Enterprise Technology Projects

Fiscal Year 2017–18
Year End Report
CalSTRS had four major enterprise projects and 12 additional projects of under $1 million in fiscal year 2017-18. One of the four major projects, Space Optimization, was completed during the first quarter within scope, schedule and budget. Of the under $1M projects, four have been completed, six are on track within schedule and budget, and the remaining two have schedule adjustments forthcoming.

The Project Management Office (PMO) monitors and reports on the information technology projects’ budget and enterprise projects monthly to EPIC and quarterly to the Teachers’ Retirement Board.

The Pension Solution project will replace CalSTRS legacy pension administration system in order to increase the organization’s ability to respond to business and customer needs; enhance services to members, beneficiaries, staff and employers; gain long-term operational efficiencies; and improve internal controls.

**Total Project Budget**

$251.8 Million

**Period Ending June 30, 2018:**
- Continued:
  - Data conversion activities and mock conversions.
  - User acceptance test (UAT) planning activities.
- Continued Functional Rollout 2:
  - Joint Application Development (JAD) sessions.
  - Coding and Unit Testing.
  - Contractor Acceptance Testing planning activities.
- Commenced:
  - External partner engagement regarding interface design and changes.
  - New file format JAD sessions.
- Reviewed and Baselined revised project schedule.

**Planned Deliverables for Fiscal Year 2018/2019:**
- Continue:
  - Data conversion activities and mock conversions.
  - User acceptance test (UAT) planning activities.
  - External partner engagement regarding interface design and changes.
- Complete
  - New file format JAD sessions.
  - Functional Rollout 2 Joint Application Development (JAD) sessions.
- Continue Functional Rollout 2:
  - Coding and Unit Testing.
  - Contractor Acceptance Testing planning activities.
- Provide demonstration of pension solution functionality.
- Commence:
  - User Acceptance Test activities for Employer Readiness Environment.
  - Employer Training Development activities for Soft Launch.
  - Functional Rollout 2 Contractor Acceptance Testing activities.
  - Functional Rollout 3 Fit/gap sessions.

![Budget Warning: At the end of the fiscal year the project was in Warning status pending board approval of the re-baselined budget as a result of the schedule extension and agreements between CalSTRS and CGI. The board approved the budget on July 19, 2018. The 2018/19 First Quarter Report will reflect the approved budget and remove the Warning status.]
