**FEDERAL AND STATE INCOME TAX WITHHOLDING**

**Tax Withholding Elections:** Regardless of whether or not federal or state income tax is withheld, you are liable for taxes on the taxable portion of the payment. If you do not have a sufficient amount withheld, you may be subject to tax penalties under the Estimated Tax Payment rules. An election made for a single non-recurring distribution applies only to the payment for which it is being made.

**FEDERAL WITHHOLDING RULES**

**Eligible rollover distribution – 20% withholding-** Distributions you receive from qualified pension or annuity plans that are eligible to be rolled over tax free to an IRA or another qualified plan are subject to a flat 20% federal withholding rate. The 20% withholding rate is required and you cannot opt out of income tax withheld from eligible rollover distributions. You may elect withholding in excess of the mandatory 20% rate.

**Periodic Payments** — Withholding from periodic payments of a pension or annuity that are not rollover eligible is figured in the same manner as withholding from wages. Periodic payments are made in installments at regular intervals over a period of more than 1 year\*. You may opt out of withholding. If you do not elect out, withholding from your periodic payment will be based on the marital status and withholding allowances you specify below. You may also elect an additional amount to be withheld from your payment. If you do not make an election, withholding will occur at a rate equal to an election of “Married with 3 withholding allowances”.

You are responsible for understanding and planning for the tax implications of any withdrawal. You may wish to contact your financial/tax advisor before submitting this form.

\*Periodic payments made from qualified retirement plans that are not based on life expectancy or are expected to last less than 10 years remain rollover eligible and are subject to the mandatory 20% withholding described above.

**FEDERAL WITHHOLDING INSTRUCTIONS**

- DO NOT** withhold any federal income tax unless mandated by law
- DO** withhold federal taxes

**Default:** If no election is made, standard federal income tax withholding will occur applicable to your type of distribution.

Marital Status:  Single  Married  Married, but withhold at higher “Single” rate

Total number of allowances: \_\_\_\_\_

**Additional amount** you want withheld from your payment(s) \$ \_\_\_\_\_ (Note: This amount is in addition to the standard federal withholding rate applicable to your distribution.)

**Notice:** Payments to non-resident aliens are subject to a 30% federal withholding tax, and U.S. persons who provide a resident mailing address outside the United States may be subject to a 30% federal withholding tax, unless they are eligible for a reduced rate or exemption under a tax treaty and the required IRS tax forms are submitted.

**STATE WITHHOLDING INSTRUCTIONS:**

- DO NOT** withhold any state income tax unless mandated by law
- DO** withhold state taxes in the amount of \$ \_\_\_\_\_ or \_\_\_\_\_ % (If you make this election, a dollar amount or percentage must be specified and cannot be less than any required withholding.)

**Note:** If you do not make an election or if your state requires a greater amount of withholding, we will withhold at the rate specified by your state of residence for the type of payment you are receiving. In some cases, your state specific withholding election form is required to opt out of withholding or to choose a rate other than the state’s default rate. Refer to the plan website for State Income Tax Withholding Notification and/or your State Department of Taxation for details.
