training and experience. The appropriate method for a school district to encourage its teachers to take advanced course work is to create a special salary category as an extra reward for those teachers who do undertake advanced training, rather than having a policy of denying advancement to teachers that do not do any additional work. *California Teachers Assn. v. Governing Bd.* (1991, Cal App 2d Dist) 229 Cal App 3d 695, 280 Cal Rptr 286, 1991 Cal App LEXIS 379, review denied (1991, Cal) 1991 Cal LEXIS 3250.

A school district policy that precludes teachers from advancing more than a single classification on the salary scale in any one year, regardless of the amount of additional training they obtain, violates Ed. Code, § 45028, which requires formulation of a salary schedule based on a uniform allowance for years of training and experience. Although a school district is entitled to make reasonable determinations as to the level and quality of the training and experience necessary for advancement to a higher classification, it may not discriminate against teachers who have met the criteria for advancement by denying them full credit for their work. *California Teachers Assn. v. Governing Bd.* (1991, Cal App 2d Dist) 229 Cal App 3d 695, 280 Cal Rptr 286, 1991 Cal App LEXIS 379, review denied (1991, Cal) 1991 Cal LEXIS 3250.

Although Ed. Code, § 45028, which requires a school district to formulate a salary schedule based on a uniform allowance for years of training and experience for teachers, is qualified by Gov. Code, § 3543.2, subd. (d), which permits a public school employer and the exclusive representative of employees to negotiate regarding additional compensation based upon criteria other than years of training and experience, the Government Code section cannot be applied to permit a deviation from the uniformity requirements of Ed. Code, § 45028, on the ground that the deviations were agreed to in collective bargaining. The Education Code does not permit contractual waivers of benefits guaranteed by Ed. Code, § 45028 (Ed. Code, § 44924), and the chapter of the Government Code that contains Gov. Code, § 3543.2, and establishes a system of collective bargaining for school district employees, provides that it shall not supersede other provisions of the Education Code (Gov. Code, § 3540). Thus, Ed. Code,

§ 45028, prevails over the collective bargaining provisions in the Government Code, and may not be waived. *California Teachers Assn. v. Governing Bd.* (1991, Cal App 2d Dist) 229 Cal App 3d 695, 280 Cal Rptr 286, 1991 Cal App LEXIS 379, review denied (1991, Cal) 1991 Cal LEXIS 3250.

A one-time payment to teachers did not violate the uniform pay provisions of Ed C § 45028 or the legislative purposes underlying it where at least one criterion upon which the payment was based was neither years of training nor years of experience. Thus, the conditions imposed on an additional one-time payment of three percent of base salary satisfied the requirement for “criteria other than years of training and years of experience,” within the meaning of Gov C § 3543.2(d), where the disparity in pay between teachers of equal training and experience was based upon whether or not they returned to work for the 1998-1999 school year or retired after the 1997-1998 school year. Since the conditions imposed upon the one-time payment satisfied the “other criteria” prong of § 3543.2(d), § 45028 was not violated. *California Teachers Assn. v. Governing Bd. of Hilmar Unified School Dist.* (2002, Cal App 5th Dist) 95 Cal App 4th 183, 115 Cal Rptr 2d 323, 2002 Cal App LEXIS 181.

School district’s implementation of a compressed salary schedule in a collective bargaining agreement violated the uniformity requirement of Ed C § 45028 because the implementation resulted in less experienced teachers moving up the salary ladder at a rate of one step per year, while more experienced teachers were regressed to step levels below their number of years of experience; new system did not fall within the “other criteria” exception of Gov C § 3543.2 because the system was governed solely by length of experience and level of training, and the goal of encouraging teacher recruitment and retention was not a “criterion.” *Adair v. Stockton Unified School Dist.* (2008, 3d Dist) 162 Cal App 4th 1436, 2008 Cal App LEXIS 747.

Trial court properly severed from the valid part of a collective agreement a provision that violated a statutory uniformity requirement, in that it resulted in a slower climb up the salary ladder for teachers with more than 17 years of experience than for their less-experienced counterparts; Ed C § 44924 renders void any portion of a collective bargaining agreement purporting to waive the benefits of the uniformity provisions of Ed C § 45028. *Adair v. Stockton Unified School Dist.* (2008, 3d Dist) 162 Cal App 4th 1436, 2008 Cal App LEXIS 747.

Teacher who claimed that she was a permanent employee because she provided teaching services during the entire school year, and that she therefore was unlawfully deprived of backpay, could not rely on this provision for relief because it does not apply to substitute teachers. *Edwards v. Lake Elsinore Unified Sch. Dist.* (2014, 4th Dist) 230 Cal App 4th 1532, 179 Cal Rptr 3d 626, 2014 Cal App LEXIS 994.

§ 45134. Age limits; Employment of persons receiving retirement allowance

(a) Notwithstanding any other provisions of law, no minimum or maximum age limits shall be established for the employment or continuance in employment of persons as part of the classified service.

(b) Any person possessing all of the minimum qualifications for any employment shall be eligible for appointment to that employment, and no rule or policy, either written or unwritten, heretofore or hereafter adopted, shall prohibit the employment or continued employment, solely because of the age of any person in any school employment who is otherwise qualified.

(c) No person shall be employed in school employment while he or she is receiving a retirement allowance under any retirement system by reason of prior school employment, except that a person may be hired:

(1) Pursuant to Article 8 (commencing with Section 21220) of Chapter 12 of Part 3 of Division 5 of Title 2 of the Government Code.

(2) As an aide in one of the following circumstances:

(A) An aide is needed in a class with a high pupil–teacher ratio.

(B) An aide is needed to provide one–on–one instruction in remedial classes or for underprivileged students.

A person working as an aide pursuant to this subdivision shall not receive service credits for purposes of the State Teachers’ Retirement System.

(d) The provisions of subdivision (c) shall be inapplicable to persons who were employed in the classified service of any school district as of September 18, 1959, and who are still in the employ of the same district on the effective date of this subdivision, and the rights of those persons shall be fixed and determined as of September 18, 1959, and no such person shall be deprived of any right to any retirement allowance or eligibility for any such allowance to which he or she would have been entitled as of that date. Any such person who, by reason of any provision of law to the contrary, has been deprived of any

right to retirement allowance or eligibility for such an allowance, shall, upon the filing of application therefore, be reinstated to such rights as he or she would have had had this subdivision been in effect on September 18, 1959.

(e) This section shall apply to districts that have adopted the merit system in the same manner and effect as if it were a part of Article 6 (commencing with Section 45240) of this chapter.

Enacted by Stats 1976 ch 1010 § 2, operative April 30, 1977. Amended by Stats 1983 ch 666 § 3; Stats 1986 ch 371 § 1; Stats 1990 ch 903 § 2 (AB 4048); Stats 2005 ch 351 § 40 (AB 224), effective January 1, 2006.

Amendments

1983 Amendment: Substituted (1) subd (c) for former subd (c) which read: “(c) This section does not authorize the employment of any person in particular school employment who has reached the retirement age for that particular employment prescribed by any retirement system applicable thereto, whether or not the person is a member of the retirement system, or entitled to a retirement salary thereunder, nor shall any person be employed in such employment while he is receiving a retirement allowance under any retirement system by reason of prior school employment.”; and (2) subd (e) for former subd (e) which read: “(e) This section shall apply to districts that have adopted the merit system in the same manner and effect as if it were a part of Article 6 (commencing with Section 45240) of this chapter, except that in a school district or districts, governed by the same governing board, in which the combined average daily attendance of all districts is in excess of 400,000, the permanent classification of any employee who is classified as a permanent employee under the provisions of Article 6 (commencing with Section 45240) of this chapter shall cease at the close of the fiscal year in which the employee reaches the age of 65 years. In such district or districts the employment, or continued employment of any employee beyond the close of the fiscal year in which he reaches the age of 65 years shall be at the discretion of the governing board of the district, which may, at its pleasure, terminate the services of such employee at any time. Employment beyond age 65 in such districts shall be in accordance with rules and regulations governing such employment approved by the personnel commission, and adopted by the governing board of the district.”

1986 Amendment: Amended subd (c) by adding (1) “or she” after “employment while he” in the introductory clause; (2) “, except that a person may be hired as an aide in one of the following circumstances:”(1) An aide is needed in a class with a high pupil–teacher ratio.”(2) An aide is need to provide one–on–one instruction in remedial classes or for underprivileged students.”; and (3) the second paragraph.

1990 Amendment: In addition to making technical changes, (1) substituted “as” for “a” after “persons” in subd (a); (2) deleted “as an aide in one of the following circumstances” at the end of the introductory clause in subd (c); (3) added subd (c)(1); (4) added the introductory clause in subd (c)(2); and (5) redesignated former subds (c)(1) and (c)(2) to be subds (c)(2)(A) and (c)(2)(B).

2005 Amendment: (1) Deleted “such” before “person” in subd (b); (2) deleted “therefore” after “qualified” in subd (b); (3) substituted “Article 8 (commencing with Section 21220) of Chapter 12” for “Article 5 (commencing with Section 21150) of Chapter 8” in subd (c)(1); and (4) substituted “therefore,” for “herefor,” in the last sentence of subd (d).

§ 47605. **Petition to establish charter school; Public hearing; Grounds for grant or denial; Requirements for school; Oversight; Teacher qualifications; Audit report; Relocation**

(a) (1) Except as set forth in paragraph (2), a petition for the establishment of a charter school within a school district may be circulated by one or more persons seeking to establish the charter school. A petition for the establishment of a charter school shall identify a single charter school that will operate within the geographic boundaries of that school district. A charter school may propose to operate at multiple sites within the school district if each location is identified in the charter school petition. The petition may be submitted to the governing board of the school district for review after either of the following conditions is met:

(A) The petition is signed by a number of parents or legal guardians of pupils that is equivalent to at least one-half of the number of pupils that the charter school estimates will enroll in the charter school for its first year of operation.

(B) The petition is signed by a number of teachers that is equivalent to at least one-half of the number of teachers that the charter school estimates will be employed at the charter school during its first year of operation.

(2) A petition that proposes to convert an existing public school to a charter school that would not be eligible for a loan pursuant to subdivision (c) of Section 41365 may be circulated by one or more persons seeking to establish the charter school. The petition may be submitted to the governing board of the school district for review after the petition is signed by not less than 50 percent of the permanent status teachers currently employed at the public school to be converted.

(3) A petition shall include a prominent statement that a signature on the petition means that the parent or legal guardian is meaningfully interested in having their child or ward attend the charter school, or in the case of a teacher's signature, means that the teacher is meaningfully interested in teaching at the charter school. The proposed charter shall be attached to the petition.

(4) After receiving approval of its petition, a charter school that proposes to expand operations to one or more additional sites or grade levels shall request a material revision to its charter and shall notify the chartering authority of those additional locations or grade levels. The chartering authority shall consider whether to approve those additional locations or grade levels at an open, public meeting. If the additional locations or grade levels are approved pursuant to the standards and criteria described in subdivision (c), they shall be a material revision to the charter school's charter.

(5) (A) A charter school that established one site outside the boundaries of the school district, but within the county in which that school district is located before January 1, 2020, may continue to operate that site until the charter school submits a request for the renewal of its charter petition. To continue operating the site, the charter school shall do either of the following:

(i) First, before submitting the request for the renewal of the charter petition, obtain approval in writing from the school district where the site is operating.

(ii) Submit a request for the renewal of the charter petition pursuant to Section 47607 to the school district in which the charter school is located.

(B) If a Presidential declaration of a major disaster or emergency is issued in accordance with the federal Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. Sec. 5121 et seq.) for an area in which a charter schoolsite is located and operating, the charter school, for not more than five years, may relocate that site outside the area subject to the Presidential declaration if the charter school first obtains the written approval of the school district where the site is being relocated to.

(C) Notwithstanding subparagraph (A), if a charter school was relocated from December 31, 2016, to December 31, 2019, inclusive, due to a Presidential declaration of a major disaster or emergency in accordance with the federal Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. Sec. 5121 et seq.), that charter school shall be allowed to return to its original campus location in perpetuity.

(D) (i) A charter school in operation and providing educational services to pupils before October 1, 2019, located on a federally recognized California Indian reservation or rancheria or operated by a federally recognized California Indian tribe shall be exempt from the geographic restrictions of paragraph (1) and subparagraph (A) of this paragraph and the geographic restrictions of subdivision (a) of Section 47605.1.

(ii) The exemption to the geographic restrictions of subdivision (a) of 47605.1 in clause (i) does not apply to nonclassroom-based charter schools operating pursuant to Section 47612.5.

(E) The department shall regard as a continuing charter school for all purposes a charter school that was granted approval of its petition, that was providing educational services to pupils before October 1, 2019, and is authorized by a different chartering authority due to changes to this paragraph that took effect January 1, 2020. This paragraph shall be implemented only to the extent it does not conflict with federal law. In order to prevent any potential conflict with federal law, this paragraph does not apply to

covered programs as identified in Section 8101(11) of the federal Elementary and Secondary Education Act of 1965 (20 U.S.C. Sec. 7801) to the extent the affected charter school is the restructured portion of a divided charter school pursuant to Section 47654.

(6) Commencing January 1, 2003, a petition to establish a charter school shall not be approved to serve pupils in a grade level that is not served by the school district of the governing board considering the petition, unless the petition proposes to serve pupils in all of the grade levels served by that school district.

(b) No later than 60 days after receiving a petition, in accordance with subdivision (a), the governing board of the school district shall hold a public hearing on the provisions of the charter, at which time the governing board of the school district shall consider the level of support for the petition by teachers employed by the school district, other employees of the school district, and parents. Following review of the petition and the public hearing, the governing board of the school district shall either grant or deny the charter within 90 days of receipt of the petition, provided, however, that the date may be extended by an additional 30 days if both parties agree to the extension. A petition is deemed received by the governing board of the school district for purposes of commencing the timelines described in this subdivision on the day the petitioner submits a petition to the district office, along with a signed certification that the petitioner deems the petition to be complete. The governing board of the school district shall publish all staff recommendations, including the recommended findings and, if applicable, the certification from the county superintendent of schools prepared pursuant to paragraph (8) of subdivision (c), regarding the petition at least 15 days before the public hearing at which the governing board of the school district will either grant or deny the charter. At the public hearing at which the governing board of the school district will either grant or deny the charter, petitioners shall have equivalent time and procedures to present evidence and testimony to respond to the staff recommendations and findings.

(c) In reviewing petitions for the establishment of charter schools pursuant to this section, the chartering authority shall be guided by the intent of the Legislature that charter schools are and should become an integral part of the California educational system and that the establishment of charter schools should be encouraged. The governing board of the school district shall grant a charter for the operation of a school under this part if it is satisfied that granting the charter is consistent with sound educational practice and with the interests of the community in which the school is proposing to locate. The governing board of the school district shall consider the academic needs of the pupils the school proposes to serve. The governing board of the school district shall not deny a petition for the establishment of a charter school unless it makes written factual findings, specific to the particular petition, setting forth specific facts to support one or more of the following findings:

(1) The charter school presents an unsound educational program for the pupils to be enrolled in the charter school.

(2) The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.

(3) The petition does not contain the number of signatures required by subdivision (a).

(4) The petition does not contain an affirmation of each of the conditions described in subdivision (e).

(5) The petition does not contain reasonably comprehensive descriptions of all of the following:

(A) (i) The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an “educated person” in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners.

(ii) The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals.

(iii) If the proposed charter school will serve high school pupils, the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A to G" admissions criteria may be considered to meet college entrance requirements.

(B) The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the charter school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the charter school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all pupil subgroups served by the charter school, as that term is defined in subdivision (a) of Section 52052. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served by the charter school.

(C) The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card.

(D) The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement.

(E) The qualifications to be met by individuals to be employed by the charter school.

(F) The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall require all of the following:

(i) That each employee of the charter school furnish the charter school with a criminal record summary as described in Section 44237.

(ii) The development of a school safety plan, which shall include the safety topics listed in subparagraphs (A) to (J), inclusive, of paragraph (2) of subdivision (a) of Section 32282.

(iii) That the school safety plan be reviewed and updated by March 1 of every year by the charter school.

(G) The means by which the charter school will achieve a balance of racial and ethnic pupils, special education pupils, and English learner pupils, including redesignated fluent English proficient pupils, as defined by the evaluation rubrics in Section 52064.5, that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted. Upon renewal, for a charter school not deemed to be a local educational agency for purposes of special education pursuant to Section 47641, the chartering authority may consider the effect of school placements made by the chartering authority in providing a free and appropriate public education as required by the federal Individuals with Disabilities Education Act (Public Law 101-476), on the balance of pupils with disabilities at the charter school.

(H) Admission policies and procedures, consistent with subdivision (e).

(I) The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority.

(J) The procedures by which pupils can be suspended or expelled from the charter school for disciplinary reasons or otherwise involuntarily removed from the charter school for any reason. These procedures, at a minimum, shall include an explanation of how the charter school will comply with federal and state constitutional procedural and substantive due process requirements that is consistent with all of the following:

(i) For suspensions of fewer than 10 days, provide oral or written notice of the charges against the pupil and, if the pupil denies the charges, an explanation of the evidence that supports the charges and an opportunity for the pupil to present the pupil's side of the story.

(ii) For suspensions of 10 days or more and all other expulsions for disciplinary reasons, both of the following:

(I) Provide timely, written notice of the charges against the pupil and an explanation of the pupil's basic rights.

(II) Provide a hearing adjudicated by a neutral officer within a reasonable number of days at which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil has the right to bring legal counsel or an advocate.

(iii) Contain a clear statement that no pupil shall be involuntarily removed by the charter school for any reason unless the parent or guardian of the pupil has been provided written notice of intent to remove the pupil no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the pupil or the pupil's parent or guardian or, if the pupil is a foster child or youth or a homeless child or youth, the pupil's educational rights holder, and shall inform the pupil, the pupil's parent or guardian, or the pupil's educational rights holder of the right to initiate the procedures specified in clause (ii) before the effective date of the action. If the pupil's parent, guardian, or educational rights holder initiates the procedures specified in clause (ii), the pupil shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions specified in clauses (i) and (ii).

(K) The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security.

(L) The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools.

(M) The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school.

(N) The procedures to be followed by the charter school and the chartering authority to resolve disputes relating to provisions of the charter.

(O) The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records.

(6) The petition does not contain a declaration of whether or not the charter school shall be deemed the exclusive public employer of the employees of the charter school for purposes of Chapter 10.7 (commencing with Section 3540) of Division 4 of Title 1 of the Government Code.

(7) The charter school is demonstrably unlikely to serve the interests of the entire community in which the school is proposing to locate. Analysis of this finding shall include consideration of the fiscal impact of the proposed charter school. A written factual finding under this paragraph shall detail specific facts and circumstances that analyze and consider the following factors:

(A) The extent to which the proposed charter school would substantially undermine existing services, academic offerings, or programmatic offerings.

(B) Whether the proposed charter school would duplicate a program currently offered within the school district and the existing program has sufficient capacity for the pupils proposed to be served within reasonable proximity to where the charter school intends to locate.

(8) The school district is not positioned to absorb the fiscal impact of the proposed charter school. A school district satisfies this paragraph if it has a qualified interim certification pursuant to Section 42131 and the county superintendent of schools, in consultation with the County Office Fiscal Crisis and Management Assistance Team, certifies that approving the charter school would result in the school district having a negative interim certification pursuant to Section 42131, has a negative interim certification pursuant to Section 42131, or is under state receivership. Charter schools proposed in a school district satisfying one of these conditions shall be subject to a rebuttable presumption of denial.

(d) (1) Charter schools shall meet all statewide standards and conduct the pupil assessments required pursuant to Section 60605 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in noncharter public schools.

(2) Charter schools shall, on a regular basis, consult with their parents, legal guardians, and teachers regarding the charter school's educational programs.

(e) (1) In addition to any other requirement imposed under this part, a charter school shall be nonsectarian in its programs, admission policies, employment practices, and all other operations, shall not charge tuition, and shall not discriminate against a pupil on the basis of the characteristics listed in Section 220. Except as provided in paragraph (2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of that pupil's parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that public school.

(2) (A) A charter school shall admit all pupils who wish to attend the charter school.

(B) If the number of pupils who wish to attend the charter school exceeds the charter school's capacity, attendance, except for existing pupils of the charter school, shall be determined by a public random drawing. Preference shall be extended to pupils currently attending the charter school and pupils who reside in the school district except as provided for in Section 47614.5. Preferences, including, but not limited to, siblings of pupils admitted or attending the charter school and children of the charter school's teachers, staff, and founders identified in the initial charter, may also be permitted by the chartering authority on an individual charter school basis. Priority order for any preference shall be determined in the charter petition in accordance with all of the following:

(i) Each type of preference shall be approved by the chartering authority at a public hearing.

(ii) Preferences shall be consistent with federal law, the California Constitution, and Section 200.

(iii) Preferences shall not result in limiting enrollment access for pupils with disabilities, academically low-achieving pupils, English learners, neglected or delinquent pupils, homeless pupils, or pupils who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, foster youth, or pupils based on nationality, race, ethnicity, or sexual orientation.

(iv) In accordance with Section 49011, preferences shall not require mandatory parental volunteer hours as a criterion for admission or continued enrollment.

(C) In the event of a drawing, the chartering authority shall make reasonable efforts to accommodate the growth of the charter school and shall not take any action to impede the charter school from expanding enrollment to meet pupil demand.

(3) If a pupil is expelled or leaves the charter school without graduating or completing the school year for any reason, the charter school shall notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including report cards or a transcript of grades, and health information. If the pupil is subsequently expelled or leaves the school district without graduating or completing the school year for any reason, the school district shall provide this information to the charter school within 30 days if the charter school demonstrates that the pupil had been enrolled in the charter school. This paragraph applies only to pupils subject to compulsory full-time education pursuant to Section 48200.

(4) (A) A charter school shall not discourage a pupil from enrolling or seeking to enroll in the charter school for any reason, including, but not limited to, academic performance of the pupil or because the pupil exhibits any of the characteristics described in clause (iii) of subparagraph (B) of paragraph (2).

(B) A charter school shall not request a pupil's records or require a parent, guardian, or pupil to submit the pupil's records to the charter school before enrollment.

(C) A charter school shall not encourage a pupil currently attending the charter school to disenroll from the charter school or transfer to another school for any reason, including, but not limited to, academic performance of the pupil or because the pupil exhibits any of the characteristics described in clause (iii) of subparagraph (B) of paragraph (2). This subparagraph shall not apply to actions taken by a charter school pursuant to the procedures described in subparagraph (J) of paragraph (5) of subdivision (c).

(D) The department shall develop a notice of the requirements of this paragraph. This notice shall be posted on a charter school's internet website. A charter school shall provide a parent or guardian, or a pupil if the pupil is 18 years of age or older, a copy of this notice at all of the following times:

(i) When a parent, guardian, or pupil inquires about enrollment.

(ii) Before conducting an enrollment lottery.

(iii) Before disenrollment of a pupil.

(E) (i) A person who suspects that a charter school has violated this paragraph may file a complaint with the chartering authority.

(ii) The department shall develop a template to be used for filing complaints pursuant to clause (i).

(5) Notwithstanding any other law, a charter school in operation as of July 1, 2019, that operates in partnership with the California National Guard may dismiss a pupil from the charter school for failing to maintain the minimum standards of conduct required by the Military Department.

(f) The governing board of a school district shall not require an employee of the school district to be employed in a charter school.

(g) The governing board of a school district shall not require a pupil enrolled in the school district to attend a charter school.

(h) The governing board of a school district shall require that the petitioner or petitioners provide information regarding the proposed operation and potential effects of the charter school, including, but not limited to, the facilities to be used by the charter school, the manner in which administrative services of the charter school are to be provided, and potential civil liability effects, if any, upon the charter school and upon the school district. The description of the facilities to be used by the charter school shall specify where the charter school intends to locate. The petitioner or petitioners also shall be required to provide financial statements that include a proposed first-year operational budget, including startup costs, and cashflow and financial projections for the first three years of operation. If the school is to be operated by, or as, a nonprofit public benefit corporation, the petitioner shall provide the names and relevant qualifications of all persons whom the petitioner nominates to serve on the governing body of the charter school.

(i) In reviewing petitions for the establishment of charter schools within the school district, the governing board of the school district shall give preference to petitions that demonstrate the capability to provide comprehensive learning experiences to pupils identified by the petitioner or petitioners as academically low achieving pursuant to the standards established by the department under Section 54032, as that section read before July 19, 2006.

(j) Upon the approval of the petition by the governing board of the school district, the petitioner or petitioners shall provide written notice of that approval, including a copy of the petition, to the applicable county superintendent of schools, the department, and the state board.

(k) (1) (A) (i) If the governing board of a school district denies a petition, the petitioner may elect to submit the petition for the establishment of a charter school to the county board of education. The petitioner shall submit the petition to the county board of education within 30 days of a denial by the governing board of the school district. At the same time the petition is submitted to the county board of education, the petitioner shall also provide a copy of the petition to the school district. The county board of education shall review the petition pursuant to subdivisions (b) and (c). If the petition submitted on appeal contains new or different material terms, the county board of education shall immediately remand the petition to the governing board of the school district for reconsideration, which shall grant or deny the petition within 30 days. If the governing board of the school district denies a petition after reconsideration, the petitioner may elect to resubmit the petition for the establishment of a charter school to the county board of education.

(ii) The county board of education shall review the appeal petition pursuant to subdivision (c). If the denial of the petition was made pursuant to paragraph (8) of subdivision (c), the county board of education shall also review the school district's findings pursuant to paragraph (8) of subdivision (c).

(iii) As used in this subdivision, "material terms" of the petition means the signatures, affirmations, disclosures, documents, and descriptions described in subdivisions (a), (b), (c), and (h), but shall not

include minor administrative updates to the petition or related documents due to changes in circumstances based on the passage of time related to fiscal affairs, facilities arrangements, or state law, or to reflect the county board of education as the chartering authority.

(B) If the governing board of a school district denies a petition and the county board of education has jurisdiction over a single school district, the petitioner may elect to submit the petition for the establishment of a charter school to the state board. The state board shall review a petition submitted pursuant to this subparagraph pursuant to subdivision (c). If the denial of a charter petition is reversed by the state board pursuant to this subparagraph, the state board shall designate the governing board of the school district in which the charter school is located as the chartering authority.

(2) If the county board of education denies a petition, the petitioner may appeal that denial to the state board.

(A) The petitioner shall submit the petition to the state board within 30 days of a denial by the county board of education. The petitioner shall include the findings and documentary record from the governing board of the school district and the county board of education and a written submission detailing, with specific citations to the documentary record, how the governing board of the school district or the county board of education, or both, abused their discretion. The governing board of the school district and county board of education shall prepare the documentary record, including transcripts of the public hearing at which the governing board of the school district and county board of education denied the charter, at the request of the petitioner. The documentary record shall be prepared by the governing board of the school district and county board of education no later than 10 business days after the request of the petitioner is made. At the same time the petition and supporting documentation is submitted to the state board, the petitioner shall also provide a copy of the petition and supporting documentation to the school district and the county board of education.

(B) If the appeal contains new or different material terms, as defined in clause (iii) of subparagraph (A) of paragraph (1), the state board shall immediately remand the petition to the governing board of the school district to which the petition was submitted for reconsideration. The governing board of the school district shall grant or deny the petition within 30 days. If the governing board of the school district denies a petition after reconsideration, the petitioner may elect to resubmit the petition to the state board.

(C) Within 30 days of receipt of the appeal submitted to the state board, the governing board of the school district or county board of education may submit a written opposition to the state board detailing, with specific citations to the documentary record, how the governing board of the school district or the county board of education did not abuse its discretion in denying the petition. The governing board of the school district or the county board of education may submit supporting documentation or evidence from the documentary record that was considered by the governing board of the school district or the county board of education.

(D) The state board's Advisory Commission on Charter Schools shall hold a public hearing to review the appeal and documentary record. Based on its review, the Advisory Commission on Charter Schools shall submit a recommendation to the state board whether there is sufficient evidence to hear the appeal or to summarily deny review of the appeal based on the documentary record. If the Advisory Commission on Charter Schools does not submit a recommendation to the state board, the state board shall consider the appeal, and shall either hear the appeal or summarily deny review of the appeal based on the documentary record at a regular public meeting of the state board.

(E) The state board shall either hear the appeal or summarily deny review of the appeal based on the documentary record. If the state board hears the appeal, the state board may affirm the determination of the governing board of the school district or the county board of education, or both of those determinations, or may reverse only upon a determination that there was an abuse of discretion. If the denial of a charter petition is reversed by the state board, the state board shall designate, in consultation with the petitioner, either the governing board of the school district or the county board of education in which the charter school is located as the chartering authority.

(3) A charter school for which a charter is granted by either the county board of education or the state board based on an appeal pursuant to this subdivision shall qualify fully as a charter school for all funding and other purposes of this part.

(4) A charter school that receives approval of its petition from a county board of education or from the state board on appeal shall be subject to the same requirements concerning geographic location to which it would otherwise be subject if it received approval from the chartering authority to which it originally submitted its petition. A charter petition that is submitted to either a county board of education or to the state board shall meet all otherwise applicable petition requirements, including the identification of the proposed site or sites where the charter school will operate.

(5) Upon the approval of the petition by the county board of education, the petition or petitioners shall provide written notice of that approval, including a copy of the petition, to the governing board of the school district in which the charter school is located, the department, and the state board.

(6) If either the county board of education or the state board fails to act on a petition within 180 days of receipt, the decision of the governing board of the school district to deny the petition shall be subject to judicial review.

(l) (1) Teachers in charter schools shall hold the Commission on Teacher Credentialing certificate, permit, or other document required for the teacher's certificated assignment. These documents shall be maintained on file at the charter school and are subject to periodic inspection by the chartering authority. A governing body of a direct-funded charter school may use local assignment options authorized in statute and regulations for the purpose of legally assigning certificated teachers, in accordance with all of the requirements of the applicable statutes or regulations in the same manner as a governing board of a school district. A charter school shall have authority to request an emergency permit or a waiver from the Commission on Teacher Credentialing for individuals in the same manner as a school district.

(2) By July 1, 2020, all teachers in charter schools shall obtain a certificate of clearance and satisfy the requirements for professional fitness pursuant to Sections 44339, 44340, and 44341.

(3) The Commission on Teacher Credentialing shall include in the bulletins it issues pursuant to subdivision (k) of Section 44237 to provide notification to local educational agencies of any adverse actions taken against the holders of any commission documents, notice of any adverse actions taken against teachers employed by charter schools and shall make this bulletin available to all chartering authorities and charter schools in the same manner in which it is made available to local educational agencies.

(m) A charter school shall transmit a copy of its annual, independent financial audit report for the preceding fiscal year, as described in subparagraph (I) of paragraph (5) of subdivision (c), to its chartering authority, the Controller, the county superintendent of schools of the county in which the charter school is sited, unless the county board of education of the county in which the charter school is sited is the chartering authority, and the department by December 15 of each year. This subdivision does not apply if the audit of the charter school is encompassed in the audit of the chartering authority pursuant to Section 41020.

(n) A charter school may encourage parental involvement, but shall notify the parents and guardians of applicant pupils and currently enrolled pupils that parental involvement is not a requirement for acceptance to, or continued enrollment at, the charter school.

(o) The requirements of this section shall not be waived by the state board pursuant to Section 33050 or any other law.

Prior Urgency Law: This section, as amended by Stats 2019 ch 51 § 30 (SB 75), effective July 1, 2019, until January 1, 2020, read:

“(a) (1) Except as set forth in paragraph (2), a petition for the establishment of a charter school within a school district may be circulated by one or more persons seeking to establish the charter school. A petition for the establishment of a charter school shall identify a single charter school that will operate within the geographic boundaries of that school district. A charter school may propose to operate at multiple sites within the school district if each location is identified in the charter school petition. The petition may be submitted to the governing board of the school district for review after either of the following conditions is met:

“(A) The petition is signed by a number of parents or legal guardians of pupils that is equivalent to at least one-half of the number of pupils that the charter school estimates will enroll in the charter school for its first year of operation.

“(B) The petition is signed by a number of teachers that is equivalent to at least one-half of the number of teachers that the charter school estimates will be employed at the charter school during its first year of operation.

“(2) A petition that proposes to convert an existing public school to a charter school that would not be eligible for a loan pursuant to subdivision (c) of Section 41365 may be circulated by one or more persons seeking to establish the charter school. The petition may be submitted to the governing board of the school district for review after the petition is signed by not less than 50 percent of the permanent status teachers currently employed at the public school to be converted.

“(3) A petition shall include a prominent statement that a signature on the petition means that the parent or legal guardian is meaningfully interested in having their child or ward attend the charter school, or in the case of a teacher’s signature, means that the teacher is meaningfully interested in teaching at the charter school. The proposed charter shall be attached to the petition.

“(4) After receiving approval of its petition, a charter school that proposes to establish operations at one or more additional sites shall request a material revision to its charter and shall notify the authority that granted its charter of those additional locations. The authority that granted its charter shall consider whether to approve those additional locations at an open, public meeting. If the additional locations are approved, there shall be a material revision to the charter school’s charter.

“(5) A charter school that is unable to locate within the jurisdiction of the chartering school district may establish one site outside the boundaries of the school district, but within the county in which that school district is located, if the school district within the jurisdiction of which the charter school proposes to operate is notified in advance of the charter petition approval, the county superintendent of schools and the Superintendent are notified of the location of the charter school before it commences operations, and either of the following circumstances exists:

“(A) The school has attempted to locate a single site or facility to house the entire program, but a site or facility is unavailable in the area in which the school chooses to locate.

“(B) The site is needed for temporary use during a construction or expansion project.

“(6) Commencing January 1, 2003, a petition to establish a charter school shall not be approved to serve pupils in a grade level that is not served by the school district of the governing board considering the petition, unless the petition proposes to serve pupils in all of the grade levels served by that school district.

“(b) No later than 30 days after receiving a petition, in accordance with subdivision (a), the governing board of the school district shall hold a public hearing on the provisions of the charter, at which time the governing board of the school district shall consider the level of support for the petition by teachers employed by the school district, other employees of the school district, and parents. Following review of the petition and the public hearing, the governing board of the school district shall either grant or deny the charter within 60 days of receipt of the petition, provided, however, that the date may be extended by an additional 30 days if both parties agree to the extension. In reviewing petitions for the establishment of charter schools pursuant to this section, the chartering authority shall be guided by the intent of the Legislature that charter schools are and should become an integral part of the California educational system and that the establishment of charter schools should be encouraged. The governing

board of the school district shall grant a charter for the operation of a school under this part if it is satisfied that granting the charter is consistent with sound educational practice. The governing board of the school district shall not deny a petition for the establishment of a charter school unless it makes written factual findings, specific to the particular petition, setting forth specific facts to support one or more of the following findings:

“(1) The charter school presents an unsound educational program for the pupils to be enrolled in the charter school.

“(2) The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.

“(3) The petition does not contain the number of signatures required by subdivision (a).

“(4) The petition does not contain an affirmation of each of the conditions described in subdivision (d).

“(5) The petition does not contain reasonably comprehensive descriptions of all of the following:

“(A) (i) The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an “educated person” in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners.

“(ii) The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in paragraphs (2) to (8), inclusive, of subdivision (d) of Section 52060, that apply for the grade levels served by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals.

“(iii) If the proposed charter school will serve high school pupils, the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the “A to G” admissions criteria may be considered to meet college entrance requirements.

“(B) The measurable pupil outcomes identified for use by the charter school. “Pupil outcomes,” for purposes of this part, means the extent to which all pupils of the charter school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the charter school’s educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in paragraphs (2) to (8), inclusive, of subdivision (d) of Section 52060, that apply for the grade levels served by the charter school.

“(C) The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card.

“(D) The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement.

“(E) The qualifications to be met by individuals to be employed by the charter school.

“(F) The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall require all of the following:

“(i) That each employee of the charter school furnish the charter school with a criminal record summary as described in Section 44237.

“(ii) The development of a school safety plan, which shall include the safety topics listed in subparagraphs (A) to (H), inclusive, of paragraph (2) of subdivision (a) of Section 32282 and procedures for conducting tactical responses to criminal incidents.

“(iii) That the school safety plan be reviewed and updated by March 1 of every year by the charter school.

“(G) The means by which the charter school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted.

“(H) Admission policies and procedures, consistent with subdivision (d).

“(I) The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority.

“(J) The procedures by which pupils can be suspended or expelled from the charter school for disciplinary reasons or otherwise involuntarily removed from the charter school for any reason. These procedures, at a

minimum, shall include an explanation of how the charter school will comply with federal and state constitutional procedural and substantive due process requirements that is consistent with all of the following:

“(i) For suspensions of fewer than 10 days, provide oral or written notice of the charges against the pupil and, if the pupil denies the charges, an explanation of the evidence that supports the charges and an opportunity for the pupil to present the pupil’s side of the story.

“(ii) For suspensions of 10 days or more and all other expulsions for disciplinary reasons, both of the following:

“(I) Provide timely, written notice of the charges against the pupil and an explanation of the pupil’s basic rights.

“(II) Provide a hearing adjudicated by a neutral officer within a reasonable number of days at which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil has the right to bring legal counsel or an advocate.

“(iii) Contain a clear statement that no pupil shall be involuntarily removed by the charter school for any reason unless the parent or guardian of the pupil has been provided written notice of intent to remove the pupil no less than five schooldays before the effective date of the action. The written notice shall be in the native language of the pupil or the pupil’s parent or guardian or, if the pupil is a foster child or youth or a homeless child or youth, the pupil’s educational rights holder, and shall inform the pupil, the pupil’s parent or guardian, or the pupil’s educational rights holder of the right to initiate the procedures specified in clause (ii) before the effective date of the action. If the pupil’s parent, guardian, or educational rights holder initiates the procedures specified in clause (ii), the pupil shall remain enrolled and shall not be removed until the charter school issues a final decision. For purposes of this clause, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions specified in clauses (i) and (ii).

“(K) The manner by which staff members of the charter schools will be covered by the State Teachers’ Retirement System, the Public Employees’ Retirement System, or federal social security.

“(L) The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools.

“(M) The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school.

“(N) The procedures to be followed by the charter school and the chartering authority to resolve disputes relating to provisions of the charter.

“(O) The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records.

“(6) The petition does not contain a declaration of whether or not the charter school shall be deemed the exclusive public employer of the employees of the charter school for purposes of Chapter 10.7 (commencing with Section 3540) of Division 4 of Title 1 of the Government Code.

“(c) (1) Charter schools shall meet all statewide standards and conduct the pupil assessments required pursuant to Section 60605 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in noncharter public schools.

“(2) Charter schools shall, on a regular basis, consult with their parents, legal guardians, and teachers regarding the charter school’s educational programs.

“(d) (1) In addition to any other requirement imposed under this part, a charter school shall be nonsectarian in its programs, admission policies, employment practices, and all other operations, shall not charge tuition, and shall not discriminate against a pupil on the basis of the characteristics listed in Section 220. Except as provided in paragraph (2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of the pupil’s parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that public school.

“(2) (A) A charter school shall admit all pupils who wish to attend the charter school.

“(B) If the number of pupils who wish to attend the charter school exceeds the charter school’s capacity, attendance, except for existing pupils of the charter school, shall be determined by a public random drawing. Preference shall be extended to pupils currently attending the charter school and pupils who reside in the school district except as provided for in Section 47614.5. Preferences, including, but not limited to, siblings of pupils admitted or attending the charter school and children of the charter school’s teachers, staff, and founders identified in the initial charter, may also be permitted by the chartering authority on an individual charter school basis. Priority order for any preference shall be determined in the charter petition in accordance with all of the following:

“(i) Each type of preference shall be approved by the chartering authority at a public hearing.

“(ii) Preferences shall be consistent with federal law, the California Constitution, and Section 200.

“(iii) Preferences shall not result in limiting enrollment access for pupils with disabilities, academically low-achieving pupils, English learners, neglected or delinquent pupils, homeless pupils, or pupils who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, foster youth, or pupils based on nationality, race, ethnicity, or sexual orientation.

“(iv) In accordance with Section 49011, preferences shall not require mandatory parental volunteer hours as a criterion for admission or continued enrollment.

“(C) In the event of a drawing, the chartering authority shall make reasonable efforts to accommodate the growth of the charter school and shall not take any action to impede the charter school from expanding enrollment to meet pupil demand.

“(3) If a pupil is expelled or leaves the charter school without graduating or completing the school year for any reason, the charter school shall notify the superintendent of the school district of the pupil’s last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including report cards or a transcript of grades, and health information. If the pupil is subsequently expelled or leaves the school district without graduating or completing the school year for any reason, the school district shall provide this information to the charter school within 30 days if the charter school demonstrates that the pupil had been enrolled in the charter school. This paragraph applies only to pupils subject to compulsory full-time education pursuant to Section 48200.

“(4) (A) A charter school shall not discourage a pupil from enrolling or seeking to enroll in the charter school for any reason, including, but not limited to, academic performance of the pupil or because the pupil exhibits any of the characteristics described in clause (iii) of subparagraph (B) of paragraph (2).

“(B) A charter school shall not request a pupil’s records or require a parent, guardian, or pupil to submit the pupil’s records to the charter school before enrollment.

“(C) A charter school shall not encourage a pupil currently attending the charter school to disenroll from the charter school or transfer to another school for any reason, including, but not limited to, academic performance of the pupil or because the pupil exhibits any of the characteristics described in clause (iii) of subparagraph (B) of paragraph (2). This subparagraph shall not apply to actions taken by a charter school pursuant to the procedures described in subparagraph (J) of paragraph (5) of subdivision (b).

“(D) The department shall develop a notice of the requirements of this paragraph. This notice shall be posted on a charter school’s internet website. A charter school shall provide a parent or guardian, or a pupil if the pupil is 18 years of age or older, a copy of this notice at all of the following times:

“(i) When a parent, guardian, or pupil inquires about enrollment.

“(ii) Before conducting an enrollment lottery.

“(iii) Before disenrollment of a pupil.

“(E) (i) A person who suspects that a charter school has violated this paragraph may file a complaint with the chartering authority.

“(ii) The department shall develop a template to be used for filing complaints pursuant to clause (i).

“(5) Notwithstanding any other law, a charter school in operation as of July 1, 2019, that operates in partnership with the California National Guard may dismiss a pupil from the charter school for failing to maintain the minimum standards of conduct required by the Military Department.

“(e) The governing board of a school district shall not require an employee of the school district to be employed in a charter school.

“(f) The governing board of a school district shall not require a pupil enrolled in the school district to attend a charter school.

“(g) The governing board of a school district shall require that the petitioner or petitioners provide information regarding the proposed operation and potential effects of the charter school, including, but not limited to, the facilities to be used by the charter school, the manner in which administrative services of the charter school are to be provided, and potential civil liability effects, if any, upon the charter school and upon the school district. The description of the facilities to be used by the charter school shall specify where the charter school intends to locate. The petitioner or petitioners also shall be required to provide financial statements that include a proposed first-year operational budget, including startup costs, and cashflow and financial projections for the first three years of operation.

“(h) In reviewing petitions for the establishment of charter schools within the school district, the governing board of the school district shall give preference to petitions that demonstrate the capability to provide comprehensive learning experiences to pupils identified by the petitioner or petitioners as academically low achieving

pursuant to the standards established by the department under Section 54032, as that section read before July 19, 2006.

“(i) Upon the approval of the petition by the governing board of the school district, the petitioner or petitioners shall provide written notice of that approval, including a copy of the petition, to the applicable county superintendent of schools, the department, and the state board.

“(j) (1) If the governing board of a school district denies a petition, the petitioner may elect to submit the petition for the establishment of a charter school to the county board of education. The county board of education shall review the petition pursuant to subdivision (b). If the petitioner elects to submit a petition for establishment of a charter school to the county board of education and the county board of education denies the petition, the petitioner may file a petition for establishment of a charter school with the state board, and the state board may approve the petition, in accordance with subdivision (b). A charter school that receives approval of its petition from a county board of education or from the state board on appeal shall be subject to the same requirements concerning geographic location to which it would otherwise be subject if it received approval from the school district to which it originally submitted its petition. A charter petition that is submitted to either a county board of education or to the state board shall meet all otherwise applicable petition requirements, including the identification of the proposed site or sites where the charter school will operate.

“(2) In assuming its role as a chartering authority, the state board shall develop criteria to be used for the review and approval of charter school petitions presented to the state board. The criteria shall address all elements required for charter approval, as identified in subdivision (b), and shall define “reasonably comprehensive,” as used in paragraph (5) of subdivision (b), in a way that is consistent with the intent of this part. Upon satisfactory completion of the criteria, the state board shall adopt the criteria on or before June 30, 2001.

“(3) A charter school for which a charter is granted by either the county board of education or the state board based on an appeal pursuant to this subdivision shall qualify fully as a charter school for all funding and other purposes of this part.

“(4) If either the county board of education or the state board fails to act on a petition within 120 days of receipt, the decision of the governing board of the school district to deny the petition shall be subject to judicial review.

“(5) The state board shall adopt regulations implementing this subdivision.

“(6) Upon the approval of the petition by the county board of education, the petitioner or petitioners shall provide written notice of that approval, including a copy of the petition, to the department and the state board.

“(k) (1) The state board may, by mutual agreement, designate its supervisory and oversight responsibilities for a charter school approved by the state board to any local educational agency in the county in which the charter school is located or to the governing board of the school district that first denied the petition.

“(2) The designated local educational agency shall have all monitoring and supervising authority of a chartering authority, including, but not limited to, powers and duties set forth in Section 47607, except the power of revocation, which shall remain with the state board.

“(3) A charter school that is granted its charter through an appeal to the state board and elects to seek renewal of its charter shall, before expiration of the charter, submit its petition for renewal to the governing board of the school district that initially denied the charter. If the governing board of the school district denies the charter school’s petition for renewal, the charter school may petition the state board for renewal of its charter.

“(l) Teachers in charter schools shall hold a Commission on Teacher Credentialing certificate, permit, or other document equivalent to that which a teacher in other public schools would be required to hold. These documents shall be maintained on file at the charter school and are subject to periodic inspection by the chartering authority. It is the intent of the Legislature that charter schools be given flexibility with regard to noncore, noncollege preparatory courses.

“(m) A charter school shall transmit a copy of its annual, independent financial audit report for the preceding fiscal year, as described in subparagraph (1) of paragraph (5) of subdivision (b), to its chartering authority, the Controller, the county superintendent of schools of the county in which the charter school is sited, unless the county board of education of the county in which the charter school is sited is the chartering authority, and the department by December 15 of each year. This subdivision does not apply if the audit of the charter school is encompassed in the audit of the chartering authority pursuant to Section 41020.

“(n) A charter school may encourage parental involvement, but shall notify the parents and guardians of applicant pupils and currently enrolled pupils that parental involvement is not a requirement for acceptance to, or continued enrollment at, the charter school.”

Notes of Decisions

1. Generally

As a subdivision of the Los Angeles, California, Unified School District (LAUSD), the Palisades, California, Charter High School (PCHS) is not a public agency within the meaning of Gov C § 53050, separately required to register with the California Secretary of State and the county clerk for the Roster of Public Agencies, and PCHS’s incorporation as a nonprofit public benefit corporation, assuming that were the case, would not change this relationship. While PCHS and LAUSD are independent legal entities, PCHS is a subdivision of its chartering authority because its existence, funding, and charter depend on LAUSD. *Knapp v. Palisades Charter High School* (Cal. App. 2d Dist. July 24, 2006), 141 Cal. App. 4th 780, 46 Cal. Rptr. 3d 295, 2006 Cal. App. LEXIS 1136, reh’g granted, depublished, (Cal. App. 2d Dist. Aug. 22, 2006), 2006 Cal. App. LEXIS 1369.

When a district school converts to a charter school, it has a defined attendance area as a district school, and students within that former attendance area are entitled to an ongoing admission preference at the charter school if they wish to attend, but students may not be forced to attend the charter school. From the point in time when the district school converts to a charter school and on, the school district and the charter school are in a vigorous competition for the students residing within the former attendance area of the charter school. *California School Bds. Assn. v. State Bd. of Education* (Cal. App. 3d Dist. Dec. 30, 2010), 191 Cal. App. 4th 530, 119 Cal. Rptr. 3d 596, 2010 Cal. App. LEXIS 2170.

Under the Education Code, an arbitrator has no authority to deny or revoke a school charter. *United Teachers of Los Angeles v. Los Angeles Unified School Dist.* (Cal. June 28, 2012), 54 Cal. 4th 504, 142 Cal. Rptr. 3d 850, 278 P.3d 1204, 2012 Cal. LEXIS 6164.

School district’s decision to deny a charter school’s renewal petition is a quasi-judicial action subject to review via a petition for administrative mandamus. In considering a renewal petition, the school district is not acting in a legislative function by creating new policy, but rather performing a quasi-judicial function by applying existing standards and rules defined by state statute to determine whether the evidence presented by the charter school regarding its past performance is sufficient to satisfy those standards. *Oxford Preparatory Academy v. Chino Valley Unified School Dist.* (Cal. App. 4th Dist. July 11, 2019), 249 Cal. Rptr. 3d 726, 37 Cal. App. 5th 413, 2019 Cal. App. LEXIS 632, review denied, ordered not published, (Cal. Oct. 23, 2019), 2019 Cal. LEXIS 7750.

After a charter school's initial petition is approved by a school district, the petitioner has a fundamental vested right to continue operating the charter school such that a school district's decision that deprives the petitioner of that right is subject to independent judicial review. *Oxford Preparatory Academy v. Chino Valley Unified School Dist.* (Cal. App. 4th Dist. July 11, 2019), 249 Cal. Rptr. 3d 726, 37 Cal. App. 5th 413, 2019 Cal. App. LEXIS 632, review denied, ordered not published, (Cal. Oct. 23, 2019), 2019 Cal. LEXIS 7750.

2. Construction

Plain meaning of Ed C §§ 47605 and 47605.1 is that a charter school authorized by a school district is to be located and operate entirely within the geographic boundaries of the authorizing school district, unless one of the specific exceptions of § 47605.1 applies. The comprehensive statutory scheme governing charter schools does not permit a charter school—that is authorized by a school district and provides support for nonclassroom-based independent study—to locate a resource center outside the geographic boundaries of the authorizing school district but within the same county. *Anderson Union High School Dist. v. Shasta Secondary Home School* (Cal. App. 3d Dist. Oct. 17, 2016), 208 Cal. Rptr. 3d 564, 4 Cal. App. 5th 262, 2016 Cal. App. LEXIS 872, modified, (Cal. App. 3d Dist. Nov. 16, 2016), 2016 Cal. App. LEXIS 1001.

Nothing in Ed C § 47605(a) distinguishes between classroom-based and nonclassroom-based charter schools; § 47605(a), including its geographic restrictions, must apply to all charter schools whether classroom-based or nonclassroom-based. *Anderson Union High School Dist. v. Shasta Secondary Home School* (Cal. App. 3d Dist. Oct. 17, 2016), 208 Cal. Rptr. 3d 564, 4 Cal. App. 5th 262, 2016 Cal. App. LEXIS 872, modified, (Cal. App. 3d Dist. Nov. 16, 2016), 2016 Cal. App. LEXIS 1001.

Charter school that requested, in the same petition, both a renewal of its charter and a material revision to add a location was entitled to deemed approval of the renewal after the school district failed to make timely findings, but the school district retained the authority to separately consider and deny the revision because there is no deemed approval for a material revision; moreover, treating the new location request as a petition to approve a new charter would not allow deemed approval. *Today's Fresh Start Charter School v. Inglewood Unified School Dist.* (Cal. App. 2d Dist. Feb. 7, 2018), 228 Cal. Rptr. 3d 857, 20 Cal. App. 5th 276, 2018 Cal. App. LEXIS 100.

3. Applicability

Ed C § 47605(a)(6), which provided that a school district could not approve a petition to establish a charter school serving pupils in a grade level not served by that district unless the petition proposed to serve all grade levels served by that district, did not relieve a non-sponsoring public school district of its obligation under Ed C § 47614 to provide facilities for in-district charter school students whom the subject district would have been required to accommodate if such students did not attend the charter school operating in that district. *Sequoia Union High School Dist. v. Aurora Charter High School* (Cal. App. 1st Dist. Sept. 25, 2003), 112 Cal. App. 4th 185, 5 Cal. Rptr. 3d 86, 2003 Cal. App. LEXIS 1477.

Because the resource center that a nonclassroom-based charter school opened inside another school district did not fall within any of the exceptions of Ed C § 47605.1(c) or (d) (and the charter school offered no other possible exception), its location outside its authorizing school district's boundaries did not comply with the California Charter Schools Act of 1992. *Anderson Union High School Dist. v. Shasta Secondary Home School* (Cal. App. 3d Dist. Oct. 17, 2016), 208 Cal. Rptr. 3d 564, 4 Cal. App. 5th 262, 2016 Cal. App. LEXIS 872, modified, (Cal. App. 3d Dist. Nov. 16, 2016), 2016 Cal. App. LEXIS 1001.

In considering whether the prohibition against judges serving on public school boards might apply to service on the board of a charter school or a nonprofit organization operating charter schools, the Committee on Judicial Ethics Opinions noted both the autonomy and statutory requirements of charter schools. The issue was unresolved in the case law, and the committee advised against such service because a finding of public office status would result in automatic resignation from judicial office. *Judicial Service on a Nonprofit Charter School Board* (Cal. Comm. Jud. Ethics May 2, 2017).

In awarding attorney fees to a high school district under the private attorney general doctrine, the trial court could have reasonably concluded that the district's action advanced the public's interest in the lawful operation of charter schools and the legislature's oversight objectives reflected in the Charter Schools Act's location requirements. The trial court could have found that through this action the district helped preserve the constitutionality of charter schools within the public education system. *Sweetwater Union High School Dist. v. Julian Union Elementary School Dist.* (Cal. App. 4th Dist. June 4, 2019), 249 Cal. Rptr. 3d 309, 36 Cal. App. 5th 970, 2019 Cal. App. LEXIS 596.

School district's decision to deny a preparatory academy's charter school renewal petition substantially affected a fundamental vested right and, thus, required independent judicial review. Because the trial court did not provide independent judicial review, judicial review at the appellate level was precluded. *Oxford Preparatory Academy v. Chino Valley Unified School Dist.* (Cal. App. 4th Dist. July 11, 2019), 249 Cal. Rptr. 3d 726, 37 Cal. App. 5th 413, 2019 Cal. App. LEXIS 632, review denied, ordered not published, (Cal. Oct. 23, 2019), 2019 Cal. LEXIS 7750.

4. Preemption

Collective bargaining provision does not conflict with the Education Code if its enforcement would neither control the approval or denial of a charter school petition nor delay or obstruct the charter petition approval process. *United Teachers of Los Angeles v. Los Angeles Unified School Dist.* (Cal. June 28, 2012), 54 Cal. 4th 504, 142 Cal. Rptr. 3d 850, 278 P.3d 1204, 2012 Cal. LEXIS 6164.

Ed C § 47605 establishes a comprehensive process for approval of charter school petitions, spelling out precisely what is expected of a charter applicant. Any collective bargaining provision that delays the timelines set forth in § 47605 or adds to an applicant's statutory obligations for securing approval of a charter conflicts with § 47605 and may not be enforced. *United Teachers of Los Angeles v. Los Angeles Unified School Dist.* (Cal. June 28, 2012), 54 Cal. 4th 504, 142 Cal. Rptr. 3d 850, 278 P.3d 1204, 2012 Cal. LEXIS 6164.

§ 47611. Participation in State Teachers' Retirement Plan

(a) If a charter school chooses to make the State Teacher's Retirement Plan available, all employees of the charter school who perform creditable service shall be entitled to have that service covered under the plan's Defined Benefit Program or Cash Balance Benefit Program, and all provisions of Part 13 (commencing with Section 22000) and Part 14 (commencing with Section 26000) shall apply in the same manner as the provisions apply to other public schools in the school district that granted the charter.

(b)(1) If a charter school offers its employees coverage by the State Teachers' Retirement System or the Public Employees' Retirement System, or both, the charter school shall inform all applicants for positions within that charter school of the retirement system options for employees of the charter school.

(2) The information shall specifically include whether the charter school makes available to employees coverage under the State Teachers' Retirement System, the Public Employees' Retirement System, or both systems, and that accepting employment in the charter school may exclude the applicant from further coverage in the applicant's current retirement system, depending on the retirement options offered by the charter of the charter school.

Added by Stats 1992 ch 781 § 1 (SB 1448). Amended by Stats 1996 ch 608 § 57 (AB 2673), effective September 19, 1996, operative July 1, 1996; Stats 1999 ch 939 § 89 (SB 1074); Stats 2000 ch 1025 § 40 (AB 816).

Amendments

1996 Amendment: Added "and Part 14 (commencing with Section 26000)".

1999 Amendment: Substituted the section for the former section which read: "If a charter school chooses to participate in the State Teacher's Retirement System, all employees of the charter school who qualify for membership in the system shall be covered under the system, and all provisions of Part 13 (commencing with Section 22000) and Part 14 (commencing with Section 26000) shall apply in the same manner as if the charter school were a public school in the school district that granted the charter."

2000 Amendment: (1) Designated the former section to be subd (a); and (2) added subd (b).

§ 47611.3. Creation of reports required by retirement systems by school district or county office of education; Condition

(a) At the request of a charter school, a school district or county office of education that is the chartering authority of a charter school shall create any reports required by the State Teachers' Retirement System and the Public Employees' Retirement System. The county superintendent of schools,

employing agency, or school district that reports to those systems pursuant to Section 23004 of this code or Section 20221 of the Government Code shall submit the required reports on behalf of the charter school. The school district or county office of education may charge the charter school for the actual costs of the reporting services.

(b) As a condition of creating and submitting reports for the State Teachers' Retirement System and the Public Employees Retirement System, the school district or county office of education shall not require a charter school to purchase payroll processing services from the chartering authority. Information submitted on behalf of the charter school to the State Teachers' Retirement System, the Public Employees' Retirement System, or both, shall be in a format conforming to the requirements of those systems.

§ 84040. Strengthening fiscal accountability; Requirement for annual audit

(a) It is the intent of the Legislature to encourage sound fiscal management practices among community college districts for the most efficient and effective use of public funds for the education of community college students by strengthening fiscal accountability at the district and state levels.

(b) The governing board of each community college district shall provide for an annual audit of all funds, books, and accounts of the district in accordance with regulations of the board of governors. The audit shall be made by certified public accountants licensed by the California Board of Accountancy. In the event the governing board of a community college district fails to provide for an audit, the board of governors shall provide for an audit, and if the board of governors fails or is unable to make satisfactory

The regulations pursuant to which the board of governors may appoint a special trustee to manage the community college district shall include specific benchmarks to indicate the presence of local capacity to resume management of the community college district and clear standards that require meaningful consultation by a special trustee, or his or her designee, with the community college district prior to decisionmaking. The board of governors shall be authorized to reduce or withhold apportionment to districts to pay for the cost of the special trustee, management review, or other extraordinary costs resulting from the district's fiscal difficulties and to ensure the stabilization of the district's financial condition.

(4) The board of governors shall report to the chairs of the educational policy and fiscal committees of both houses of the Legislature, the Director of Finance, and the Governor any corrective action taken by the district and any action taken against the district pursuant to paragraph (3).

For purposes of this subdivision, the governing board of a community college district is entitled to include in the amounts reducing the order the costs of any compliance or administrative services that are required to perform the requested deduction in compliance with federal or state law, and may collect these costs from the participating employee, the employee’s participant account, or the organization or entity authorizing the deduction.

(c) The governing board of the district shall, beginning with the month designated by the employee and each month thereafter until authorization for the deduction is revoked, draw its order upon the funds of the district in favor of the insurer which has issued the policies or certificates or in favor of the nonprofit hospital service corporation which has issued hospital service contracts, or in favor of the

(E) Internal audits, on behalf of a community college district, of a provider's plan compliance procedures with respect to the provider's annuity contract or custodial account offered under the community college district's plan. These audits shall not be conducted more than once per year for any provider's plan unless documented evidence indicates a problem in complying with either Section 403(b) or 457 of the Internal Revenue Code.

(c)(1) If a community college district elects to contract with a third-party administrator for the administrative or compliance services to community college districts described in subdivision (b), the community college district shall do all of the following:

(B) Require the third-party administrator to provide evidence of a safe chain-of-custody of assets process for ensuring fulfillment of fiduciary responsibilities and timely placement of participant investments.

(C) Require evidence, if the third-party administrator is related to or affiliated with a provider of investment products pursuant to Section 403(b) or 457 of the Internal Revenue Code, that data generated from the services provided by the third-party administrator are maintained in a manner that prevents the

(f) Nothing in this section shall be construed to interfere with either of the following:

(1) The rights of employees or beneficiaries as described in Section 770.3 of the Insurance Code.

(2) The ability of the community college district to establish nonarbitrary requirements upon providers of an annuity contract that, in the community college district's discretion, aid in the administration of its benefit programs and do not unreasonably discriminate against any provider of an annuity contract or interfere with the rights of employees or beneficiaries as described in Section 770.3 of the Insurance Code.

(g) This section shall not apply to any services provided by a third-party administrator pursuant to a contract for services between a community college district and the State Teachers' Retirement System. (c) A community college district that has a collective bargaining agreement in effect as of July 1, 2017, that has satisfied the requirements of subdivision (b), and that executes a signed written agreement with the exclusive representative of the part-time, temporary faculty acknowledging implementation of subdivision (b), shall be deemed to be in compliance with this section while the bargaining agreement is in effect.

(d) In all cases, part-time faculty assignments shall be temporary in nature, contingent on enrollment and funding, and subject to program changes, and no part-time faculty member shall have reasonable assurance of continued employment at any point, irrespective of the status, length of service, or reemployment preference of that part-time, temporary faculty member.

CALIFORNIA STATE TEACHERS' RETIREMENT SYSTEM

“(A) The adoption of provisions in compliance with subdivision (b) shall be included as part of the usual and customary negotiations between the community college district and the exclusive representative for part-time, temporary faculty.

“(B)(i) A community college district shall meet the minimum standards established by this section through the negotiation process between the community college district and the exclusive representative for part-time, temporary faculty.

“(b)(1) A community college district that enters into a collective bargaining agreement on or after January 1, 2017, shall comply with all of the following:

“(A) Upon initial hire, and subsequently thereafter, a part-time, temporary faculty member shall be evaluated pursuant to the requirements of Section 87663.

“(B) After six semesters or nine quarters of service, exclusive of summer and intersession terms, each part-time, temporary faculty member who has not received a less-than-satisfactory evaluation during the preceding six semesters or nine quarters of service shall be placed on a seniority list for each assignment at each college where he or she holds a current assignment during the seventh semester or 10th quarter of service, irrespective of how many times he or she has completed each unique assignment. The seniority for all assignments shall be determined based on the first date of hire at the applicable college. Seniority lists shall be by campus unless otherwise locally negotiated between the community college district and the exclusive representative for part-time, temporary faculty.

“(C) For semester seven or quarter 10 and beyond, each community college district shall endeavor to maintain the workload equivalent that the part-time, temporary faculty member was assigned during semester six or quarter nine, subject to all of the following:

“(i) As new assignments become available due to growth or attrition, these assignments shall be offered in seniority order to those part-time, temporary faculty members who have qualified to be placed on the seniority list pursuant to subparagraph (B), and previously successfully completed that same assignment. These assignments may be made up to a maximum annualized load, exclusive of summer and intersession terms, in the range of 60 to 67 percent of a full-time equivalent load.

“(ii) In cases where a reduction in assignment needs to occur due to program needs, budget constraints, or more contract faculty hires, the reduction shall occur first from among those part-time, temporary faculty members who have not yet qualified to be placed on the seniority list, and thereafter in reverse seniority order, with the least senior part-time, temporary faculty member reduced first. Any rights to a certain workload equivalent shall be maintained for a period of 18 months. In cases of class cancellation due to low enrollment, faculty members shall displace faculty members who are lower than they are on the seniority list, if the class cancellation occurs prior to the first class meeting day.

“(iii) Each new assignment successfully completed shall be added to the part-time, temporary faculty member seniority list.

“(E) In cases where a part-time, temporary faculty member, subsequent to qualifying to be placed on the seniority list, receives a less-than-satisfactory evaluation, as that term is defined in the collective bargaining agreement between the community college district and the exclusive representative for part-time, temporary faculty, the faculty member shall be provided a written plan of remediation with concrete suggestions for improvement. The faculty member shall be evaluated again the following semester. If the outcome of this subsequent evaluation is also less than satisfactory, the faculty member shall lose all seniority rights, and may be dismissed at the discretion of the district. Appeal and grievance rights and procedures, if any, shall be subject to local collective bargaining.

“(F) In all cases, part-time faculty assignments are temporary in nature, contingent on enrollment and funding, and subject to program changes, and no part-time faculty member has a reasonable assurance of continued employment at any point, irrespective of the status, length of service, or reemployment preference seniority of that part-time, temporary faculty member.

“(2)(A) A community college district that has a collective bargaining agreement in effect as of January 1, 2017, that has provisions in place that require implementation of all of the following, and executes a signed written agreement pursuant to subparagraph (B), shall be exempt from this subdivision upon the expiration of that agreement:

“(i) Part-time, temporary faculty assignment based on seniority up to the range of 60 to 67 percent of a full-time equivalent load.

“(iii) Due process for termination once a part-time, temporary faculty member has qualified for the negotiated provisions.

“(B) A written agreement, confirming that provisions requiring the implementation of clauses (i) to (iii), inclusive, have been included in a collective bargaining agreement in effect as of January 1, 2017, shall be signed by the exclusive representative for part-time, temporary faculty and the community college district, who are subject to that agreement, in order for the district to be exempt from this subdivision pursuant to subparagraph (A).”

§ 87482.5. Classification of certain instructors as temporary employees; Effect of service as substitute; Service in professional ancillary activities

(a) Notwithstanding any other law, a person who is employed to teach adult or community college classes for not more than 67 percent of the hours per week considered a full-time assignment for regular employees having comparable duties shall be classified as a temporary employee, and shall not become a contract employee under Section 87604. If the provisions of this section are in conflict with the terms of a collective bargaining agreement in effect on or before January 1, 2009, the provisions of this section shall govern the employees subject to that agreement upon the expiration of the agreement.

(b) Service as a substitute on a day-to-day basis by persons employed under this section shall not be used for purposes of calculating eligibility for contract or regular status.

(c)(1) Service in professional ancillary activities by persons employed under this section, including, but not necessarily limited to, governance, staff development, grant writing, and advising student organizations, shall not be used for purposes of calculating eligibility for contract or regular status unless otherwise provided for in a collective bargaining agreement applicable to a person employed under this section.

Added by Stats 1985 ch 132 § 2. Amended by Stats 2003 ch 25 § 1 (SB 955); Stats 2008 ch 84 § 1 (AB 591), effective January 1, 2009.

Amendments

Notes of Decisions

Community college districts have the authority to employ two types of academic employees designated as temporary: those hired for a limited time to meet certain specified needs, Ed C §§ 87478, 87480, 87481, 87482, and those hired on a part-time basis of 60 percent or less of a full-time workload. *Balasubramanian v. San Diego Community College Dist.* (2000, Cal App 4th Dist) 80 Cal App 4th 977, 95 Cal Rptr 2d 837, 2000 Cal App LEXIS 385.

Temporary employees hired under Ed C § 87482.5 may continue to teach year after year, without becoming contract employees, provided each year they teach not more than 60 percent of a full-time assignment exclusive of day-to-day substitution assignments. *Balasubramanian v. San Diego Community College Dist.* (2000, Cal App 4th Dist) 80 Cal App 4th 977, 95 Cal Rptr 2d 837, 2000 Cal App LEXIS 385.

In contrast to those provisions mandating contract status upon reemployment or continuation of particular duties, Ed C § 87482.5, pertaining to employees of a school district as 60 percent full-time equivalent employees, provides no such consequence; section 87482.5 does not compel reclassification. *Balasubramanian v. San Diego Community College Dist.* (2000, Cal App 4th Dist) 80 Cal App 4th 977, 95 Cal Rptr 2d 837, 2000 Cal App LEXIS 385.

Ed C § 87482.5(b) prohibits reclassification of a temporary employee as a contract employee by virtue of teaching more than 60 percent full-time equivalent, where the service as a substitute teacher is on a day-to-day basis. *Balasubramanian v. San Diego Community College Dist.* (2000, Cal App 4th Dist) 80 Cal App 4th 977, 95 Cal Rptr 2d 837, 2000 Cal App LEXIS 385.

Temporary employee statutes should be strictly construed. An employee should not be classified as temporary unless that classification is specifically authorized; otherwise, the catchall provision in Ed C § 87477 controls.

Stryker v. Antelope Valley Community College Dist. (2002, Cal App 2d Dist) 100 Cal App 4th 324, 122 Cal Rptr 2d 489, 2002 Cal App LEXIS 4409.

Proper measure in determining whether the 60 percent limit is exceeded is the number of hours the person seeking tenure spends teaching classes compared to the number of hours per week a regular fully assigned employee spends on comparable duties. *Stryker v. Antelope Valley Community College Dist.* (2002, Cal App 2d Dist) 100 Cal App 4th 324, 122 Cal Rptr 2d 489, 2002 Cal App LEXIS 4409.

In an action arising from the revocation of reappointment rights, a community college district had to adhere to the requirements it negotiated in the collective bargaining agreement because it was possible to harmonize the provisions governing reappointment rights of part-time, temporary faculty and governing termination, and, in the alternative, the former would control. Arbitration awards in favor of temporary, part-time faculty were proper because the arbitrator reasonable construed the collective bargaining agreement to require evidence to substantiate findings that the faculty were guilty of misconduct. *Santa Monica College Faculty Assn. v. Santa Monica Community College Dist.* (2015, 2d Dist) 2015 Cal App LEXIS 1169.

§ 87483. Regulations allowing reduction of workload to part-time duties

Notwithstanding any other provision, the governing board of a community college district may establish regulations that allow academic employees to reduce their workload from full-time to part-time duties. The regulations shall include, but shall not be limited to, the following if the employees wish to reduce their workload and maintain retirement benefits pursuant to Section 22713 of this code or Section 20900 of the Government Code:

(a) For employees subject to coverage under the Defined Benefit Program under the State Teachers' Retirement Plan, the regulations shall include all requirements for participation in the reduced workload program pursuant to Section 22713.

(b) For employees subject to coverage under the Public Employees' Retirement System:

(1) The employee shall have reached the age of 55 prior to reduction in workload.

(2) The employee shall have been employed full time in an academic position or a position requiring certification qualifications, or both, for at least 10 years of which the immediately preceding five years were full-time employment.

(3) During the period immediately preceding a request for a reduction in workload, the employee shall have been employed full time in an academic position or a position requiring certification qualifications, or both, for a total of at least five years without a break in service. For purposes of this subdivision, sabbaticals and other approved leaves of absence shall not constitute a break in service. Time spent on a sabbatical or other approved leave of absence shall not be used in computing the five-year full-time service requirement prescribed by this subdivision.

(4) The option of part-time employment shall be exercised at the request of the employee and can be revoked only with the mutual consent of the employer and the employee.

(5) The minimum part-time employment shall be the equivalent of one-half of the number of days of service required by the employee's contract of employment during his or her final year of service in a full-time position.

(6) The period of this part-time employment shall not exceed five years.

(7) The period of part-time employment shall not extend beyond the end of the college year during which the employee reaches his or her 70th birthday.

(c) (1) The employee shall be paid a salary that is the pro rata share of the salary he or she would be earning had he or she not elected to exercise the option of part-time employment but shall retain all other rights and benefits for which he or she makes the payments that would be required if he or she remained in full-time employment.

(2) The employee shall receive health benefits as provided in Section 53201 of the Government Code in the same manner as a full-time employee.

The payment for purchasing power shall be deposited in the Supplemental Benefit Maintenance Account established by Section 22400 and shall be subject to Sections 24414 and 24415. The transfer to the retirement fund shall be made in a manner and in a time period that shall not exceed four years, that is acceptable to the Teachers' Retirement Board. “(2) The chancellor shall certify to the Teachers’ Retirement Board that the results specified in paragraph (1) can be demonstrated. The certification shall include, but not be limited to, the information specified in subdivision (c) of Section 84040.5. A community college district that qualifies under clause (B) of paragraph (1) shall also certify that it qualifies as a declining enrollment district as computed pursuant to subdivision (c) of Section 84701.

“(3) The chancellor may request reimbursement from the community college district for all administrative costs that result from the certification.

“(c) The service credit made available pursuant to this section shall be available to all members employed by the community college district who meet the conditions set forth in this section.

“(d) The amount of service credit shall be two years.

“(e) Any employee who retires with service credit granted under this section and Section 22714 and subsequently reinstates, shall forfeit the service credit granted under this section and Section 22714.

“(f) This section shall not be applicable to any employee otherwise eligible if the employee receives any unemployment insurance payments arising out of employment with an employer subject to Part 13 (commencing with Section 22000) during a period extending one year beyond the effective date of the formal action, or if the employee is not otherwise eligible to retire for service under the State Teachers’ Retirement Defined Benefit Program.”

Any such person who, by reason of any provision of law to the contrary, has been deprived of any right to retirement allowance or eligibility for such an allowance, shall, upon the filing of application therefor, be reinstated to those rights as he or she would have had, had this subdivision been in effect on September 18, 1959.

(e) This section shall apply to districts that have adopted the merit system in the same manner and effect as if it were a part of Article 3 (commencing with Section 88060).

In such district or districts the employment, or continued employment of any employee beyond the close of the fiscal year in which he reaches the age of 65 years shall be at the discretion of the governing board of the district, which may, at its pleasure, terminate the services of such employee at any time. Employment beyond age 65 in such districts shall be in accordance with rules and regulations governing such employment approved by the personnel commission, and adopted by the governing board of the district.”

2012 Amendment: Substituted “lay off” for “layoff” in subd (m).

Notes of Decisions

1. “Employee Organization”

An employee organization did not constitute a “group of employees” within the meaning of Cal. Admin. Code, tit. 8, § 34020, which prescribes, after the establishment of an organizational security agreement, a procedure pursuant to which a “group of employees in an appropriate unit” may petition to rescind that agreement, and thus, had no standing to petition the Public Employment Relations Board to rescind an organizational security agreement in which employees of a unified school district had voted in favor of an organizational security agreement requiring them to pay an agency fee to another employee organization that had been designated the exclusive representative of the employees of the district. The Educational Employment Relations Act (Gov C § 3540 et seq.) applies the principle of exclusivity to the employee organization chosen as the exclusive representative of the employees for all dealings with the employer. If the Public Employment Relations Board, created to administer the act, had intended to permit any labor unit, rival, or representative to take the action, it could have expressly said so when the regulation was adopted. Moreover, the fact that some employees of the school district belonged to the employee organization did not transform that labor unit into a “group of employees” as defined and specified in § 34020. *Bissell v. Public Employment Relations Bd.* (1980, Cal App 3d Dist) 109 Cal App 3d 878, 167 Cal Rptr 498, 1980 Cal App LEXIS 2209.

Gov C § 3540.1, subd. (d), by expanding the definition of employee organizations to include persons authorized to act on the organization’s behalf, was intended to permit a local union to act through an affiliate in discharging the union’s representational obligations under the Educational Employment Relations Act (Gov C § 3540 et seq.). Thus, for purposes of determining nonmembers’ rights to object to uses of their service fees under an organizational security arrangement, service fee funds spent by an authorized affiliate in support of the union’s representational obligations must be treated as if spent by the union itself. *Cumero v. Public Employment Relations Bd.* (1989) 49 Cal 3d 575, 262 Cal Rptr 46, 778 P2d 174, 1989 Cal LEXIS 1603.

2. Union or Service Fees

In consolidated actions by a teachers’ union against teachers who had refused to either join the union or pay it a service fee as required by an “organizational security” provision in the collective bargaining agreement entered into by the employer-school district and the union, which was the teachers’ exclusive bargaining representative, the trial court properly granted money judgments in favor of the union. Under the labor relations system established for public education employees by the Educational Employment Relations Act (Gov C § 3540 et seq.), a collective bargaining agreement executed by an exclusive bargaining representative binds all the members of the unit as to all terms within the organization’s scope of representation. Gov C § 3540.1, subd. (i)(2), which defines organizational security as an arrangement requiring an employee, as a condition of continued employment, either to join a union or to pay a service fee, permits but does not require the remedy of termination of noncomplying employees’ employment; civil suit is also an appropriate remedy. *San Lorenzo Education Ass’n v. Wilson* (1982) 32 Cal 3d 841, 187 Cal Rptr 432, 654 P2d 202, 1982 Cal LEXIS 250.

Public school employees who were not union members, but who, pursuant to collective bargaining agreements between certain teachers’ unions and the school districts that employed them, were required to pay a “service fee” not to exceed the amount of union dues, as authorized by Gov C § 3540.1, subd. (i)(2), were required to bring their dispute over the fee to the Public Employment Relations Board before they could challenge the constitutionality

of the fee requirement in court. The constitutional violations raised by the public school employees were within the jurisdiction of the board, despite the claim that these constitutional violations did not constitute “unfair practices” as defined by Gov C §§ 3541.5, 3543.5 and 3543.6. The board is not limited to investigating charges defined as “unlawful” under §§ 3543.5 and 3543.6. Under Gov C § 3541.3, subd. (i), the board has the power to not only investigate unfair practices but also to investigate alleged violations of the Education Employment Regulations Act (Gov C § 3540 et seq.), and to take such action and make such determinations as the board deems necessary to effectuate the policies of the act. Looking beyond the constitutional label given to the public school employees’ grievances, the substance of the conduct complained of may also constitute unfair practices, which arguably could be resolved by a board ruling. *Link v. Antioch Unified School Dist.* (1983, Cal App 1st Dist) 142 Cal App 3d 765, 191 Cal Rptr 264, 1983 Cal App LEXIS 1684.

Union regulations providing that written notice concerning the amount and purpose of, and procedures for appealing, agency fees assessed against nonunion public school teachers pursuant to Gov C § 3540.1, subd. (i)(2), could be given concurrently with collection of the fees (Cal. Code Regs., tit. 8, §§ 32992, subd. (c)(2), 32995, subd. (a)(2)) comported with due process and did not violate the nonmembers’ rights under U.S. Const., 1st Amend. The regulations, by requiring that all collected fees be placed in escrow pending identification of objectors, and by also requiring that contested fees be placed in escrow pending resolution of the dispute, prevented the union from having access to the funds for political, ideological, or other nonrepresentational purposes, thus avoiding the evil of requiring nonmembers to subsidize ideological activity which with they disagreed. *Jerabek v. Public Employment Relations Bd.* (1991, Cal App 3d Dist) 2 Cal App 4th 1298, 4 Cal Rptr 2d 181, 1991 Cal App LEXIS 1521, cert. denied (1992) 506 US 815, 121 L Ed 2d 25, 113 S Ct 56, 1992 US LEXIS 5576.

3. Management Employees

In a case in which a probationary teacher sued a school district and individual defendants, the trial court erred in finding that three of the individual defendants were management employees under Ed C § 44113. To the extent these employees exercised “official authority” to recommend that the teacher not be reelected to employment, they acted as “supervisory employees,” as defined in Gov C § 3540.1, subd. (m), and not as “management employees,” as defined in § 3540.1, subd. (g). *Conn v. Western Placer Unified School Dist.* (2010, 3d Dist) 186 Cal App 4th 1163, 113 Cal Rptr 3d 116, 2010 Cal App LEXIS 1192, modified, rehearing denied (2010, Cal. App. 3d Dist.) 2010 Cal. App. LEXIS 1390.

If a public school employer designates an employee as a management employee, the public school employer’s designation is controlling unless the California Public Employment Relations Board reviews the designation and determines the designation is incorrect. Accordingly, a trial court correctly determined that Ed C § 44114(c), did not apply to a former employee of a county office of education where, when the alleged retaliatory acts against him occurred, he was a management employee as a matter of law because the education office had designated him as such, and the record did not show the California Public Employment Relations Board had reviewed and overturned that designation. *Hartnett v. Crosier* (2012, 4th Dist) 2012 Cal App LEXIS 495, review denied (2012, Cal.) 2012 Cal. LEXIS 7389.

4. Public School Employer

Because a joint labor/management benefits committee was created as part of, and for the purpose of furthering, the collective bargaining process under the Educational Employment Relations Act, Gov C §§ 3540 et seq., the committee’s proceedings were exempt under Gov C § 3549.1, from the Ralph M. Brown Act, Gov C §§ 54950 et seq. The committee was not a legislative body under Gov C § 54952(b), and thus was not required under Gov C § 54953(a), to hold open meetings; rather, it was a public school employer under Gov C § 3540.1(k), entitled under Gov C § 3543.3, to meet and negotiate as defined in § 3540.1(h), through its agents or representatives, with its employees’ exclusive representatives. *Californians Aware v. Joint Labor/Management Benefits Committee* (2011, 2d Dist) 200 Cal App 4th 972, 2011 Cal App LEXIS 1412, modified and rehearing denied (2011, Cal. App. 2d Dist.) — P.3d —, 2011 Cal. App. LEXIS 1475.

School district’s executive director of human resources was not excluded from the protections of the whistleblower statutes, but his status as a whistleblower was, in any event, irrelevant to whether he was entitled to public records access to documents relating to his complaint against the district’s superintendent. *Caldecott v. Superior Court* (2015, 4th Dist) 2015 Cal App LEXIS 1146.

5. Supervisory Employees

Ed C § 44113, makes persons who exercise supervisory authority over personnel actions liable when that authority is used to interfere with a schoolteacher's rights under California's Reporting by School Employees of Improper Governmental Activities Act, Ed C §§ 44110-44114. Accordingly, in a case in which a former employee of a county office of education sued several individual education office employees for allegedly retaliating against him in violation of § 44113, subd. (a), the trial court erred in granting summary judgment in favor of the individual defendants, because they were also supervisory employees under Gov C § 3540.1(m). *Hartnett v. Crosier* (2012, 4th Dist) 2012 Cal App LEXIS 495, review denied (2012, Cal.) 2012 Cal. LEXIS 7389.

§ 6254. Records exempt from disclosure requirements [Repealed effective January 1, 2023]

Except as provided in Sections 6254.7 and 6254.13, this chapter does not require the disclosure of any of the following records:

(a) Preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the public agency in the ordinary course of business, if the public interest in withholding those records clearly outweighs the public interest in disclosure.

(b) Records pertaining to pending litigation to which the public agency is a party, or to claims made pursuant to Division 3.6 (commencing with Section 810), until the pending litigation or claim has been finally adjudicated or otherwise settled.

(c) Personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy.

(d) Records contained in or related to any of the following:

(1) Applications filed with any state agency responsible for the regulation or supervision of the issuance of securities or of financial institutions, including, but not limited to, banks, savings and loan associations, industrial loan companies, credit unions, and insurance companies.

(2) Examination, operating, or condition reports prepared by, on behalf of, or for the use of, any state agency referred to in paragraph (1).

(3) Preliminary drafts, notes, or interagency or intra-agency communications prepared by, on behalf of, or for the use of, any state agency referred to in paragraph (1).

(4) Information received in confidence by any state agency referred to in paragraph (1).

(e) Geological and geophysical data, plant production data, and similar information relating to utility systems development, or market or crop reports, that are obtained in confidence from any person.

However, state and local law enforcement agencies shall disclose the names and addresses of persons involved in, or witnesses other than confidential informants to, the incident, the description of any property involved, the date, time, and location of the incident, all diagrams, statements of the parties involved in the incident, the statements of all witnesses, other than confidential informants, to the victims of an incident, or an authorized representative thereof, an insurance carrier against which a claim has been or might be made, and any person suffering bodily injury or property damage or loss, as the result of the incident caused by arson, burglary, fire, explosion, larceny, robbery, carjacking, vandalism, vehicle theft, or a crime as defined by subdivision (b) of Section 13951, unless the disclosure would endanger the safety of a witness or other person involved in the investigation, or unless disclosure would endanger the successful completion of the investigation or a related investigation. However, this subdivision does not require the disclosure of that portion of those investigative files that reflects the analysis or conclusions of the investigating officer.

Customer lists provided to a state or local police agency by an alarm or security company at the request of the agency shall be construed to be records subject to this subdivision.

Notwithstanding any other provision of this subdivision, state and local law enforcement agencies shall make public the following information, except to the extent that disclosure of a particular item of information would endanger the safety of a person involved in an investigation or would endanger the successful completion of the investigation or a related investigation:

(1) The full name and occupation of every individual arrested by the agency, the individual's physical description including date of birth, color of eyes and hair, sex, height and weight, the time and date of arrest, the time and date of booking, the location of the arrest, the factual circumstances surrounding the arrest, the amount of bail set, the time and manner of release or the location where the individual is currently being held, and all charges the individual is being held upon, including any outstanding warrants from other jurisdictions and parole or probation holds.

(2) (A) Subject to the restrictions imposed by Section 841.5 of the Penal Code, the time, substance, and location of all complaints or requests for assistance received by the agency and the time and nature of the response thereto, including, to the extent the information regarding crimes alleged or committed or any other incident investigated is recorded, the time, date, and location of occurrence, the time and date of the report, the name and age of the victim, the factual circumstances surrounding the crime or incident, and a general description of any injuries, property, or weapons involved. The name of a victim of any crime defined by Section 220, 261, 261.5, 262, 264, 264.1, 265, 266, 266a, 266b, 266c, 266e, 266f, 266j, 267, 269, 273a, 273d, 273.5, 285, 286, 288, 288a, 288.2, 288.3, 288.4, 288.5, 288.7, 289, 422.6, 422.7, 422.75, 646.9, or 647.6 of the Penal Code may be withheld at the victim's request, or at the request of the victim's parent or guardian if the victim is a minor. When a person is the victim of more than one crime, information disclosing that the person is a victim of a crime defined in any of the sections of the Penal Code set forth in this subdivision may be deleted at the request of the victim, or the victim's parent or guardian if the victim is a minor, in making the report of the crime, or of any crime or incident accompanying the crime, available to the public in compliance with the requirements of this paragraph.

(B) Subject to the restrictions imposed by Section 841.5 of the Penal Code, the names and images of a victim of human trafficking, as defined in Section 236.1 of the Penal Code, and of that victim's immediate family, other than a family member who is charged with a criminal offense arising from the same incident, may be withheld at the victim's request until the investigation or any subsequent prosecution is complete. For purposes of this subdivision, "immediate family" shall have the same meaning as that provided in paragraph (3) of subdivision (b) of Section 422.4 of the Penal Code.

(3) Subject to the restrictions of Section 841.5 of the Penal Code and this subdivision, the current address of every individual arrested by the agency and the current address of the victim of a crime, if the requester declares under penalty of perjury that the request is made for a scholarly, journalistic, political, or governmental purpose, or that the request is made for investigation purposes by a licensed private investigator as described in Chapter 11.3 (commencing with Section 7512) of Division 3 of the Business and Professions Code. However, the address of the victim of any crime defined by Section 220, 236.1, 261, 261.5, 262, 264, 264.1, 265, 266, 266a, 266b, 266c, 266e, 266f, 266j, 267, 269, 273a, 273d, 273.5, 285, 286, 288, 288a, 288.2, 288.3, 288.4, 288.5, 288.7, 289, 422.6, 422.7, 422.75, 646.9, or 647.6 of the Penal Code shall remain confidential. Address information obtained pursuant to this paragraph shall not be used directly or indirectly, or furnished to another, to sell a product or service to any individual or group of individuals, and the requester shall execute a declaration to that effect under penalty of perjury. This paragraph shall not be construed to prohibit or limit a scholarly, journalistic, political, or government use of address information obtained pursuant to this paragraph.

(4) Notwithstanding any other provision of this subdivision, commencing July 1, 2019, a video or audio recording that relates to a critical incident, as defined in subparagraph (C), may be withheld only as follows:

(A) (i) During an active criminal or administrative investigation, disclosure of a recording related to a critical incident may be delayed for no longer than 45 calendar days after the date the agency knew or reasonably should have known about the incident, if, based on the facts and circumstances depicted in the recording, disclosure would substantially interfere with the investigation, such as by endangering

the safety of a witness or a confidential source. If an agency delays disclosure pursuant to this paragraph, the agency shall provide in writing to the requester the specific basis for the agency's determination that disclosure would substantially interfere with the investigation and the estimated date for disclosure.

(ii) After 45 days from the date the agency knew or reasonably should have known about the incident, and up to one year from that date, the agency may continue to delay disclosure of a recording if the agency demonstrates that disclosure would substantially interfere with the investigation. After one year from the date the agency knew or reasonably should have known about the incident, the agency may continue to delay disclosure of a recording only if the agency demonstrates by clear and convincing evidence that disclosure would substantially interfere with the investigation. If an agency delays disclosure pursuant to this clause, the agency shall promptly provide in writing to the requester the specific basis for the agency's determination that the interest in preventing interference with an active investigation outweighs the public interest in disclosure and provide the estimated date for the disclosure. The agency shall reassess withholding and notify the requester every 30 days. A recording withheld by the agency shall be disclosed promptly when the specific basis for withholding is resolved.

(B) (i) If the agency demonstrates, on the facts of the particular case, that the public interest in withholding a video or audio recording clearly outweighs the public interest in disclosure because the release of the recording would, based on the facts and circumstances depicted in the recording, violate the reasonable expectation of privacy of a subject depicted in the recording, the agency shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served by withholding the recording and may use redaction technology, including blurring or distorting images or audio, to obscure those specific portions of the recording that protect that interest. However, the redaction shall not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording and the recording shall not otherwise be edited or altered.

(ii) Except as provided in clause (iii), if the agency demonstrates that the reasonable expectation of privacy of a subject depicted in the recording cannot adequately be protected through redaction as described in clause (i) and that interest outweighs the public interest in disclosure, the agency may withhold the recording from the public, except that the recording, either redacted as provided in clause (i) or unredacted, shall be disclosed promptly, upon request, to any of the following:

(I) The subject of the recording whose privacy is to be protected, or their authorized representative.

(II) If the subject is a minor, the parent or legal guardian of the subject whose privacy is to be protected.

(III) If the subject whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased subject whose privacy is to be protected.

(iii) If disclosure pursuant to clause (ii) would substantially interfere with an active criminal or administrative investigation, the agency shall provide in writing to the requester the specific basis for the agency's determination that disclosure would substantially interfere with the investigation, and provide the estimated date for the disclosure of the video or audio recording. Thereafter, the recording may be withheld by the agency for 45 calendar days, subject to extensions as set forth in clause (ii) of subparagraph (A).

(C) For purposes of this paragraph, a video or audio recording relates to a critical incident if it depicts any of the following incidents:

(i) An incident involving the discharge of a firearm at a person by a peace officer or custodial officer.

(ii) An incident in which the use of force by a peace officer or custodial officer against a person resulted in death or in great bodily injury.

(D) An agency may provide greater public access to video or audio recordings than the minimum standards set forth in this paragraph.

(E) This paragraph does not alter, limit, or negate any other rights, remedies, or obligations with respect to public records regarding an incident other than a critical incident as described in subparagraph (C).

(F) For purposes of this paragraph, a peace officer does not include any peace officer employed by the Department of Corrections and Rehabilitation.

(g) Test questions, scoring keys, and other examination data used to administer a licensing examination, examination for employment, or academic examination, except as provided for in Chapter 3 (commencing with Section 99150) of Part 65 of Division 14 of Title 3 of the Education Code.

(h) The contents of real estate appraisals or engineering or feasibility estimates and evaluations made for or by the state or local agency relative to the acquisition of property, or to prospective public supply and construction contracts, until all of the property has been acquired or all of the contract agreement obtained. However, the law of eminent domain shall not be affected by this provision.

(i) Information required from any taxpayer in connection with the collection of local taxes that is received in confidence and the disclosure of the information to other persons would result in unfair competitive disadvantage to the person supplying the information.

(j) Library circulation records kept for the purpose of identifying the borrower of items available in libraries, and library and museum materials made or acquired and presented solely for reference or exhibition purposes. The exemption in this subdivision shall not apply to records of fines imposed on the borrowers.

(k) Records, the disclosure of which is exempted or prohibited pursuant to federal or state law, including, but not limited to, provisions of the Evidence Code relating to privilege.

(l) Correspondence of and to the Governor or employees of the Governor's office or in the custody of or maintained by the Governor's Legal Affairs Secretary. However, public records shall not be transferred to the custody of the Governor's Legal Affairs Secretary to evade the disclosure provisions of this chapter.

(o) Financial data contained in applications for financing under Division 27 (commencing with Section 44500) of the Health and Safety Code, if an authorized officer of the California Pollution Control Financing Authority determines that disclosure of the financial data would be competitively injurious to the applicant and the data is required in order to obtain guarantees from the United States Small Business Administration. The California Pollution Control Financing Authority shall adopt rules for review of individual requests for confidentiality under this section and for making available to the public those portions of an application that are subject to disclosure under this chapter.

NOTES OF DECISIONS

1. Generally

There are three statutory conditions for exemption from the California Public Records Act, pursuant to Gov C § 6254, subd. (a) (preliminary drafts of agency memoranda not normally retained in the ordinary course of business): the record sought must be a preliminary draft, note, or memorandum; not retained by the public agency in the ordinary course of business; and the public interest in withholding must clearly outweigh the public interest in disclosure. The purpose of the exemption is to provide a measure of agency privacy for written discourse concerning matters pending administrative action. *Citizens for a Better Environment v. Department of Food & Agriculture* (Cal. App. 3d Dist. Aug. 26, 1985), 171 Cal. App. 3d 704, 217 Cal. Rptr. 504, 1985 Cal. App. LEXIS 2446.

With regard to the “memorandum” exemption to the federal Freedom of Information Act (FOIA), an exemption protects the deliberative materials produced in the process of making agency decisions, but not factual materials, and not agency law. The purpose of the exception is to foster robust discussion within the agency of policy questions attending pending administrative decisions. The means to achieve this is an exemption from disclosure of those portions of predecisional writings containing advisory opinions, recommendations, and policy deliberations. However, memoranda consisting only of compiled factual material or purely factual material contained in deliberative memoranda and severable from its context are not exempt from disclosure. Moreover, the text and context of Gov C § 6254, subd. (a) (exemption from disclosure as to preliminary drafts of agency memoranda not normally retained in ordinary course of business), pursuant to the California Public Records Act, suggest that it has essentially the same purpose as its FOIA cognate. Thus, to the extent permitted by the express statutory language, a reviewing court may properly look to the reasoning of the analogous federal case law in construing Gov C § 6254, subd. (a). *Citizens for a Better Environment v. Department of Food & Agriculture* (Cal. App. 3d Dist. Aug. 26, 1985), 171 Cal. App. 3d 704, 217 Cal. Rptr. 504, 1985 Cal. App. LEXIS 2446.

The Public Records Act (Gov C § 6250 et seq.) contains a number of exemptions from disclosure. Because of the strong public policy in favor of disclosure of public records, such records must be disclosed unless they come within one or more of the categories of documents exempt from compelled disclosure (Gov C § 6254). These exemptions are construed narrowly, and the burden is on the public agency to show that the records should not be disclosed. *Rogers v. Superior Court* (Cal. App. 2d Dist. Sept. 14, 1993), 19 Cal. App. 4th 469, 23 Cal. Rptr. 2d 412, 1993 Cal. App. LEXIS 1028.

2. Legislative Intent

Financial data supplied by a waste disposal company to a city which the city relied on in granting a rate increase to the company pursuant to an exclusive contract between the city and the company for the collection of waste and garbage within the city limits, was not exempt from disclosure under Gov C § 6254, subd. (n), which exempts from disclosure “[s]tatements of personal worth or financial data required by a licensing agency and filed by an applicant with such licensing agency to establish his personal qualifications for the license, certificate, or permit applied for.” The term license within the meaning of § 6254, subd. (n), must be construed narrowly to give effect to the legislative intent that favors disclosure over secrecy in government. If the Legislature had intended a broad exemption to apply to any financial statements then it need not have hinged the exemption to those filing applications for licensing agencies. Although it makes good sense to exempt license applicants, that situation was distinct from the type of contractual relationship that existed between the city and the disposal company. *San Gabriel Tribune v. Superior Court* (Cal. App. 2d Dist. June 9, 1983), 143 Cal. App. 3d 762, 192 Cal. Rptr. 415, 1983 Cal. App. LEXIS 1811.

Cal Const., Art. I, § 1, guarantees all persons the inalienable right to privacy. Nonetheless, the public and the press have a right to review the government’s conduct of its business. The Legislature, mindful of the right of individuals to privacy, has deemed the public’s right of access to information concerning the conduct of public business a fundamental and necessary interest of citizenship. Consequently, in enacting the Public Records Act (Gov C § 6250 et seq.), the Legislature balanced the individual’s privacy interest with the right to know about the conduct of public business. The specific exemptions from this general requirement of disclosure, which are listed in Gov C § 6254, are construed narrowly to insure maximum disclosure of the conduct of governmental operations. *New York Times Co. v. Superior Court* (Cal. App. 2d Dist. Mar. 23, 1990), 218 Cal. App. 3d 1579, 268 Cal. Rptr. 21, 1990 Cal. App. LEXIS 282.

Considering the language of Pen C § 832.8(a) as a whole, the legislature did not intend the words “personal data” to carry their broadest possible meaning, encompassing any and all information related to a particular officer,

and had the legislature intended Pen C § 832.7 to change the law with respect to disclosure of public salary information, one would expect to see specific language to that effect in the statute because the legislature easily could have added “salary” to the list of personnel records set forth in Pen C § 832.8. The amount of salary paid to a particular individual provides information concerning the governmental agency in which the public has a legitimate and traditionally recognized interest. *International Federation of Professional & Technical Engineers, Local 21, AFL-CIO v. Superior Court* (Cal. Aug. 27, 2007), 42 Cal. 4th 319, 64 Cal. Rptr. 3d 693, 165 P.3d 488, 2007 Cal. LEXIS 8918.

3. Construction with Other Law

The doctrine of equal protection did not require release of the records of a sheriff’s department investigation of a shooting incident involving several juveniles to the mother of one of the minors for her use in a civil action arising out of the incident without the necessity of her obtaining a juvenile court order for inspection of such records as required by Welf. & Inst. Code, § 827. The promotion of the rehabilitative purposes of the juvenile law provides more than a valid reason to require the confidentiality of juvenile records under the statute, which provides a simple procedure (petition for a court order) under which the mother could obtain the report but yet protect the other minors involved. *Wescott v. County of Yuba* (Cal. App. 3d Dist. Apr. 1, 1980), 104 Cal. App. 3d 103, 163 Cal. Rptr. 385, 1980 Cal. App. LEXIS 1657.

Gov C § 6254, subd. (b) is not redundant of subdivision (k), through which CCP § 2018 (repealed) applies and protects attorney work product, but rather subdivision (b) confers upon public agencies a broader exemption from disclosure by protecting the “work product” generated by a public agency in anticipation of litigation. Nor is it redundant of the attorney-client privilege codified in Ev C § 950 et seq. and made applicable to the CPRA through subdivision (k) of Gov C § 6254. Gov C § 6254, subd. (b), refers to litigation records generally, while subdivision (k) specifically refers to matters of privilege, including the attorney-client privilege. *Fairley v. Superior Court* (Cal. App. 2d Dist. Sept. 30, 1998), 66 Cal. App. 4th 1414, 78 Cal. Rptr. 2d 648, 1998 Cal. App. LEXIS 823.

Gov C § 6254, subd. (b) is not redundant of subdivision (k), through which CCP § 2018 (repealed) applies and protects attorney work product, but rather subdivision (b) confers upon public agencies a broader exemption from disclosure by protecting the “work product” generated by a public agency in anticipation of litigation. Nor is it redundant of the attorney-client privilege codified in Ev C § 950 et seq. and made applicable to the CPRA through subdivision (k) of Gov C § 6254. Gov C § 6254, subd. (b), refers to litigation records generally, while subdivision (k) specifically refers to matters of privilege, including the attorney-client privilege. *Fairley v. Superior Court* (Cal. App. 2d Dist. Sept. 30, 1998), 66 Cal. App. 4th 1414, 78 Cal. Rptr. 2d 648, 1998 Cal. App. LEXIS 823.

Because an insurer was not entitled to invoke the trade secret privilege under Ev C § 1060 to prevent the disclosure of its Record A data under Ins. Code § 1861.07, given that the statute did not incorporate the exemption from disclosure found in Gov C § 6254(k), the appellate court properly affirmed the grant of summary judgment in favor of the state insurance commissioner and two organizations. *State Farm Mutual Automobile Ins. Co. v. Garamendi* (Cal. Apr. 26, 2004), 32 Cal. 4th 1029, 12 Cal. Rptr. 3d 343, 88 P.3d 71, 2004 Cal. LEXIS 3616, modified, (Cal. June 9, 2004), 2004 Cal. LEXIS 4790.

Exemptions listed in Ins. Code § 1861.07 are meant to be examples, rather than an exhaustive listing of all those statutory exemptions that are inapplicable, and by giving the public access to all information provided to the California Insurance Commissioner pursuant to Ins. Code art. 10, Ins. Code §§ 1861.01-1861.14, the court’s construction of Ins. Code § 1861.07 is consistent with Cal. Proposition 103’s goal of fostering consumer participation in the rate-setting process; the language of Ins. Code § 1861.07 requires public disclosure of Record A data under Cal. Code Regs. tit. 10, § 2646.6(b), and the fact that insurers can invoke the trade secret privilege pursuant to Ins. Code § 1861.08 does not dictate a different result, and the court concludes that Ins. Code § 1861.07 does not incorporate the exemption to disclosure found in Gov C § 6254(k) and trade secret information in therefore not exempt from disclosure. *State Farm Mutual Automobile Ins. Co. v. Garamendi* (Cal. Apr. 26, 2004), 32 Cal. 4th 1029, 12 Cal. Rptr. 3d 343, 88 P.3d 71, 2004 Cal. LEXIS 3616, modified, (Cal. June 9, 2004), 2004 Cal. LEXIS 4790.

Only information subject to Pen C § 832.7 and incorporated into Gov C § 6254(k) of the California Public Records Act (CPRA) is the written material maintained in the peace officer’s personnel file or oral testimony that is a recitation from material in that file, and testimony of a percipient witness to events, or from documents not maintained in the personnel file, is not information subject to Pen C § 832.7 even though that information may be identical to or duplicative of information in the personnel file; thus, Gov C § 6254(k) does not exempt from the required disclosures under the CPRA information relating to a disciplinary appeal from sources other than the peace officer’s personnel file. *The Copley Press, Inc. v. Superior Court* (Cal. App. 4th Dist. Sept. 16, 2004), 122

Cal. App. 4th 489, 18 Cal. Rptr. 3d 657, 2004 Cal. App. LEXIS 1553, review granted, depublished, (Cal. Dec. 1, 2004), 21 Cal. Rptr. 3d 609, 101 P.3d 506, 2004 Cal. LEXIS 11345, rev'd, superseded, (Cal. Aug. 31, 2006), 39 Cal. 4th 1272, 48 Cal. Rptr. 3d 183, 141 P.3d 288, 2006 Cal. LEXIS 10229.

Because records of appeal of a county civil service commission (CSC) that were not documents from a personnel file or recited from documents in a personnel file were outside the definitional limitations applicable to Pen C § 832.7, a California Public Records Act (CPRA) request for those records by a company could not be denied under Gov C § 6254(k)'s exemption, and the exemption under § 6254(c) could not be invoked to shield the record of the appeal hearing unless that information was within the limitation of Pen C § 832.8, and although information from an appeal proceeding could be added to an officer's file, the records themselves did not become personnel files under § 832.8; the court noted that the CPRA still permitted the CSC to withhold records, if warranted, pursuant to Gov C § 6255, the CSC erred in denying the company's request under Gov C § 6254, and the court granted the company's writ petition insofar as it sought the release of a peace officer's identity and other information, redacted to exclude information within Pen C §§ 832.7, 832.8. *The Copley Press, Inc. v. Superior Court* (Cal. App. 4th Dist. Sept. 16, 2004), 122 Cal. App. 4th 489, 18 Cal. Rptr. 3d 657, 2004 Cal. App. LEXIS 1553, review granted, depublished, (Cal. Dec. 1, 2004), 21 Cal. Rptr. 3d 609, 101 P.3d 506, 2004 Cal. LEXIS 11345, rev'd, superseded, (Cal. Aug. 31, 2006), 39 Cal. 4th 1272, 48 Cal. Rptr. 3d 183, 141 P.3d 288, 2006 Cal. LEXIS 10229.

Publisher could not obtain disciplinary records that included a peace officer's name because the county civil service commission's records of an appeal hearing were exempt from disclosure under Gov C § 6254(k); the records were deemed confidential files of the employing agency within the meaning of Pen C §§ 832.5, 832.8, a peace officer's identity is confidential under Pen C § 832.7, and the application of § 832.7 is not limited to criminal and civil proceedings, *Copley Press, Inc. v. Superior Court* (Cal. Aug. 31, 2006), 39 Cal. 4th 1272, 48 Cal. Rptr. 3d 183, 141 P.3d 288, 2006 Cal. LEXIS 10229.

Pen C §§ 832.7 and 832.8 do not mandate that city payroll records reflecting peace officer salary information be excluded from disclosure merely because some of the facts relied upon in determining the amount of salary may be recorded in the agency's personnel files. *International Federation of Professional & Technical Engineers, Local 21, AFL-CIO v. Superior Court* (Cal. Aug. 27, 2007), 42 Cal. 4th 319, 64 Cal. Rptr. 3d 693, 165 P.3d 488, 2007 Cal. LEXIS 8918.

Term "records relating" to the kinds of information specified in Pen C § 832.8 is more reasonably understood as a reference to records that actually reflect the enumerated items, and records of salary expenditures do not reflect any of the items enumerated in the statute. Thus, Pen C §§ 832.7 and 832.8 do not mandate that peace officer salary information be excluded from disclosure under the California Public Records Act, Gov C § 6250 et seq. *International Federation of Professional & Technical Engineers, Local 21, AFL-CIO v. Superior Court* (Cal. Aug. 27, 2007), 42 Cal. 4th 319, 64 Cal. Rptr. 3d 693, 165 P.3d 488, 2007 Cal. LEXIS 8918.

Additional information briefly discussing prehistoric Native American artifacts did not require recirculation of a draft environmental impact report under Pub Res C §§ 21092.1, 21166 because the changes were not significant in light of disclosure restrictions in Gov C § 6254(r), Pub Res C §§ 5097.9, 5097.993, and Cal. Code Regs., tit. 14, § 15120(d). *Clover Valley Foundation v. City of Rocklin* (Cal. App. 3d Dist. July 8, 2011), 197 Cal. App. 4th 200, 128 Cal. Rptr. 3d 733, 2011 Cal. App. LEXIS 884.

Where citations for care violations in state facilities for mentally ill and developmentally disabled patients are produced as public records, to harmonize the accessibility provisions of the Long-Term Care Act with the confidentiality provisions of the Lanterman Act: (1) names must be deleted, other than inspectors and investigators; (2) the nature of the violation must be described with particularity; (3) the patient's mental, physical, and medical conditions, history of mental disability or disorder, and risk from the violation may not be disclosed; (4) good faith efforts by the facility to prevent the violation from occurring and the licensee's history of compliance may be disclosed. *State Dept. of Public Health v. 4. Procedure

In actions seeking reimbursement from the State of California and the California Highway Patrol for allegedly illegal charges made for copies of traffic accident reports and an injunction against such practice, the trial court properly sustained defendants' demurrers, where, though the reports were public records within the meaning of Gov C § 6252, subd. (d), and thus subject to the limitation of former Gov C § 6257 (see now Gov C § 6253), as to

charges for copies, the complaints failed to allege that plaintiffs were persons entitled, under Gov C § 6254, subd. (f), and Veh C § 20012, to such otherwise confidential information. However, the court should have granted plaintiffs leave to amend to allege such entitlement if the facts permitted. *Vallejos v. California Highway Patrol* (Cal. App. 2d Dist. Feb. 26, 1979), 89 Cal. App. 3d 781, 152 Cal. Rptr. 846, 1979 Cal. App. LEXIS 1424.

In the case of a third party seeking to challenge an agency's decision to disclose documents, a petition for writ of mandate is the appropriate procedure to present the issue to the court. *Marken v. Santa Monica-Malibu Unified School Dist.* (Cal. App. 2d Dist. Jan. 24, 2012), 202 Cal. App. 4th 1250, 136 Cal. Rptr. 3d 395, 2012 Cal. App. LEXIS 47.

5. Police and Correctional Matters

In seeking to avoid excessive and therefore prejudicial publicity in a pending prosecution, the trial court's order that copies of the transcript of the grand jury proceedings in possession of the clerk remain sealed and which restricted and limited the disclosure of the transcript contents by the clerk and district attorney to unauthorized personnel, specifically newspapers, was unreasonable, where the effect of the order was to permanently deny the right of public inspection of the grand jury records in question. *Craemer v. Superior Court of Marin County* (Cal. App. 1st Dist. Aug. 27, 1968), 265 Cal. App. 2d 216, 71 Cal. Rptr. 193, 1968 Cal. App. LEXIS 1617.

In keeping with a trial judge's duty to insure that a defendant will receive a fair trial the judge may, in order to prevent even the probability of unfairness, make such orders as are reasonably designed to avert improper prejudice to indicted defendants, and, accordingly, a proper order can require that grand jury transcripts not be disclosed to any person (other than those specifically mentioned in Pen C § 938.1) until a specified reasonable period of time after a copy thereof has been delivered to the defendant, provided that if the defendant, during such time, shall move the court that such transcript, or any portion thereof, not be available for public inspection pending trial, such time shall be extended subject to the court's ruling on such motion. *Craemer v. Superior Court of Marin County* (Cal. App. 1st Dist. Aug. 27, 1968), 265 Cal. App. 2d 216, 71 Cal. Rptr. 193, 1968 Cal. App. LEXIS 1617.

Gov C § 6254, subd (f), exempting from disclosure records used for correctional, law enforcement, or licensing purposes, applies only when the prospect of enforcement proceedings is concrete and definite; the exemption does not apply when an agency merely labels its file "investigatory" and suggests that enforcement proceedings may be initiated at some unspecified future date or were previously considered. *Uribe v. Howie* (Cal. App. 4th Dist. Aug. 10, 1971), 19 Cal. App. 3d 194, 96 Cal. Rptr. 493, 1971 Cal. App. LEXIS 1271.

Gov C § 6254, subd. (f), exempting from disclosure all public files compiled for law enforcement purposes, was not applicable to files maintained by the Division of Industrial Safety which were the subject of a discovery order in personal injury and wrongful death actions arising out of the collapse of a bridge under construction. While the Division of Industrial Safety does make investigations in the course of enforcement of certain aspects of the California Occupational Safety and Health Act of 1973, and undoubtedly compiles files of its investigations, all of such files are not necessarily files compiled for "law enforcement purposes" within the meaning of the subdivision. The adjective "law enforcement," as used in the subdivision, refers to law enforcement in the traditional sense, that is, to the enforcement of penal statutes, etc., and unless there is a concrete and definite prospect of such criminal law enforcement, the subdivision does not apply. Furthermore, the terms "law enforcement" and "investigatory files" would not be given the same interpretations those terms have been given in the regulations of the United States Department of Labor, since the interpretations reflect the point of view of the agency and have not been approved by the federal courts. *State of California ex rel. Division of Industrial Safety v. Superior Court* (Cal. App. 2d Dist. Nov. 27, 1974), 43 Cal. App. 3d 778, 117 Cal. Rptr. 726, 1974 Cal. App. LEXIS 1355.

The Public Records Act which establishes a general right of public access to governmental documents does not authorize persons with arrest records to have access to state arrest record information furnished to a city by the Attorney General and Department of Justice, since certain documents in the possession of a municipality are expressly exempt from disclosure under Gov C § 6254 including records of intelligence information or security procedures of the office of the Attorney General and the Department of Justice, or any such investigatory or security files compiled for correctional or law enforcement purposes. Furthermore, Pen C §§ 11120–11127, dealing with the access of private individuals to their arrest records, are special legislation and they take precedence over any general legislation such as the Public Records Act. *Younger v. Berkeley City Council* (Cal. App. 1st Dist. Mar. 7, 1975), 45 Cal. App. 3d 825, 119 Cal. Rptr. 830, 1975 Cal. App. LEXIS 1734.

A church's verified complaint to require disclosure of any records a police department maintained of its activities, and its declarations and documents filed in support of its motion for temporary injunction, which was denied, clearly established that the records sought, if they in fact existed, were of the type embraced in Gov C § 6254, subd. (f), exempt as records of "intelligence information," where the complaint referred repeatedly to "information,

documents, reports and records” allegedly maintained by the police department relating to the church, where, in oral argument on the motion for preliminary injunction, the church’s attorney admitted that “the statutory intent relating to intelligence files and relating to investigatory files is that they are exempt,” and where it was plain that the records of “intelligence information” requested fell within the ambit of the exemption. *Los Angeles Police Dept. v. Superior Court* (Cal. App. 2d Dist. Jan. 5, 1977), 65 Cal. App. 3d 661, 135 Cal. Rptr. 575, 1977 Cal. App. LEXIS 1076.

Interrogatories that seek information about records exempt from public disclosure, either as “intelligence information” exempt under Gov C § 6254, subd. (f), or as exempt in the public interest, are not permitted. Ancillary discovery through written interrogatories is not permissible to determine whether “intelligence information” has been gathered by police intelligence divisions, whether a file is maintained therefore, or the names and titles of persons who might have reviewed the file. *Los Angeles Police Dept. v. Superior Court* (Cal. App. 2d Dist. Jan. 5, 1977), 65 Cal. App. 3d 661, 135 Cal. Rptr. 575, 1977 Cal. App. LEXIS 1076.

Disclosure of a public entity’s investigatory or security records is not prohibited under Gov C § 6254, subd. (f), unless the agency itself asserts a privilege under that section. Thus, police department employees were not entitled to an injunction prohibiting disclosure of records by the police chief to a citizens’ review commission on the basis of privilege under Gov C § 6254, subd. (f), where it did not appear that the city or the department had asserted any privilege of nondisclosure. *Berkeley Police Assn. v. City of Berkeley* (Cal. App. 1st Dist. Dec. 21, 1977), 76 Cal. App. 3d 931, 143 Cal. Rptr. 255, 1977 Cal. App. LEXIS 2128.

In an action under the Public Records Act (Gov C §§ 6250 et seq.), to compel the disclosure of various documents utilized by the California Highway Patrol in training its officers, the trial court properly exempted from disclosure matters dealing with security and safety procedures of the highway patrol in the performance of its police function (Gov C § 6254, subd. (f) (exemption for specified police records). *Northern Cal. Police Practices Project v. Craig* (Cal. App. 3d Dist. Mar. 6, 1979), 90 Cal. App. 3d 116, 153 Cal. Rptr. 173, 1979 Cal. App. LEXIS 1457.

Personal identifiers contained in certain law enforcement documents were not exempt from disclosure under Gov C § 6254, subd. (c), since the exemption from disclosure provided by such subdivision is confined to “personnel, medical, or similar files.” However, they were exempt under a similar exemption for personal identifiers which was read into the “intelligence information” exemption from disclosure provided by Gov C § 6254, subd. (f). *American Civil Liberties Union Foundation v. Deukmejian* (Cal. Sept. 27, 1982), 32 Cal. 3d 440, 186 Cal. Rptr. 235, 651 P.2d 822, 1982 Cal. LEXIS 229.

In an action under the Public Records Act (Gov C §§ 6250 et seq.) to compel disclosure of certain index cards compiled by law enforcement departments which listed organized crime suspects, the trial court erred in concluding the exemption from disclosure accorded intelligence information (Gov C § 6254, subd. (f)) was confined to personal identifiers and information which might reveal confidential sources. While not exempting all information reasonably related to criminal activity, the “intelligence information” exemption also bars the disclosure of information supplied in confidence, even if such information does not reveal the identity of a confidential source. Further, the exclusion of personal identifiers includes information from which the identity of the individual in question might be inferred. *American Civil Liberties Union Foundation v. Deukmejian* (Cal. Sept. 27, 1982), 32 Cal. 3d 440, 186 Cal. Rptr. 235, 651 P.2d 822, 1982 Cal. LEXIS 229.

In invoking the Public Record Act’s exemption from disclosure accorded investigatory records compiled for law enforcement purposes (Gov C § 6254, (f)), the requirement that the information sought relate to a definite prospect of enforcement proceedings is applicable only to information which is not itself exempt from compelled disclosure, but claims exemption only as part of an investigatory file. Information independently exempt, such as intelligence information, is not subject to the requirement that it relate to a definite prospect of enforcement proceedings. *American Civil Liberties Union Foundation v. Deukmejian* (Cal. Sept. 27, 1982), 32 Cal. 3d 440, 186 Cal. Rptr. 235, 651 P.2d 822, 1982 Cal. LEXIS 229.

A sheriff’s investigation report undertaken at the county’s instance to determine the validity of a jail inmate’s tort liability claim based on a jailhouse assault was not protected from disclosure by Gov C § 6254, subd. (f) (California Public Records Act), which exempts from disclosure records of complaints or investigations conducted for correctional, law enforcement or licensing purposes. Even if the sheriff’s report had law enforcement implications, the exemption is applicable only when the prospect of law enforcement is “concrete and definite.” *Register Div. of Freedom Newspapers, Inc. v. County of Orange* (Cal. App. 4th Dist. July 31, 1984), 158 Cal. App. 3d 893, 205 Cal. Rptr. 92, 1984 Cal. App. LEXIS 2371.

Under the California Public Records Act (Gov C §§ 6500 et seq.), exemptions from disclosure of records of complaints or investigations conducted for correctional or law enforcement purposes (Gov C § 6254, subd. (f)) are

permissive, not mandatory. Thus, it did not forbid disclosure of investigation reports of an assault on a jail inmate undertaken in connection with a tort claim, and, since disclosure was not forbidden by state law, the absolute privilege of Evi C § 1040, subd. (b)(1), granting governmental entities a privilege against disclosure of information if disclosure is forbidden by a federal or state statute, was not applicable in an action by a newspaper against the county for disclosure of the reports. *Register Div. of Freedom Newspapers, Inc. v. County of Orange* (Cal. App. 4th Dist. July 31, 1984), 158 Cal. App. 3d 893, 205 Cal. Rptr. 92, 1984 Cal. App. LEXIS 2371.

Under Gov C § 6254, subd. (f)(2), which provides an exemption from disclosure for “[r]ecords of complaints to or investigations conducted by...any state or local police agency,” a city had a duty to provide information contained in a police report to the public, notwithstanding the report was not the result of a formal, written complaint made by a citizen to the police department, but rather was the result of an independent police investigation. By its terms, § 6254, subd. (f)(2), requires disclosure of information in investigatory files “to the extent such information regarding crimes alleged or committed or any other incident investigated is recorded.” The investigation by police was recorded. Therefore, the statute required disclosure of specific information about the investigation. If the language of § 6254, subd. (f)(2), is in any way ambiguous, it should be resolved in favor of the legislative intent of the California Public Records Act (Gov C §§ 6250 et seq.) to maximize disclosure of the conduct of governmental operations. *South Coast Newspapers, Inc. v. City of Oceanside* (Cal. App. 4th Dist. Sept. 24, 1984), 160 Cal. App. 3d 261, 206 Cal. Rptr. 527, 1984 Cal. App. LEXIS 2539.

The 1982 amendments to Gov C § 6254, subd. (f), which exempts from disclosure records of complaints to or investigations conducted by any state or local police agency, enacted as subds. (1) and (2) of § 6254, subd. (f), did not so significantly alter the statute that its federal counterpart, 5 USCS § 552(b)(7), is no longer an appropriate guide to its construction. The effect of these amendments was simply to extend public access to information contained in agency records which are themselves exempt from disclosure by § 6254, subd. (f). The amendments are in keeping with the original, shared purpose of the California Public Records Act (Gov C §§ 6250 et seq.) and the federal Freedom of Information Act (5 USCS § 552) to provide public access to government information. *South Coast Newspapers, Inc. v. City of Oceanside* (Cal. App. 4th Dist. Sept. 24, 1984), 160 Cal. App. 3d 261, 206 Cal. Rptr. 527, 1984 Cal. App. LEXIS 2539.

In a declaratory relief action by a newspaper seeking to inspect or obtain a copy of a police report of an investigation of a high school principal for his alleged failure to report an incident of child abuse, the trial court erred in ruling that the report was absolutely privileged under Gov C § 6254, subd. (f), which exempts from disclosure records of complaints to or investigations by any state or local police agency. Under the California Public Records Act (Gov C §§ 6250 et seq.), the newspaper was entitled to a copy of the report if no confidential sources would be revealed, disclosure would not interfere with enforcement proceedings, no person would be deprived of a fair trial, release of the report would not constitute an unwarranted invasion of privacy, secret police investigative techniques or procedures would not be revealed, and the life or physical safety of law enforcement personnel would not be endangered. Accordingly, the trial court was required to conduct an *in camera* inspection and to release the report or parts thereof, or an accurate edited summary, unless the court found disclosure would result in an invasion of statutorily protected areas of information. *South Coast Newspapers, Inc. v. City of Oceanside* (Cal. App. 4th Dist. Sept. 24, 1984), 160 Cal. App. 3d 261, 206 Cal. Rptr. 527, 1984 Cal. App. LEXIS 2539.

The purpose of the exemption under the California Public Records Act (Gov C §§ 6250 et seq.) regarding police records, as originally enacted, was to allow the law enforcement agency to develop a discretionary policy for disclosure of such records. The addition in 1982 of Gov C § 6254, subd. (f)(1), and Gov C § 6254, subd. (f)(2), specifying information contained within such reports that must be disclosed, had the effect of extending public access to information contained in agency records themselves exempted from disclosure by Gov C § 6254, subd. (f). *City of Santa Rosa v. Press Democrat* (Cal. App. 1st Dist. Dec. 16, 1986), 187 Cal. App. 3d 1315, 232 Cal. Rptr. 445, 1986 Cal. App. LEXIS 2341.

On appeal from a judgment ordering a county sheriff to partially disclose to a newspaper records of disciplinary proceedings against two deputies, the Court of Appeal erred in concluding that the exemption from disclosure under the California Public Records Act (Gov C § 6250 et seq.) for law enforcement investigatory records (Gov C § 6254, subd. (f)) was limited by the criteria set forth in the federal Freedom of Information Act (5 USCS § 552). In drafting Gov C § 6254, subd. (f), the Legislature expressly imposed several precise limitations on the confidentiality of law enforcement investigatory records. Clearly, the Legislature was capable of articulating additional limitations if that is what it intended to do. Further, the Legislature has already enacted appropriate statutory provisions, as part of the California Public Records Act, to address the concerns articulated in the Freedom of Information Act criteria. *Williams v. Superior Court* (Cal. June 7, 1993), 5 Cal. 4th 337, 19 Cal. Rptr. 2d 882, 852 P.2d 377, 1993 Cal. LEXIS 2500.

The California Public Records Act (Gov C §§ 6250 et seq.) is not properly interpreted as giving the custodian of law enforcement records unreviewable power to decide whether Gov C § 6254, subd. (f) (information subject to disclosure from records of complaints to or investigations by law enforcement agencies), requires the disclosure of particular items of information from such records. While Gov C § 6259, expressly mentions only the court's power to order the public official to make the record itself public (Gov C § 6254, subd. (b)), that greater power necessarily includes the lesser. Otherwise, the statutory right of access to information from law enforcement records would be meaningless. *Williams v. Superior Court* (Cal. June 7, 1993), 5 Cal. 4th 337, 19 Cal. Rptr. 2d 882, 852 P.2d 377, 1993 Cal. LEXIS 2500.

On appeal from a judgment ordering a county sheriff to partially disclose to a newspaper records of disciplinary proceedings against two deputies, the Court of Appeal erred in concluding that such records remain exempt only so long as they continue to relate to a "pending" investigation. The exemption for law enforcement investigatory files (Gov C § 6254, subd. (f)) does not terminate with the conclusion of the investigation. Once an investigation has come into being because there is a concrete and definite prospect of enforcement proceedings at that time, materials that relate to the investigation and, thus, properly belong in the file remain subject to the terms of the statute. *Williams v. Superior Court* (Cal. June 7, 1993), 5 Cal. 4th 337, 19 Cal. Rptr. 2d 882, 852 P.2d 377, 1993 Cal. LEXIS 2500.

In a mandate proceeding by a newspaper, the trial court erred in ordering disclosure to plaintiff of records of an internal investigation conducted by a city police department into the actions of a police sergeant (focusing on whether he had improperly used city property, investigated drug use on county property while on duty as a city officer, or used his police status to obtain confidential information from a school). Gov C § 6254, subd. (k), provides that disclosure is not required for public records the disclosure of which is exempted or prohibited pursuant to federal or state law, including the Evidence Code privileges. Pen C § 832.7, subd. (a), provides that peace officer personnel records and records of citizen complaints against law enforcement personnel are confidential and may not be disclosed except by discovery pursuant to Evi C §§ 1043 and 1046. The confidentiality provided by these more specific provisions would be illusory unless incorporated into the California Public Records Act through Gov C § 6254, subd. (k). *City of Hemet v. Superior Court* (Cal. App. 4th Dist. Aug. 24, 1995), 37 Cal. App. 4th 1411, 44 Cal. Rptr. 2d 532, 1995 Cal. App. LEXIS 824.

Amendment to Gov C § 6254(f)(3) (prohibiting release of arrestee addresses only to people who intend to use those addresses for commercial purposes, while allowing release to other people who intend to use the addresses for scholarly, journalistic, political, governmental, or investigative purposes) is an impermissible restriction on commercial speech which violates the First Amendment. *United Reporting Publ'g Corp. v. Lungren* (S.D. Cal. Nov. 27, 1996), 946 F. Supp. 822, 1996 U.S. Dist. LEXIS 17756, *aff'd*, (9th Cir. Cal. June 25, 1998), 146 F.3d 1133, 1998 U.S. App. LEXIS 13549.

Where a person from a minority, seeking all documents relating to any internal investigation and a deputy sheriff's personnel file, filed suit against a county for violations of his civil rights and state law by the deputy, the county could not successfully object to the requested discovery upon the grounds internal investigation reports were protected by Gov C § 6254, Pen C §§ 832 et seq., and Ev C §§ 1040 and 1043 and that disclosure would infringe the deputy because the county failed to demonstrate any statutory or other privacy bar to disclosure of the requested information. *Jackson v. County of Sacramento* (E.D. Cal. Sept. 11, 1997), 175 F.R.D. 653, 1997 U.S. Dist. LEXIS 14615.

The court reversed a judgment for respondent publishing company which provided the names and addresses of recently arrested individuals to its customers, who included attorneys, insurance companies, drug and alcohol counselors, and driving schools. It received this information from petitioner and other California state and local law enforcement agencies until the State amended Gov C § 6254(f)(3) to require that a person requesting an arrestee's address declare that the request is being made for one of five prescribed purposes and that the address will not be used directly or indirectly to sell a product or service. Respondent was not entitled to prevail on a "facial attack" on the statute. At least for the purposes of facial invalidation, the statute was not an abridgment of anyone's right to engage in speech, but simply a law regulating access to information in the government's hands. The government was not prohibiting a speaker from conveying information that the speaker already possessed. California law merely required respondent to qualify under the statute if it wished to obtain arrestees' addresses. California could decide not to give out arrestee information at all without violating the First Amendment. *Los Angeles Police Dep't v. United Reporting Publ'g Corp.* (U.S. Dec. 7, 1999), 528 U.S. 32, 120 S. Ct. 483, 145 L. Ed. 2d 451, 1999 U.S. LEXIS 8239.

The exemption from disclosure for "records of investigation" by local police agencies (Gov C § 6254(f)), as distinct from "investigatory files," was not subject to the qualification that the prospect of enforcement proceedings

be concrete and definite. Records of investigation, no less than records of complaints and intelligence information, were exempt on their face, whether or not they were ever included in an investigatory file. Limiting the § 6254(f) exemption only to records of investigation where the likelihood of enforcement had ripened into something concrete and definite would expose to the public the very sensitive investigative stages of determining whether a crime had been committed or who had committed it. However, the records of investigation exemption under § 6254(f) encompassed only those investigations undertaken for the purpose of determining whether a violation of law might occur or had occurred. If a violation or potential violation had been detected, the exemption also extended to records of investigations conducted for the purpose of uncovering information surrounding the commission of the violation and its agency. Here, the investigation that included a deputy sheriff's decision to stop a motorist and the stop itself were for the purpose of discovering whether a violation of law had occurred and, if so, the circumstances of its commission. Records relating to that investigation were exempt from disclosure by § 6254(f). *Haynie v. Superior Court* (Cal. Oct. 1, 2001), 26 Cal. 4th 1061, 112 Cal. Rptr. 2d 80, 31 P.3d 760, 2001 Cal. LEXIS 6478.

A television network's request for disclosure of the identity of every individual granted a criminal conviction exemption to work in a licensed daycare facility and the identity of each facility employing such individuals was a proper request under the Public Records Act (Gov C § 6250). The state's disclosure in detail of how it operated the exemption process did not satisfy the statutory directive that the public have access to information concerning the conduct of the people's business. Further, nondisclosure was not compelled under the personnel records exemption (Gov C § 6254(c)), or by Pen C §§ 11105, 11142, which would thereby serve as an underlying basis for nondisclosure under § 6254(k). The network was not seeking information about the convictions suffered by the individuals at issue or any other privileged information. In any event, the fact that an individual suffered a criminal conviction was a matter of public record. Nor was nondisclosure compelled by reason of the "catchall" provision of Gov C § 6255, since the state, which did not set forth any protectable privacy interest of a licensed child care facility which would justify nondisclosure of its identity as a facility which employed an individual who had been granted a criminal conviction exemption, failed to carry its burden. Additionally, to the extent the individuals had any privacy interest in nondisclosure, they subjected themselves to public review by virtue of applying for a license to work at, operate, or own a child care facility. *CBS Broadcasting Inc. v. Superior Court* (Cal. App. 2d Dist. Aug. 21, 2001), 91 Cal. App. 4th 892, 110 Cal. Rptr. 2d 889, 2001 Cal. App. LEXIS 654.

Undisclosed letter directly related to a definite and concrete investigation of an officer and it had no purpose other than to report the deputy DA's thoughts, opinions, and conclusions; thus, the letter was exempt from disclosure under the California Public Records Act, Gov C § 6250 et seq., pursuant to the investigation exemption in Gov C § 6254(f). *Rackauckas v. Superior Court* (Cal. App. 4th Dist. Dec. 9, 2002), 104 Cal. App. 4th 169, 128 Cal. Rptr. 2d 234, 2002 Cal. App. LEXIS 5114.

Although authorized by the California Public Records Act, Gov C § 6250 et seq., under Gov C § 6259, the newspaper never asked the trial court to conduct an in camera review to determine whether the nonpublic letter about the investigation of a police officer had been improperly withheld; thus, the appellate court considered the investigators' declarations to sufficiently establish that the letter actually related to the investigation and falls within the investigation exemption contained in Gov C § 6254(f). *Rackauckas v. Superior Court* (Cal. App. 4th Dist. Dec. 9, 2002), 104 Cal. App. 4th 169, 128 Cal. Rptr. 2d 234, 2002 Cal. App. LEXIS 5114.

District attorney did not waive the investigation exemption in Gov C § 6254(f) by providing a nonpublic letter to the police department, which initiated the criminal investigation and employed the officer, as the district attorney did so with the understanding that the document would remain confidential. *Rackauckas v. Superior Court* (Cal. App. 4th Dist. Dec. 9, 2002), 104 Cal. App. 4th 169, 128 Cal. Rptr. 2d 234, 2002 Cal. App. LEXIS 5114.

Regarding police officers' personnel files, urinalysis test results contained in police investigative files and the files of a district attorney are not subject to disclosure under the Gov C § 6254(f) of the California Public Records Act, Gov C § 6250 et seq. *Fagan v. Superior Court* (Cal. App. 1st Dist. Aug. 22, 2003), 111 Cal. App. 4th 607, 4 Cal. Rptr. 3d 239, 2003 Cal. App. LEXIS 1288.

Letters in a district attorney's investigation file were exempt from disclosure under Gov C §§ 6254, 6254.5. *County of Los Angeles v. Superior Court* (Cal. App. 2d Dist. June 29, 2005), 130 Cal. App. 4th 1099, 30 Cal. Rptr. 3d 708, 2005 Cal. App. LEXIS 1039.

Coroner and autopsy reports that constitute investigations of a suspected homicide death, in which the prospect of criminal law enforcement proceedings is concrete and definite, are public records that are exempt from disclosure under Gov C § 6254(f). *Dixon v. Superior Court* (Cal. App. 3d Dist. Feb. 4, 2009), 170 Cal. App. 4th 1271, 88 Cal. Rptr. 3d 847, 2009 Cal. App. LEXIS 145.

Disclosure of coroner and autopsy reports was properly denied under the investigatory file exemption of Gov C § 6254(f) because substantial evidence supported a factual finding that the reports were investigatory files of a

local agency for law enforcement purposes that involved a definite prospect of criminal law enforcement; reports investigated the death of a person left in an open field with multiple bullet wounds, and that death led to a criminal trial for murder, and it was irrelevant that the party requesting the public records was a reporter. *Dixon v. Superior Court* (Cal. App. 3d Dist. Feb. 4, 2009), 170 Cal. App. 4th 1271, 88 Cal. Rptr. 3d 847, 2009 Cal. App. LEXIS 145.

Office of the Inspector General (OIG) should not have been ordered to disclose investigative materials underlying a report relating to a parolee who kidnapped a young girl and held her for 18 years because Pen C § 6131 gave the Inspector General complete discretion as to disclosure of those material. Further, the exemption from disclosure in Gov C § 6254(f), applied because OIG launched its investigation into supervision of the parolee by the California Department of Corrections and Rehabilitation (CDCR) to determine whether CDCR's parole policies were adequate and whether they were followed in this instance; thus, the prospect of enforcement proceedings was concrete and definite when the investigation was launched. *Office of Inspector General v. Superior Court* (Cal. App. 3d Dist. Oct. 6, 2010), 189 Cal. App. 4th 695, 117 Cal. Rptr. 3d 388, 2010 Cal. App. LEXIS 1848.

Good cause requirement of CCP § 1985 was inapplicable to a subpoena duces tecum issued by a grand jury to a police department because the investigation was not a civil proceeding. The records were not confidential under Pen C § 832.7 or exempt from disclosure under Gov C § 6254, subd. (f), because they were sought pursuant to the grand jury's authority under Pen C §§ 925, 925a. *City of Woodlake v. Tulare County Grand Jury* (Cal. App. 5th Dist. Aug. 1, 2011), 197 Cal. App. 4th 1293, 129 Cal. Rptr. 3d 241, 2011 Cal. App. LEXIS 994.

Absent an evidentiary showing that the disclosure of a particular officer's identity would jeopardize that officer's safety or efficacy, protecting the anonymity of a peace officer did not outweigh the public interest in disclosure under Gov C §§ 6254(c) and 6255 of the names of police officers involved in shooting incidents. *Long Beach Police Officers Assn. v. City of Long Beach* (Cal. App. 2d Dist. Feb. 7, 2012), 203 Cal. App. 4th 292, 136 Cal. Rptr. 3d 868, 2012 Cal. App. LEXIS 109, review granted, depublished, (Cal. Apr. 18, 2012), 140 Cal. Rptr. 3d 112, 274 P.3d 1110, 2012 Cal. LEXIS 3662, aff'd, superseded, (Cal. May 29, 2014), 59 Cal. 4th 59, 172 Cal. Rptr. 3d 56, 325 P.3d 460, 2014 Cal. LEXIS 3757.

Report concerning an officer-involved shooting of an unarmed teen completed by an independent consultant retained by a city was a public document, as the information and analysis it contained was precisely the sort the disclosure of which would promote public scrutiny of and agency accountability for specific uses of deadly force, and while portions of the report related to the administrative investigation of the officers contained confidential personnel information exempt from disclosure under California's Public Records Act, portions of the report related to their criminal investigation were not; however, the nonprivileged portions were not so intertwined with the privileged portions as to render the entire report exempt from disclosure. *Pasadena Police Officers Assn. v. Superior Court* (Cal. App. 2d Dist. Sept. 10, 2015), 240 Cal. App. 4th 268, 192 Cal. Rptr. 3d 486, 2015 Cal. App. LEXIS 796.

In a case involving a report concerning an officer-involved shooting of an unarmed teenager completed by an independent consultant retained by a city, the California Public Records Act privilege had not been waived when the officers placed personnel information in the public domain because, absent an express waiver of the privilege with respect to the confidential, personnel information found in the report, the officers retained Pitchess protections as to that information, even if the information was the same as or similar to information available elsewhere in the public domain. *Pasadena Police Officers Assn. v. Superior Court* (Cal. App. 2d Dist. Sept. 10, 2015), 240 Cal. App. 4th 268, 192 Cal. Rptr. 3d 486, 2015 Cal. App. LEXIS 796.

Waiver of the California Public Records Act privilege did not occur by virtue of a city's provision of an independent report concerning an officer-involved shooting of an unarmed teenager to the officers involved in the shooting because the statutory privilege of confidentiality in the officers' personnel records was held both by the city and the officers. The officers had a right to review the report to ascertain which portions they contended were privileged and could not be denied access to their own personnel records for fear that permitting access would waive confidentiality. *Pasadena Police Officers Assn. v. Superior Court* (Cal. App. 2d Dist. Sept. 10, 2015), 240 Cal. App. 4th 268, 192 Cal. Rptr. 3d 486, 2015 Cal. App. LEXIS 796.

Trial court's narrow construction of a police department's disclosure duties as to a request for information about all complaints/requests for assistance pertaining to burglary and identity theft for a six-month period was incorrect both as to the substantive and temporal limits placed upon them because Gov C § 6254(f)(2) does not include an express time limitation on production of only contemporaneous or current records; the court was required to focus on additional relevant criteria, including the department's fiscal and workload burdens and safety concerns, in performing an appropriate balancing of interests with regard to not only production of further nonexempt information, but also the reasonable costs of production. *Fredericks v. Superior Court* (Cal. App. 4th Dist. Jan. 16, 2015), 233 Cal. App. 4th 209, 182 Cal. Rptr. 3d 526, 2015 Cal. App. LEXIS 35.

In a case in which two organizations sought to compel disclosure of requested automated license plate reader (ALPR) data, the Supreme Court held that the bulk collection of ALPR data is not exempt from disclosure under Gov. Code, § 6254, subd. (f). The process of ALPR scanning does not produce records of investigations, because the scans are not conducted as part of a targeted inquiry into any particular crime or crimes. *American Civil Liberties Union Foundation v. Superior Court* (Cal. Aug. 31, 2017), 221 Cal. Rptr. 3d 832, 400 P.3d 432, 3 Cal. 5th 1032, 2017 Cal. LEXIS 6768.

Defendants were not entitled to summary judgment on plaintiff's claim under the California Public Records Act, on the basis that requests for law enforcement reports were properly denied because the investigation was still open, because plaintiff submitted evidence that raised a triable issue of fact as to whether that was indeed the case, and defendants could have simply excluded the information on the identity of the confidential informant and otherwise responded to the requests. *Goodin v. City of Glendora* (C.D. Cal. Mar. 18, 2019), 380 F. Supp. 3d 970, 2019 U.S. Dist. LEXIS 88380.

6. Licensing Matters

Monthly pesticide spray reports submitted in accordance with Fd & Ag C § 11733, to a county agricultural commissioner, each containing the name of the operator, the location and owners of the lands to which pesticides were applied, the chemical combinations, quantities, concentrations, and dates of such applications, and the crops and pests involved, were not "crop reports" within the meaning of the disclosure exemption provisions of Gov C § 6254, where the reports did not yield information concerning the magnitude of the crops sprayed, their state of preparation, or their likely marketing dates, and could not affect the privacy of either the growers' or applicators' financial dealings, nor affect prices in commodity markets. *Uribe v. Howie* (Cal. App. 4th Dist. Aug. 10, 1971), 19 Cal. App. 3d 194, 96 Cal. Rptr. 493, 1971 Cal. App. LEXIS 1271.

Monthly pesticide spray reports submitted in accordance with Fd & Ag C § 11733, to a county agricultural commissioner, each containing the name of the operator, the location and owners of the lands to which pesticides were applied, the chemical combinations, quantities, concentrations, and dates of such applications, and the crops and pests involved, could not, in an action seeking public disclosure of such reports, be validly deemed to be records used for "correctional, law enforcement or licensing purposes" within the meaning of the disclosure exemption provisions of Gov C § 6254, subd (f), where, although pesticide spray reports had been used to review applicators' licenses on various occasions, this was not the primary purpose for which they were compiled, and where there was no evidence that any of the reports were being put to such purpose at the time of trial. *Uribe v. Howie* (Cal. App. 4th Dist. Aug. 10, 1971), 19 Cal. App. 3d 194, 96 Cal. Rptr. 493, 1971 Cal. App. LEXIS 1271.

In a proceeding under the Public Records Act for the disclosure of certain documents from a county transportation authority regarding a licensing agreement for the installation of automated public toilets and the award of advertising space to the successful bidder, the trial court erred in finding that the attorney-client privilege was waived (Gov C § 6254(k); Ev C §§ 912, 952), where the documents at issue were prepared by counsel for the successful bidder and were circulated between two parties bound by an offer and acceptance in contemplation of a binding, detailed license agreement. *STI Outdoor v. Superior Court* (Cal. App. 2d Dist. Aug. 2, 2001), 91 Cal. App. 4th 334, 109 Cal. Rptr. 2d 865, 2001 Cal. App. LEXIS 615.

7. Miscellaneous Matters

In a proceeding for appointment of a guardian of a minor child committed to the care of the welfare department and placed in a foster home for adoption, the trial court abused its discretion in ordering the welfare department to answer interrogatories as to the identity of persons having custody of the child following commitment and other particulars concerning the activities of the department in connection with attempts to arrange adoptive placement for the child, where the information concerning the placement and adoption of the child was acquired in confidence by the department and its employees in the course of their duties, and was not open or officially disclosed to the public prior to the time a claim of privilege was made, and where no preliminary basis had been established for finding that the adoption procedure was not running its proper course, and that the agency was unfit to have temporary custody of the child, or that it was improbable that the child would be adopted; while there is no absolute statutory ban on disclosure of such information, nor any absolute privilege with respect thereto, Ev C § 1040, requires a weighing of necessity for preserving confidentiality with the necessity for disclosure in the interest of justice. *Terzian v. Superior Court* (Cal. App. 1st Dist. Aug. 6, 1970), 10 Cal. App. 3d 286, 88 Cal. Rptr. 806, 1970 Cal. App. LEXIS 1841.

Gov C § 6254, exempting crop reports from public disclosure, applies only to reports specifying the nature, extent, type, or magnitude of crops being grown, disclosure of which might adversely affect the confidentiality of growers' enterprises and interfere with trading in futures on commodity markets. *Uribe v. Howie* (Cal. App. 4th Dist. Aug. 10, 1971), 19 Cal. App. 3d 194, 96 Cal. Rptr. 493, 1971 Cal. App. LEXIS 1271.

The trial court properly denied issuance of a writ of mandate to compel a county assessor to permit a corporation to inspect documents and records enabling it to more easily compare market values of real property with assessed values. Though the documents are the working papers used by the assessor in the performance of his duties, there is no provision requiring him to prepare and keep them and they therefore fall within the purview of Rev & Tax C § 408, providing "...any information and records in the assessor's office which are not required by law to be kept and prepared by the assessor are not public documents and shall not be open to public inspection." *Statewide Homeowners, Inc. v. Williams* (Cal. App. 4th Dist. Feb. 15, 1973), 30 Cal. App. 3d 567, 106 Cal. Rptr. 479, 1973 Cal. App. LEXIS 1187.

Medical records of a tort claimant appended to a letter sent to a county requesting settlement of the claim were not exempt from disclosure under Gov C § 6254, subd. (c) (California Public Records Act), intended to protect information of a highly personal nature on file with a public agency. By making the claim, the claimant placed his alleged physical injuries and medical records substantiating them in issue and tacitly waived any expectation of privacy regarding the medical records. Because the county utilized the supporting medical records in arriving at its decision to settle the claim, it could not hide behind the claimant's privacy to justify its concealment of the records from public scrutiny. *Register Div. of Freedom Newspapers, Inc. v. County of Orange* (Cal. App. 4th Dist. July 31, 1984), 158 Cal. App. 3d 893, 205 Cal. Rptr. 92, 1984 Cal. App. LEXIS 2371.

The Governor's daily, weekly, and monthly appointment calendars were not exempt from disclosure under the Public Records Act by Gov C § 6254, subd. (1), exempting from disclosure correspondence of and to the Governor or employees of the Governor's office. For purposes of the act, the correspondence exemption must be confined to communications by letter, and the Governor's appointment calendars and schedules did not meet that definition. *Times Mirror Co. v. Superior Court* (Cal. July 22, 1991), 53 Cal. 3d 1325, 283 Cal. Rptr. 893, 813 P.2d 240, 1991 Cal. LEXIS 3059.

In an action brought under the California Public Records Act (Gov C § 6250 et seq.) by a private organization to compel the Governor to disclose the names and qualifications of applicants for a temporary appointment to a local board of supervisors, the letters and application forms received by the Governor's Office from applicants for appointment to the vacant supervisor position constituted "[c]orrespondence of and to the Governor or employees of the Governor's office" within the meaning of Gov C § 6254, subd. (1). The correspondence exemption was intended to protect communications to the Governor and members of the Governor's staff from correspondents outside of government. The application forms from private citizens, like formal letters and other mail from citizens, did not become public records until received by the Governor's Office. Gov C § 6254 permits the Governor to receive such communications in confidence. *California First Amendment Coalition v. Superior Court* (Cal. App. 3d Dist. Oct. 9, 1998), 67 Cal. App. 4th 159, 78 Cal. Rptr. 2d 847, 1998 Cal. App. LEXIS 854.

Public records containing names of county retirees and their pension amounts were not exempt from California Public Records Act disclosure under Gov C § 6253(a). Because Gov C § 31532 did not exempt the records, Gov C § 6254(k) did not apply; moreover, the balancing test applied under Gov C § 6255(a) weighed in favor of disclosure. *San Diego County Employees Retirement Assn. v. Superior Court* (Cal. App. 4th Dist. June 28, 2011), 196 Cal. App. 4th 1228, 127 Cal. Rptr. 3d 479, 2011 Cal. App. LEXIS 823.

Forms used by a sheriff's department to document when a vehicle is towed to be stored or impounded fell under the exemption for records that are prohibited under federal or state law because the forms contained personal information, including addresses, obtained from the Department of Motor Vehicles; disclosure was prohibited under state and federal statutes. *County of Los Angeles v. Superior Court* (Cal. App. 2d Dist. Nov. 20, 2015), 242 Cal. App. 4th 475, 195 Cal. Rptr. 3d 110, 2015 Cal. App. LEXIS 1034.

Citizen group had no right to inspect and copy ballots after a presidential primary election because the ballots were exempt from public records disclosure as materials expressly protected from disclosure by statute. Specific, clear statutory language required that the ballots be kept unopened after being counted, and thus the right of access was outweighed by privacy interests and voting secrecy. *Citizens Oversight, Inc. v. Vu* (Cal. App. 4th Dist. May 21, 2019), 247 Cal. Rptr. 3d 521, 35 Cal. App. 5th 612, 2019 Cal. App. LEXIS 474.

8. Records of Complaints

Gov C § 6254, subd. (f), exempting from the disclosure requirements of the Public Records Act, "records of complaints to," or investigations conducted by, the office of the Attorney General and the Department of Justice,

and any state or local agency, or any such investigatory or security files compiled by any other state or local agency for correctional, law enforcement or licensing purposes, does not violate First Amendment guarantees of freedom to communicate. Decisional law generally accepts the assumption that a statute calling for general disclosure may validly define reasonably restricted areas of nondisclosure, provided that they are justified by a genuine public policy concern, such as the privacy of citizens whose information gets into government files. *Black Panther Party v. Kehoe* (Cal. App. 3d Dist. Oct. 24, 1974), 42 Cal. App. 3d 645, 117 Cal. Rptr. 106, 1974 Cal. App. LEXIS 1256.

Gov C § 6254, subd. (f), exempting from the disclosure requirements of the Public Records Act, “records of or complaints to,” or investigations conducted by, the office of the Attorney General and the Department of Justice, and any state or local police agency, “or any such investigatory...files compiled by any other state or local agency for correctional, law enforcement or licensing purposes,” is properly interpreted as exempting records of complaints, as well as records of investigation maintained for licensing purposes by agencies of the Department of Consumer Affairs. The words “any such” would be surplusage if they did not embrace the same records as the preceding clause, and that textual interpretation comports with the dual legislative concern, appearing throughout the act, for individual privacy as well as disclosure “concerning the conduct of the people’s business.” Both complaining witnesses, who often demand anonymity, and the public have an interest in the confidentiality of complaints of wrongdoing prior to the inception of formal enforcement or disciplinary proceedings. *Black Panther Party v. Kehoe* (Cal. App. 3d Dist. Oct. 24, 1974), 42 Cal. App. 3d 645, 117 Cal. Rptr. 106, 1974 Cal. App. LEXIS 1256.

In holding that letters of complaint to the Bureau of Collections and Investigative Services charging unethical or abusive practices by licensed collection agencies are exempt from disclosure as “records of complaint” within the meaning of Gov C § 6254, subd. (f), the trial court erred in failing to find on the material factor, urged as a special basis of plaintiffs’ demand for disclosure under the Public Records Act, of the bureau’s practice of furnishing copies of consumer complaints to the affected licensees. Gov C § 6254, setting forth various categories of exemptions, and further providing that it is not to be construed as “preventing” public inspection of exempted material not otherwise prohibited by law, does not permit selective disclosure. The practice of disclosing complaints to the affected licensees destroys the privilege of confidentiality otherwise permitted by the statute, and, when a record loses its exempt status, it becomes subject to the provision of Gov C § 6253, subd. (a), that “every citizen has a right to inspect any public record.” *Black Panther Party v. Kehoe* (Cal. App. 3d Dist. Oct. 24, 1974), 42 Cal. App. 3d 645, 117 Cal. Rptr. 106, 1974 Cal. App. LEXIS 1256.

The procedural regulations of the California Highway Patrol governing the investigation of citizen complaints concerning conduct of personnel in that department come within the meaning of “Public Records” in Gov C § 6252, subd (d), defining terms used in the Public Records Act (Gov C §§ 6250 et seq.), and since such regulations are not themselves “records of complaints” or “investigations” within the meaning of Gov C § 6254, subd (f), and are thus not exempt from disclosure thereunder, or under Gov C § 6254, subd (k), they are required by the Public Records Act to be made available by the department for public inspection and copying. *Cook v. Craig* (Cal. App. 3d Dist. Feb. 25, 1976), 55 Cal. App. 3d 773, 127 Cal. Rptr. 712, 1976 Cal. App. LEXIS 1289.

In an action by a newspaper under the California Public Records Act (CPRA) (Gov C § 6250 et seq.) to compel a city to comply with its request for public access to certain records regarding investigations of citizens’ complaints against the city’s police department, the trial court erred in ordering disclosure in camera of the requested records and preparation of a descriptive index of the documents with reasons for exempting them from disclosure. Pen C § 832.7, establishes the confidentiality of the records, since the term “confidential,” as used therein, has independent significance and, thus, the statute does not merely define procedures for disclosure of such records in criminal and civil proceedings. And, although the CPRA procedures applied to the newspaper’s request, Pen C § 832.7, is a provision of state law within the meaning of Gov C § 6254, subd. (k), which exempts from disclosure records exempted pursuant to state law. Pen C § 832.7, allows the dissemination of data regarding the number, type, and disposition of complaints, provided the individuals involved are not identified, but the newspaper’s request was not narrowly drawn with that section in mind. Also, Gov C § 6259, permits an in camera examination of records to determine if they have been properly withheld, but only if the records are clearly subject to disclosure. *City of Richmond v. Superior Court* (Cal. App. 1st Dist. Mar. 3, 1995), 32 Cal. App. 4th 1430, 38 Cal. Rptr. 2d 632, 1995 Cal. App. LEXIS 200.

Official information privilege did not protect from public records disclosure documents relating to a complaint by a school district’s executive director of human resources against the district’s superintendent that preceded the director’s dismissal; the important role of senior administrators supported disclosure of claims against them and the public’s right to know how they were performing in their offices. *Caldecott v. Superior Court* (Cal. App. 4th Dist. Dec. 9, 2015), 243 Cal. App. 4th 212, 196 Cal. Rptr. 3d 223, 2015 Cal. App. LEXIS 1146.

Whether an school district employee was a whistleblower had nothing to do with whether he was entitled to public records access to documents relating to his complaint against the superintendent. *Caldecott v. Superior Court* (Cal. App. 4th Dist. Dec. 9, 2015), 243 Cal. App. 4th 212, 196 Cal. Rptr. 3d 223, 2015 Cal. App. LEXIS 1146.

9. Pending Litigation; Discovery

In a personal injury action against a city for battery by a policeman, information relating to any suspension of the officer resulting from the alleged battery would not be discoverable, in view of the rule prohibiting the use of remedial measures undertaken after an event to prove negligence or culpability in connection with the event itself. *City of Los Angeles v. Superior Court* (Cal. App. 2d Dist. Aug. 1, 1973), 33 Cal. App. 3d 778, 109 Cal. Rptr. 365, 1973 Cal. App. LEXIS 932.

Gov C § 6254, subd. (b), exempting from disclosure records “pertaining to” pending litigation to which a public agency is a party, was not applicable to an order for discovery of information and documents in the possession of the Division of Industrial Safety, in personal injury and wrongful death actions arising out of the collapse of a bridge under construction. The exception in question essentially provides public agencies with the protection of the attorney-client privilege, including work product, for a limited period while there is ongoing litigation, and the discovery order did not require the disclosure of any documents or records coming within the attorney-client privilege. *State of California ex rel. Division of Industrial Safety v. Superior Court* (Cal. App. 2d Dist. Nov. 27, 1974), 43 Cal. App. 3d 778, 117 Cal. Rptr. 726, 1974 Cal. App. LEXIS 1355.

In a wrongful death action against a city and certain of its employees including police officers who allegedly inflicted fatal gunshot wounds on the deceased, the district attorney could not successfully resist plaintiff’s efforts to discover materials in his possession under the absolute privilege established as to official information by Evi C § 1040, subd (b)(1), if disclosure is forbidden by federal or state statutes, on the ground that Gov C § 6254, subd (f), a part of the Public Records Act relating to “records of complaints to or investigations conducted by, or records of intelligence information or security procedures of” law enforcement agencies, forbids disclosure of such material. The statute, by its terms, deals only with public inspection of certain governmental documents, and the act further specifically provides in Gov C § 6260, that its provision “shall not be deemed in any manner to affect the rights of litigants, including parties to administrative proceedings, under the laws of discovery.” *Shepherd v. Superior Court of Alameda County* (Cal. June 11, 1976), 17 Cal. 3d 107, 130 Cal. Rptr. 257, 550 P.2d 161, 1976 Cal. LEXIS 279, overruled in part, *People v. Holloway* (Cal. June 17, 2004), 33 Cal. 4th 96, 14 Cal. Rptr. 3d 212, 91 P.3d 164, 2004 Cal. LEXIS 5504.

The trial court’s discovery order in a professor’s defamation action against his former university employer that allowed the professor discovery of his tenure and promotion files, save and except letters of recommendation or reference to the university concerning the professor written when he was being considered for employment constituted error insofar as it failed to provide appropriate protection of the privacy interests of those who had furnished confidential information for the files after the professor’s employment. Protection should have been afforded not only to those who had furnished confidential information prior to the professor’s employment, but also to all those who had subsequently furnished confidential information concerning the professor’s qualifications for employment, promotion, additional compensation, or termination. Since there was no compelling state purpose in maintenance of confidentiality of the contents of letters of reference in the file, the professor was entitled to the disclosure thereof, subject to protection of the confidential communications’ authors by withholding their names and other identification. Courts should impose partial limitations rather than outright denial of discovery when by doing so otherwise affected constitutional rights may be preserved. *Board of Trustees v. Superior Court of Santa Clara County* (Cal. App. 1st Dist. May 28, 1981), 119 Cal. App. 3d 516, 174 Cal. Rptr. 160, 1981 Cal. App. LEXIS 1766, overruled in part, *Williams v. Superior Court* (Cal. July 13, 2017), 220 Cal. Rptr. 3d 472, 398 P.3d 69, 3 Cal. 5th 531, 2017 Cal. LEXIS 5124.

The Public Records Act (Gov C §§ 6250 et seq.) did not require disclosure of a letter a city attorney prepared for the city council, in which the attorney expressed legal opinions concerning a resident’s pending appeal of a parcel map. Although the letter was a “public record” within the meaning of the act, it was a confidential communication within the attorney-client privilege. Further, Gov C § 6254, subd. (b), which exempts from disclosure records pertaining to pending litigation until the litigation is terminated, does not operate to limit the scope of the attorney-client privilege to matters pertaining to pending litigation. This subdivision pertains to all public records, but does not address the privilege. Gov C § 6254, subd. (k), expressly exempts from disclosure matters privileged under the Evidence Code. This includes the attorney-client privilege. Thus, the city could assert the privilege

without the necessity of alleging that the letter was a document pertaining to pending litigation. *Roberts v. City of Palmdale* (Cal. June 24, 1993), 5 Cal. 4th 363, 20 Cal. Rptr. 2d 330, 853 P.2d 496, 1993 Cal. LEXIS 3190.

Under the “pending litigation” exemption from the disclosure of public records (Gov C § 6254, subd. (b)), a document is protected from disclosure only if it was specifically prepared for use in litigation. Thus, records of an internal investigation conducted by a city police department into the actions of a police sergeant (focusing on whether he had improperly used city property, investigated drug use on county property while on duty as a city officer, or used his police status to obtain confidential information from a school) were not protected from disclosure to a newspaper under that exemption, even though they later became relevant to a tort claim arising from the sergeant’s conduct, which was filed by a deputy sheriff two weeks after the investigation had concluded. *City of Hemet v. Superior Court* (Cal. App. 4th Dist. Aug. 24, 1995), 37 Cal. App. 4th 1411, 44 Cal. Rptr. 2d 532, 1995 Cal. App. LEXIS 824.

A city was required, under the California Public Records Act (Gov C §§ 6250 et seq.), to disclose to an individual deposition transcripts from litigation in which the city was a party. Although it asserted the depositions fell under the Civil Discovery Act, the California Public Records Act contemplates that litigation documents fall within its purview. Gov C § 6254, subd. (b), exempts records of pending litigation from disclosure only until the litigation is completed, and it is not limited to attorney-client privilege or work product matters. The depositions also related to conduct of public business subject to disclosure. Nor was the city exempt under Gov C § 6254, subd. (k) (disclosure not required for records exempted under federal or state law). Although it asserted that, under Gov C § 6254.5, subd. (b), no waiver of exemption occurred since it was compelled to take part in discovery in the underlying cases, that section references the exemption of Gov C § 6254, subd. (b), which lasts only while litigation is pending, and the cases were completed. Nor were the depositions exempt under Gov C § 6255 (exemption if public interest served by withholding record outweighs public interest served by disclosure). The cases involved claims of excessive force with police dogs, and disclosure served a public interest. There was also no evidence of invasion of the privacy rights of people involved in the cases. Finally, there was no evidence of the burden or prejudice the city faced in having to review the depositions for exemptions, nor did the city cite any provision that this was a valid ground for nondisclosure. *City of Los Angeles v. Superior Court* (Cal. App. 2d Dist. Jan. 10, 1996), 41 Cal. App. 4th 1083, 49 Cal. Rptr. 2d 35, 1996 Cal. App. LEXIS 23.

A claim form submitted by a minor to a public school district under the California Tort Claims Act (Gov C § 910 et seq.), where a student was sodomized with a broomstick by classmates during a hazing incident, was not protected against disclosure under exemptions in the Public Records Act (Gov C § 6254(b) or Gov C § 6255), or Ed C § 49060. Gov C § 6254(b) was primarily designed to prevent a litigant opposing the government from using the Public Records Act’s disclosure provisions to accomplish earlier or greater access to records pertaining to pending litigation or tort claims than would otherwise be allowed under the rules of discovery. No unfair advantage inures against the public entity by disclosure of the mere claim form. Thus, a Claims Act form itself does not fall within the exemption of Gov C § 6254(b). In addition, the claim form is not exempt under Gov C § 6255 in that the public interest served by withholding the claims does not clearly outweigh the public interest served by disclosure of the record. Given the facts of the case, there was no reasonable expectation of privacy, nor was there conduct constituting a serious invasion of privacy. However, there is a legitimate and important competing public interest in ending school hazing practices that potentially endanger many children. Finally, the District failed to justify withholding any record under Ed C § 49060. A Claims Act claim, even if presented on behalf of a student, is not an “educational record” or “pupil record” within the purview of such exemption. Just because a litigant has chosen to sue a school does not transmogrify the Claims Act claim into such a record. *Poway Unified Sch. Dist. v. Superior Court* (Cal. App. 4th Dist. Apr. 13, 1998), 62 Cal. App. 4th 1496, 73 Cal. Rptr. 2d 777, 1998 Cal. App. LEXIS 318.

A petitioner sought a writ of mandate to compel the respondent superior court to order the real party in interest, a city, to provide the petitioner with all documents relating to his arrest, pursuant to his request for the documents under the California Public Records Act (CPRA; Gov C § 6250 et seq.). The trial court denied the writ on the basis that the documents at issue were exempted from disclosure under the “pending litigation” provision found in Gov C § 6254, subd. (b). After the petition for writ of mandate was filed in this case, the city provided petitioner with all of the documents in its possession pertaining to petitioner’s arrest. This did not render the matter moot, however, because the question of petitioner’s entitlement to the documents in the first place remained to be determined. Further, if the question was to be decided in petitioner’s favor, he would be entitled to collect his attorney fees and costs. (Gov C § 6259, subd. (d).) In addition, the interpretation of the “pending litigation” exemption to the CPRA was a matter of public interest and continuing concern. *Fairley v. Superior Court* (Cal. App. 2d Dist. Sept. 30, 1998), 66 Cal. App. 4th 1414, 78 Cal. Rptr. 2d 648, 1998 Cal. App. LEXIS 823.

Where a petitioner sought a writ of mandate to compel the respondent superior court to order the real party in interest, a city, to provide the petitioner with all documents relating to his arrest, pursuant to his request for the documents under the California Public Records Act (CPRA; Gov C § 6250 et seq.), the trial court erred in denying the writ on the basis that the documents at issue were exempted from disclosure under the “pending litigation” provision found in Gov C § 6254, subd. (b). “Pending litigation,” which focuses on the purpose of the document, serves to protect documents created by a public entity for its own use in anticipation of litigation, which documents it reasonably has an interest in keeping to itself until litigation is finalized. In this way, a litigant opposing a public entity is prevented from taking unfair advantage of the public agency status of his or her opponent. Through this exemption, a public entity may refuse to disclose documents which it prepares for use in litigation. There appears to be no grave danger in allowing a litigant or potential litigant to obtain documents from a public agency through the CPRA, rather than waiting to file suit and obtaining the documents through formal discovery. In fact, to the extent that settlement of disputes may be aided by prompt access to documents, it would be better. *Fairley v. Superior Court* (Cal. App. 2d Dist. Sept. 30, 1998), 66 Cal. App. 4th 1414, 78 Cal. Rptr. 2d 648, 1998 Cal. App. LEXIS 823.

A plaintiff who has filed suit against a public agency may, either directly or indirectly through a representative, file a Public Records Act request for the purpose of obtaining documents for use in the plaintiff’s civil action; the documents must be produced unless one or more of the statutory exemptions apply (Gov C § 6254). Nor is a court bound by prior discovery rulings unless all of the elements of collateral estoppel are present. *County of Los Angeles v. Superior Court* (Cal. App. 2d Dist. July 31, 2000), 82 Cal. App. 4th 819, 98 Cal. Rptr. 2d 564, 2000 Cal. App. LEXIS 607.

A document is protected from disclosure under the pending litigation exemption only if the document was specifically prepared for use in litigation. Section 6254(b), however, is not duplicative of subdivision (k), through which CCP § 2018 (repealed) applies and protects attorney work product, but rather subdivision (b) confers upon public agencies a broader exemption from disclosure by protecting the work product generated by a public agency in anticipation of litigation. *County of Los Angeles v. Superior Court* (Cal. App. 2d Dist. July 31, 2000), 82 Cal. App. 4th 819, 98 Cal. Rptr. 2d 564, 2000 Cal. App. LEXIS 607.

Newspaper was not entitled to disclosure of communications between a university and two employees relating to the employees’ law suits because the parties intended that their correspondence not be disclosed to third parties. *Board of Trustees of California State University v. Superior Court* (Cal. App. 4th Dist. Sept. 14, 2005), 132 Cal. App. 4th 889, 34 Cal. Rptr. 3d 82, 2005 Cal. App. LEXIS 1443.

Pending litigation exemption of Gov C § 6254(b) applies to litigation-related documents, when sought by persons or entities not party to the litigation, which the parties to the litigation do not intend to be revealed outside the litigation. *Board of Trustees of California State University v. Superior Court* (Cal. App. 4th Dist. Sept. 14, 2005), 132 Cal. App. 4th 889, 34 Cal. Rptr. 3d 82, 2005 Cal. App. LEXIS 1443.

Deposition transcripts are not covered by the pending litigation exemption of Gov C § 6254(b) because they are available to the public under CCP § 2025.570. *Board of Trustees of California State University v. Superior Court* (Cal. App. 4th Dist. Sept. 14, 2005), 132 Cal. App. 4th 889, 34 Cal. Rptr. 3d 82, 2005 Cal. App. LEXIS 1443.

Newspaper was entitled to disclosure of deposition transcripts relating to litigation between a university and two employees. *Board of Trustees of California State University v. Superior Court* (Cal. App. 4th Dist. Sept. 14, 2005), 132 Cal. App. 4th 889, 34 Cal. Rptr. 3d 82, 2005 Cal. App. LEXIS 1443.

In a case in which a card room operator challenged a city ordinance that prohibited operation of card rooms between 2:00 a.m. and 6:00 a.m. and backline betting, the trial court properly issued a discovery order protecting specified documents from disclosure on the ground that their discovery would violate the mental processes principle, which precludes judicial inquiry into the motivation or mental processes of legislators in enacting legislation. Because evidence relating to the mental processes of individual legislators was irrelevant to the judicial task, the evidence was not the proper subject of discovery requests. *Sutter's Place Inc. v. Superior Court* (Cal. App. 6th Dist. Mar. 18, 2008), 161 Cal. App. 4th 1370, 75 Cal. Rptr. 3d 9, 2008 Cal. App. LEXIS 541.

In a case in which a surrogate for a party to a pending civil rights lawsuit against a county sought to obtain documents under the California Public Records Act, Gov C §§ 6250 et seq., relating to the attorney fees charged by litigation counsel for the county, the trial court reasonably found that, based on the evidence before it, the billing and payment records in question were not prepared for use in litigation as that term was explained in the appellate decisions. That was true even though the records in question related to pending litigation and, indeed, would not have existed but for the pending litigation because the dominant purpose for preparing the documents was not for use in litigation, but as part of normal record keeping and to facilitate the payment of attorney fees on a regular

basis. *County of Los Angeles v. Superior Court* (Cal. App. 2d Dist. Nov. 16, 2012), 211 Cal. App. 4th 57, 149 Cal. Rptr. 3d 324, 2012 Cal. App. LEXIS 1188, modified, (Cal. App. 2d Dist. Dec. 3, 2012), 2012 Cal. App. LEXIS 1227.

10. Evidentiary Privileges

An agreement entered into between a school district and a private corporation, providing for performance by the corporation of research and development work and services for a fee, could not be said to require the district to violate Gov C § 6253, requiring generally that public records be open to inspection during an agency's office hours, but giving the agency the right to adopt regulations stating the procedures to be followed when making records available, where the agreement specifically permitted the disclosure of any confidential material for which there was a reasonable and proper need, on the condition that the person receiving the material agree not to publish or sell it. Moreover, Gov C § 6254, provides that nothing in the Public Records Act shall be construed to require disclosure of records exempted by provisions of the Evidence Code relating to privilege, and, under Evi C § 1060, the owner of a trade secret is privileged to refuse to disclose, and to prevent another from disclosing the secret. *California Sch. Employees Assn. v. Sunnyvale Elementary Sch. Dist.* (Cal. App. 1st Dist. Dec. 17, 1973), 36 Cal. App. 3d 46, 111 Cal. Rptr. 433, 1973 Cal. App. LEXIS 636.

In an action by former faculty members of a state university against the chancellor and others, predicated on their alleged denial of tenure or retention in retaliation for opposing the election of their department chairman, in which the faculty members made a strong showing in a motion for discovery that certain official information was essential to determine whether they were dismissed for exercising constitutional rights, rather than for the stated reasons, the trial court did not comply with applicable principles requiring it, on being confronted with a claim of conditional privilege for official information under Ev C § 1040, subd. (b)(2), to engage in a weighing process to determine whether the disclosure would be against the public interest, where the trial court's one-sentence and one-word orders denying the motions contained no findings that disclosure would be against the public interest. *Parnes v. Superior Court* (Cal. App. 1st Dist. June 15, 1978), 81 Cal. App. 3d 831, 146 Cal. Rptr. 818, 1978 Cal. App. LEXIS 1627.

Financial data supplied by a waste disposal company to a city which the city relied on in granting a rate increase to the disposal company pursuant to an exclusive contract between the city and the waste disposal company for the collection of waste and garbage within the city limits, was not exempt from disclosure as a public record by Gov C § 6254, subd. (k), which exempts from disclosure records exempted from disclosure under federal or state law, including Evid. Code, §§ 1040 (privilege for official information) and 1060 (privilege to protect trade secret). There was no showing that the city would be injured by revealing the data. Moreover, under Evid. Code, § 1040, there was no showing that disclosure of the information was against the public interest; disclosure was shown to weigh in favor of the public's interest in view of the fact that the rate increase amounted to a 15 to 25 percent increase in just two years that the public—not the city—would have to pay. Further, assurances of confidentiality were insufficient in themselves to justify withholding pertinent public information from the public. Nor was a showing of egregious conduct necessary to gain access to relevant data, since in many cases knowledge of such could only be gained by access. *San Gabriel Tribune v. Superior Court* (Cal. App. 2d Dist. June 9, 1983), 143 Cal. App. 3d 762, 192 Cal. Rptr. 415, 1983 Cal. App. LEXIS 1811.

Rejection of a county sheriff's claim for exemption from disclosure to a television and broadcasting company of records pertaining to licenses to carry concealed weapons, under Gov C § 6255, the "catch-all" exemption to the general policy of disclosure of public records under the Public Records Act (Gov C §§ 6250 et seq.), on the ground that the public interest weighed in favor of disclosure as opposed to nondisclosure, required rejection of a claim for exemption made by the sheriff with respect to the same records, under Gov C § 6254, subd. (k), exempting records, disclosure of which is exempted or prohibited pursuant to provisions of federal or state law, including, but not limited to, provisions of the Evidence Code relating to privilege, since the same weighing process is involved under both provisions. Rejection of the sheriff's claim for exemption from disclosure of the records sought, based on Evid. Code, § 1040, which creates a privilege for official information acquired in confidence, under certain circumstances, was mandated for the same reason. *CBS, Inc. v. Block* (Cal. Oct. 9, 1986), 42 Cal. 3d 646, 230 Cal. Rptr. 362, 725 P.2d 470, 1986 Cal. LEXIS 270.

In a civil action in which the defendant sought to compel discovery of memoranda from a state agency to the Governor's office, the trial court erred in denying the motion on grounds that such memoranda were absolutely privileged. The applicable privilege was not absolute but conditional under Ev C § 1040(b)(2), which required the trial court to consider the party's need for disclosure in the interest of justice, and to determine whether that interest was outweighed by the public interest in preserving confidentiality. The Public Records Act exemption for the

Governor's correspondence (Gov C § 6254 (l)) did not apply to the issue whether records were privileged in pending litigation so as to defeat a party's right to discovery (Gov C § 6260). *Marylander v. Superior Court* (Cal. App. 2d Dist. June 28, 2000), 81 Cal. App. 4th 1119, 97 Cal. Rptr. 2d 439, 2000 Cal. App. LEXIS 516.

County met its burden to show that invoices from its outside counsel fell within the exemption from public records disclosure for documents protected by the attorney-client privilege because the invoices were confidential communications; a declaration established that the invoices were kept confidential, and the invoices were made in the course of an attorney-client relationship when outside counsel represented the county in the litigation from which the invoices arose. *Los Angeles County Bd. of Supervisors v. Superior Court* (Cal. App. 2d Dist. Apr. 13, 2015), 235 Cal. App. 4th 1154, 185 Cal. Rptr. 3d 842, 2015 Cal. App. LEXIS 308, review granted, depublished, (Cal. July 8, 2015), 189 Cal. Rptr. 3d 206, 351 P.3d 329, 2015 Cal. LEXIS 4807, rev'd, (Cal. Dec. 29, 2016), 212 Cal. Rptr. 3d 107, 386 P.3d 773, 2 Cal. 5th 282, 2016 Cal. LEXIS 9629.

School district could maintain an action for injunctive relief seeking to recover inadvertently disclosed documents that it contended fell within the privilege exemption from public records disclosure. Waiver under Gov. Code, § 6254.5, as construed to avoid conflict with Evid. Code, § 912, does not occur as a result of an inadvertent release, notwithstanding the interpretive rule generally favoring public access. *Newark Unified School Dist. v. Superior Court* (Cal. App. 1st Dist. July 31, 2015), 239 Cal. App. 4th 33, 2015 Cal. App. LEXIS 671, review granted, depublished, (Cal. Oct. 14, 2015), 193 Cal. Rptr. 3d 538, 357 P.3d 770, 2015 Cal. LEXIS 7846, ordered published, sub. op., (Cal. App. 1st Dist. July 31, 2015), 245 Cal. App. 4th 887, 190 Cal. Rptr. 3d 721, 2016 Cal. App. LEXIS 219.

City did not waive exemption from disclosure for material privileged by statute when the city inadvertently disclosed, in response to a public records request, documents that the city asserted came within either the attorney-client privilege or the work product privilege. Waiver does not apply to inadvertent disclosures, notwithstanding the rule of construction that generally requires statutory ambiguities to be resolved in favor of greater access to public records. *Ardon v. City of Los Angeles* (Cal. Mar. 17, 2016), 62 Cal. 4th 1176, 199 Cal. Rptr. 3d 743, 366 P.3d 996, 2016 Cal. LEXIS 1572.

Attorney-client privilege as construed to further the people's right of access did not categorically shield billing invoices for services provided by a county's outside counsel from public records disclosure; however, the privilege protects the confidentiality of invoices for work in pending and active legal matters, which implicates the confidentiality of legal consultation. If only parts of invoices are exempt, any reasonably segregable portion not exempt must be disclosed. *Los Angeles County Bd. of Supervisors v. Superior Court* (Cal. Dec. 29, 2016), 212 Cal. Rptr. 3d 107, 386 P.3d 773, 2 Cal. 5th 282, 2016 Cal. LEXIS 9629, writ denied, (Cal. App. 2d Dist. June 5, 2017).

Although due process concerns were present regarding communications between the Agricultural Labor Relations Board and its general counsel in seeking injunctive relief against an employer when counsel served as prosecutor in administrative proceedings, the superior court erred in disregarding the attorney-client privilege and ordering public records disclosure of those communications. Any violation of the ban on ex parte communications could be remedied by inclusion in the administrative record. *Agricultural Labor Relations Bd. v. Superior Court* (Cal. App. 3d Dist. Oct. 25, 2016), 209 Cal. Rptr. 3d 243, 4 Cal. App. 5th 675, 2016 Cal. App. LEXIS 901.

California Public Records Act's procedure to enforce the right of access to public records is exclusive and does not encompass actions brought by parties seeking to prevent disclosure of public records; thus, a newspaper was not entitled to attorney fees after it substantially prevailed in a mandamus action brought by an officer of a public agency who asserted that a statutory exemption based on attorney-client privilege applied to records that the agency had agreed to disclose to the newspaper. *National Conference of Black Mayors v. Chico Community Publishing, Inc.* (Cal. App. 3d Dist. July 25, 2018), 236 Cal. Rptr. 3d 1, 25 Cal. App. 5th 570, 2018 Cal. App. LEXIS 653.

Pharmaceutical manufacturer was not entitled to a preliminary injunction to prevent a state agency from disclosing a drug price increase notice as a public record because the manufacturer did not show confidentiality had been maintained after disclosure to registered purchasers and others; thus, it did not meet its burden of proof in asserting the privilege for trade secrets, to which the Uniform Trade Secrets Act's definition applies. *Amgen Inc. v. California Correctional Health Care Services* (Cal. App. 2d Dist. Apr. 9, 2020), 260 Cal. Rptr. 3d 873, 47 Cal. App. 5th 716, 2020 Cal. App. LEXIS 296.

11. Deliberative Process Exemption

Under the "deliberative process" exemption to disclosure of public records (Gov C § 6254, subd. (a)) in the Public Records Act, the key question is whether the disclosure of materials would expose an agency's decisionmaking process in such a way as to discourage candid discussion within the agency and thereby undermine the agency's ability to perform its functions. Even if the content of a document is purely factual, it is nonetheless

exempt from public scrutiny if it is actually related to the process by which policies are formulated or inextricably intertwined with policymaking processes. *Times Mirror Co. v. Superior Court* (Cal. July 22, 1991), 53 Cal. 3d 1325, 283 Cal. Rptr. 893, 813 P.2d 240, 1991 Cal. LEXIS 3059.

Trial court erred in ordering the Labor and Workforce Development Agency to produce an index identifying the author, recipient, general subject matter, and nature of the exemption claimed to justify withholding information in response to a request for documents under the Public Records Act because the order required disclosure of matters protected by the deliberative process and work product privileges. *Labor & Workforce Development Agency v. Superior Court* (Cal. App. 3d Dist. Jan. 8, 2018), 227 Cal. Rptr. 3d 744, 19 Cal. App. 5th 12, 2018 Cal. App. LEXIS 15.

Public records exemption claim, which asserted the preliminary draft exemption and the deliberative process privilege, failed because the county did not specifically explain the role of any of the numerous documents in the deliberative process or why disclosure would be harmful. A remand was appropriate to allow the county to supplement its inadequate declarations. *Golden Door Properties, LLC v. Superior Court* (Cal. App. 4th Dist. July 30, 2020), 52 Cal. App. 5th 837, 2020 Cal. App. LEXIS 710, modified, (Cal. App. 4th Dist. Aug. 25, 2020), 2020 Cal. App. LEXIS 810, reprinted, sub. op., (Cal. App. 4th Dist. July 30, 2020), 267 Cal. Rptr. 3d 32, 53 Cal. App. 5th 733, 2020 Cal. App. LEXIS 827.

12. Personnel Matters

In a prosecution of a state prison inmate for the murder of a prison employee, the trial court did not abuse its discretion in denying defendant's pretrial discovery motion for production, for impeachment purposes, of the complete personnel files of all prison staff members and the inmate files of all prisoners that each side was considering calling to testify at trial, where the prosecutor had offered to go through the files and disclose any material which might be relevant to impeachment, but defense counsel apparently rejected that offer. The blanket request failed to describe the requested information with sufficient specificity and there is a legitimate public interest in protecting against wholesale disclosure of the matter requested. *People v. Gaulden* (Cal. App. 3d Dist. Jan. 9, 1974), 36 Cal. App. 3d 942, 111 Cal. Rptr. 803, 1974 Cal. App. LEXIS 733.

In determining, under Gov C § 6259, whether a public official is justified in refusing to publicly disclose records of investigations of complaints against employees on the ground that the public interest in protection of personal privacy outweighs the public interest in disclosure (Gov C §§ 6254, subd. (c), and 6255), the court should consider whether there is reasonable cause to believe the charges were well founded and whether they were substantial in nature. Thus, in an action to compel disclosure of an audit report of financial activities of university employees, the trial court abused its discretion in refusing to order disclosure of portions of the audit report that indicated certain substantial charges against the employees to be well founded. *American Federation of State Etc. Employees v. Regents of University of California* (Cal. App. 1st Dist. May 16, 1978), 80 Cal. App. 3d 913, 146 Cal. Rptr. 42, 1978 Cal. App. LEXIS 1474.

Information sought by a citizens' assistant, appointed pursuant to a city charter, relating to a complaining citizen's evaluation, by a city department, on her application for employment was not exempt from disclosure under the Public Records Act. The assistant was clothed with official dignity and prestige comparable to that of other city officials and his official acts were those of the city itself. A disclosure, such as the one sought, by one official or department to another is not a "public disclosure." In the exercise of his functions, the citizens' assistant, like all other of the city's officials and employees, was subject to the provisions of any law forbidding public, or private, disclosure of designated records or information to citizens or others. *Parrott v. Rogers* (Cal. App. 1st Dist. Mar. 18, 1980), 103 Cal. App. 3d 377, 163 Cal. Rptr. 75, 1980 Cal. App. LEXIS 1582.

Financial data supplied by a waste disposal company to a city which the city relied on in granting a rate increase to the company pursuant to an exclusive contract between the city and company for the collection of waste and garbage within the city limits, was not exempt from disclosure as a public record by Gov C § 6254, subd. (c), which exempts from disclosure "[p]ersonal, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy." When the city publicly based its decision to permit the company to increase waste and garbage collection rates on the financial data supplied by the disposal company, the data lost its exempt status. *San Gabriel Tribune v. Superior Court* (Cal. App. 2d Dist. June 9, 1983), 143 Cal. App. 3d 762, 192 Cal. Rptr. 415, 1983 Cal. App. LEXIS 1811.

Two letters in a city firefighter's personnel file—one letter appointing him to the position of transit administrator and the other rescinding the appointment and reinstating him as a firefighter—were not exempt from disclosure under Gov C § 6254, subd. (c), which exempts personnel files, the disclosure of which would constitute an unwarranted invasion of personal privacy, from disclosure under the Public Records Act (Gov C §§ 6250 et seq.). The

letters contained no personal information. Although reclassification may be embarrassing to an individual, in California, employment contracts are public records and may not be considered exempt. (Gov C § 6254.8.) The letters were memoranda of the firefighter's appointment to a position and the rescission thereof; they therefore manifested his employment contract. Because the letters regarded business transactions and contained no personal information, the trial court properly ordered disclosure of the letters under the act. *Braun v. City of Taft* (Cal. App. 5th Dist. Apr. 10, 1984), 154 Cal. App. 3d 332, 201 Cal. Rptr. 654, 1984 Cal. App. LEXIS 1890.

The trial court did not err in ordering disclosure of the first page of a city firefighter's salary card under the Public Records Act (Gov C §§ 6250 et seq.), to show that the firefighter's employment record had been altered, although the card contained personal information (the firefighter's address, birth date, phone number, social security and credit union numbers, and salary) which was not relevant to the inquiry. The trial court could have ordered the personal information taken out before the card was made public; however, the data listed on the card was not in any way embarrassing and, although personal, was not secret. Thus, the court was within its discretion in finding that the disclosure of the face sheet of the salary card would not constitute an unwarranted invasion of personal privacy under Gov C § 6254, subd. (c), and was not exempt from disclosure thereunder. *Braun v. City of Taft* (Cal. App. 5th Dist. Apr. 10, 1984), 154 Cal. App. 3d 332, 201 Cal. Rptr. 654, 1984 Cal. App. LEXIS 1890.

Although Gov C § 6254, subd. (c), exempts personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of privacy, from disclosure under the Public Records Act (Gov C §§ 6250 et seq.), the Legislature, by using the word "files," did not intend to exempt the entire file and thus to prohibit the selective disclosure of certain documents from the file. In view of Gov C § 6250, which states that "In enacting this chapter, the Legislature, mindful of the right of individuals to privacy, finds and declares that access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in this state" and the policy favoring disclosure of public records, it is unlikely that the Legislature intended such an all or nothing approach. *Braun v. City of Taft* (Cal. App. 5th Dist. Apr. 10, 1984), 154 Cal. App. 3d 332, 201 Cal. Rptr. 654, 1984 Cal. App. LEXIS 1890.

In cases involving the disclosure of personnel, medical, or similar files under the Public Records Act (Gov C §§ 6250 et seq.), the weighing process under Gov C § 6254, subd. (c), to determine whether the disclosure would constitute an unwarranted invasion of privacy, and thus make the records exempt from disclosure, requires a consideration of almost exactly the same elements that should be considered under Gov C § 6255, which provides that a public agency shall justify withholding any record by demonstrating that, on the facts of the particular case, the public interest served by not making the record public clearly outweighs the public interest served by disclosure of the record. *Braun v. City of Taft* (Cal. App. 5th Dist. Apr. 10, 1984), 154 Cal. App. 3d 332, 201 Cal. Rptr. 654, 1984 Cal. App. LEXIS 1890.

Disclosure of material from a city employee's personnel file under the Public Records Act (Gov C §§ 6250 et seq.) was not prohibited by the employee's constitutional right to privacy (Cal. Const., Art. I, § 1). The balancing test employed by the trial court in its determination that the records were not exempt under Gov C § 6254, subd. (c), because they did not constitute an unwarranted invasion of privacy, is the same one which should be utilized in weighing the right of privacy against the right of the public to oversee the actions of governmental employees. The trial court carefully considered the clash between the need for public disclosure of its business and the need of the individual to privacy when making its determination under § 6254, subd. (c); no more was required under Cal. Const., Art. I, § 1. *Braun v. City of Taft* (Cal. App. 5th Dist. Apr. 10, 1984), 154 Cal. App. 3d 332, 201 Cal. Rptr. 654, 1984 Cal. App. LEXIS 1890.

The Medical Board of California did not violate the Information Practices Act (CC § 1798.61(a)) or the California Public Records Act (Gov C §§ 6254(c), 6254.3(a)) by posting on its internet web site the "addresses of record" of licensed physicians, including those employed by state and local clinics and prisons who were unable to receive mail where they treated patients. Licensees were free to designate a post office box as their "address of record," in which case their home addresses would remain confidential. To the extent a licensee chose to continue using a home address as an address of record, knowing that it would be posted on the board's web site, the physician may be deemed to have waived any interest he or she may have in the confidentiality of such information. *Lorig v. Medical Board* (Cal. App. 1st Dist. Feb. 18, 2000), 78 Cal. App. 4th 462, 92 Cal. Rptr. 2d 862, 2000 Cal. App. LEXIS 108.

In an invasion of privacy case concerning a publisher's request for information about city employees' salaries, a preliminary injunction prohibiting the cities from disclosing salaries received by individually identifiable employees was appropriate; the California Public Records Act recognizes the right of privacy in personnel files by virtue of the exemption for such files in Gov C § 6254(c). *Teamsters Local 856 v. Priceless, LLC* (Cal. App. 1st Dist. Oct. 31, 2003), 112 Cal. App. 4th 1500, 5 Cal. Rptr. 3d 847, 2003 Cal. App. LEXIS 1639, overruled in part,

In an action brought by a newspaper company for disclosure of highly paid municipal employees' salaries, the employees had no legally protected privacy interest in the information because its disclosure did not violate the state constitutional right to privacy under Cal Const Art I, § 1 and was not an unwarranted invasion of personal privacy under Gov C § 6254(c); public salaries are matters of substantial public interest warranting open discussion, and in accordance with Cal Const Art I, § 3(b)(2), statutes restricting public access to information concerning the conduct of public business must be narrowly construed. *Internat. Federation of Prof. & Technical Engineers, Local 21, AFL-CIO v. Superior Court* (Cal. App. 1st Dist. Apr. 18, 2005), 128 Cal. App. 4th 586, 27 Cal. Rptr. 3d 262, 2005 Cal. App. LEXIS 607, review granted, depublished, (Cal. July 27, 2005), 32 Cal. Rptr. 3d 1, 116 P.3d 476, 2005 Cal. LEXIS 8230, *aff'd*, superseded, (Cal. Aug. 27, 2007), 42 Cal. 4th 319, 64 Cal. While public employment does not entail the loss of privacy rights, and public employees have the same financial privacy rights as anyone else after they have received their salaries, it does require a surrender of anonymity due to the fact that public employees are engaged in the people's business; the public is entitled to know the names as well as the salaries of its highly paid employees. *Internat. Federation of Prof. & Technical Engineers, Local 21, AFL-CIO v. Superior Court* (Cal. App. 1st Dist. Apr. 18, 2005), 128 Cal. App. 4th 586, 27 Cal. Rptr. 3d 262, 2005 Cal. Community college district was not required under the California Public Records Act, Gov C § 6250 et seq., to disclose the personal performance goals of its former superintendent because the exemption of Gov C § 6254(c) for personnel files also applies to a public employee's personal performance goals. *Versaci v. Superior Court* (Cal. App. 4th Dist. Mar. 21, 2005), 127 Cal. App. 4th 805, 26 Cal. Rptr. 3d 92, 2005 Cal. App. LEXIS 385.

Where all information sought by a newspaper was obtained by the California Commission On Peace Officer Standards from peace officer personnel records within the meaning of Pen C §§ 832.7, 832.8, the requested information was exempt from disclosure under Gov C § 6254(k). *California Com. on Peace Officer Standards & Training v. Superior Court* (Cal. App. 3d Dist. Apr. 7, 2005), 128 Cal. App. 4th 281, 27 Cal. Rptr. 3d 108, 2005 Cal. App. LEXIS 541, review granted, depublished, (Cal. July 27, 2005), 32 Cal. Defendant's request for protective order to redact certain information was granted because the district court found that disclosure of the sensitive information contained in the applications to carry concealed weapons (CCW) threatened to subject judicial and law enforcement officers to heightened risk of attacks upon themselves or their families and the information could reveal the vulnerability to attack of persons who applied for a CCW. *Mehl v. Blanas* (E.D. Cal. Mar. 27, 2007), 241 F.R.D. 653, 2007 U.S. Dist. LEXIS 25291.

California Supreme Court has rejected the notion that peace officers in general have a greater privacy interest in the amount of their salaries than that possessed by other public employees, and the public interest in disclosure is equally strong as between peace officers and other public employees. While individual peace officers, such as those working undercover, may have a legitimate interest in maintaining their anonymity, and that interest would warrant exempting their names from disclosure under the California Public Records Act, Gov C § 6250 et seq., that circumstance does not support the conclusion that peace officers as a general category have a privacy interest in their identity sufficient to render salary records confidential under Pen C § 832.8(f) whenever those records include individually identified officers. *International Federation of Professional & Technical Engineers, Local 21, AFL-CIO v. Superior Court* (Cal. Aug. 27, 2007), 42 Cal. 4th 319, 64 Cal. Rptr. 3d 693, 165 P.3d 488, 2007 Cal. LEXIS 8918.

In a case in which newspapers sought the disclosure of salary information of all city employees who earned \$ 100,000 or more in a particular fiscal year, the information sought was not private information that happened to be collected in the records of a public entity, but, rather, it was information regarding an aspect of government operations, the disclosure of which contributed to the public's understanding and oversight of those operations by allowing interested parties to monitor the expenditure of public funds. The disclosure of such information under the California Public Records Act, Gov C § 6250 et seq., does not violate the right of privacy protected by the *International Federation of Professional & Technical Engineers, Local 21, AFL-CIO v. Superior Court* (Cal. Aug. 27, 2007), 42 Cal. 4th 319, 64 Cal. Rptr. 3d 693, 165 P.3d 488, 2007 Cal. LEXIS 8918.

In a case in which newspapers sought the disclosure of salary information of all city employees who earned \$ 100,000 or more in a particular fiscal year, disclosure of the salary information would not constitute an unwarranted invasion of personal privacy because salary information should not be exempt from disclosure under the California Public Records Act, Gov C § 6250 et seq. To the extent that some public employees may expect their salaries to remain a private matter, that expectation is not a reasonable one and is, accordingly, entitled to diminished weight in the balancing test that a court applies under Gov C § 6254(c), and counterbalancing any cognizable interest that public employees may have in avoiding disclosure of their salaries is the strong public interest in knowing how the government spends its money. *International Federation of Professional & Technical Engineers, Local 21, AFL-CIO v. Superior Court* (Cal. Aug. 27, 2007), 42 Cal. 4th 319, 64 Cal. Rptr. 3d 693, 165 P.3d 488, 2007 Cal. LEXIS 8918.

Public Records Act did not require a county to disclose an attorney report relating to the facts underlying a high ranking employee's resignation, unless and until the county waived the attorney-client privilege under Gov C § 6254 subd. (k). Moreover, a confidentiality provision in the severance agreement essentially made it a breach of contract for the county to waive the privilege. *Sanchez v. County of San Bernardino* (Cal. App. 4th Dist. Aug. 7, 2009), 176 Cal. App. 4th 516, 98 Cal. Rptr. 3d 96, 2009 Cal. App. LEXIS 1302.

In accordance with the narrow construction required by Cal Const Art I, § 3, subd. (b)(2), for statutory exemptions from disclosure of records under Gov C §§ 6253, 6254, subd. (k), the names and benefit amounts of county retirees are not confidential under Gov C § 31532; further, the catchall exemption in Gov C § 6255, subd. (a), did not prevent a newspaper from obtaining disclosure of county retirees' names and amounts. The newspaper could not obtain disclosure of the retirees' ages, however, because § 31532 protects this information either as part of the member's sworn statement under Gov C § 31526 or as otherwise nonpublic information. *Sonoma County Employees' Retirement Assn. v. Superior Court* (Cal. App. 1st Dist. Aug. 26, 2011), 198 Cal. App. 4th 986, 130 Cal. Rptr. 3d 540, 2011 Cal. App. LEXIS 1124.

High school teacher could not enjoin the school district's disclosure, at the request of a parent, of an investigation report and letter of reprimand relating to a student's complaint of sexual harassment. Disclosure was not an unwarranted invasion of personal privacy under the exemption in Gov C § 6254(c) because the teacher was found to have violated the sexual harassment policy and the public had a legitimate interest in knowing whether and how the district enforced its sexual harassment policy. *Marken v. Santa Monica-Malibu Unified School Dist.* (Cal. App. 2d Dist. Jan. 24, 2012), 202 Cal. App. 4th 1250, 136 Cal. Rptr. 3d 395, 2012 Cal. App. LEXIS 47.

Names of police officers involved in shooting incidents were not exempt from disclosure under the California Public Records Act, Gov C §§ 6250 et seq., and Cal Const Art I, § 3(b), because officer names were not personnel information exempted by Pen C §§ 832.7(a) and 832.8, as incorporated into Gov C § 6254(k). *Long Beach Police Officers Assn. v. City of Long Beach* (Cal. App. 2d Dist. Feb. 7, 2012), 203 Cal. App. 4th 292, 136 Cal. Rptr. 3d 868, 2012 Cal. App. LEXIS 109, review granted, depublished, (Cal. Apr. 18, 2012), 140 Cal. Rptr. 3d 112, 274 P.3d 1110, 2012 Cal. LEXIS 3662, aff'd, superseded, (Cal. May 29, 2014), 59 Cal. 4th 59, 172 Cal. Rptr. 3d 56, 325 P.3d 460, 2014 Cal. LEXIS 3757.

Disposition letters regarding complaints against a former high school volleyball coach, which alleged conduct such as yelling at players and did not result in formal disciplinary action, were personnel records or similar files, although not placed in a personnel file. They were exempt from public records disclosure because the potential harm to the coach's privacy outweighed a minimal public interest; no substantial misconduct was alleged, and the coach was not a high-profile public official. *Associated Chino Teachers v. 13. Federal Law

As recognized in both the Critical Infrastructure Information Act of 2002, 6 USCS § 131 through § 134, and the accompanying regulations promulgated by Department of Homeland Security, there is a distinction between submitters of critical infrastructure information and recipients of protected critical infrastructure information and the federal prohibition on disclosure of protected confidential infrastructure information applies only to recipients of protected confidential information; accordingly, in a case in which a requester sought a copy of a county's

geographic information system basemap under the California Public Records Act, Gov C § 6250 et seq., the federal provisions did not apply because the county was a submitter of critical infrastructure information and did not receive protected confidential information. *County of Santa Clara v. Superior Court* (Cal. App. 6th Dist. Feb. 5, 2009), 170 Cal. App. 4th 1301, 89 Cal. Rptr. 3d 374, 2009 Cal. App. LEXIS 148, modified, (Cal. App. 6th Dist. Feb. 27, 2009), 2009 Cal. App. LEXIS 274.

Exemption provisions of Federal Freedom of Information Act, rather than Ev C § 1040 and Gov C § 6254(f), are determinative in suit against California Adult Authority on defendant's motion to withhold allegedly privileged personnel files. *Kerr v. United States Dist. Court for Northern Dist.* (9th Cir. Jan. 17, 1975), 511 F.2d 192, 1975 U.S. App. LEXIS 16555, *aff'd*, (U.S. June 14, 1976), 426 U.S. 394, 96 S. Ct. 2119, 48 L. Ed. 2d 725, 1976 U.S. LEXIS 62.

In light of the fact that the California Public Records Act (Gov C §§ 6250 et seq.) was modeled after the federal Freedom of Information Act (5 USCS § 552), Gov C § 6254, subd. (f), which provides an exemption from disclosure for records of complaints to or investigations conducted by any state or local police agency, should receive a parallel construction with 5 USCS § 552(b)(7), which exempts investigatory records compiled for law enforcement purposes, including the 1974 amendments to § 552(b)(7), which limit the investigatory records exemption and were intended to restate and clarify the original purpose of the federal act. *South Coast Newspapers, Inc. v. City of Oceanside* (Cal. App. 4th Dist. Sept. 24, 1984), 160 Cal. App. 3d 261, 206 Cal. Rptr. 527, 1984 Cal. App. LEXIS 2539.

14. Particular Determinations

Because the confidentiality conferred by Gov C § 31532, protected information provided by a member or on the member's behalf to a county employees' retirement system, not all information held by the county employees' retirement system that pertained to or related to the member, a trial court correctly concluded that the information, as requested by a newspaper under the California Public Records Act, Gov C §§ 6251 et seq., was not protected from disclosure by § 31532. Moreover, the county employees' retirement system had not shown the privacy interest served by nondisclosure clearly outweighed the public interest served by disclosure, and because individual county retirees were not entitled to notice and a hearing before their individual pensions were disclosed, there was no cause to remand to the trial court for a hearing on whether each individual's pension benefits should be kept confidential. *Sacramento County Employees' Retirement System v. Superior Court* (Cal. App. 3d Dist. May 11, 2011), 195 Cal. App. 4th 440, 125 Cal. Rptr. 3d 655, 2011 Cal. App. LEXIS 569.

In a case under the California Public Records Act, Gov C §§ 6250 et seq., in which petitioner sought the names of pharmaceutical companies and other businesses and individuals the California Department of Corrections and Rehabilitation (CDCR) contacted in order to acquire sodium thiopental, a prescription drug used by the State in executing condemned inmates, the trial court erred in concluding that the public interest favoring withholding of the information sought by petitioner outweighed that favoring disclosure, because the record contained no evidence that disclosure of the names would threaten privacy and security interests, nor a basis in fact or law upon which to apply either the conditional privilege for confidential information set forth in Ev C § 1040, or the deliberative process privilege, which the trial court considered in the weighing process mandated by Gov C §§ 6254 and 6255. CDCR failed to present any competent evidence in support of nondisclosure, and when the competing considerations were weighed independently, the public interest served by revealing the requested information clearly outweighed that favoring nondisclosure. *American Civil Liberties Union of Northern California v. Superior Court* (Cal. App. 1st Dist. Dec. 20, 2011), 202 Cal. App. 4th 55, 134 Cal. Rptr. 3d 472, 2011 Cal. App. LEXIS 1590.

In a case in which a police union and a city sought a permanent injunction against disclosure of the names of police officers involved in certain shootings while on duty pursuant to exceptions set forth in the California Public Records Act, the particularized showing necessary to outweigh the public's interest in disclosure was not made here, where the union and the city relied on only a few vaguely worded declarations making only general assertions about the risks officers face after a shooting. *Long Beach Police Officers Assn. v. City of Long Beach* (Cal. May 29, 2014), 59 Cal. 4th 59, 172 Cal. Rptr. 3d 56, 325 P.3d 460, 2014 Cal. LEXIS 3757.

§ 6254.26. Disclosure of specified records regarding alternative investments in which public investment funds invest [Repealed effective January 1, 2023]

(a) Notwithstanding any provision of this chapter or other law, the following records regarding alternative investments in which public investment funds invest shall not be subject to disclosure pursuant to this chapter, unless the information has already been publicly released by the keeper of the information:

- (1) Due diligence materials that are proprietary to the public investment fund or the alternative investment vehicle.
- (2) Quarterly and annual financial statements of alternative investment vehicles.
- (3) Meeting materials of alternative investment vehicles.

Amended by Stats 2006 ch 538 § 233 (SB 1852), effective January 1, 2007; Stats 2019 ch 442 § 8 (AB 857), effective January 1, 2020; Stats 2021 ch 614 § 1 (AB 473), effective January 1, 2022, repealed January 1, 2023(repealer added).

Editor's Notes—For legislative intent, see the 2019 Note following Corp C § 5130. For repeal date of chapter, see Gov C § 6276.50. See Gov C § 7928.710, effective January 1, 2023.

Note—Stats 2005 ch 258 provides:

SECTION 1. The Legislature finds and declares that Section 2 of this act, which adds Section 6254.26 of the Government Code, imposes a limitation on the public's right of access to the meetings of public bodies or the writings of public officials and agencies within the meaning of Section 3 of Article I of the California Constitution. Pursuant to that constitutional provision, the Legislature makes the following findings to demonstrate the interest protected by this limitation and the need for protecting that interest:

(a) Access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in this state pursuant to subdivision (b) of Section 3 of Article I of the California Constitution and Section 6250 of the Government Code. The public has a paramount interest in knowing how public money is spent and invested.

(b) Public pension and retirement systems and public endowments and foundations have a fiduciary duty to invest the assets of these funds with care, skill, prudence, and diligence. This fiduciary duty includes diversifying the investment of assets in a manner so as to minimize the risk of loss and maximize the rate of return. Investment in high performing alternative investments is a component of diversifying the pension assets and maximizing the rate of return.

(c) At the same time, a certain narrow class of public investments, alternative investments, involves some information that historically has been kept confidential because confidentiality is essential to their success. The disclosure of certain information pertaining to alternative investments could be harmful to generating sustainable and profitable rates of return for the investments of the pension or retirement system and of the public endowment or foundation. Public pension systems desire to invest a portion of their portfolio in alternative investments to boost return.

(d) Following recent litigation seeking to require public pension funds and retirement systems and public endowments or foundations to disclose certain information about alternative investments, the funds risk being excluded from participation in certain alternative investments. Exclusion from investing pension or retirement system assets in alternative investments may impose substantial costs on state public pension funds and the public employees who are their beneficiaries.

(e) It is the intent of this legislation to balance the public's right of access to information and the ability of public pension funds to continue to invest in alternative investment funds. It is also the intent of this legislation to allow the public to monitor the performance of public investments; for public bodies to avoid payment of excessive fees to private individuals or companies; and for the public to be able to know the principals involved in management of alternative investment funds in which public investment funds have invested so that conflicts of interest on the part of public officials can be avoided. This legislation is not intended to reverse the general presumption of access and openness of the California Public Records Act and subdivision (b) of Section 3 of Article I of the California Constitution.

(f) It is not the intent of this legislation to overrule or invalidate any court orders in or stipulated resolutions of prior litigation relating to any public entity's obligation to disclose information about its alternative investments to narrow the information disclosed as a result of those decisions, or in any other way to apply retroactively. It is, rather, the intent of this legislation to establish predictability about what should and should not be disclosed regarding private equity funds so that public pension funds will be able to continue to invest in private equity funds.

Amendment

2006 Amendment: Substituted "year-end" for "yearend" after "on a fiscal" in subd (b)(9).

2019 Amendment: In subd (c)(4), **(1)** deleted "and" following "retirement system,"; and **(2)** added ", or a public bank, as defined in Section 57600."

Amendments

“(a) Balance sheet as of the close of the system’s fiscal year.

“(b) Statement of income and credits to reserves.

The balance sheet shall also show the present value of the total existing and future liabilities of the system to be met from future contributions as certified by an enrolled actuary based on the most recent triennial valuation. The assets of the retirement system shall be stated in accordance with generally accepted accounting principles.”

§ 7504. Services to be performed by actuary; Submission of audited financial statements

(a) All state and local public retirement systems shall, not less than triennially, secure the services of an actuary. For the purposes of this section, “actuary” means an actuary who satisfies the qualification standards for actuaries issuing statements of actuarial opinion in the United States with regard to pensions or other postemployment benefits and who has demonstrated experience in public retirement systems. The actuary shall perform a valuation of the system utilizing actuarial assumptions and techniques established by the agency that are, in the aggregate, reasonably related to the experience and the actuary’s best estimate of anticipated experience under the system. Any differences between the actuarial assumptions and techniques used by the actuary that differ significantly from those established by the agency shall be disclosed in the actuary’s report and the effect of the differences on the actuary’s statement of costs and obligations shall be shown.

(b) All state and local public retirement systems shall secure the services of a qualified person to perform an attest audit of the system’s financial statements. A qualified person means any of the following:

(c) All state and local public retirement systems shall submit audited financial statements to the Controller at the earliest practicable opportunity within six months of the close of each fiscal year. However, the Controller may delay the filing date for reports due in the first year until the time as report forms

have been developed that, in his or her judgment, will satisfy the requirements of this section. The financial statements shall be prepared in accordance with generally accepted accounting principles in the form and manner prescribed by the Controller. The penalty prescribed in Section 53895 shall be invoked for failure to comply with this section. Upon a satisfactory showing of good cause, the Controller may waive the penalty for late filing provided by this subdivision.

(d) The Controller shall compile and publish a report annually on the financial condition of all state and local public retirement systems containing, but not limited to, the data required in Section 7502. The report shall be published within 12 months of the receipt of the information, and in no case later than 18 months after the end of the fiscal year upon which the information in the report is based.

If the future costs of the changes exceed one-half of 1 percent of the future annual costs, as defined in paragraph (2) of subdivision (a), of the existing benefits for the legislative body, an actuary shall be present to provide information as needed at the public meeting at which the adoption of a benefit change shall be considered. Editor's Notes—2011 Governor's Reorganization Plan No. 1 was submitted to the Legislature on June 9, 2011, and became effective September 9, 2011, pursuant to Gov C § 12080.5, and substantively operative July 1, 2012.

Notes of Decisions

Arbitrator who interpreted a memorandum of understanding (MOU) exceeded her powers under CCP § 1286.2(a)(4), by mandating the State to reclassify certain employees retroactively as safety members because the MOU as presented to the Legislature for approval under Gov C §§ 3517.5, 3517.6(b), did not inform the Legislature that it would be applied retroactively and the Legislature was not provided under Gov C § 7507(b)(1) with a fiscal analysis of the cost of doing so. Because Gov C §§ 19816.21, 20405.1, pertaining to safety member retirement benefits, are not sources cited in the Dills Act, Gov C §§ 3512 et seq., provisions of the MOU requiring their amendment could not become effective without legislative approval, notwithstanding the delegation of authority to the California Department of Personnel Administration in Gov C §§ 20068, 20405.1. *California Statewide Law Enforcement Assn. v. California Dept. of Personnel Admin.* (2011, 3d Dist) 192 Cal App 4th 1, 120 Cal Rptr 3d 374, 2011 Cal App LEXIS 84, review denied (2011, Cal.) 2011 Cal. LEXIS 4698.

§ 7510. Investments by public retirement systems in real property

(a) (1) Except as provided in subdivision (b), a public retirement system, which has invested assets in real property and improvements thereon for business or residential purposes for the production of income, shall pay annually to the city or county, in whose jurisdiction the real property is located and has been removed from the secured roll, a fee for general governmental services equal to the difference between the amount that would have accrued as real property secured taxes and the amount of possessory interest unsecured taxes paid for that property. The governing bodies of local entities may adopt ordinances and regulations authorizing retirement systems to invest assets in real property subject to the foregoing requirements.

(2) This subdivision shall not apply to any retirement system which is established by a local governmental entity if that entity is presently authorized by statute or ordinance to invest retirement assets in real property.

(3) This subdivision shall not apply to property owned by any state public retirement system.

(b) (1) Whenever a state public retirement system, which has invested assets in real property and improvements thereon for business or residential purposes for the production of income, leases the property, the lease shall provide, pursuant to Section 107.6 of the Revenue and Taxation Code, that the lessee’s possessory interest may be subject to property taxation and that the party in whom the possessory interest is vested may be subject to the payment of property taxes levied on that interest. The lease shall be valued in accordance with Section 21 of Title 18 of the California Code of Regulations, as that section was in effect on January 1, 2015, for the valuation of taxable possessory interests.

(2) Except as provided in this subdivision, the property shall be assessed and its taxes computed and collected in the same manner as privately owned property. The lessee’s possessory interest shall be placed on the unsecured roll and the tax on the possessory interest shall be subject to the collection procedures for unsecured property taxes.

(3) An investment by a state public retirement system in a legal entity that invests assets in real property and improvements thereon shall not constitute an investment by the state public retirement system of assets in real property and improvements thereon. For purposes of this paragraph, “legal entity” includes, but is not limited to, partnership, joint venture, corporation, trust, or association. When a state public retirement system invests in a legal entity, the state public retirement system shall be deemed to be a person for the purpose of determining a change in ownership under Section 64 of the Revenue and Taxation Code.

(4) Notwithstanding any other provision of law, fees charged pursuant to this section and collected prior to July 1, 1992, shall be deemed valid and not refundable under any circumstance. Notwithstanding any other provision of law, fees, interest and penalties, if any, asserted to be due pursuant to this section that were not charged or collected prior to July 1, 1992, shall be deemed invalid and not collectable under any circumstance.

(5) This subdivision shall apply to the assessment, computation, and collection of taxes for the fiscal year beginning on July 1, 1992, and each fiscal year thereafter. For the 1992–93 and 1993–94 fiscal years, in the case where a lessee’s possessory interest existed for less than the full fiscal year for which the tax was levied, the amount of tax shall be prorated in accordance with the number of months for which the lessee’s interest existed.

1992 Amendment: (1) Added subdivisions designations (a)(1) and (a)(2); (2) added “Except as provided in subdivision (b),” in subd (a)(1); (3) substituted “subdivision” for “section” in subd (a)(2); and (4) added subds (a)(3) and (b).

1993 Amendment: (1) Substituted “this section” for “Section 7510” wherever it appears in subd (b)(4); and (2) amended subd (b)(5) by adding (a) “each fiscal year” before “thereafter” at the end of the first sentence; and (b) the second sentence.

1994 Amendment: Amended subd (b)(1) by adding (1) the third sentence; and (2) “, subject to the preceding sentence,” in the fourth sentence.

2015 Amendment: Amended subd (b)(1) by (1) substituting “be valued in accordance with Section 21 of Title 18 of the California Code of Regulations, as that section was in effect on January 1, 2015, for the valuation of taxable possessory interests.” for “also provide that the full cash value, as defined in Sections 110 and 110.1 of the Revenue and Taxation Code, of the possessory interest upon which property taxes will be based shall equal the greater of (A) the full cash value of the possessory interest, or (B), if the lessee has leased less than all of the property, the lessee’s allocable share of the full cash value of the property that would have been enrolled if the property had been subject to property tax upon acquisition by the state public retirement system.” in the second sentence; and (2) deleting the former last two sentences which read: “The full cash value as provided for pursuant to either (A) or (B) of the preceding sentence shall reflect the anticipated term of possession if, on the lien date described in Section 2192 of the Revenue and Taxation Code, that term is expected to terminate prior to the end of the next succeeding fiscal year. The lessee’s allocable share shall, subject to the preceding sentence, be the lessee’s leasable square feet divided by the total leasable square feet of the property.”

Notes of Decisions

Insofar as a county included the exempt reversionary interest pursuant to Gov C § 7510(b)(1) when the county assessed a commercial lessee’s possessory interest under Rev & Tax C § 107 in property owned by a state public retirement system, this valuation method was facially unconstitutional because it violated Cal Const Art XIII, § 3(a), by assessing property taxes on publicly owned real property; moreover, it violated Cal Const Art XIII, § 1, by assessing property in excess of the fair market value as described in Rev & Tax C §§ 110(a), 110.5. *California State Teachers’ Retirement System v. County of Los Angeles* (2013, 2d Dist) 216 Cal App 4th 41, 156 Cal Rptr 3d 545, 2013 Cal App LEXIS 360, review denied, (2013, Cal.) — P.3d —, 2013 Cal. LEXIS 6845.

(a) For purposes of this section, the following definitions apply:

(1) “Board” means the Board of Administration of the Public Employees’ Retirement System or the Teachers’ Retirement Board.

(2) “Climate-related financial risk” means risk that may include material financial risk posed to the fund by the effects of the changing climate, such as intense storms, rising sea levels, higher global temperatures, economic damages from carbon emissions, and other financial and transition risks due to public policies to address climate change, shifting consumer attitudes, changing economics of traditional carbon-intensive industries.

(3) “Fund” means the Public Employees’ Retirement Fund described in Section 20062 or the Teachers’ Retirement Fund described in Section 22167 of the Education Code.

(b) To the extent the board identifies climate-related financial risk as a material risk to the fund, that risk shall be analyzed.

(c) By January 1, 2020, and every three years thereafter, the board shall publicly report on its analysis of the climate-related financial risk of its public market portfolio, including the alignment of the fund with the Paris climate agreement and California climate policy goals and the exposure of the fund to long-term risks.

(d) The board shall include in the reports pursuant to subdivision (c) the methods and results of the board’s engagement related to climate-related financial risk with publicly traded companies that are the

most carbon intense, such as utilities, oil, and gas producers, within the fund. This component of the reports shall include both of the following:

- (1) A summary of climate-related financial risk-related engagement activities undertaken.
- (2) A description of additional action taken, or planned to be taken, by the board to address climate-related financial risk, including a list of proxy votes and shareholder proposals initiated by the board.
- (e) Nothing in this section shall require the board to take action as described in this section unless the board determines in good faith that the action described in this section is consistent with the fiduciary responsibilities of the board as described in Section 17 of Article XVI of the California Constitution.
- (f) This section shall remain in effect only until January 31, 2035, and as of that date is repealed.

Added by Stats 2018 ch 731 § 2 (SB 964), effective January 1, 2019, repealed January 31, 2035.

Notes of Decisions

Insofar as a county included the exempt reversionary interest pursuant to Gov C § 7510(b)(1) when the county assessed a commercial lessee's possessory interest under Rev & Tax C § 107 in property owned by a state public retirement system, this valuation method was facially unconstitutional because it violated Cal Const Art XIII, § 3(a), by assessing property taxes on publicly owned real property; moreover, it violated Cal Const Art XIII, § 1, by assessing property in excess of the fair market value as described in Rev & Tax C §§ 110(a), 110.5. *California State Teachers' Retirement System v. County of Los Angeles* (2013, 2d Dist) 216 Cal App 4th 41, 156 Cal Rptr 3d 545, 2013 Cal App LEXIS 360, review denied, (2013, Cal.) — P.3d —, 2013 Cal. LEXIS 6845.

§ 7512. Provision of annual report to members

Each state and local public pension or retirement system shall, on and after the 90th day following the completion of the annual audit of the system, mail or otherwise provide to any member who makes a request therefor and pays, if required, a fee, a concise annual report on the investments and earnings of the system and other related matters. The report shall be published in a low-cost format.

Each local public pension or retirement system may impose a fee for each copy of the report in an amount sufficient to pay all costs incurred in the preparation and dissemination of the report.

Amendments

1991 Amendment: Deleted the former third paragraph which read: "This section shall remain in effect only until January 1, 1992, and as of such date is repealed, unless a later enacted statute, which is chaptered before January 1, 1992, deletes or extends such date."

§ 7513. Election to have distribution paid directly to eligible retirement plan; Direct rollover

(a) In the case of a state or local retirement system or plan that is subject to Section 401(a)(31) of the Internal Revenue Code, if, under the terms of the system or plan, a person becomes entitled to a distribution that constitutes an "eligible rollover distribution" within the meaning of Section 401(a)(31)(C) of the Internal Revenue Code, the person may elect, under terms and conditions to be established by the administrator of the system or plan, to have the distribution or a portion thereof paid directly to a plan that constitutes an "eligible retirement plan" within the meaning of Section 401(a)(31)(D) of the Internal Revenue Code, as specified by the person. Upon the exercise of the election by a person with respect to a distribution or portion thereof, the distribution by the system or plan of the amount so designated, once distributable under the terms of the system or plan, shall be made in the form of a direct rollover to the eligible retirement plan so specified.

(b) The purpose and intent of this section is to enable the state and local retirement systems and plans that are subject to Section 401(a)(31) of the Internal Revenue Code of 1986, as amended, to comply with the requirements of that section regarding the provision of an election for direct rollover of certain plan distributions.

(a) On or before the first day of March of each year, the Teachers' Retirement Board and the Board of Administration of the Public Employees' Retirement System, respectively, shall investigate and report to the Legislature on the extent to which United States and international corporations operating in Northern Ireland, in which the assets of the State Teachers' Retirement System and the Public Employees' Retirement System are invested, adhere, in compliance with the law applicable in Northern Ireland, to the principles of nondiscrimination in employment and freedom of workplace opportunity.

(b) The Teachers' Retirement Board and the Board of Administration of the Public Employees' Retirement System, respectively, shall compile a list of domestic and international corporations that, directly or through a subsidiary, do business in Northern Ireland, and in whose stocks or obligations it has invested, and determine whether each corporation on the list has, during the preceding year, taken substantial action, in compliance with the law applicable in Northern Ireland, designed to lead toward the achievement of the following goals:

(7) The development of training programs that will prepare substantial numbers of current minority employees for skilled jobs, including the expansion of existing programs and the creation of new programs to train, upgrade, and improve the skills of minority employees.

(8) The establishment of procedures to assess, identify, and actively recruit minority employees with potential for further advancement.

(9) The appointment of senior management staff members to oversee affirmative action efforts and the setting up of timetables to carry out affirmative action principles.

(c) Whenever feasible and consistent with their fiduciary responsibility, the Teachers' Retirement Board and the Board of Administration of the Public Employees' Retirement System, respectively, shall support shareholder resolutions designed to encourage domestic and international corporations in which the Teachers' Retirement Board and the Board of Administration of the Public Employees' Retirement System, respectively, has invested to pursue, in compliance with the law applicable in Northern Ireland, a policy of affirmative action in Northern Ireland in accordance with the goals listed in subdivision (b).

(7) "Military equipment" means weapons, arms, or military defense supplies.

(12) "Sudan" means the Republic of the Sudan, a territory under the administration or control of the Sudan, including but not limited to, the Darfur region, or an individual, company, or public agency located in Khartoum, northern Sudan, or the Nile River Valley that supports the Republic of the Sudan.

(b) The board shall not invest public employee retirement funds in a company with business operations in Sudan that meets all of the following criteria:

(1) The company is engaged in active business operations in Sudan. If that company is not engaged in oil-related activities, that company also lacks significant business operations in the eastern, southern, and western regions of Sudan.

(2) Either of the following apply:

(A) The company is engaged in oil-related activities or energy or power-related operations, or contracts with another company with business operations in the oil, energy, and power sectors of Sudan, and the company failed to take substantial action related to the government of Sudan because of the Darfur genocide.

(B) The company has demonstrated complicity in the Darfur genocide.

(c) Notwithstanding subdivision (b), the board shall not invest public employee retirement funds in a company that supplies military equipment within the borders of Sudan. If a company provides equipment within the borders of Sudan that may be readily used for military purposes, including, but not limited to, radar systems and military-grade transport vehicles, there shall also be a strong presumption against investing in that company unless that company implements safeguards to prevent the use of that equipment for military purposes.

(d)(1) The board shall, without regard to the provisions regarding competitive bidding, contract with a research firm or firms to determine those companies that have business operations in Sudan. Those research firms shall, in the aggregate, obtain data on a majority of companies with business operations in Sudan. On or before March 30, 2007, those research firms shall report any findings to the board and those research firms shall submit further findings to the board if there is a change of circumstances in Sudan.

(2) In addition to the reports described in paragraph (1), the board shall take all of the following actions no later than March 30, 2007:

(A) Review publicly available information regarding companies with business operations in Sudan.

(B) Contact other institutional investors that invest in companies with business operations in Sudan.

(C) Send written notice to a company with business operations in Sudan that the company may be subject to this section.

(e)(1) The board shall determine, by the next applicable board meeting and based on the information and reports described in subdivision (d), if a company meets the criteria described in subdivision (b) or (c). If the board plans to invest or has investments in a company that meets the criteria described in subdivision (b) or (c), that planned or existing investment shall be subject to subdivisions (g) and (h).

(2) Investments of the board in a company that does not meet the criteria described in subdivision (b) or (c) or does not have active business operations in Sudan are not subject to subdivision (h), provided that the company does not subsequently meet the criteria described in subdivision (b) or (c) or engage in active business operations. The board shall identify the reasons why that company does not satisfy the criteria described in subdivision (b) or (c) or does not engage in active business operations in the report to the Legislature described in subdivision (i).

(f)(1) Notwithstanding subdivision (e), if the board's investment in a company described in subdivision (b) or (c) is limited to investment via an externally and actively managed commingled fund, the board shall contact that fund manager in writing and request that the fund manager remove that company from the fund as described in subdivision (h). On or before June 30, 2007, if the fund or account manager creates a fund or account devoid of companies described in subdivision (b) or (c), the transfer of board investments from the prior fund or account to the fund or account devoid of companies with business operations in Sudan shall be deemed to satisfy subdivision (h).

(2) If the board's investment in a company described in subdivision (b) or (c) is limited to an alternative fund or account, the alternative fund or account manager creates an actively managed commingled fund that excludes companies described in subdivision (b) or (c), and the new fund or account is deemed to be financially equivalent to the existing fund or account, the transfer of board investments from the existing fund or account to the new fund or account shall be deemed to satisfy subdivision (h). If the board determines that the new fund or account is not financially equivalent to the existing fund, the board shall include the reasons for that determination in the report described in subdivision (i).

(3) The board shall make a good faith effort to identify any private equity investments that involve companies described in subdivision (b) or (c) or are linked to the government of Sudan. If the board determines that a private equity investment clearly involves a company described in subdivision (b) or

(c) or is linked to the government of Sudan, the board shall consider, at its discretion, if those private equity investments shall be subject to subdivision (h). If the board determines that a private equity investment clearly involves a company described in subdivision (b) or (c) or is linked to the government of Sudan and the board does not take action as described in subdivision (h), the board shall include the reasons for its decision in the report described in subdivision (i).

(g) Except as described in subdivision (f) or paragraph (2) of subdivision (e), the board, in the board's capacity of shareholder or investor, shall notify any company described in paragraph (1) of subdivision (e) that the company is subject to subdivision (h) and permit that company to respond to the information and reports described in subdivision (d). The board shall request that the company take substantial action no later than 90 days from the date the board notified the company under this subdivision. If the board determines that a company has taken substantial action or has made sufficient progress towards substantial action before the expiration of that 90-day period, that company shall not be subject to subdivision (h). The board shall, at intervals not to exceed 90 days, continue to monitor and review the progress of the company until that company has taken substantial action in Sudan. A company that fails to complete substantial action or continue to make sufficient progress towards substantial action by the next time interval shall be subject to subdivision (h).

(h) If a company described in paragraph (1) of subdivision (e) fails to complete substantial action by the time described in subdivision (g), the board shall take the following actions:

(1) The board shall not make additional or new investments or renew existing investments in that company.

(2) The board shall liquidate the investments of the board in that company no later than 18 months after this subdivision applies to that company. The board shall liquidate those investments in a manner to address the need for companies to take substantial action in Sudan and consistent with the board's fiduciary responsibilities as described in Section 17 of Article XVI of the California Constitution.

(i) On or before January 1, 2008, and every year thereafter, the board shall file a report with the Legislature. The report shall describe the following:

(1) A list of investments the board has in companies with business operations in Sudan, including, but not limited to, the issuer, by name, of the stock, bonds, securities, and other evidence of indebtedness.

(2) A detailed summary of the business operations a company described in paragraph (1) has in Sudan and whether that company satisfies all of the criteria in subdivision (b) or (c).

(3) Whether the board has reduced its investments in a company that satisfies the criteria in subdivision (b) or (c).

(4) If the board has not completely reduced its investments in a company that satisfies the criteria in subdivision (b) or (c), when the board anticipates that the board will reduce all investments in that company or the reasons why a sale or transfer of investments is inconsistent with the fiduciary responsibilities of the board as described in Section 17 of Article XVI of the California Constitution.

(5) Any information described in subdivision (e).

(6) A detailed summary of investments that were transferred to funds or accounts devoid of companies with business operations in Sudan as described in subdivision (f).

(j) If the board voluntarily sells or transfers all of its investments in a company with business operations in Sudan, this section shall not apply except that the board shall file a report with the Legislature related to that company as described in subdivision (i).

(k) Nothing in this section shall require the board to take action as described in this section unless the board determines, in good faith, that the action described in this section is consistent with the fiduciary responsibilities of the board as described in Section 17 of Article XVI of the California Constitution.

(l) Subdivision (h) shall not apply to any of the following:

(1) Investments in a company that is primarily engaged in supplying goods or services intended to relieve human suffering in Sudan.

(2) Investments in a company that promotes health, education, journalistic, or religious activities in or welfare in the western, eastern, or southern regions of Sudan.

(3) Investments in a United States company that is authorized by the federal government to have business operations in Sudan.

(m) This section shall remain in effect only until one of the following occurs, and as of the date of that action, is repealed:

(1) The government of Sudan halts the genocide in Darfur for 12 months as determined by both the Department of State and the Congress of the United States.

(2) The United States revokes its current sanctions against Sudan.

Added by Stats 2006 ch 442 § 2 (AB 2941), effective January 1, 2007.

(b) The board shall not invest public employee retirement funds in a company which has business operations in Iran as identified by the board through, as the board deems appropriate, publicly available information including, but not limited to, information provided by nonprofit and other organizations and government entities, that meets either of the following criteria:

(1) The company (A) is invested in or engaged in business operations with entities in the defense or nuclear sectors of Iran or (B) has an investment of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including in a company that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran, and that company is subject to sanctions under Public Law 104-172, as renewed and amended in 2001 and 2006.

(2) The company has demonstrated complicity with an Iranian organization that has been labeled as a terrorist organization by the United States government.

(c) Annually, on or before June 30, the board shall review its investment portfolio and determine which companies are subject to divestment.

(d) After the determination described in subdivision (c), the board shall determine, by the next applicable board meeting, if a company meets the criteria described in subdivision (b). If the board plans to invest or has investments in a company that meets the criteria described in subdivision (b), that planned or existing investment shall be subject to subdivisions (g) and (h).

(e) Investments of the board in a company that does not meet the criteria described in subdivision (b) are not subject to subdivision (h) if the company does not subsequently meet the criteria described in subdivision (b). The board shall identify the reasons why that company does not satisfy the criteria described in subdivision (b) in the report to the Legislature described in subdivision (i).

(f) (1) Notwithstanding subdivisions (d) and (e), if the board's investment in a company described in subdivision (b) is limited to investment via an externally and actively managed commingled fund, the board shall contact that fund manager in writing and request that the fund manager remove that company from the fund as described in subdivision (h). On or before June 30, if the fund or account manager creates a fund or account devoid of companies described in subdivision (b), the transfer of board investments from the prior fund or account to the fund or account devoid of companies with business operations in Iran shall be deemed to satisfy subdivision (h).

(2) If the board's investment in a company described in subdivision (b) is limited to an alternative fund or account, the alternative fund or account manager creates an actively managed commingled fund that excludes companies described in subdivision (b), and the new fund or account is deemed to be financially equivalent to the existing fund or account, the transfer of board investments from the existing fund or account to the new fund or account shall be deemed to satisfy subdivision (h). If the board determines that the new fund or account is not financially equivalent to the existing fund, the board shall include the reasons for that determination in the report described in subdivision (i).

(3) The board shall make a good faith effort to identify any private equity investments that involve companies described in subdivision (b), or are linked to the government of Iran. If the board determines that a private equity investment clearly involves a company described in subdivision (b), or is linked to the government of Iran, the board shall consider, at its discretion, if those private equity investments shall be subject to subdivision (h). If the board determines that a private equity investment clearly involves a company described in subdivision (b), or is linked to the government of Iran and the board does not take action as described in subdivision (h), the board shall include the reasons for its decision in the report described in subdivision (i).

(g) Except as described in subdivisions (e) and (f), the board, in the board's capacity of shareholder or investor, shall notify any company described in subdivision (d) that the company is subject to subdivision (h) and permit that company to respond to the board. The board shall request that the company take substantial action no later than 90 days from the date the board notified the company under this subdivision. If the board determines based on credible information available to the public that a company has taken substantial action or has made sufficient progress toward substantial action before the expiration of that 90-day period, that company shall not be subject to subdivision (h). The board shall, at intervals not to exceed 90 days, continue to monitor and review the progress of the company until that company has taken substantial action in Iran. Any determination made at each 90-day interval that a company has taken substantial action shall be supported by findings adopted by a rollcall vote of the board following a presentation and discussion of the findings in open session, during a properly noticed public hearing of the full board. All proposed findings of the board shall be made public 72 hours before they are considered by the board, and the board shall maintain a list of interested parties who shall be notified of proposed findings 72 hours before the board's consideration. The findings and any public comments regarding the adopted findings and determinations made pursuant to this subdivision shall be included in the report to the Legislature required by subdivision (i). A company that fails to complete substantial action within one year from the date of the initial notice by the board shall be subject to subdivision (h).

(h) If a company described in subdivision (d) fails to complete substantial action by the time described in subdivision (g), the board shall take the following actions:

(1) The board shall not make additional or new investments or renew existing investments in that company.

(2) The board shall liquidate the investments of the board in that company no later than 18 months after this subdivision applies to that company. The board shall liquidate those investments in a manner to address the need for companies to take substantial action in Iran and consistent with the board's fiduciary responsibilities as described in Section 17 of Article XVI of the California Constitution.

(i) On or before January 1, 2009, and every year thereafter, the board shall file a report with the Legislature. The report shall describe the following:

(3) Whether the board has reduced its investments in a company that satisfies the criteria in subdivision (b).

(4) If the board has not completely reduced its investments in a company that satisfies the criteria in subdivision (b), when the board anticipates that the board will reduce all investments in that company or the findings adopted in support of a determination made pursuant to subdivision (k) pertaining to why a sale or transfer of investments is inconsistent with the fiduciary responsibilities of the board as described in Section 17 of Article XVI of the California Constitution.

(5) Any information described in subdivisions (d) and (e).

(6) A detailed summary of investments that were transferred to funds or accounts devoid of companies with business operations in Iran as described in subdivision (f).

(7) An annual calculation of any costs or investment losses or other financial results incurred in compliance with the provisions of this section.

(j) If the board voluntarily sells or transfers all of its investments in a company with business operations in Iran, this section shall not apply except that the board shall file a report with the Legislature related to that company as described in subdivision (i).

(k) Nothing in this section shall require the board to take action as described in this section if the board determines, and adopts findings, in good faith and based on credible information available to the public, that the action described in this section would fail to satisfy the fiduciary responsibilities of the board as described in Section 17 of Article XVI of the California Constitution. Any adopted findings shall demonstrate how divestment disadvantages the fund and that any feasible investment alternatives would yield a lower rate of return with commensurate degrees of risk, or create a higher degree of risk with commensurate rates of return. Notwithstanding any other law, any determination that an action would fail to satisfy the fiduciary responsibilities of the board as described in Section 17 of Article XVI of the California Constitution shall require a recorded rollcall vote of the full board, following a presentation and discussion of findings in open session, during a properly noticed public hearing of the full board. All proposed findings of the board shall be made public 72 hours before they are considered by the board, and the board shall maintain a list of interested parties who shall be notified of proposed findings 72 hours before board consideration. The findings and any public comments regarding the adopted findings and determinations made pursuant to this subdivision shall be included in the report to the Legislature required by subdivision (i).

(l) This section shall cease to be operative if the President of the United States has made the certifications specified in paragraphs (1) and (2) of subdivision (a) of Section 8551 of Title 22 of the United States Code.

(m) This section shall be known and may be cited as the California Public Divest from Iran Act.

(n) The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

This article shall be known as the California Public Employees' Pension Reform Act of 2013.

Added by Stats 2012 ch 296 § 15 (AB 340), effective January 1, 2013.

§ 7522.02. Applicability of article; Retirement plan for individuals employed by subsequent employer for first time on or after specified date; Defined benefit pension plan; Defined contribution plan

(a) (1) Notwithstanding any other law, except as provided in this article, on and after January 1, 2013, this article shall apply to all state and local public retirement systems and to their participating employers, including the Public Employees' Retirement System, the State Teachers' Retirement System, the Legislators' Retirement System, the Judges' Retirement System, the Judges' Retirement System II, county and district retirement systems created pursuant to the County Employees Retirement Law of 1937 (Chapter 3 (commencing with Section 31450) of Part 3 of Division 4 of Title 3), independent public retirement systems, and to individual retirement plans offered by public employers. However, this article shall be subject to the Internal Revenue Code and Section 17 of Article XVI of the California

Constitution. The administration of the requirements of this article shall comply with applicable provisions of the Internal Revenue Code and the Revenue and Taxation Code.

(2) Notwithstanding paragraph (1), this article shall not apply to the entities described in Section 9 of Article IX of, and Sections 4 and 5 of Article XI of, the California Constitution, except to the extent that these entities continue to be participating employers in any retirement system governed by state statute. Accordingly, any retirement plan approved before January 1, 2013, by the voters of any entity excluded from coverage by this section shall not be affected by this article.

(3) (A) Notwithstanding paragraph (1), this article shall not apply to a public employee whose interests are protected under Section 5333(b) of Title 49 of the United States Code until a federal district court rules that the United States Secretary of Labor, or his or her designee, erred in determining that the application of this article precludes certification under that section, or until January 1, 2016, whichever is sooner.

(B) If a federal district court upholds the determination of the United States Secretary of Labor, or his or her designee, that application of this article precludes him or her from providing a certification under Section 5333(b) of Title 49 of the United States Code, this article shall not apply to a public employee specified in subparagraph (A).

(4) Notwithstanding paragraph (1), this article shall not apply to a multiemployer plan authorized by Section 302(c)(5) of the federal Taft-Hartley Act (29 U.S.C. Sec. 186(c)(5)) if the public employer began participation in that plan prior to January 1, 2013, and the plan is regulated by the federal Employee Retirement Income Security Act of 1974 (29 U.S.C. Sec. 1001 et seq.).

(b) The benefit plan required by this article shall apply to public employees who are new members as defined in Section 7522.04.

(c) (1) Individuals who were employed by any public employer before January 1, 2013, and who became employed by a subsequent public employer for the first time on or after January 1, 2013, shall be subject to the retirement plan that would have been available to employees of the subsequent employer who were first employed by the subsequent employer on or before December 31, 2012, if the individual was subject to concurrent membership for which creditable service was performed in the previous six months or reciprocity established under any of the following provisions:

(A) Article 5 (commencing with Section 20350) of Chapter 3 of Part 3 of Division 5 of Title 2.

(B) Chapter 3 (commencing with Section 31450) of Part 3 of Division 4 of Title 3.

(C) Any agreement between public retirement systems to provide reciprocity to members of the systems.

(D) Section 22115.2 of the Education Code.

(2) An individual who was employed before January 1, 2013, and who, without a separation from employment, changed employment positions and became subject to a different defined benefit plan in a different public retirement system offered by his or her employer shall be subject to that defined benefit plan as it would have been available to employees who were first employed on or before December 31, 2012.

(d) If a public employer, before January 1, 2013, offers a defined benefit pension plan that provides a defined benefit formula with a lower benefit factor at normal retirement age and results in a lower normal cost than the defined benefit formula required by this article, that employer may continue to offer that defined benefit formula instead of the defined benefit formula required by this article, and shall not be subject to the requirements of Section 7522.10 for pensionable compensation subject to that formula. However, if the employer adopts a new defined benefit formula on or after January 1, 2013, that formula must conform to the requirements of this article or must be determined and certified by the retirement system's chief actuary and the retirement board to have no greater risk and no greater cost to the employer than the defined benefit formula required by this article and must be approved by the Legislature. New members of the defined benefit plan may only participate in the lower cost defined benefit formula that was in place before January 1, 2013, or a defined benefit formula that conforms to the requirements of this article or is approved by the Legislature as provided in this subdivision.

(e) If a public employer, before January 1, 2013, offers a retirement benefit plan that consists solely of a defined contribution plan, that employer may continue to offer that plan instead of the defined benefit pension plan required by this article. However, if the employer adopts a new defined benefit pension plan or defined benefit formula on or after January 1, 2013, that plan or formula must conform to the requirements of this article or must be determined and certified by the retirement system's chief actuary and the system's board to have no greater risk and no greater cost to the employer than the defined benefit formula required by this article and must be approved by the Legislature. New members of the employer's plan may only participate in the defined contribution plan that was in place before January 1, 2013, or a defined contribution plan or defined benefit formula that conforms to the requirements of this article. This subdivision shall not be construed to prohibit an employer from offering a defined contribution plan on or after January 1, 2013, either with or without a defined benefit plan, whether or not the employer offered a defined contribution plan prior to that date.

(f) (1) If, on or after January 1, 2013, the Cities of Brea and Fullerton form a joint powers authority pursuant to the provisions of the Joint Exercise of Powers Act (Article 1 (commencing with Section 6500) of Chapter 5), that joint powers authority may provide employees the defined benefit plan or formula that those employees received from their respective employers prior to the exercise of a common power, to which the employee is associated, by the joint powers authority to any employee of the City of Brea, the City of Fullerton, or a city described in paragraph (2) who is not a new member and subsequently is employed by the joint powers authority within 180 days of the city providing for the exercise of a common power, to which the employee was associated, by the joint powers authority.

(2) On or before January 1, 2017, a city in Orange County that is contiguous to the City of Brea or the City of Fullerton may join the joint powers authority described in paragraph (1) but not more than three cities shall be permitted to join.

(3) The formation of a joint powers authority on or after January 1, 2013, shall not act in a manner as to exempt a new employee or a new member, as defined by Section 7522.04, from the requirements of this article. New members may only participate in a defined benefit plan or formula that conforms to the requirements of this article.

(g) (1) If, on or after January 1, 2013, the Belmont Fire Protection District, the Estero Municipal Improvement District, and the City of San Mateo form a joint powers authority pursuant to the provisions of the Joint Exercise of Powers Act (Article 1 (commencing with Section 6500) of Chapter 5), that joint powers authority may provide employees the defined benefit plan or formula that those employees received from their respective employers prior to the exercise of a common power, to which the employee is associated, by the joint powers authority to any employee of the Belmont Fire Protection District, the Estero Municipal Improvement District, and the City of San Mateo who is not a new member and subsequently is employed by the joint powers authority within 180 days of the agency providing for the exercise of a common power, to which the employee was associated, by the joint powers authority.

(2) The formation of a joint powers authority on or after January 1, 2013, shall not act in a manner as to exempt a new employee or a new member, as defined by Section 7522.04, from the requirements of this article. New members may only participate in a defined benefit plan or formula that conforms to the requirements of this article.

(h) The Judges' Retirement System and the Judges' Retirement System II shall not be required to adopt the defined benefit formula required by Section 7522.20 or 7522.25 or the compensation limitations defined in Section 7522.10.

(i) This article shall not be construed to provide membership in any public retirement system for an individual who would not otherwise be eligible for membership under that system's applicable rules or laws.

(j) On and after January 1, 2013, each public retirement system shall modify its plan or plans to comply with the requirements of this article and may adopt regulations or resolutions for this purpose.

The formula offered shall be the formula that is closest to, and provides a lower benefit at 55 years of age than, the formula provided to members in the same retirement classification offered by the employer on December 31, 2012.

(f) On and after January 1, 2013, an employer and its employees subject to Safety Option Plan One or Safety Option Plan Two may agree in a memorandum of understanding to be subject to Safety Option Plan One or the Basic Safety Plan, subject to the following:

(1) The lower plan shall apply to members first employed on or after the effective date of the lower plan, and shall be agreed to in a memorandum of understanding that has been collectively bargained in accordance with applicable laws.

(2) A retirement plan contract amendment with a public retirement system to alter a retirement formula pursuant to this subdivision shall not be implemented by the employer in the absence of a memorandum of understanding that has been collectively bargained in accordance with applicable laws.

(3) An employer shall not use impasse procedures to impose the lower plan.

(4) An employer shall not provide a different defined benefit for nonrepresented, managerial, or supervisory employees than the employer provides for other public employees, including represented employees, of the same employer who are in the same membership classifications.

(g) Pensionable compensation used to calculate the defined benefit shall be limited as described in Section 7522.10.

Added by Stats 2012 ch 296 § 15 (AB 340), effective January 1, 2013. Amended by Stats 2013 ch 528 § 5 (SB 13), effective October 4, 2013.

Amendments

2013 Amendment: Amended the first sentence of subd (e) by (1) substituting “members” for “employees”; and (2) deleting “eligible for membership in the system” at the end.

§ 7522.30. Equal sharing of normal costs between public employers and public employees; Standard; Contribution rate; Prior contract

(a) This section shall apply to all public employers and to all new members. Equal sharing of normal costs between public employers and public employees shall be the standard. The standard shall be that employees pay at least 50 percent of normal costs and that employers not pay any of the required employee contribution.

(b) The “normal cost rate” shall mean the annual actuarially determined normal cost for the plan of retirement benefits provided to the new member and shall be established based on the actuarial assumptions used to determine the liabilities and costs as part of the annual actuarial valuation. The plan of retirement benefits shall include any elements that would impact the actuarial determination of the normal cost, including, but not limited to, the retirement formula, eligibility and vesting criteria, ancillary benefit provisions, and any automatic cost-of-living adjustments as determined by the public retirement system.

(c) New members employed by those public employers defined in paragraphs (2) and (3) of subdivision (i) of Section 7522.04, the Legislature, the California State University, and the judicial branch who participate in a defined benefit plan shall have an initial contribution rate of at least 50 percent of the normal cost rate for that defined benefit plan, rounded to the nearest quarter of 1 percent, unless a greater contribution rate has been agreed to pursuant to the requirements in subdivision (e). This contribution shall not be paid by the employer on the employee’s behalf.

(d) Notwithstanding subdivision (c), once established, the employee contribution rate described in subdivision (c) shall not be adjusted on account of a change to the normal cost rate unless the normal cost rate increases or decreases by more than 1 percent of payroll above or below the normal cost rate in effect at the time the employee contribution rate is first established or, if later, the normal cost rate in effect at the time of the last adjustment to the employee contribution rate under this section.

(e) Notwithstanding subdivision (c), employee contributions may be more than one-half of the normal cost rate if the increase has been agreed to through the collective bargaining process, subject to the following conditions:

(1) The employer shall not contribute at a greater rate to the plan for nonrepresented, managerial, or supervisory employees than the employer contributes for other public employees, including represented employees, of the same employer who are in related retirement membership classifications.

(2) The employer shall not increase an employee contribution rate in the absence of a memorandum of understanding that has been collectively bargained in accordance with applicable laws.

(3) The employer shall not use impasse procedures to increase an employee contribution rate above the rate required by this section.

(f) If the terms of a contract, including a memorandum of understanding, between a public employer and its public employees, that is in effect on January 1, 2013, would be impaired by any provision of this section, that provision shall not apply to the public employer and public employees subject to that contract until the expiration of that contract. A renewal, amendment, or any other extension of that contract shall be subject to the requirements of this section.

Added by Stats 2012 ch 296 § 15 (AB 340), effective January 1, 2013. Amended by Stats 2013 ch 528 § 6 (SB 13), effective October 4, 2013.

Amendments

2013 Amendment: (1) Amended subd (b) by (a) substituting “plan of retirement benefits provided to the new member and shall be established based on the actuarial assumptions used to determine the liabilities and costs as part of the annual actuarial valuation.” for “defined benefit plan of an employer expressed a percentage of payroll” in the first sentence; and (b) adding the second sentence; and (2) amended the first sentence of subd (c) by (a) substituting “members employed” for “employees employed on and after January 1, 2013,”; (b) adding “the Legislature,”; and (c) substituting “unless a greater contribution rate has been agreed to pursuant to the requirements in subdivision (e)” for “or the current contribution rate of similarly situated employees, whichever is greater”.

Notes of Decisions

In a case involving the application of the defined benefit formulas and employee contribution provisions of the California Public Employees’ Pension Reform Act of 2013 to a county’s safety employees who were hired after the Act’s effective date, but who were covered by preexisting collective bargaining agreements containing conflicting terms, the conflicting provisions of Gov C § 7522.30 did not apply to new members governed by the

agreements until the agreements expired. Deputy Sheriffs' Assn. of San Diego County v. County of San Diego (2015, 4th Dist) 182 Cal Rptr 3d 759, 233 Cal App 4th 573, 2015 Cal App LEXIS 55.

(b) On or after January 1, 2013, an employer shall not modify a benefit plan to permit a calculation of final compensation on a basis of less than the average annual compensation earned by the member during a consecutive 36-month period, or three school years if applicable, for members who have been subject to at least a 36-month or three-school-year calculation prior to that date.

Added by Stats 2012 ch 296 § 15 (AB 340), effective January 1, 2013. Amended by Stats 2013 ch 528 § 7 (SB 13), effective October 4, 2013.

(c) Notwithstanding any other law, "pensionable compensation" of a new member does not include the following:

(1) Any compensation determined by the board to have been paid to increase a member's retirement benefit under that system.

(6) Payments for additional services rendered outside of normal working hours, whether paid in a lump sum or otherwise.

(7) Any employer-provided allowance, reimbursement, or payment, including, but not limited to, one made for housing, vehicle, or uniforms.

(8) Compensation for overtime work, other than as defined in Section 207(k) of Title 29 of the United States Code.

(9) Employer contributions to deferred compensation or defined contribution plans.

(10) Any bonus paid in addition to the compensation described in subdivision (a).

(11) Any other form of compensation a public retirement board determines is inconsistent with the requirements of subdivision (a).

(12) Any other form of compensation a public retirement board determines should not be pensionable compensation.

(13) (A) Any form of compensation identified that has been agreed to be nonpensionable pursuant to a memorandum of understanding for state employees bound by the memorandum of understanding. The state employer subject to the memorandum of understanding shall inform the retirement system of the excluded compensation and provide a copy of the memorandum of understanding.

(B) The state employer may determine if excluded compensation identified in subparagraph (A) shall apply to nonrepresented state employees who are aligned with state employees subject to the memorandum of understanding described in subparagraph (A). The state employer shall inform the retirement system of the exclusion of this compensation and provide a copy of the public pay schedule detailing the exclusion.

(a) Any enhancement to a public employee’s retirement formula or retirement benefit adopted on or after January 1, 2013, shall apply only to service performed on or after the operative date of the enhancement and shall not be applied to any service performed prior to the operative date of the enhancement.

(b) If a change to a member’s retirement membership classification or a change in employment results in an enhancement in the retirement formula or retirement benefit applicable to that member, that enhancement shall apply only to service performed on or after the operative date of the change and shall not be applied to any service performed prior to the operative date of the change.

(c) For purposes of this section, “operative date” in a collective bargaining agreement means one of the following:

(3) A date designated by the parties that occurred prior to the date the agreement was signed if the most recent collective bargaining contract was expired at the time of the agreement and the date designated is not earlier than 12 months prior to the date of the agreement or the day after the last day of the expired bargaining contract, whichever occurred later.

(2) The retirement system actuary, based on the annual valuation, determines that continuing to accrue excess earnings could result in disqualification of the plan's tax-exempt status under the provisions of the federal Internal Revenue Code.

(3) The board determines that the receipt of any additional contributions required under this section would conflict with its fiduciary responsibility set forth in Section 17 of Article XVI of the California Constitution.

Added by Stats 2012 ch 296 § 15 (AB 340), effective January 1, 2013.

(c) A person who retires from a public employer may serve without reinstatement from retirement or loss or interruption of benefits provided by the retirement system upon appointment by the appointing power of a public employer either during an emergency to prevent stoppage of public business or because the retired person has skills needed to perform work of limited duration.

(d) Appointments of the person authorized under this section shall not exceed a total for all employers in that public retirement system of 960 hours or other equivalent limit, in a calendar or fiscal year, depending on the administrator of the system. The rate of pay for the employment shall not be less than the minimum, nor exceed the maximum, paid by the employer to other employees performing comparable duties, divided by 173.333 to equal an hourly rate. A retired person whose employment without reinstatement is authorized by this section shall acquire no service credit or retirement rights under this section with respect to the employment unless he or she reinstates from retirement.

A retiree shall certify in writing to the employer upon accepting an offer of employment that he or she is in compliance with this requirement.

(2) A retired person who accepts an appointment after receiving unemployment insurance compensation as described in this subdivision shall terminate that employment on the last day of the current pay period and shall not be eligible for reappointment subject to this section for a period of 12 months following the last day of employment.

(f) A retired person shall not be eligible to be employed pursuant to this section for a period of 180 days following the date of retirement unless he or she meets one of the following conditions:

(1) The employer certifies the nature of the employment and that the appointment is necessary to fill a critically needed position before 180 days have passed and the appointment has been approved by the governing body of the employer in a public meeting. The appointment may not be placed on a consent calendar.

(2) (A) Except as otherwise provided in this paragraph, for state employees, the state employer certifies the nature of the employment and that the appointment is necessary to fill a critically needed state employment position before 180 days have passed and the appointment has been approved by the Department of Human Resources. The department may establish a process to delegate appointing authority to individual state agencies, but shall audit the process to determine if abuses of the system occur. If necessary, the department may assume an agency's appointing authority for retired workers and may charge the department an appropriate amount for administering that authority.

(B) For legislative employees, the Senate Committee on Rules or the Assembly Rules Committee certifies the nature of the employment and that the appointment is necessary to fill a critically needed position before 180 days have passed and approves the appointment in a public meeting. The appointment may not be placed on a consent calendar.

(C) For employees of the California State University, the Trustees of the California State University certifies the nature of the employment and that the appointment is necessary to fill a critically needed position before 180 days have passed and approves the appointment in a public meeting. The appointment may not be placed on a consent calendar.

(3) The retiree is eligible to participate in the Faculty Early Retirement Program pursuant to a collective bargaining agreement with the California State University that existed prior to January 1, 2013, or has been included in subsequent agreements.

(4) The retiree is a public safety officer or firefighter hired to perform a function or functions regularly performed by a public safety officer or firefighter.

(g) A retired person who accepted a retirement incentive upon retirement shall not be eligible to be employed pursuant to this section for a period of 180 days following the date of retirement and subdivision (f) shall not apply.

(h) This section shall not apply to a person who is retired from the State Teachers' Retirement System, and who is subject to Section 24214, 24214.5, or 26812 of the Education Code.

(i) This section shall not apply to (1) a subordinate judicial officer whose position, upon retirement, is converted to a judgeship pursuant to Section 69615, and he or she returns to work in the converted position, and the employer is a trial court, or (2) a retiree of the Judges' Retirement System or the Judges' Retirement System II who is assigned to serve in a court pursuant to Section 68543.5.

Notes of Decisions

1. Generally

Gov C § 11126(e) merely allows a state agency to meet in closed session to confer with, or receive advice from, its legal counsel regarding pending litigation - not to take action, and certainly not to issue regulatory orders. *S. Cal. Edison Co. v. Lynch* (9th Cir. Cal. Sept. 23, 2002), 307 F.3d 794, 2002 U.S. App. LEXIS 19796.

2.Construction

The Legislature, in enacting the pending litigation exception to the Bagley Keene Open Meeting Act (Gov C § 11126, subd. (q)) (See now subd (e)(2)(C)(ii)), did not exempt every discussion involving litigation from public scrutiny. Rather, a state body is allowed to conduct a closed session when discussion in an open session would prejudice the position of the state body in litigation. The state body has the burden of proving a compelling necessity for a closed session. Accordingly, its counsel must prepare a memorandum giving the specific reasons and legal authority for a closed session, and that memorandum must be submitted to the state body, at the latest, within a week after the closed session. The memorandum must describe the existing facts and circumstances that would prejudice the state body's position if the discussion were to occur in an open session, so as to justify deviation from the presumption that all discussions of public business should be held in public. The presence of the lawyer or the existence of a lawsuit cannot be used as a ruse or pretext for an otherwise unlawful closed session. *Funeral Sec. Plans, Inc. v. State Bd. of Funeral Directors & Embalmers* (Cal. App. 3d Dist. Mar. 25, 1993), 14 Cal. App. 4th 715, 18 Cal. Rptr. 2d 39, 1993 Cal. App. LEXIS 311.

3.Construction with Other Law

Under Gov C § 18653, providing for meetings of the State Personnel Board, the Board is required to hold public hearings, but when the hearing has reached the decisional stage, it may hold an executive session for the sole purpose of deliberating on the decision to be reached, and at the conclusion of the executive session, the Board must reconvene the public hearing and make public announcement of its decision. The provision in Gov C § 18653, authorizing the Board to hold executive sessions "as provided in" Gov C § 11126, containing exceptions to the declared policy of public hearings, was intended to identify the exceptions in Gov C § 18653, with those in Gov C § 11126, and as so construed, the words "as provided in" are synonymous with "in accordance with" rather than being interpreted as "only as provided in." *California State Employees' Assn. v. State Personnel Board* (Cal. App. 3d Dist. May 1, 1973), 31 Cal. App. 3d 1009, 108 Cal. Rptr. 57, 1973 Cal. App. LEXIS 1127.

4.Applicability

In a disciplinary hearing before the Psychology Examining Committee on allegations that a licensed psychologist had illegally prescribed and furnished dangerous drugs and engaged in sexual and other physical intimacies with three female patients, committee members and the hearing office did not violate the requirements of Gov C §§ 11120–11131, of open and public action and deliberation by state agencies, by convening in executive sessions on six occasions during the hearing, where it appeared that the objective in conducting each of the sessions was to reach "a decision...based upon evidence introduced" at the hearing, as permitted by Gov C § 11126. Moreover, the subject matter of each session and the decision discussed at it were fully placed on the record before each session, or afterward, or on both occasions in some instances, and the accused had the opportunity to examine and challenge each of the decisions made in executive session and in fact did so. *Cooper v. Board of Medical Examiners* (Cal. App. 1st Dist. June 18, 1975), 49 Cal. App. 3d 931, 123 Cal. Rptr. 563, 1975 Cal. App. LEXIS 1266.

The State Board of Funeral Directors and Embalmers did not violate the Bagley Keene Open Meeting Act by meeting in closed sessions to listen to facts presented by its counsel and counsel's advice as to whether to file a civil action against a seller of preneed funeral contracts to enjoin alleged violations of the preneed arrangements law, and to deliberate and make decisions on the basis of the advice received. The litigation exception of the act, which provides that a state body may hold a closed session to confer with, or receive advice from, its legal counsel (Gov C § 11126, subd. (q)) (See now subd (e)(2)(C)(ii)), encompasses the presentation of facts by counsel, together with the necessary deliberation and decision making by the state body. The board, assisted by counsel, had been inquiring into the funeral contractor's possible legal violations, and the facts were inextricably intertwined with the legal advice offered by counsel. At that stage, the funeral contractor was not entitled to notice that it was a target of inquiry. Such a right to notice does not accrue until the filing of an action. *Funeral Sec. Plans, Inc. v. State Bd. of Funeral Directors & Embalmers* (Cal. App. 3d Dist. Mar. 25, 1993), 14 Cal. App. 4th 715, 18 Cal. Rptr. 2d 39, 1993 Cal. App. LEXIS 311.

Gov C § 11126, subd. (d), which permits a state body to hold a closed session to deliberate on a decision to be reached on the basis of evidence introduced in a proceeding conducted under the Administrative Procedure Act, applies to administrative hearings held under the Funeral Directors and Embalmers Law (B & P C §§ 7600 et seq.). *Funeral Sec. Plans, Inc. v. State Bd. of Funeral Directors & Embalmers* (Cal. App. 3d Dist. Mar. 25, 1993), 14 Cal. App. 4th 715, 18 Cal. Rptr. 2d 39, 1993 Cal. App. LEXIS 311.

When a party accused by the State Board of Funeral Directors and Embalmers of violations of the Funeral Directors and Embalmers Law (B & P C §§ 7600 et seq.) waives the right to an administrative hearing and attempts to settle the dispute with the board, the pending litigation exception of the Bagley Keene Open Meeting Act (Gov C § 11126, subd. (q)) (See now subd (e)(2)(C)(ii)) applies. This permits the board to seek legal advice and confer with counsel in a closed session about the propriety of a proposed stipulated settlement, if the board demonstrates that the board would be prejudiced by an open discussion. The board, however, has a formidable task to demonstrate such prejudice. The public has a great interest in overseeing the board's execution of its regulatory powers. The accusation is made publicly, and when there is no administrative hearing, the process is resolved in secrecy. Thus, legal counsel must justify such a closed session by preparing a memorandum, as required by Gov C § 11126, subd. (q) (See now subd (e)(2)(C)(ii)), that specifically describes the facts and circumstances that would prejudice the board if an open hearing were held on the disposition. *Funeral Sec. Plans, Inc. v. State Bd. of Funeral Directors & Embalmers* (Cal. App. 3d Dist. Mar. 25, 1993), 14 Cal. App. 4th 715, 18 Cal. Rptr. 2d 39, 1993 Cal. App. LEXIS 311.

Gov C § 11126.3 was strictly followed when the California Public Utilities Commission (PUC) entered into a stipulation with the power company; PUC was authorized not only to discuss, but also to conclude the settlement in closed session. *Southern California Edison Co. v. Peevey* (Cal. Aug. 21, 2003), 31 Cal. 4th 781, 3 Cal. Rptr. 3d 703, 74 P.3d 795, 2003 Cal. LEXIS 6095.

State university trustees did not violate the Bagley-Keene Open Meeting Act, Gov C § 11120 et seq., when they met in closed session to discuss a former chancellor's controversial decision to return from a lengthy leave of absence and assume a teaching post; the personnel exception in Gov C § 11126(a)(1) was applicable. *Travis v. FPPC Decisions

The process of trademark registration is “quasi-judicial” rather than “quasi-legislative.” Thus, an attorney’s activities in registering clients’ trademarks do not constitute attempting to influence administrative action and the attorney need not register as a lobbyist. *Carson, John M., Attorney* 1 FPPC 46 (No. 75-031, July 2, 1975).

(1) Reporting hazardous traffic locations by an automobile club to state agencies and recommending corrective action does not constitute an attempt to influence administrative action; (2) the furnishing of data or factual materials will be reportable under certain circumstances; (3) commenting on proposed regulations constitutes an attempt to influence administrative action regardless of whether the comment is in response to a request from the agency; (4) discussion of enforcement policies with Highway Patrol personnel may constitute an attempt to influence administrative action. *Nida, Robert H., Automobile Club of Southern California* 2 FPPC 1 (No. 75-075-A, Jan. 7, 1976).

Persons engaged in representing Bay Area Rapid Transit in quasi-legislative proceedings before the Public Utilities Commission are attempting to influence administrative action. The safety director of BART is not a lobbyist as a result of communicating with the PUC staff in compliance with a PUC order. *Leonard, Carl A., Bay Area Rapid Transit* 2 FPPC 54 (No. 75-042, April 22, 1976).

Proceedings before the PUC involving Southern Pacific and Airporttransit passenger service are not administrative action. However, under the circumstances presented here, the PUC proceedings pursuant to an Order Instituting Investigation and examining Southern Pacific commuter services are administrative actions. Because the Southern Pacific discontinuance proceedings are combined with proceedings pursuant to the Order Instituting Investigation, the discontinuance proceeding must be considered administrative action. *Evans, J. L., United Transportation Union* 4 FPPC 84 (No. 78-008-B, Nov. 8, 1978).

§ 82022.5. “Election-related activities”

(a) Communications that contain express advocacy of the nomination or election of a candidate or the defeat of his or her opponent.

(b) Communications that contain reference to a candidate's candidacy for elective office, the candidate's election campaign, or the candidate's or his or her opponent's qualifications for elective office.

(c) Solicitation of contributions to the candidate or to third persons for use in support of the candidate or in opposition to his or her opponent.

(d) Arranging, coordinating, developing, writing, distributing, preparing, or planning of any communication or activity described in subdivisions (a) to (c), inclusive.

(e) Recruiting or coordinating campaign activities of campaign volunteers on behalf of the candidate.

(f) Preparing campaign budgets.

(g) Preparing campaign finance disclosure statements.

(h) Communications directed to voters or potential voters as part of activities encouraging or assisting persons to vote if the communication contains express advocacy of the nomination or election of the candidate or the defeat of his or her opponent.

Added by Stats 2017 ch 749 § 4 (AB 867), effective January 1, 2018.

§ 82013. "Committee"

(a) Receives contributions totaling two thousand dollars (\$2,000) or more in a calendar year.

(b) Makes independent expenditures totaling one thousand dollars (\$1,000) or more in a calendar year; or

(c) Makes contributions totaling ten thousand dollars (\$10,000) or more in a calendar year to or at the behest of candidates or committees.

A person or combination of persons that becomes a committee shall retain its status as a committee until such time as that status is terminated pursuant to Section 84214.

Former Sections: Former § 82013, similar to the present section, was added by initiative measure adopted June 4, 1974, operative January 7, 1975, amended by Stats 1977 ch 1213 § 1, and repealed by Stats 1980 ch 289 § 1.2.

1987 Amendment: Substituted "one thousand dollars (\$1,000)" for "five hundred dollars (\$500)" wherever it appears.

2015 Amendment: Substituted "two thousand dollars (\$2,000)" for "one thousand dollars (\$1,000)" in subd (a).

Notes of Decisions

Gov C § 91004 states that the liability for negligently violating reporting requirements is not more than the value not reported. Gov C § 91005, by contrast, allows a liability for up to three times the amount of the unlawful contribution in certain more egregious cases, such as unlawful contributions by lobbyists. It would be patently absurd to read §§ 82013 and 84200 together to impose duties on advocacy groups for a single negligent violation so as to allow a private "bounty hunter" to get rich off of that violation. In statutory terms, such a reading of "committee" as defined in § 82013 would contravene the plain implications of the framework laid out in §§ 91004 and 91005. For purposes of the reporting requirement of § 84200, "committees" cannot include issue advocacy groups who are retroactively assigned that status by virtue of court decision. *McCauley v. Howard Jarvis*

Taxpayers Assn. (1998, Cal App 4th Dist) 68 Cal App 4th 1255, 80 Cal Rptr 2d 900, 1998 Cal App LEXIS 1086, review denied (1999, Cal) 1999 Cal LEXIS 2158.

FPPC Decisions

A committee is required to have a treasurer. However, there is no requirement that the person designated "committee treasurer" of a corporation that qualifies as a committee be the same person who for corporate purposes holds the title "treasurer." Any responsible person may be named for verifying and signing campaign reports. *Augustine, John H., Union Oil Co.* 1 FPPC 69 (No. 75-064, July 2, 1975).

The governing board of a district which pays or offers the pay for the cost of candidate qualification statements would not become a committee. The district would not become a committee by virtue of purchasing space in a voters' pamphlet for the purpose of presenting arguments on both sides of a ballot measure. *Masini, H. L., County Clerk, Fresno* 2 FPPC 38 (No. 75-171-B, Feb. 4, 1976).

When an individual and a closely held corporation in which the individual is the majority shareholder make contributions of the type described in Section 82013(c), it is assumed that they are a "combination of persons" which is attempting to influence the voters for or against the nomination or election of a candidate or the passage or defeat of a measure. Accordingly, the individual and the corporation ordinarily must file campaign statements as a major donor committee if their combined contributions total \$5,000 or more. A corporation and an individual who is both the corporation president and a trustee in a foundation which owns the stock of the corporation need not cumulate contributions for the purpose of determining whether the corporation and the individual are a major donor committee unless there is an agreement or mutual understanding, expressed or implied, that corporate and personal funds will be contributed toward the accomplishment of a common goal. *Lumsdon, Thomas G., Attorney* 2 FPPC 140 (No. 75-205, Sept. 7, 1976).

When contributions are made by a parent corporation and its wholly owned subsidiaries, it is assumed that they are a "combination of persons." Accordingly, a parent corporation and its subsidiaries ordinarily must file campaign statements as a major donor committee if their combined contributions total \$5,000 or more in a calendar year. A contrary conclusion can be reached only when it is clear from the surrounding circumstances that the parent corporation and its subsidiaries acted completely independently of each other. If the parent corporation made no contributions, the conclusion would be the same. *Kahn, Harry H., American Building Maintenance Industries* 2 FPPC 151 (No. 75-185, Nov. 3, 1976).

§ 82023. "Elective office"

"Elective office" means any state, regional, county, municipal, district or judicial office that is filled at an election. "Elective office" also includes membership on a county central committee of a qualified political party, and membership through election on the Board of Administration of the Public Employees' Retirement System or the Teachers' Retirement Board.

Notes to Decisions

Probate court lacked subject-matter jurisdiction to make an equitable determination regarding ownership of the proceeds of a life insurance policy, the beneficiary of which was the decedent's former spouse, when the personal property of the estate did not exceed the amount transferable by affidavit and there were no other assets listed in the probate petition. Accordingly, an order purporting to award the insurance proceeds to the decedent's sons was void and had to be reversed. Estate of Post (Cal. App. 1st Dist. June 22, 2018), 234 Cal. EXTRACTS FROM THE PUBLIC CONTRACT CODE

DIVISION 2. GENERAL PROVISIONS

PART 1. ADMINISTRATIVE PROVISIONS

CHAPTER 2.7. IRAN CONTRACTING ACT OF 2010

§ 2200. Citation of chapter (Operative term contingent)

This chapter shall be known and may be cited as the Iran Contracting Act of 2010.

Added by Stats 2010 ch 573 § 1 (AB 1650), effective January 1, 2011.

Note—Stats 2010 ch 573 provides:

SEC. 2. Section 1 of this act shall become inoperative upon the date that federal law ceases to authorize the states to adopt and enforce the contracting prohibitions of the type provided for in that section.

§ 2201. Legislative findings and declarations (Operative term contingent)

The Legislature hereby finds and declares all of the following:

(a) In imposing United States sanctions on Iran, Congress and the President have determined that the illicit nuclear activities of the Government of Iran, combined with its development of unconventional weapons and ballistic missiles, and its support of international terrorism, represent a serious threat to the security of the United States, Israel, and other United States allies in Europe, the Middle East, and around the world.

(b) On September 9, 2009, it was reported that American intelligence agencies have concluded that Iran has already created enough nuclear fuel to develop a nuclear weapon, and United States Ambassador to the International Atomic Energy Agency Glyn Davies declared that Iran had achieved “possible breakout capacity.”

(c) On September 21, 2009, Iran sent a letter to the International Atomic Energy Agency acknowledging that it is considering a previously undeclared “new pilot fuel enrichment plan.”

(d) On Sept. 25, 2009, President Barack H. Obama, joined by Prime Minister Gordon Brown of Britain and President Nicolas Sarkozy of France, stated that the secret plant “represents a direct challenge to the basic foundation of the nonproliferation regime” and “deepens a growing concern that Iran is refusing to live up to those international responsibilities, including specifically revealing all nuclear-related activities. As the international community knows, this is not the first time that Iran has concealed information about its nuclear program.”

(e) The International Atomic Energy Agency has repeatedly called attention to Iran’s unlawful nuclear activities, and, as a result, the United Nations Security Council has adopted a range of sanctions designed to encourage the Government of Iran to cease those activities and comply with its obligations under the Treaty on the Non-Proliferation of Nuclear Weapons (commonly known as the “Nuclear Non-Proliferation Treaty”).

(f) On July 1, 2010, President Barack Obama signed into law H.R. 2194, the “Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010” (Public Law 111-195), which expressly authorizes states and local governments to prevent investment in, including prohibiting entry into or renewing contracts with, companies operating in Iran’s energy sector with investments that have the result

of directly or indirectly supporting the efforts of the Government of Iran to achieve nuclear weapons capability.

(g) On October 7, 2008, then-Senator Obama stated, “Iran right now imports gasoline, even though it’s an oil producer, because its oil infrastructure has broken down. If we can prevent them from importing the gasoline that they need and the refined petroleum products, that starts changing their cost-benefit analysis. That starts putting the squeeze on them.”

(h) The serious and urgent nature of the threat from Iran demands that states, local governments, educational institutions, and private institutions work together with the federal government and American allies to do everything possible diplomatically, politically, and economically to prevent Iran from acquiring a nuclear weapons capability.

(i) There are moral and reputational reasons for this state and local governments to not engage in business with foreign companies that have business activities benefiting foreign states, such as Iran, that commit egregious violations of human rights, proliferate nuclear weapons capabilities, and support terrorism.

(j) It is the responsibility of the state to decide how, where, and by whom its financial resources should be invested. It also is the prerogative of the state to not invest in, or do business with, companies whose investments with Iran place those companies at risk from the impact of economic sanctions imposed upon the Government of Iran for sponsoring terrorism, committing egregious violations of human rights, and engaging in illicit nuclear weapons development.

(k) The human rights situation in Iran has steadily deteriorated in 2009, as punctuated by transparently fraudulent elections and the brutal repression and murder, arbitrary arrests, and show trials of peaceful dissidents.

(l) During the postelection protests in June 2009, the Iranian government imposed widespread and unjustifiable restrictions on telecommunications services, denying the citizens of Iran their rights and liberties to free speech.

(m) On October 14, 2007, Governor Arnold Schwarzenegger stated his intention to support “efforts to further prevent terrorism” when signing Assembly Bill 221, which prohibits the state’s pension funds from investing in companies with active business in Iran.

(n) This state currently honors contracts with foreign companies that may be at financial risk due to business ties with foreign states, such as Iran, that are involved in the proliferation of weapons of mass destruction, commit human rights violations, and support terrorism.

(o) The concerns of the State of California regarding Iran are strictly the result of the actions of the Government of Iran.

(p) The people of the State of California declare all of the following:

(1) We have feelings of friendship for the people of Iran.

(2) We regret that developments in recent decades have created impediments to that friendship.

(3) We hold the people of Iran, their culture, and their ancient and rich history in the highest esteem.

(q) In order to effectively address the need for the governments of this state to respond to the policies of Iran in a uniform fashion, prohibiting contracts with persons engaged in investment activities in the energy sector of Iran must be accomplished on a statewide basis, and, therefore, the subject is a matter of statewide concern rather than a municipal affair.

(r) It is the intent of the Legislature to implement the authority granted under Section 202 of the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010 (Public Law 111-195).

Added by Stats 2010 ch 573 § 1 (AB 1650), effective January 1, 2011.

Editor’s Notes—For inoperative date, see Note under Pub Con C § 2200.

Editor’s Notes—For inoperative date, see the 2010 Note under Pub Con C § 2200.

For purposes of this chapter, a person engages in investment activities in Iran if any of the following is true:

(a) The person provides goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran.

(b) The person is a financial institution that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created pursuant to subdivision (b) of Section 2203 as a person engaging in investment activities in Iran as described in subdivision (a).

§ 2203. Ineligibility to bid due to engaging in investment activities with Iran; List of ineligible persons; Exceptions (Operative term contingent)

(a) (1) A person that, at the time of bid or proposal for a new contract or renewal of an existing contract, is identified on a list created pursuant to subdivision (b) as a person engaging in investment activities in Iran as described in subdivision (a) of Section 2202.5, is ineligible to, and shall not, bid on, submit a proposal for, or enter into or renew, a contract with a public entity for goods or services of one million dollars (\$1,000,000) or more.

(2) A person that, at the time of bid or proposal for a new contract or renewal of an existing contract, engages in investment activities in Iran as described in subdivision (b) of Section 2202.5, is ineligible to, and shall not, bid on, submit a proposal for, or enter into or renew, a contract with a public entity for goods or services of one million dollars (\$1,000,000) or more.

(b) (1) By June 1, 2011, the Department of General Services shall, using credible information available to the public, develop, or contract to develop, a list of persons it determines engage in investment activities in Iran as described in subdivision (a) of Section 2202.5.

(2) The Department of General Services shall update the list every 180 days.

(3) Before finalizing an initial list pursuant to paragraph (1) or an updated list pursuant to paragraph (2), the Department of General Services shall do all of the following before a person is included on the list:

(A) Provide 90 days' written notice of its intent to include the person on the list. The notice shall inform the person that inclusion on the list would make the person ineligible to bid on, submit a proposal for, or enter into or renew, a contract for goods or services of one million dollars (\$1,000,000) or more with a public entity. The notice shall specify that the person, if it ceases its engagement in investment activities in Iran as described in subdivision (a) of Section 2202.5, may become eligible for a future contract, or contract renewal, for goods or services of one million dollars (\$1,000,000) or more with a public entity upon removal from the list.

(B) The Department of General Services shall provide a person with an opportunity to comment in writing to the Department of General Services that it is not engaged in investment activities in Iran. If the person demonstrates to the Department of General Services that the person is not engaged in investment activities in Iran as described in subdivision (a) of Section 2202.5, the person shall not be included on the list, and shall be eligible to enter into or renew a contract for goods or services of one million dollars (\$1,000,000) or more with a public entity, unless the person is otherwise ineligible to bid on a contract as described in paragraph (3) of subdivision (a) of Section 2205.

(4) The Department of General Services shall make every effort to avoid erroneously including a person on the list.

(5) The Department of General Services may assess a fee upon persons that use this list to comply with the provisions of this act, in order to pay for the necessary, actual costs of creating and maintaining this list. The Department of General Services shall provide the list free of charge to any public entity and to the Legislature, upon request.

(6) A person that has a contract with CalPERS or CalSTRS, or both, shall not be deemed a person that engages in investment activities in Iran on the basis of those investments with CalPERS or CalSTRS.

(c) Notwithstanding subdivision (a), a public entity may permit a person engaged in investment activities in Iran, on a case-by-case basis, to be eligible for, or to bid on, submit a proposal for, or enter into or renew, a contract for goods or services of one million dollars (\$1,000,000) or more with a public entity if either of the following are true:

(1) All of the following occur:

(A) The investment activities in Iran were made before July 1, 2010.

(B) The investment activities in Iran have not been expanded or renewed after July 1, 2010.

(C) The awarding body determines that it is in the best interest of the state or local public entity to contract with the person. For purposes of local contracts for goods or services of one million dollars (\$1,000,000) or more, "awarding body" means the representative of the local public entity awarding the contract, as described in subdivision (a) of Section 2202.

(D) The person has adopted, publicized, and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran.

(2) One of the following occurs:

(A) For a contract for goods or services of one million dollars (\$1,000,000) or more with a local public entity, the local public entity makes a public finding that, absent such an exemption, the local public entity would be unable to obtain the goods or services for which the contract is offered.

(B) For a contract for goods or services of one million dollars (\$1,000,000) or more with a state agency, other than the office of a state constitutional officer, the Governor makes a public finding that absent such an exemption, the state agency would be unable to obtain the goods or services for which the contract is offered.

(C) For a contract for goods or services of one million dollars (\$1,000,000) or more with an office of a state constitutional officer, if the state constitutional officer makes a public finding that, absent such

an exemption, his or her office would be unable to obtain the goods or services for which the contract is offered.

(d) Notwithstanding subdivision (a), a public entity shall permit a financial institution described in subdivision (b) of Section 2202.5 to be eligible for, or to bid on, submit a proposal for, or enter into or renew, a contract for goods or services of one million dollars (\$1,000,000) or more with a public entity if the person using the credit to provide goods or services in the energy sector of Iran is a person permitted to submit a bid or proposal to the public entity pursuant to subdivision (c).

Notes of Decisions

The taking of appropriate steps by the state in the various federal land offices to exchange school land for other equivalent public land, pursuant to former Pol C §§ 3398–3409, did not constitute a dedication of such lands to a “public use” so that such land could not be condemned under the power of eminent domain. *Deseret Water, Oil & Irrigation Co. v. State* (1914) 167 Cal 147, 138 P 981, 1914 Cal LEXIS 435.

authorized by this division, the commission may exchange school lands under its jurisdiction for lands owned by any state agency, political subdivision, or person, partnership, company, or corporation, or by the United States or any federal agency; provided, that the lands acquired pursuant to such exchange have equal or greater value than the lands conveyed.

Such acquired lands shall have the same status as to administration, control, and disposition as the lands conveyed.

Notes of Decisions

If patent is void on its face, it may be assailed at any time and in all cases, for it is itself record evidence of matter which renders it a nullity. *Doll v. Meador* (1860) 16 Cal 295, 1860 Cal LEXIS 223, overruled in part on other grounds, *Edwards v. Rolley* (1892) 96 Cal 408, 31 P 267, 1892 Cal LEXIS 967.

Patent is record of state that land was subject to location under grant of United States, and has been located, through her officers in pursuance of terms of donation, and as against parties who have no higher right than that which arises from mere occupation, it imports absolute verity. *Doll v. Meador* (1860) 16 Cal 295, 1860 Cal LEXIS 223, overruled in part on other grounds, *Edwards v. Rolley* (1892) 96 Cal 408, 31 P 267, 1892 Cal LEXIS 967.

§ 8701. Legislative findings and declarations

The Legislature finds and declares as follows:

(a) Past policies of the state have resulted in significant depletion of the inventory of lands granted by the federal government to provide fiscal support for the public school system.

(b) It is essential that all remaining school lands and attendant interests be managed and enhanced to provide an economic base for support of the public school system.

(c) The commission shall plan and implement all transactions, including exchanges, sales, and acquisitions which would facilitate the management of school land interests for revenue generating purposes.

(d) The state, through the commission, shall take all action necessary to fully develop school lands, indemnity interests, and attendant mineral interests into a permanent and productive resource base.

(e) It is in the best interest of the state that school lands be managed as a revenue source and it is the intent of the Legislature that fair market value be a primary criterion in determining if proposed uses or dispositions of land should be approved.

(f) The consolidation of school land parcels into contiguous holdings is essential to sound and effective management and the power to acquire lands by exchange or purchase is elemental to the consolidation process.

§ 8720. Legislative findings and declarations

The Legislature finds and declares all of the following:

(a) The high cost of energy is taking a financial toll on California's residents and economy, as well as making the state more dependent on foreign oil.

(b) California is home to abundant renewable energy resources, such as solar, wind, geothermal, and biomass.

(c) The State Lands Commission manages on behalf of the State Teachers' Retirement Fund (STRS) hundreds of thousands of acres of school lands, a great deal of which have significant potential for siting large-scale renewable energy projects.

(d) The State Lands Commission has a duty pursuant to the School Land Bank Act (Chapter 1 (commencing with Section 8700)) to take all action necessary to fully develop school lands into a permanent and productive resource base for the benefit of STRS.

(e) A significant amount of school lands are not producing revenue from large-scale renewable energy projects because they are isolated, landlocked parcels, the majority of which are remote desert lands. The consolidation of school land parcels into contiguous holdings would facilitate the sound and effective management of these lands for large-scale renewable energy projects.

(f) On October 16, 2008, the State Lands Commission adopted a resolution supporting the environmentally responsible development of school lands for renewable energy-related projects.

(g) If school lands are leased for large-scale renewable energy projects, the state will benefit in the form of reduced carbon emissions, a cleaner and healthier environment, affordable energy, stronger national security, new jobs, and more funding for STRS.

(h) It is the policy of the state to promote the advancement, development, assessment, and installation of large-scale renewable energy projects on school lands. Any consolidation and development of school lands for renewable energy should be done with assurances that the state's unique and sensitive environment will be protected.

Added by Stats 2011 ch 485 § 2 (AB 982), effective January 1, 2012.

§ 8721. "California desert"

For the purposes of this chapter, "California desert" means the California Desert Conservation Area as described in Section 1781 of Title 43 of the United States Code.

Added by Stats 2011 ch 485 § 2 (AB 982), effective January 1, 2012.

§ 8722. Memorandum of agreement; School land consolidation efforts; Report

(a) The commission shall enter into a memorandum of agreement by April 1, 2012, with the United States Secretary of the Interior to facilitate land exchanges that consolidate school land parcels into contiguous holdings that are suitable for large-scale renewable energy-related projects. The memorandum of agreement shall be tailored, to the extent feasible, to prioritize land exchanges that are best suited for large-scale renewable energy project development, including for the purposes of mitigation of the impacts of that development.

(b) After the memorandum of agreement is entered into, the commission shall make best efforts to consolidate all school land parcels in the California desert into contiguous holdings for large-scale renewable energy-related projects.

(c) The commission shall report to the Legislature by January 1 of each year on the status of the memorandum of agreement and school land consolidation efforts in the California desert.

(d) The requirements of this section are contingent on the cooperation of the United States Secretary of the Interior.

Added by Stats 2011 ch 485 § 2 (AB 982), effective January 1, 2012.

§ 8723. Submission of land exchange proposal; Priority; Considerations; Report; Costs and expenses; Final approval

(a) Within 240 days of the execution of a memorandum of agreement pursuant to Section 8722, the commission shall prepare and submit to the United States Secretary of the Interior a proposal for land exchanges that consolidate school land parcels in the California desert into contiguous holdings that are suitable for large-scale renewable energy-related projects. In developing the proposal, the commission shall give priority to land exchanges that will facilitate the development of large-scale renewable energy projects.

(b) The commission's proposal shall be based on an acre-for-acre exchange with the United States. If the United States is not authorized to enter into such an agreement, the commission may propose an exchange based on equivalent appraised values.

(c) Notwithstanding subdivision (b), the commission may withhold a school land parcel from an exchange proposal or request additional consideration from the United States Secretary of the Interior if the commission reasonably believes, based on existing and reliable information, that an acre-for-acre

exchange would not provide the state with compensation that is equal to or greater than the fair market value of the school land parcel. For the purposes of this subdivision, the commission shall consider the potential renewable energy value of a parcel the commission would receive in the exchange.

(d) In preparing the land exchange proposal, the commission shall consult with the Department of Fish and Game to identify areas in the California desert that would be consistent with the proposed or adopted provisions of the Desert Renewable Energy Conservation Plan and are either of the following:

(1) Suitable for renewable energy projects because the identified areas do not support habitat or habitat corridor values for species listed as threatened, endangered, or candidate species pursuant to the California Endangered Species Act (Chapter 1.5 (commencing with Section 2050) of Division 3 of the Fish and Game Code) or the federal Endangered Species Act of 1973 (16 U.S.C. Sec. 1531 et seq.), that, in the judgment of the Department of Fish and Game, are sufficient to warrant consideration of their designation as a mitigation or conservation area for these species.

(2) Suitable as potential mitigation areas to mitigate the impacts that renewable energy-related projects may have on the environment.

(e) The commission's costs and expenses attributable to the land exchange process may be payable from the fund. Notwithstanding Section 6217.5, a portion of the revenues generated from renewable energy leases pursuant to this chapter shall be made available to the commission, upon appropriation by the Legislature, to cover the commission's costs attributable to the land exchange process.

(f) The commission may consider counter land exchange proposals from the United States Secretary of the Interior and make additional proposals to the extent that the additional proposals achieve the goals set forth in this chapter.

(g) Final approval of a land exchange proposed pursuant to this chapter shall be made by the commission at a properly noticed commission meeting.

Added by Stats 2011 ch 485 § 2 (AB 982), effective January 1, 2012.
