The Election Coordinator shall reject or edit any statement which he or she determines contains obscene, vulgar, profane, scandalous, untrue, libelous or defamatory matter or which does not meet the statement limitations stated above. The Election Coordinator may request the candidate to verify the truthfulness of any factual statements. The candidate shall provide timely verification upon such request as specified in the notification letter sent to qualified candidates. The Election Coordinator shall remove any portion of the candidate's statement a candidate is unable to verify. All decisions by the Election Coordinator related to candidate statements are final.

For purposes of this Article, "eligible active member" or "eligible active participant" means a member of the Defined Benefit Program or a participant of the Cash Balance Benefit Program, respectively, who is employed, on the date, or during the period specified in the Notice of Election's criteria for voter eligibility, by an employer.

Valid ballots shall be canvassed publicly by an independent, neutral agent appointed by the System for that purpose on the date specified in the Notice of Election at a location to be designated by the System. Depending upon the method of balloting selected by the Election Coordinator, the following are declared to be invalid ballots and shall not be counted in the election:

(b) Following certification by the Chief Executive Officer, the Election Coordinator shall notify candidates, Board members and other interested parties of the certified results. Notification to the newly elected Board member shall include an Oath of Office form. This form is to be signed by the Board member-elect in the presence of a notary public and returned to the System. The Election Coordinator shall file the Oath with the Secretary of State.

(c) Upon the Chief Executive Officer's certification and proper execution of the Oath of Office form, the Board member elected through this process shall take his or her office on either the day provided for by statute or immediately, if elected to fill a vacancy.

§ 24007. Recount of an Election.

(a) A candidate in the affected Board member election may file a written request with the Election Coordinator at the headquarters office of the System for recount within ten business days following the distribution of the certified election results; otherwise, there shall be no opportunity for requesting a recount and the certified election results stand as the final results.

(b) A request for a recount shall not delay the seating of an elected Board member. Such elected Board member shall take office on either the day provided for by statute or immediately, if elected to fill a vacancy, subject to the potential termination of such Board membership as a result of the recount.

(c) A candidate in the affected Board member election may request a recount of the valid ballots only if the difference in the number of votes cast between the candidate requesting the recount and the unofficial winner is less than 3 percent of the total number of valid ballots cast. A written request for a recount shall specify the election to be recounted, shall be signed by the candidate requesting the recount, and may specify any other relevant material to be examined.

(d) The Election Coordinator shall set a date for the recount upon receipt of the written request, and shall confirm this date upon receipt of the estimated cost to conduct the recount. The estimated cost of conducting a recount will include the System's administrative cost and the costs of the independent, neutral agent appointed by the System to canvass the valid ballots. Legal tender of the amount of the estimated cost of conducting the recount shall be submitted by the candidate requesting the recount to the Election Coordinator within three business days following notification of the estimated cost to conduct the recount; otherwise, the recount shall be terminated.

(e) If the results of the recount do not change the ranking of the candidates then the certified results shall stand as the final election results. In this case, if the actual cost of the recount is less than the estimated cost deposited by the requester, the System shall refund the amount which exceeds the actual cost; if the actual cost of the recount is more than the estimated cost, the System shall invoice the requester for the difference.

(f) If the results of the recount do change the ranking of the candidates, then the recount results shall be certified by the Chief Executive Officer and shall stand as the final election results. In this case, the System shall refund the amount of the estimated cost deposited by the requester.

Note: Authority cited: Section 22200.5, Education Code. Reference: Section 22200, Education Code.

§ 24008. Protest of an Election.

A candidate in the affected Board member election may protest an election by filing a written protest with the Election Coordinator at the headquarters office of the System within ten business days following the mailing of the certified election results for an election or a recount, otherwise, there shall be no opportunity for filing a protest and the certified election results shall stand as the final election results. The written protest shall be identified using the word "protest", shall specify the election, and shall state the grounds of the protest and suggested remedy.

Upon receipt of a valid and timely protest, the Election Coordinator shall mail a copy of the request to all candidates in the election and notify the Board and other interested parties that a protest has been filed.

An ad-hoc committee of the Board consisting of an odd number of members no fewer than three shall determine, what remedy, if any, shall be granted to the candidate filing the protest. No Board member who is a candidate in the election under protest, or has endorsed a candidate in the election under protest may become a member of the committee or participate in its selection.

The Board chairperson shall appoint Board members to the committee. If the Board chairperson is a candidate or has endorsed a candidate in the election under protest, the Board vice chairperson shall appoint Board members to the committee. If the Board vice chairperson is a candidate or has endorsed a candidate in the election under protest, the Board shall appoint from its number, members to the committee at its next regularly scheduled meeting.

If a minimum of three Board members are not eligible to participate on the ad-hoc committee, or if a majority of the full Board, excluding candidates but including endorsers of candidates so directs, the protest shall instead be determined by a panel of three arbitrators in accordance with the provisions below, the laws of the State of California, and the Labor Arbitration rules of the American Arbitration Association (AAA) in effect at the time, to the extent the AAA rules are not in conflict with these regulations. One member of the panel shall be selected by the protesting candidate, one member of the panel shall be selected by the successful candidate, and the third member, who shall serve as chair, shall be selected by the first two panel members.

The committee may consider written and/or oral arguments submitted by the candidate filing the protest and any other interested party, in making its determination. Any oral proceedings by the committee shall be held in the Board's meeting room and be open to the public. Other procedures, including those for receiving and considering arguments and factual allegations, shall be determined by the committee or arbitration panel in its sole discretion.

The determination of the committee or arbitration panel shall be rendered within 30 calendar days of its appointment and shall be final and binding on the System and candidates for office. The committee or arbitration panel shall declare the election under protest void, and the position vacant, only upon a finding that Board-adopted election procedures were not substantially followed and that, without this lack of substantial compliance, the election outcome would likely have been different.

The filing of a protest shall not delay the seating of an elected Board member. Such elected Board member shall take office on either the day provided for by statute or immediately, if elected to fill a

(1) Be made in writing;

(2) Be addressed to the Program Executive;

If there is no documentary evidence, the writing should expressly state there is an absence of such evidence.

(B) It is the applicant's burden to show that the facts, law, and pertinent information would provide a legal basis for CalSTRS to reverse the Decision.

(4) Within forty-five (45) days after the date of the disputed written Decision, be received by the System Headquarters or by a CalSTRS Field Office or at the following email address:

[CalSTRSInternalReview@calstrs.com].

(2) Informal fact finding is necessary in regard to the applicant's dispute with the Decision and the matter is referred to staff for investigation. The review may include consultation with, including but not limited to, staff, the Ombudsman, a Legal Services representative, and a representative from the relevant program area. After the review is complete, the Program Executive shall make a Determination and shall inform the applicant in writing within fifteen (15) days. If the applicant disagrees with the Program Executive's Determination under subdivisions d(1) or d(2)(C) of this section, the applicant may request an administrative hearing.

(e) The request for an administrative hearing shall be directed to CalSTRS Legal Services within ninety (90) days of the date of the Determination signed by the Program Executive. § 27601. Appropriate crediting of contributions.

(a) Upon determination that compensation was treated inconsistently, except in cases where an adjustment to the crediting of contributions would not result in a change to a member's final compensation, CalSTRS shall limit the amount of contributions that are credited to the Defined Benefit Program during the period of time specified in subdivision (b).

(1) If the inconsistent treatment of compensation is the result of a restructure of compensation, the employer shall report the amount that was restructured to the member's Defined Benefit Supplement account.

(2) If the inconsistent treatment of compensation is not attributable to a restructure, the employer shall report the portion of compensation in excess of the following thresholds to the member's Defined Benefit Supplement account:

(A) For inconsistent compensation increases concurrent with a change in position, the threshold for the fiscal year in which the inconsistent compensation increase occurred is the immediate predecessor's salary increased by the percentage calculated pursuant to paragraph (3). The resulting amount is the baseline on which the percentage increase calculated pursuant to paragraph (4) shall be applied to determine the threshold for each subsequent fiscal year.

(B) For inconsistent compensation increases not concurrent with a change in position, the threshold for the fiscal year in which the inconsistent compensation increase occurred is the member's compensation earnable for the year prior to the year in which the inconsistent increase occurred increased by the percentage calculated pursuant to paragraph (3). The resulting amount is the baseline on which the percentage increase calculated pursuant to paragraph (4) shall be applied to determine the threshold for each subsequent fiscal year.

(3) For the purposes of subparagraphs (A) and (B) of paragraph (2), the percentage increase to establish the baseline amount shall be the greater of either (A) or (B), whichever is applicable, or (C), as follows:

(A) 150 percent of the median percentage increase of the compensation earnable of the members at the member's employer between that fiscal year and the previous fiscal year, if that employer has at least 30 members.

(B) 150 percent of the median percentage increase of the compensation earnable of the members within the member's county between that fiscal year and the previous fiscal year, if the member's employer has less than 30 members.

(C) 150 percent of the median percentage increase of the compensation earnable of active members statewide, or zero, whichever is greater.

(4) For the purposes of subparagraphs (A) and (B) of paragraph (2), the percentage increase applied during each subsequent fiscal year shall be calculated as follows:

(A) For each subsequent inconsistent increase that is not concurrent with a change in position, the percentage calculated pursuant to paragraph (3) is applied to the prior year's threshold amount.

(B) For each subsequent inconsistent increase that is concurrent with a change in position, the percentage calculated pursuant to paragraph (3) is applied to the immediate predecessor's salary.

(C) For each subsequent consistent increase that is not concurrent with a change in position, the same percentage increase that the member earned is applied to the prior year's threshold amount.

(D) For each subsequent consistent increase that is concurrent with a change in position, the threshold amount is the actual compensation earnable for that new position.

(b) (1) For a member whose initial final compensation after his or her most recent retirement is calculated using a period of 36 or 12 consecutive months pursuant to Section 22134, 22134.5 or 22135 of the Education Code, the period of time shall not exceed the seven years preceding and including the last day used to calculate the member's final compensation.

(2) For a member whose initial final compensation after his or her most recent retirement is calculated using nonconsecutive periods of time due to a reduction in school funds as permitted by Education Code section 22134, the period of time shall not exceed the number of years that begins four years prior to the first day used to calculate final compensation and ends on the last day used to calculate final compensation.

(b) Contributions for remuneration in addition to salary that is paid pursuant to Section 27401 shall be credited to the member's Defined Benefit Supplement account if the compensation is not ongoing, as limited by either of the following:
