**Schedule & Budget Indicators:**

- ✔ Acceptable
- ☒ Warning
- ☐ Critical
- ☐ Complete
- ☒ On Hold

1 Project Total – amount represents the sum of the projects’ prior years’ actual expended amount and the current and future years budgeted amounts.

2 BusinessRenew BusinessDirect (previously known as Corporate Accounting & Resource Management) – $15.5 million funded through Board and contingency funds and is excluded from the Enterprise Projects’ stated Total Budget, Allocated and Expended information. Received EPIC funds of $1,774,680 for fiscal year 2011/2012 and $3,718,505 for fiscal year 2012/2013.

3 BusinessRenew BusinessDirect - schedule slippage due to delays in launching Release 1 and impacting the planned date for Release 2.

4 BusinessRenew Data Preparation- schedule delay due to loss of vendor resources.

5 BusinessRenew Enterprise Information Management -schedule delay due to the addition of activities for stakeholder acceptance and extended review cycles.

6 BusinessRenew Pension Solution – amount includes initial funds for project phases beyond the defined discovery and requirements.

7 BusinessRenew Pension Solution – schedule slippage due to delays in items requiring executive decision and delays in hiring resources.

8 BusinessRenew Program – schedule slippage due to delays in hiring program resources.

9 BusinessRenew Requirements Management - schedule slippage due to delays in the tool procurement process.

10 Enterprise Technology Projects Budget – Beginning with fiscal year 2012/13 a new appropriation in the amount of $18.5 million was created for the EPIC enterprise technology projects. The funds not expended during fiscal year 2012/13 will continue to be available for use for two additional years. The maximum 2012/13 amount approved for carry over through the budget act is $6.7 million. A portion of the remaining $1.5 million is used to support the Project Management Office and the remaining amount will remain available for use as needed.
AB 340 Pension Reform

The Pension Reform Project will implement Assembly Bill 340 (Furtani), enacted as Chapter 296, Statutes of 2012, an extensive revision to California public pension plans.

Period Ending June 30, 2013:
- Continued updates to member communication publications and directives to reflect AB 340 changes.
- Completed user acceptance testing for Phase 2.1 release, the functionality to prevent a benefit stream from authorizing if under the new retirement formula, unless a specific override has been applied.
- Completed Discovery efforts for remaining nine (9) identified items affected by AB 340.
- Received Enterprise Program Investment Council (EPIC) approval to extend the schedule by two-months for the Discovery to July 2013.
- Received Enterprise Program Investment Council (EPIC) approval to reserve funding for the Business Direct enhancements to be completed by BusinessDirect vendor.

Planned Deliverables by September 30, 2013:
- Continue updates to publications and directives.
- Implement Phase 2.1 functionality to prevent a benefit stream from authorizing if under the new retirement formula, unless a specific override has been applied.
- Complete Discovery Results document and Enterprise Program Investment Council (EPIC) presentation.
- Request Enterprise Program Investment Council (EPIC) approval for a 13-month implementation project to include three phases to implement the nine remaining identified items affected by AB 340.

Annual Update

The Annual Update process calculates fiscal year end contributions, interest and yearly service credit; transfers all necessary funds between the Defined Benefit and Defined Benefit Supplement accounts and produces the Retirement Progress Reports (annual member statements).

Period Ending June 30, 2013:
- Finalized 2012/2013 business requirements.
- Completed the development of 2012/2013 Annual Update enhancements.
- Completed development and unit test in preparation for System Integration Testing (SIT).
- Submitted initial test data to print vendor.
- Mailed 28,129 address clean up letters to members with an account balance.

Planned Deliverables by September 30, 2013:
- Complete System Integration Testing (SIT) and User Acceptance Testing (UAT).
- Process final employer reports and/or implement contingency plan for closing fiscal year end files.
- Complete Annual Update production run.
- Post Retirement Progress Reports on myCalSTRS.
- Receive Enterprise Program Investment Council (EPIC) approval to implement the online RPR only default for 2013/2014 Retirement Progress Reports.

100% Complete
The BusinessRenew BusinessDirect project—previously known as Corporate Accounting and Resource Management (CARM) project—improves financial reporting, corporate accounting, budgeting, procurement and contract management by implementing policies and technology systems that include automated internal controls to reduce financial and operational risks.

BusinessRenew BusinessDirect

**Period Ending June 30, 2013:**
- Continued the Release 1.0 phase lessons learned and close-out activities.
- Continued Release 1.5 configuration and custom object development and associated testing activities.
- Migrated development systems to a separate network for increased security.

**Planned Deliverables by September 30, 2013:**
- Request Enterprise Project Investment Council to extend the project schedule to complete the remaining Phases 1 and 1.5, and network migration activities.
- Complete the Release 1.0 phase lessons learned and close-out activities.
- Complete Release 1.5 configuration and custom object development and associated testing and implementation activities.
- Migrate test system to a separate network for increased security.

**Schedule Warning:** Project is behind schedule due to historical implementation vendor resource issues and ongoing production support versus project resource contention.

Note: Project is funded from FY2011/2012 Operating Budget one time funds and contingency funds and is utilizing Enterprise Program Investment Council (EPIC) funding for supplementing the base budget.

| BusinessRenew         | The Renew Data Preparation project acquired the services of a Data Analysis Services vendor to assist in analyzing CalSTRS pension data and developing a plan for preparing the data for conversion to a new pension solution. | **Period Ending June 30, 2013:**  
  - Delivered the Complete Account Review and Evaluation (CARE) team’s progress report, for the quarter ending March 31, 2013 to the Enterprise Program Investment Council (EPIC).  
  - Commenced data profiling activities.  
  - Developed project schedule and staffing plan.  
  - Developed data analysis approach.  

**Planned Deliverables by September 30, 2013:**  
- Complete re-baselining the project schedule.  
- Continue data profiling and initiate data analysis activities.  

◆ **Critical Warning:** The project was re-baselined in June. Due to resource issues in the vendor team, the schedule will be re-baselined again when the vendor resource issues have been resolved.

BusinessRenew Independent Project Oversight

The BusinessRenew Independent Project Oversight will deliver an independent, un-biased assessment of significant BusinessRenew projects progress, outcomes, project and risk management, including but not limited to compliance with established governance and project management processes and best practices.

Period Ending June 30, 2013:
- Completed monthly comprehensive status reports for BusinessDirect, Pension Solution, Data Preparation, and Enterprise Information Management.
- Reviewed and provided feedback on BusinessDirect, Pension Solution, Data Preparation, and Enterprise Information Management project deliverables.
- Developed board presentations on BusinessRenew project status.
- Provided advisory services to the Enterprise Program Investment Council (EPIC) on information technology project management best practices.
- Provided input and feedback on Pension Solution procurement process.

Planned Deliverables by September 30, 2013:
- Provide program level reporting to board.
- Complete comprehensive monthly status reports for BusinessDirect, Pension Solution, Data Preparation and Enterprise Information Management.
- Provide oversight and guidance on Pension Solution procurement project planning activities.
- Provide oversight and guidance for the Requirements Management procurement activities.
- Present project risk education and lessons learned session to the Enterprise Program Investment Council (EPIC).

Major Fiscal Year 2012/2013 Milestones

Project Schedule Status Timeline
The BusinessRenew Pension Solution project will replace our existing pension administration system in order to strengthen automated internal controls and bring consistent and sustainable business processes for member data. The project is currently approved through the procurement phase.

**Period Ending June 30, 2013:**
- Finalized the Request for Information (RFI) Results Report.
- Completed a draft of the non-functional requirements documentation for the Pension Solution Request for Proposal (RFP).
- Completed the Readiness Assessments for Service Retirement, Client Outreach and Guidance, and Disability and Survivor Benefits staff.
- Completed a draft Pension Solution Selection Criteria and Evaluation Methodology document.

**Planned Deliverables by September 30, 2013:**
- Distribute the Pension Solution RFP for final review prior to publication.
- Complete the Benefits and Services staff Readiness Assessments.

**Schedule Warning:** The project is behind schedule due to delays in items requiring executive decision and delays in hiring resources.

**Major Fiscal Year 2012/2013 Milestones**
BusinessRenew Program

The Renew Project Support provides project support for all Renew project efforts including independent project oversight, legal services and cultural change and communications management support.

Period Ending June 30, 2013:

- Received Enterprise Project Investment Council (EPIC) budget approval for 2013/2014.
- Received Enterprise Program Investment Council (EPIC) to migrate BusinessRenew Project Support into a BusinessRenew Program and established the program.
- Established the BusinessRenew Program within the newly created strategic operational program: BusinessRenew Executive Office and hired new executive (Chris Caietti).
- Provided on-going communications and cultural change management support for large BusinessRenew projects (BusinessDirect, Pension Solution, Data Preparation and Enterprise Information Management).
- Provided BusinessRenew Program risk and issue management.

Planned Deliverables by September 30, 2013:

- Provide board overview and update on BusinessRenew program; including long term budget projections.
- Provide on-going communications and cultural change management support for large BusinessRenew projects (BusinessDirect, Pension Solution, Data Preparation, Enterprise Information Management, and Requirements Management).
- Provide ongoing BusinessRenew Program risk and issue management.
- Hire additional program resources.

Schedule Warning: The program is behind schedule due to delays in hiring program resources.
