Enterprise Technology Projects

Fiscal Year 2015–16
Second Quarter Report

Quarter Ending December 31, 2015
The Enterprise Program Investment Council (EPIC) is responsible for governance of all enterprise technology projects which includes prioritization, resource allocation and oversight of the $18.5 million annual EPIC Technology Projects Budget. An additional $15.1 million, not expended during fiscal year 2014/2015 is available for use during fiscal year 2015/2016. As of the end of the first quarter, of the $33.6 million available, $11.9 million has been allocated to projects of which $4 million has been obligated to date. As part of the Governor’s 2015-16 Budget, an additional $63.1 million was allocated specifically for the Pension Solution Project of which $45 million has been made available to the project and $41 million has been obligated to date.

The Project Management Office (PMO) monitors and reports on the EPIC Technology Projects Budget and enterprise technology projects monthly to EPIC and quarterly to the Teachers’ Retirement Board.
