The Enterprise Program Investment Council (EPIC) is responsible for governance of all enterprise technology projects which includes prioritizing, allocating resources and providing oversight of the $18.5 million annual EPIC Technology Projects Budget. An additional $15.1 million, not expended during fiscal year 2014/2015 is available for use during fiscal year 2015/2016. As of the end of the first quarter, of the $33.6 million available, $4 million has been obligated. As part of the Governor’s 2015-16 Budget, an additional $63.1 million was allocated specifically for the Pension Solution Project of which $40 million has been obligated.

The Project Management Office (PMO) monitors and reports on the EPIC Technology Projects Budget and enterprise technology projects monthly to EPIC and quarterly to the Teachers’ Retirement Board.
