We know there are questions regarding the new IRS regulations. CalSTRS has the answers; join us on December 4th from 10:00 AM to 11:30 AM PST for a live, interactive web based discussion.

The webinar will focus on the following:

-  Why you need a Third Party Administrator
-  Why “free” and “product-based” TPA’s maybe a bad idea
-  Why you should use 403(b) Comply
-  How to get started with our program
