1. Project Total – amount represents the sum of the projects’ prior years’ actual expended amount and the current and future years budgeted amounts.
2. 2012/2013 Expended – includes project expenses paid and does not reflect expenses that have been accrued.
3. BusinessRenew Corporate Accounting & Resource Management – $15.5 million funded through Board and contingency funds and is excluded from the Enterprise Projects’ stated Total Budget, Allocated and Expended information. Received EPIC funds of $1,774,680 for fiscal year 2011/2012 and $2,875,000 for fiscal year 2012/2013.
5. BusinessRenew Data Preparation – schedule delay due to the delayed Data Analysis vendor procurement and on boarding due to receiving no qualified bids for the first Request for Proposal released.
6. BusinessRenew Pension Solution - amount includes funds for project phases beyond the defined discovery and requirements phases.
7. Enterprise Technology Projects Budget – Beginning with fiscal year 2012/13 a new appropriation in the amount of $18.5 million was created for the EPIC enterprise technology projects. A portion of the remaining $1.5 million is used to support the Project Management Office and the remaining amount will remain available for use as needed.
