## Webcast on Final 403(b) Regulations

If you missed CalSTRS' webinar on December 4, 2007, which included an overview of the new Internal Revenue Service (IRS) 403(b) regulations, you have another opportunity to take part in a webcast on January 22, 2008 from 10:00 to 11:30 a.m. PST.

The webcast is sponsored by the National Association of Government Defined Contribution Association and features: Ed Derman, CalSTRS Deputy Chief Executive Officer; Robert Architect, IRS 403(b) expert; and Elaine Immerman, Associate General Counsel from TIAA-CREF.

This webcast is especially important for superintendents, business officers and payroll personnel because of the increased responsibility and fiduciary responsibility placed on employers. An overview of the new regulations will be discussed as well as practical compliance issues and guidance.

To register for the free webcast, log on to [www.nagdca.org](http://www.nagdca.org). Registrations must be received by close of business on January 21, 2008.

If you have specific questions about CalSTRS 403(b) compliance program, CalSTRS 403bComply, please contact Michelle Emmal at (949) 916-2532.
