The Enterprise Program Investment Council (EPIC) is responsible for governance of all enterprise technology projects which includes prioritizing, allocating resources and providing oversight of the $18.5 million annual EPIC technology projects budget. An additional $4.4 million, not expended during fiscal year 2012/2013, is available for two additional years for new or existing projects as a result of the new appropriation that began in fiscal year 2012/2013.

The Project Management Office (PMO) monitors and reports on the EPIC Technology Projects Budget and enterprise technology projects monthly to EPIC and quarterly to the Teachers’ Retirement Board.
