AB 2052 at a Glance

Effective upon authorization by the Teachers’ Retirement Board, AB 2052 requires all employers to submit their contribution payments by an electronic funds transfer method through an automated clearing house (ACH). A waiver process will be available to employers that are unable to comply with this requirement.

Key Benefits

1. Reduces workload, risk of errors and administrative expenses related to manual processes.
2. Provides employers with a more secure platform to transmit sensitive information.
3. Eliminates the occurrence of lost or stolen checks and the cost of check reissuance.
4. More cost effective than other payment formats.
5. Reduces carbon footprint and supports sustainability efforts.
