¹ Project Total – amount represents the sum of the projects’ prior years’ actual expended amount and the current and future years budgeted amounts.

² 2012/2013 Expended – Due to stabilization and data reconciliation work being performed with the new BusinessDirect system, actual project expenses are not available for the 3rd quarter period.

³ AB 340 Pension Reform - schedule slippage due to needing additional time to address and resolve an unanticipated issue

⁴ BusinessRenew Corporate Accounting & Resource Management – $15.5 million funded through Board and contingency funds and is excluded from the Enterprise Projects’ stated Total Budget, Allocated and Expended information. Received EPIC funds of $1,774,680 for fiscal year 2011/2012 and $2,875,000 for fiscal year 2012/2013.

⁵ BusinessRenew Corporate Accounting & Resource Management - schedule slippage due to delays in launching Release 1 and impacting the planned date for Release 2.

⁶ BusinessRenew Enterprise Information Management - schedule delay due to the addition of activities for stakeholder acceptance

⁷ BusinessRenew Pension Solution – amount includes funds for project phases beyond the defined discovery and requirements phases

⁸ BusinessRenew Program – schedule slippage due to delays in hiring program resources.

⁹ BusinessRenew Requirements Management - schedule slippage due to delays in the tool procurement process.

¹⁰ Priority Management Project Portfolio Management Tool – schedule slippage due to delays in the configuration and documentation finalization processes.

¹¹ Enterprise Technology Projects Budget – Beginning with fiscal year 2012/13 a new appropriation in the amount of $18.5 million was created for the EPIC enterprise technology projects. A portion of the remaining $1.5 million is used to support the Project Management Office and the remaining amount will remain available for use as needed.

Quarter Ending March 31, 2013
AB 340  
Pension Reform  

The Pension Reform Project will implement Assembly Bill 340 (Furtani), enacted as Chapter 296, Statutes of 2012, an extensive revision to California public pension plans.

Period Ending March 31, 2013:
- Received Enterprise Program Investment Council (EPIC) approval to conduct a discovery for the long-term changes.
- Implemented Phase 2, the functionality to limit to post-retirement benefits; display the new retirement formula on additional screens and add the new formula to the accounting system interface.
- Continued updates to member communication publications and directives to reflect AB 340 changes.
- Commenced Phase 2.1, the functionality to prevent a benefit stream from authorizing if under the new retirement formula, unless a specific override has been applied.
- Commenced Discovery efforts for remaining nine (9) identified items affected by AB 340.
- Conducted special Employer Advisory Committee meeting.

Planned Deliverables by June 30, 2013:
- Implement Phase 2.1 functionality to prevent a benefit stream from authorizing if under the new retirement formula, unless a specific override has been applied.
- Complete Discovery document for remaining nine (9) identified items affected by AB 340.
- Continue updates to publications and directives.
- Provide information at the Employer Advisory Committee meeting.
- Request Enterprise Investment Council (EPIC) approval to extend the schedule by two months to July 2013.

Schedule Warning: Project is at risk of schedule slippage due to an issue that required an Executive decision and the unanticipated associated work as a result of the decision.
