

## CalSTRS At-a-Glance

### Our Mission

#### **Securing the financial future and sustaining the trust of California's educators.**

CalSTRS administers a hybrid retirement system consisting of traditional defined benefit (Defined Benefit Program), cash balance (Defined Benefit Supplement Program and Cash Balance Benefit Program) and voluntary defined contribution (CalSTRS Pension2<sup>®</sup>) plans to California's public school educators prekindergarten to community college. We also provide disability and survivor benefits. CalSTRS is governed by the Teachers' Retirement Law, part of the California Education Code.

To increase members' understanding of their benefits and their shared role in securing their financial futures, we offer customer and benefits planning services, including self-service resources, workshops and publications specific to key career stages. We also offer a speakers bureau for our stakeholder groups.
