Reduced Workload Program

Clarifying Language Regarding Requirements for
Beginning the Reduced Workload Program

The purpose of this circular is to alert employers to a change to Education Code Section 22713 enacted by Chapter 323, Statutes of 2007 (Assembly Bill 757) to clarify provisions of the Reduced Workload Program.

Several members were defaulting out of the program due to a failure to meet the statutory requirement to perform at least 50 percent of the full time load while participating on the Reduced Workload Program because of a late start date. Effective January 1, 2008, a member participating in the Reduced Workload Program must begin participation at the beginning of the school year, and must continue program participation until the end of the school year.

Beginning July 1, 2008, Reduced Workload Program participation will not be approved for members whose participation date does not coincide with the beginning of the school year. Included with this circular is the revised Reduced Workload Program Eligibility Certification Application (form ES-1161).

If you have any questions regarding this circular, please contact your CalSTRS Member Account Services Representative.
