**INVESTMENT ALLOCATION OF CONTRIBUTIONS**

Please refer to the Plan Highlights and Fund Fact Sheets located at **Pension2.com** for additional information about the CalSTRS Pension2 Program, the Easy Choice Portfolios, Voya Fixed Plus III and the mutual fund investment options. The Investment Allocation of Contributions elected below will apply to all contribution sources. Eligibility to receive Employer Contributions under the plan is determined by the Employer. Completion of this Enrollment Form does not establish your eligibility to receive Employer Contributions.

If you do not designate fund elections or elections do not total 100%, your investment allocation will default 100% to the Voya Fixed Plus III<sup>1</sup>. Please check only **ONE** of the two options below in this section:

**ELECTION A – EASY CHOICE PORTFOLIO**

By selecting an Easy Choice Portfolio you are designating 100% of your contributions to that particular portfolio. You also agree to have your elections rebalanced periodically in order to stay within the investment percentages of the portfolio you have chosen. *(The CalSTRS Pension2 Easy Choice Portfolios are created by CalSTRS from the list of investment options below, in conjunction with its Financial Planning Consultant.)*

If you would like to keep things simple, answer two questions.

**1. When will you retire: (Check the box that best defines your expected retirement year)**

- 2050+     2040     2030     2020     RETIRED

**2. What type of investor are you: (Check the appropriate box)**

- CONSERVATIVE     MODERATE     AGGRESSIVE

OR

**ELECTION B – BUILD YOUR OWN PORTFOLIO**

If you prefer to choose among investments in different asset classes and develop your own portfolio to match your time horizon and tolerance for assuming risk, consider a “build your own portfolio” strategy. Allocations must equal 100%. If your selection is invalid or unclear, your contributions will be automatically invested for you in the Voya Fixed Plus III<sup>1</sup>.
