Enterprise Technology Projects
Fiscal Year 2013/2014
Second Quarter Report
The Enterprise Program Investment Council (EPIC) is responsible for governance of all enterprise technology projects which includes prioritizing, allocating resources and providing oversight of the $18.5 million annual EPIC technology projects budget. An additional $4.4 million, not expended during fiscal year 2012/2013, is available for two additional years for new or existing projects as a result of the new appropriation that began in fiscal year 2012/2013. The portion of the $4.4 million allocated to projects is included in the total project amount for each project.

The Project Management Office (PMO) monitors and reports on the EPIC Technology Projects Budget and enterprise technology projects monthly to EPIC and quarterly to the Teachers’ Retirement Board.

**TotalEnterprise Technology Projects’ 2013/2014 Budget\(^1\): $18.5 million**
- **Total 2013/2014 Allocated:** $10,527,739
- **Total 2013/2014 Expended:** $2,242,582

**Schedule & Budget Indicators:**
- ● Acceptable
- ▼ Warning
- ◆ Critical
- ◼ Complete
- ▼ Not Started

---

\(^1\) Project Total – amount represents the sum of the projects’ prior years’ actual expended amount, the 2012/2013 re-allocated budgeted amount, and current and future years budgeted amounts.

\(^2\) BusinessRenew BusinessDirect (previously known as Corporate Accounting & Resource Management) – $15.5 million funded through Board and contingency funds and is excluded from the Enterprise Projects’ stated Total Budget, Allocated and Expended information. Received EPIC funds of $1,774,680 for fiscal year 2011/2012 and $3,718,505 for fiscal year 2012/2013.

\(^3\) BusinessRenew Data Preparation – schedule issues due to data analysis vendor resource issues and data analysis complexity

\(^4\) BusinessRenew Program – schedule slippage due to delays in hiring program resources

\(^5\) BusinessRenew Requirements Management - schedule delays due to tool procurement issues and process delays

\(^6\) GASB 67/68 – schedule slippage due to the delayed availability of vendor resources

\(^7\) Enterprise Technology Projects Budget – Beginning with fiscal year 2012/13, a new appropriation in the amount of $18.5 million was created for the EPIC enterprise technology projects for each fiscal year. Funds in the amount of $4.4 million, not expended during fiscal year 2012/13, are available for two additional years for new or existing projects.
The Pension Reform Project will implement Assembly Bill 340 (Furutani), enacted as Chapter 296, Statutes of 2012, an extensive revision to California public pension plans.

### Period Ending December 31, 2013:
- Continued updates to member communication publications and directives to reflect AB 340 changes.
- Completed requirements development sessions for Phase 3 releases—Salary Cap, Service Credit Purchase and Business Direct Extracts (formerly Contribution Rates).
- Commenced requirements development sessions for Phase 5—Benefit Estimate Calculator.
- Initiated procedures for all identified Felony Conviction manual processes.

### Planned Deliverables by March 31, 2014:
- Continue updates to member communication publications and directives to reflect AB 340 changes.
- Secure additional information technology resources to support the project.
- Finalize requirements for Phase 3 releases—Salary Cap, Service Credit Purchase and Business Direct extracts.
- Complete development of manual processes, procedures and documents to address the Felony Conviction piece of the legislation.
- Implement Phase 3 releases—Salary Cap, Service Credit Purchase, Business Direct extracts and BusinessDirect (system) changes.
- Commence requirements for development sessions, build and testing for Phase 4 releases.

BusinessRenew Data Preparation

The Renew Data Preparation project acquired the services of a Data Analysis Services vendor to assist in analyzing CalSTRS pension data and developing a plan for preparing the data for conversion to a new pension solution.

Period Ending December 31, 2013:
- Continued the Complete Account Review and Evaluation (CARE) team’s working of high priority cases and identifying opportunities to refine/improve processes and procedures.
- Continued data profiling activities.

Planned Deliverables by March 31, 2014:
- Finalize strategy for getting project back on schedule.
- Complete Member Account Data Analysis.
- Complete Service Credit and Purchase Data Analysis.
- Commence Retirement Data Analysis.

Critical Schedule Issue: Data analysis vendor resource issues and complex analysis has taken longer than originally scheduled. The data analysis vendor has been working on a new strategy to ensure the schedule remains on track for August 2014.

### Project Name

**BusinessRenew Program**

### Purpose

The BusinessRenew program provides centralized governance, and coordination of all BusinessRenew project activities to achieve the strategic benefits and objectives outlined in the CalSTRS Strategic and Business plans by facilitating the optimization of costs, resources and staffing, risk management, and the integration of BusinessRenew component project dependencies and deliverables. BusinessRenew program services include project management and support, including cultural change and communications management.

### Accomplishments

- **Period Ending December 31, 2013:**
  - Provided board overview and update on BusinessRenew program; including long term budget projections.
  - Hired additional communications, cultural change management, and administrative support resources.
  - Provided on-going communications and cultural change management support for large BusinessRenew projects (BusinessDirect, Pension Solution, Data Preparation, and Requirements Management).
  - Provided BusinessRenew Program risk issue and schedule management.

- **Planned Deliverables by March 31, 2014:**
  - Finalize program governance model and program plan.
  - Provide on-going communications and cultural change management support for large BusinessRenew projects (BusinessDirect, Pension Solution, Data Preparation and Requirements Management).
  - Provide ongoing BusinessRenew Program risk, issue, and schedule management.
  - Hire additional program resources.

**Schedule Warning:** Program is behind schedule due to delays in hiring program resources.

**Project Name**

BusinessRenew Requirements Management

**Purpose**

The BusinessRenew Requirements Management Project will purchase and implement a requirements management tool, implement the Requirements Management Plan (RMP), implement a requirements management process, convert the Pension Solution Requirements and migrate existing requirements as identified by the project.

**Accomplishments**

**Period Ending December 31, 2013:**

- Released Invitation for Bid (IFB) to procure CalSTRS Requirements Management tool.
- Evaluated responses to Requirements Management Tool IFB.
- Awarded IFB and initiated the contract process.
- Refined the Requirements Management plan and process.

**Planned Deliverables by March 31, 2014:**

- Fully execute contract with tool vendor.
- Initiate server environment set up and tool installation.
- Review with vendor and finalize Requirements Management plan and process, Requirements Migration overview and Training plan.
- Request and receive Enterprise Program Investment Council (EPIC) approval to extend the project schedule.
- Release a Request for Proposal for resources to assist with the tool implementation.

**Critical Schedule Issue:** The project is behind schedule due to procurement issues and delays in the tool procurement process.
