

CALSTRS

CALIFORNIA STATE TEACHERS' RETIREMENT SYSTEM

Pension Solution

Marty Sevilla and Alicia Osborn, BusinessRenew

Employer Advisory Committee Meeting – August 5, 2015

Two analysts have joined the Employer Readiness Team.

- Alicia Osborn
- Marty Sevilla

CGI Technologies and Solutions Incorporated has been chosen to work with CalSTRS to replace our current pension system.

Team CGI is currently onsite at CalSTRS.

Current project status – project startup

Fall 2015/ winter 2016 – requirements confirmation/conceptual design

Spring 2016 through 2020 – phased implementation

2020 – project transition

Data collection analysis draft document is under review.

The next Employer Forum meeting is scheduled for August/September.

Charter school process flow mapping.

Requirements confirmation/conceptual design

- Frequent Employer Forum meetings
- Review of employer comments on the business requirements
- Project updates via established communication methods (e.g., EAC, newsletter, webinars, etc.)

Employer reporting implementation phase

- Frequent Employer Forum meetings
- Employer Pilot formation
- Technology forum
- Employer readiness
- Project updates via established communication methods (e.g., EAC, newsletter, webinars, etc.)
- User acceptance testing (UAT)
- File testing
- Training

For pension solution project related questions or issues please contact Bill Frerichs, Marty Sevilla, Alicia Osborn or renew@calstrs.com.

For all other questions or issues related to employer reporting, training or legislation contact your Member Account Services representative.

- AB1469 (contribution rate increases)
- PEPRA (pension reform)
- Creditable compensation regulations
