Pension Solution Project

- Replace the CalSTRS pension administration system.
- System tracks members’ service credit and compensation throughout their careers.
- Aligns with the CalSTRS Strategic Plan and delivers four primary benefits to the organization and those we serve.
Project Benefits

- Increase ability to respond to customer and business needs.
- Enhance services to members, beneficiaries, staff and employers.
- Gain long-term operational efficiencies.
- Improve internal controls.
Pension Solution – Employer Reporting Transition Timeline
