### Total Enterprise Projects’ 2009/2010 Budget:
- **$20 million**

### Total 2009/2010 Allocated:
- **$13,290,055**

### Total 2009/2010 Expended:
- **$2,243,159**

### Schedule & Budget Indicators:
- **Acceptable**
- **Warning**
- **Critical**
- **Complete**

---

1. Project Total – amount represents the sum of the projects’ prior years’ actual expended amount and the current and future years budgeted amounts

2. Additional Earnings and Annuity Credit – budget warning due to additional workload and resources

3. Annual Update and Cost Effectiveness Measurement - previously combined under Enterprise Program Management

---

Quarter Ending September 30, 2009
Actuarial Valuation

The Actuarial Valuation project will provide CalSTRS with verification of the actuarial valuation processes, improve the current valuation process through the use of both technology and process improvement, and create detailed procedures.

### Strategic Fit

**Goal:** Financial (Risk and Reward)

**Objective:** Responsibly Manage Risk

### 2009/2010 Project Budget

**$962 Thousand**

- **Expended:** 2%
- **Remaining:** 98%

### Total Project Budget

**$1.9 Million**

- **Expended:** 29%
- **Remaining:** 71%

---

**Period Ending September 30, 2009:**

- Developed Actuarial Data Mart and high-priority standard actuarial reports and loaded prior-year actuarial data into data mart.
- Began system integration testing of Actuarial Data Mart and high-priority reports.
- Assessed data mart hardware and software needs and created virtual server environments in the CalSTRS Headquarter server room.
- Received and reviewed the draft Process Review Actuary vendor’s Data Validation and Process Review Report.

**Planned Deliverables by December 31, 2009:**

- Conduct unit testing and implementation activities for the Actuarial Data Mart, high-priority standard actuarial reports and loading prior-year actuarial extract data into the data mart.
- Continue creating virtual server environments in the CalSTRS Headquarter server room.
- Complete system integration testing and user acceptance testing of Actuarial Data Mart and high-priority reports.
- Finalize review and approval of Data Validation and Process Review Report produced by the Process Review Actuary vendor.

### Major Fiscal Year 2009/2010 Milestones

**Project Schedule Status Timeline**

- **1st Quarter**
  - Complete Data Validation and Process Review Report
  - Implement First Release
- **2nd Quarter**
  - Implement Second and Final Releases
  - Complete System Documentation and Transition to Business
- **3rd Quarter**
  - Complete Detail Internal Procedures Report
- **4th Quarter**
  - 61% Complete

**Budget Warning:** The Additional Earnings and Annuity Credit project is over budget due to the additional work associated with issuing California tax refund payments to our out of state residents.

### Planned Deliverables by December 31, 2009:

- Disburse California tax refund payments to out of state residents.
- Request Enterprise Program Investment Council approval to increase the current fiscal year budget in support of issuing the tax refund payments.
- Transition project to the information technology maintenance team.
- Monitor credits for the Additional Earnings/Additional Annuity Retirement Progress Reports and the 2009 1099’s.
- Draft Project Closeout Report.
- Draft Lessons Learned Report.

### Major Fiscal Year 2009/2010 Milestones

- Disburse California tax refund payments to out of state residents.
- Request Enterprise Program Investment Council approval to increase the current fiscal year budget in support of issuing the tax refund payments.
- Transition project to the information technology maintenance team.
- Monitor credits for the Additional Earnings/Additional Annuity Retirement Progress Reports and the 2009 1099’s.
- Draft Project Closeout Report.
- Draft Lessons Learned Report.

**Project Name**

Employer Reporting Project

**Purpose**

The Employer Reporting Project will improve the employer reporting process and provide technologies in order to gain ongoing efficiencies and to increase the quality of member account data.

**Accomplishments**

**Period Ending September 30, 2009:**

- Continued enforcement of all counties for non-complex Defined Benefit edits resulting in a 60% improvement in exceptions for this category of edits.
- Finalized the strategy for county enforcement of the complex Defined Benefit edits.
- Finalized the Riverside County Employer Reporting Case Study for the Teacher’s Retirement Board meeting in October.
- Continued developing user acceptance test execution checklists.
- Continued to transition activities and artifacts to the appropriate business and program areas within CalSTRS.
- Provided articles for the Employer Reporting STAR newsletter.
- Presented information on the upcoming Secure Employer Web site enhancements at the August 5, 2009 Employer Advisory Committee meeting.
- Drafted the final release internal and external training objectives.

**Strategic Fit**

**Goal:** Internal Process (One & Done)

**Objective:** Increase Efficiency of Operations

### Accomplishments

- Added project resources.  
- Clarified project scope with the Enterprise Program Investment Council (EPIC).  
- Created draft discovery document to address future pension system alternatives.  
- Began drafting the Solutions Framework document (formerly referred to as the Long Range Architecture Plan).  
- Obtained EPIC approval of direction for future pension system.  
- Complete initial draft of Solutions Framework document.  
- Kick off strategic initiatives in preparation for Solutions Framework implementation.
The Headquarter Facility Project is completing a multiple year planning and construction effort to physically relocate its headquarters facility from a three building campus in Sacramento to a mid-rise office building in West Sacramento. In addition to meeting the expanding and long term needs of the organization, the construction provided an opportunity to upgrade the technology infrastructure.

Strategic Fit

**Goal:** Customer Service (No Surprises)

**Objective:** Improve Member and Employer Services

**Goal:** Internal Process (One & Done)

**Objective:** Increase Efficiency of Operations

**Goal:** Learning and Growth (Rock Solid)

**Objective:** Be an Employer of Choice

**2009/2010 Project Budget**

$311 Thousand

- **Expended:** 46%
- **Remaining:** 54%

**Total Project Budget**

$2.3 Million

- **Expended:** 94%
- **Remaining:** 6%

**Quarter Ending September 30, 2009:**

- Finalized Move Activity Schedule.
- Completed relocation of staff, technology and reused furniture for move phases three and four.
- Finalized salvage requirements with landlords and prepared for final turnover.
- Completed Life and Safety training classes for all staff.
- Completed trouble ticket collection and resolution process.
- Completed programming of Audio Visual equipment.
- Identified additional furniture needs/revisions and power/data requirements.

**Planned Deliverables by December 31, 2009:**

- Complete training of staff on Audio Visual equipment.
- Resolve outstanding Audio Visual items.
- Validate resolution of outstanding furniture items.
- Continue integrating the Building Security System into the Converged Network.
- Develop new contract with furniture vendor for on-going furniture maintenance and services.
- Implement new Contact Center system for intake of member calls.
- Obtain approval of all milestones for Converged Network System.
- Provide final acceptance of Contact Center and Converged Network Systems.

**Major Fiscal Year 2009/2010 Milestones**

- Implement New Contact Center System
- Develop New Contact Center System for intake of member calls
- Obtain approval of all milestones for Converged Network System
- Provide final acceptance of Contact Center and Converged Network Systems

- **Period Ending September 30, 2009:**
  - **Accounting Policies & Treatment**
    - Developed a risk assessment and overall strategic vision for the Accounting Division to facilitate implementation of recommendations from each of the work components.
  - **Penalties and Interest Discovery**
    - Developed a discovery document that explores alternatives to automating penalties and interest charges for employer late reporting and remittances in conjunction with current regulation efforts.
  - **Financial Management Reporting Enhancement**
    - Identified leading practices for Financial Management Reporting and developed a leading practices report to address identified gaps in accounting reporting infrastructure.

### Planned Deliverables by December 31, 2009:

- **Accounting Policies & Treatment**
  - Develop recommendations and implementation plans for addressing audit findings, strengthening internal controls and creating efficiencies in Accounting processes.
- **Penalties and Interest Discovery**
  - Present the Discovery results and recommendation to the Enterprise Program Investment Council (EPIC) for approval to move forward with implementation.
- **Recruitment, Retention, and Training**
  - Continue implementation of quick wins and communications efforts through the newly created Change Management Operations committee for preparation of future changes.
  - Begin implementation of the recruitment and retention recommendations to address the identified skills and knowledge gaps.

### Major Fiscal Year 2009/2010 Milestones

- **Implement New Roadmap**
  - Complete Penalties and Interest Discovery
  - 1st Quarter: 7/01/2009
  - 2nd Quarter: 1/01/2010
  - 3rd Quarter: 4/01/2010
  - 4th Quarter: 6/30/2010

- Identified representatives from each Division to participate on new Records Governance Council.  
- Identified representatives from each Division to participate on new Records Management Liaison Workgroup.  
- Deployed interim imaging viewer to view electronic records.  
- Determined that the project scope was not impacted by creating division taxonomies instead of one enterprise wide taxonomy.  
- Received approval from the Enterprise Program Investment Council (EPIC) to extend the project schedule to June 2010 due to the mandated furlough days. |
|                           | Strategic Fit                                                                                                                                                                                           | Planned Deliverables by December 31, 2009:  
- Deploy interim scan station in order to convert new paper documents into an electronic format.  
- Deploy Enhanced Disaster Recovery System for all files.  
- Complete Backfile Conversion of paper documents. |
|                           | Goal: Internal Process (One & Done)  
Objective: Increase Efficiency of Operations                                                                                               | Major Fiscal Year 2009/2010 Milestones                                                                                                                                                                             |
|                           |                                                                                                                                                                                                         | **2009/2010 Project Budget**
