Reduce Files

The Reduce Files project will convert non-member paper, microfilm and microfiche files to electronic format to reduce storage space requirements. This will decrease the number of filing cabinets throughout CalSTRS and contribute to the New Headquarters facility's LEED Gold Certification for sustainable "green" construction. The project also includes implementing a Records Management Program to ensure proper ongoing record maintenance.

Fiscal Year 2010/2011:
- Completed microfiche/microfilm backfile conversion.
- Finalized and deployed new training courses.
- Deployed P8 Enterprise Content Management System (ECMS).
- Completed project close-out activities.

Planned Deliverables for Fiscal Year 2011/2012:
- Project is complete.

Total Project Cost: Project was completed within budget.

Schedule and Scope: Project was completed within the approved schedule and scope.

Board Strategic Fit

Goal 3: Ensure a supportive and efficient organization and be an employer of choice.

Objective D: Design policies and practices to address the distribution and retention of electronic records.
