Help Your Employees Save for Retirement With 403bCompare

- New it's easier than ever for your employees to compare and select the 403(b) product that best matches their needs.
- 403bCompare was created to help all employees—certificated and classified—at California's school districts, community college districts and county offices of education make better-informed investment decisions.
- At 403bCompare.com, your employees can:
  - Learn about the advantages of a 403(b) account.
  - Find your district's list of approved 403(b) vendors.
  - Compare 403(b) products side by side, including fees, services and performance.
  - Get information about how to enroll.
  - Find retirement planning tips, savings calculators and more.
- 403bCompare is provided for all school employees by CALSTRS as required by state law.

Add the Badge

By placing this badge on your intranet or the Human Resources section of your website, your employees will have easy access to 403bCompare.

To place the 403bCompare badge on your site, simply provide your district's webmaster with the following HTML code:

```
<iframe src="https://www.403bcompare.com/iframe?districtID=109" width="300" height="350" frameborder="0" scrolling="no"></iframe>
```

Questions?

Contact us at 403bcompare@calstrs.com. Let us know if you plan to place the badge on your intranet or your website, so we may update our records.
