Before making your investment choices and completing your enrollment form, you should consider the investment objectives, risks, charges and expenses carefully. Please call 844-353-2872 for paper copies of the product and fund prospectuses that contain this and other information. Please read prospectuses carefully before investing. To view the prospectuses online, please login to your CalSTRS Pension2 participant website at <https://calstrspension2.voyaplans.com>, click on the Investments tab, and then select the investment you wish to view more information about.

The performance data quoted represents past performance, and is no guarantee of future results. Your returns and the principal value of your investment will fluctuate so that your mutual fund shares and annuity account accumulation units, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance quoted. Performance may reflect waivers or reimbursements of certain expenses. Absent these waivers or reimbursements arrangements, performance results would have been lower. Since inception performance shown is cumulative for periods less than one year.
